

(Brother Branham prays for a child  
who then walked perfectly)

Brother William Branham was a prophet sent by God (Malachi 4:5-6, Amos 3:7), and brought a message to the world that the people of the Lord might prepare to meet the second coming of Jesus Christ ( I Thessalonians 4: 1 5 -18). The Lord confirmed his powerful ministry by accompanying him with signs, wonders and miracles, even creation in front of his eyes.

Why all this? For you to listen to what the Holy Spirit says to the churches (Revelation 3:22), and no doubt you will be greatly blessed. The Lord wants us to prepare for His return, every heart that is humble and surrendered to Him "(Isaiah 66:2). For this important reason, it is so important to read what the Lord has said through this man of God.

## THE DOCTOR JESUS

*"If My people who are called by My Name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, **and will forgive** their sin and **will heal** their land."*

(II Chronicles 7:14)

Dear reader,

It is my great privilege to invite you to church, where there are believers who have had an experience with the Lord.

Divine Healing is very important, however, Let us not forget that before it is applied, there must be FORGIVENESS OF SINS, as it is written in the verse above.

God still does miracles, because the Bible clearly says that he has not changed. There is no disease that he cannot heal. In fact it is written: *"He ... heals **all** your diseases. "* (Psalm 103:3). If the Lord God says so, means that there is no disease or problem that he cannot solve. Medical science says that there is no perfectly healthy person in the world, that is, everyone has some physical problem, even tiny. This is because the body reminds us daily that we are dust and dust returns to dust. Only there are those who go so very traumatic and suffering, while others touched by God is coming to their earthly end for a new beginning where there is no sickness or sin.

Jesus has already healed all when He died on the cross of Calvary 2000 years ago, as it is written: *"... and by His stripes we are healed"* (Isaiah 53:5; 1st Peter 2: 2 4). Due to the beating that the Lord suffered, we get perfect healing. However, to obtain a healing God requires one thing and this is the faith, sincere faith in Him who can touch and heal you.

Faith comes by hearing the Word of God (Romans 10:17). Faith in the individual grows with listening to the Word, only when the Word heard is believed and **not** despised.

In this way, the wonderful and great **Doctor Jesus** begins to operate. When Jesus works He leaves no scars and his medicine, the Holy Spirit, is a balm so powerful that it does not only restore a sick body, but also renews a broken spirit and frees it from any possession. No human being can do this, and if someone tells you to do so, you can say openly: "ONLY GOD HEALS." Amen!

To do this the Lord uses believing men who put the Bible in practice.

At the meeting you will find men of God who have experienced the power of Divine healing and will be happy to pray for you if you believe.

Jesus said that if we have faith as a mustard seed (the smallest of all seeds), nothing will stand in our prayer. Everything that we ask, we ask in the Name of the **Lord Jesus Christ**.

The Word of God says in John 3:21 I ° *"Beloved, if our heart does not condemn us, we have confidence before God."* So our hearts should be free from sin, which is unbelief in the Word of God .

Only in this way I have confidence that if we pray to the Lord, He will hear any request from heaven. So confess with your mouth our faults before God and then, *"the prayer of faith shall save the sick, and the Lord shall raise him up: and if he has committed sins, they will be forgiven"* (James 5:15).

Dear Friend, surely the Lord will be with us in the Church, because we want to stay in order with the Word of God and move closer to Him. This is the desire of every believer and I pray that it is also your desire dear reader; affinch is that you can find relief in the One who can truly help: the **Lord Jesus Christ**.

*"If you have His Spirit in you, then you will try to reach everyone in the country, because it comes in your church to receive Christ."* (Prophet William Branham)
