An Interview with Evangelist William Branham

(Taken by electrical transcription January 12, 1954)

NEWS CONCERNING BROTHER WILLIAM BRANHAM

[Early in January Brother Branham called me, the editor, by long distance, requesting that we send him our personal testimony of the healing of Florence Nightingale, which we witnessed in London. We were very happy to comply with his request and, by a singular coincidence, two or three days later a copy of the **WORLD SCIENCE REVIEW** (December, 1953 issue) came to our desk, which told of a British investigation of this remarkable case. This scientific Journal concluded that the evidence was indeed impressive as to the fact that miracles were taking place today. The whole story occupied several pages.]

A few days later, on a trip north, I was invited to stay overnight in Brother Branham's home. During this time he gave me the answer to a number of questions I asked him concerning his plans for going overseas, and the work at **THE VOICE OF HEALING**. This conversation was recorded on a tape recorder. Part of what Brother Branham said appears on this page. Other questions and answers will appear in the magazine from month to month.

Brother Branham expects to leave for overseas on the 23rd of February. However, he said he had a few days that were open before he left on the trip and asked me to arrange some preaching appointments in the South. These services, however, will be concluded before this issue of the magazine comes off the press.—Editor.]

GORDON LINDSAY:

BROTHER BRANHAM, it is a pleasure to be in your home talking to you. A week or so ago you called me on the phone at Dallas, Texas, and asked me to write an eyewitness account of the Florence Nightingale case. A day or so after your call, by a curious coincidence, I received a copy of the "*World Science Review*" (Dec., 1953), which I hold in my hand. This is a London scientific publication, which gives a very favorable report of its investigation of this case, as well as that of several others. I understand that this is the first time you have seen this report.

Would you mind re-telling for us this remarkable Nightingale healing as you remember it?

WILLIAM BRANHAM:

No, Brother Lindsay. The first I heard about Florence Nightingale was in Houston, Texas, when Brother Bosworth presented a picture to me of this woman who appeared to be almost a skeleton. In a letter, she requested me to fly to Durban, Africa, to pray for her. Well, I just committed it to God and said, "Lord, if you will heal her, I will go to Africa someday and preach the gospel there."

As you remember, Brother Lindsay, upon our arrival at the airport in London, England, we were greeted by a minister

who told us that Florence Nightingale had arrived on a plane just before us and she wanted me to come to her. I requested that they take her to the parsonage, because we were going to be staying at the Picadilly Hotel.

The minister took Mrs. Nightingale to the parsonage and, the next morning, you and I and some others went over to pray for her. This minister and some other people were in the house, including a nurse. The woman was sleeping and I was told that she wanted me to ask God to let her die, for she was in such a miserable condition. I couldn't do that; therefore, we all knelt for prayer. When I raised up, I was going to remark about the woman's condition but, at that moment something said to me, "the woman will live and not die!" Then, about eight months later, she sent her testimony to you, (which we have today on record) saying that she had gained back her weight, and she has been doing fine ever since. For this, we give God all praise and glory.

GORDON LINDSAY:

Brother Branham, we understand that you are soon going overseas on another missionary trip. Could you tell our readers something of your plans?

WILLIAM BRANHAM:

Yes, I expect to leave for overseas on February 23 of this year. I have waited with great anticipation for the time for me to go back to Africa and also to visit India. I am to begin in Bombay, India, on September 23, as the arch bishop has just set the date for me. My African campaign will precede that; therefore, I will be leaving for Africa in the next few days. I certainly will appreciate the prayers of all my friends of **THE VOICE OF HEALING**, and ask that they pray for the success of my mission, as I carry the Gospel to those people in that country.

GORDON LINDSAY:

Brother Branham, our world prayer band now numbers over 3,000—people who have pledged to pray daily with us for world-wide revival and for the deliverance of the peoples of the world. I know that this great group will be eager to pray for the success of your coming trip. Do you have something that you would like to say to them concerning this?

WILLIAM BRANHAM:

Yes, Brother Lindsay, I certainly do. I wish to say to the people of this prayer group that I sincerely desire your prayers and will depend upon them greatly. Then, when the winds of opposition are blowing strong, I will think of the thousands of friends who are backing me up in prayer.

I am becoming more and more missionary minded. I believe Oswald J. Smith said, "No one has a right to hear the gospel twice before all have heard it once." Here in America, I am longing for the moment when I can go back to the heathen lands to the people who have never heard the Gospel and minister to them, in the name of our Lord Jesus;

and to see the little black hands and dirty faces of those in these lands who have never heard of Jesus. They are longing to hear about Jesus and, oh, how my heart bleeds to go back!

I earnestly request that every prayer warrior will pray sincerely that the Lord Jesus Christ will be manifested and magnified in the meetings and that literally thousands and thousands of those who have never heard the gospel will receive Jesus Christ. Pray for me personally, as the meetings are so strenuous on me, that God will give me strength to hold up to minister to them during the time I am gone.

GORDON LINDSAY:

Brother Branham, you just heard our Voice of Healing radio program a few minutes ago. This is another means by which this message is going out. Now you notice that we have a different evangelist speaking for us at each broadcast. You have spoken a number of times in the past and will be in the future.

You and other evangelists are often gone from America for months at a time. You have no opportunity to maintain your own radio program. Yet we have felt that people should be able to hear your voice, as well as the other speakers. Through special radio technique, we can capture your voice and release it at the proper moment.

What do you think of this plan of a national **VOICE OF HEALING** radio broadcast, which will give opportunity for your voice and others to be heard even though you are thousands of miles away?

WILLIAM BRANHAM:

I have just heard your marvelous program, and I thank God for it, and pray that God will bless it. I know that in this way—while we are called to fields across the seas—the home fires must be kept burning. We must leave no stone unturned for the glory of God.

While many churches are building ecclesiastical roofs to run the waters off we must get this message of deliverance out. Daniel said that they who know their God will do exploits in the last days. I believe we are living in that time. We must get this message out and I believe that the radio can play a great part in it. I am thankful that I have a humble part in this ministry. The radio is a marvelous thing and I pray God that He will bless the program abundantly for His glory.

GORDON LINDSAY:

Brother Branham, you will remember at the beginning of our ministry how we labored for the unity of the whole body of Christ and, from that time, that became the policy of **THE VOICE OF HEALING**.

Such a principle is not maintained without a cost and, sometimes both you, I, and others, are placed in po-

NEW RADIO STATIONS

NINE MONTHS HAVE PASSED since THE VOICE OF HEALING inaugurated its radio program. At the time we began, we really did not have a penny for that purpose. Nevertheless, God has seen us through this period.

During the last three months, we have averaged one new station every week. We are grateful indeed for several of these stations which are sponsored by local groups. We believe that THE VOICE OF HEALING program is unique in that it represents all the various organizations, and many independent groups; in fact, all those who recognize the unity of the body of Christ. It also represents many of the leading evangelists on the field, and the program gives opportunity for the people to hear each of these evangelists from time to time.

In inaugurating a new radio program, some unexpected changes are bound to occur. We had signed a contract with XEG to begin in January, but the station management at the last moment claimed there was a mix-up on our time. We received this word after we advertised it extensively. Also, the time on Station KUGN—Eugene, Oregon, failed to materialize. **THE FOLLOWING NEW STATIONS WERE ADDED THIS MONTH**

GOD IS WORKING WONDERS IN HELSINKI, FINLAND

By Tapani Karna, Interpreter and Son-in-law of Pastor Manninen, Helsinki, Finland

WE WERE BLESSED AND THRILLED to have our Brother Philip N. Green with us in Salem Church, Helsinki. The faith of people soon broke through the clouds after four days hard roaring of the engines, because our Evangelist illustrated the growth of faith in a congregation as a great plane leaving the ground to soar in the air above the clouds and obstructions of earth.

At this writing, Brother Green is in Stockholm at the Philadelphia Church, but will return in two more hours to continue the meeting in Finland because of the great move of God in our midst.

The Lord is moving and working wonders in Helsinki. As Brother Green's interpreter, I am able to closely follow what is taking place before our very eyes in these glorious meetings. We will certainly hear much more about the healings among the people, and the salvation of precious souls, but in this report we submit only what our eyes have seen and our ears have heard thus far in the campaign.

MY MOUTH REJOICES TO SPEAK OUT the messages our Brother proclaimed powerfully and faithfully devoted to the

Word of God. Some preachers do their best to make the hearers expect great things from the speaker, but *Brother Green does all in his power to get the eyes of every hearer on Jesus, the Great Physician!* We have rejoiced to hear bold preaching when he spoke forth the Word, with proper American salt and pepper, adding a pinch of his typical soda of harmless humor.

MY EYE REJOICED TO SEE

Many of the sick recover instantly of their ailments and troubles. I did see some who came looking at themselves instead of Jesus and waiting for some touch of magic—and they went away disappointed because, as our Evangelist often said, "You receive nothing in these meetings unless you look into the wonderful face of a tender and compassionate Christ."

But by far the greater number came with a humble heart and claimed deliverance for both soul and body. I saw one young lady stand in front of us. Her crossed eyes were filled with tears. Brother Green claimed deliverance, in the name of Jesus. Her eyes straightened immediately! While testing her eyes, faith wavered and her eyes were crossed once more! I told her, "Your eyes were straight a moment ago." "Have your eyes ever been straight in your life?" She answered "No." After the second prayer the eyes straightened and test after test showed them to be positively and permanently straight! She left the platform rejoicing.

I saw another lady climb the stairs in great pain. Brother Green looked into her eyes and said, "You have prepared yourself for deliverance—you do not need any hands laid on you—go now, walk normally in Jesus name." The lady started slowly down the stairs—joints were made free and pains were gone! She began to run and jump around the hall and came back to the platform to give a ringing testimony of instant deliverance!

I REJOICED TO HEAR

the written testimonies that were sent up to us without any request on our part. *Written testimonies included healings from heart trouble, asthma, spinal troubles, and many other conditions. Some sent word of new awakenings in heart and soul. Eye troubles, hands with stiff fingers, liver and stomach ailments—completely delivered in the name of Jesus Christ!* And I repeat that we did not request written testimonies at any time, but they were sent up time and time again to be read to a thrilled audience!

Many believers were healed who never did join the line for prayer. Brother Green gets the eyes of the people off the line entirely, and works to get all eyes on Christ—multitudes are healed in this way who never sign a card or join the line for prayer.

We deeply appreciate the emphasis of our Brother on the reading of the Word of God daily. In Finland where 98 percent are Lutheran, Brother Green hit the point of issue when he said over and over, "Faith must ACT! !" And the Word is the only basis of faith for every need in personality.

The meeting continued for 9 great nights, with over seventeen hundred on Sundays!

God bless our brother as he proclaims the message of deliverance throughout the world.

INTERNATIONAL
RETREAT CONFERENCE
in Hattem, Holland

Ministers of

State Church Groups Hold Healing Conferences in Holland!

EDITOR'S NOTE: The significance of this Conference is that Pentecostal men were invited in with men of The Church of England and churchmen of other countries to consider the message of DIVINE HEALING.

As Reported by P. van der Woude,
Pastor of the First Rotterdam Assembly
of God Church
's-Gravendeelstraat 12, Rotterdam-Zuid,
Holland

THIS CONFERENCE ON DIVINE HEALING was International and Inter-denominational. Responding to a personal invitation to take part, I was there from September 1 to 7. A number of outstanding messages were given by speakers from various countries and representing several denominations.

Reverend H. A. Madge, Episcopal Church of Scotland, spoke on the subject of "Exorcism in the New Testament." His scriptural message was made rich by references to cases that had been delivered from demons under his ministry in his own country and in India.

Dr. Elderenbosch, a Dutch Reformed minister, also brought a fine message on

Rev. P. van der Woude

ance of mankind from sin and sickness, in the Name of Jesus. He said, "How far the church has departed from the original plan."

Evangelist Philip N. Green, whom I met at the World Pentecostal Conference in London last year, was also an invited speaker at the conference. He ministered on the second night, illustrating his message by a chart that was drawn before the audience. His message was very good and methodical, which made many inquire about Pentecost and Divine Healing. There were many very pleased with his illustrated message. The subject was "Deliverance for the Whole Man—Mind, Heart, Spirit, Soul and Body."

A lady doctor from Holland, Mrs. Beerman, spoke on "Divine Healing and the use of Medical Means." Mrs. Beerman gave a very spiritual discourse—said she did not believe in giving people narcotic poisons, but worked to pray with her patients and only if they insisted would she prescribe medicine.

So we could go on—too many to mention. Question times were given and the speakers answered the questions about their own messages produced.

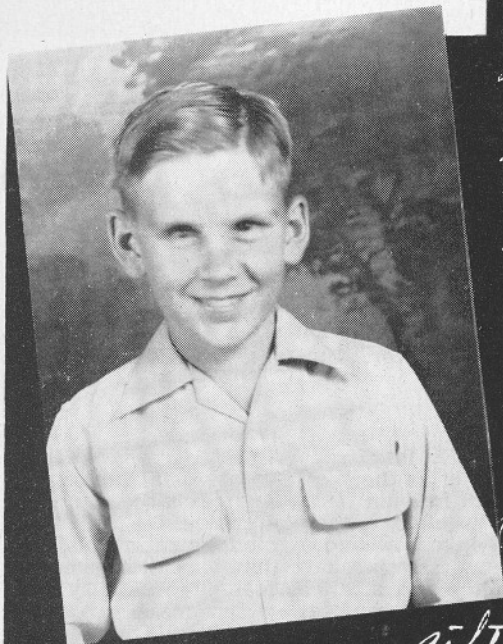

The writer of this article spoke on the subject of "The Practice of Healing Meetings"; showing first of all the relation of Divine Healing in the Scriptures, as Jesus and His Apostles practiced it. The emphasis was placed on the importance given to healing in the Scriptures, referring to Christ's preaching and teaching the people as is shown in Mark 1 and 2. Then He healed them. The speaker then referred to the present time and said, "knowing that we are living in the same dispensation as Peter mentions in Acts 2, we should expect the same signs following—which the Lord mentions in Mark 16."

I must also state that some of the speakers very clearly said that Divine Healing has nothing to do with so-called "Faith-Meetings" nor Occult Science, Magnetism, or Christian Science practice.

This meeting was the FIRST INTER-DENOMINATIONAL AND INTERNATIONAL CONFERENCE ON DIVINE HEALING where Pentecostal brethren were definitely invited. We trust for much good to result from this and other conferences of this inter-faith basis.

with a
Plastic Eye!

IT WAS DURING the month of May, 1950, that the Coyne family moved to Sapulpa, Oklahoma. One day in August of that year, while the mother was taking a nap, she was aroused by a cry coming from her son, Ronald, who was down the street a short distance. His brother came in and said Ronald had stuck a wire into his eye.

At first the mother thought little about it, but the boy continued to cry and late in the afternoon she noticed a white spot on the eyeball. Immediately the parents took the boy to a doctor and later to one of the best eye specialists in Tulsa, Dr. Otis Lee, at the Springer Clinic. He realized the seriousness of the accident and rushed the boy to St. John's hospital.

PARENTS ARE ADVISED EYE BALL MUST BE REMOVED

A few days later the mother was notified that the eye could not be saved and would have to come out. She refused the doctor's request but agreed to come to the hospital. Arriving there she looked into the eye, while Ronald was asleep, and saw that it was white and cloudy. Then she realized that the sight was gone. Surgery was then performed in an attempt to save the eye, but it was discovered, during the operation, that an abscess had formed and there was no way to drain it. The mother was informed that Ronald

might lose the other eye, or he might even lose his life, if the infected eyeball was not removed.

RONALD IS FITTED WITH A PLASTIC EYE

During these hours the mother desperately held on to God, hoping that the eye might not be lost. She would not give her consent to the removal of the eyeball but finally her husband gave his permission for the operation to proceed. A plastic eye was fitted, to take the place of the eye which was removed. Four days afterwards, Ronald came home. For ten months, sight was totally gone in his right eye. The eyeball is the camera of the eye and, after that is removed, there can be no sight. At least, medical science (up to this date) has never recorded anyone seeing after the eyeball was gone.

M.D. CONFIRMS MIRACLE

TO WHOM IT MAY CONCERN:

RONALD R. COYNE, of Sapulpa, Oklahoma, was examined by me and I tested his sight both with the plastic eye in and also with it removed. He can see either way and is able to read each way. He can read anything other children of his age can read. His sight is normal for his age.

Truly this is a miracle of GOD. There is no other answer.

(SIGNED) Robert E. Aelmore, M.D.
Hutchinson, Kansas

(Photostatic copy of this affidavit on file in THE VOICE OF HEALING office.)

RONALD CONVERTED AT A VACATION BIBLE SCHOOL

About this time Ronald began to get anxious about his soul. He asked his mother the question, "If Jesus comes tonight, will I be ready?" Shortly after this, he went to a Daily Vacation Bible School and one day he came home with a big smile and said, "Mother, I got saved!"

AFTER PRAYER OF FAITH — RONALD SEES AGAIN WITH BOTH EYES!

About two weeks after Ronald was saved, the family began attending a revival in Sapulpa, sponsored by Rev. Lonnie Osborn (brother of Evangelist T. L. Osborn). Ronald had an infection in his tonsils, so his mother told him to go up and be prayed for, not wanting to have the tonsils removed by surgery. The lady evangelist, Sister Gillock (sister of Evangelist Osborn) prayed for him and then noticed that something was wrong with his eye. She asked the boy if he believed the Lord could heal his eye. She didn't know the eyeball had been removed, but thought the plastic one she saw was a real eye. When Ronald said he believed he could be healed, she prayed that he could see. And God heard the prayer of faith!

RONALD BEGAN TO SEE OBJECTS, with his right eye! First he saw the steps, then the microphone, and then was able to count fingers.

All were astonished who knew the facts. The parents and others tested him for four days. The absolute conclusion was the boy was seeing!

NEWSPAPERS CARRY STORY OF MIRACLE

Soon the news spread. The local newspaper wrote an article on the healing. Reporters came from the Tulsa World and the Tulsa Tribune and these papers carried the story. About this time, the Lord visited the mother and told her to "Go and tell the people." At first she did not know how she could do this. However, since that time, she has taken Ronald to many meetings, and the demonstration has been made, to vast audiences, of what God has done.

AUTHENTICITY OF MIRACLE TESTED AT TVH CONVENTION

At the Dallas VOICE OF HEALING Convention in December, 1952, Ronald stood before the congregation and showed the people how he was able to see through the plastic eye. The Editor of THE VOICE OF HEALING personally tested the boy a number of times, and there was no doubt in his mind that the boy was able to see equally well with the plastic eye in, or the plastic eye out. *It was in fact a continuous miracle!*

JESUS REFUSED TO PERFORM MIRACLES FOR UNBELIEF

There is an odd principle about God's

manifestation of the miraculous. When Jesus healed during His earthly ministry, He performed most amazing miracles for those who came humbly to Him. The blind who had never seen received their sight. Cripples from birth, walked, after receiving the command to rise; even the dead were raised. However, *Jesus flatly refused to perform miracles for unbelief or to satisfy vain curiosity.* The unbelieving Jews came to Him and asked for a sign from heaven. The request was refused. Herod the king asked for a miracle. Jesus would not even talk with him. They brought a blind man to Him in unbelieving Bethesda, and Jesus would not heal him until he had taken the man out of the city.

SKEPTICS DO NOT SEE THE MIRACULOUS

God still holds to this principle today. Occasionally, when a rank skeptic has come to test the child, or if he is handled roughly or "cowed" by a strong personality, the eye may temporarily go blind. However, after the skeptic leaves, sight returns. On one occasion charges were brought against the boy that he could not see and that he was a "fake." It was claimed that Ronald slyly looked out of

the corner of his good eye that was supposed to be covered, and thus was able to see.

TVH EDITOR MAKES TEST OF AUTHENTICITY OF MIRACLE FOR RECORD

The officials of a large Full Gospel movement delegated the Editor of THE VOICE OF HEALING to make a thorough investigation of the matter.

The Editor, having previously made the test of Ronald Coyne's miraculous sight, knew beyond any contradiction that the boy had been able to see, but, of course, there is the possibility that one may lose his healing. Lazarus was well and strong when Jesus was in the home but, when He had gone, Lazarus became sick unto death. Taking Brothers Alton Hayes and Joseph De Grado with him, the Editor of TVH drove to Sapulpa, Oklahoma, and there made the test in the presence of these brethren. They all tested the boy's ability to see out of his right eye, and all saw that there was not the slightest doubt that the boy could see, and *could see equally well out of both eyes!* Knowing that some thought the boy was seeing out of the corner

Baffling Boy 'Sees,' Reads With Plastic Eye; Youngster, Optometrist Agree It's 'God's Gift'

Ronald Coyne, 9, Astounds Audience

By GEORGE BURNHAM

Nine-year-old Ronald Coyne, faced with the impossibility of seeing with a plastic eye after his right eyeball had been removed, apparently goes ahead and sees anyway.

Ronald has a simple explanation:

"God gave me the power to see through the plastic eye."

The right eye of the youngster from Sapulpa, Okla., was removed in 1950 after an infection caused by a wire stuck in the eye. Ronald and his mother said his sight was recovered in the eye at a religious service several months later.

Doubters, naturally, are plentiful. Such a thing just can't be. When an eyeball is removed, sight is gone, according to doctors.

But Ronald is ready to give a demonstration to all who doubt.

Each night this week in an evangelistic revival being conducted here by the Rev. Thea F. Jones in a tent on Dodds Avenue, Ronald has read everything offered to him by persons who came up out of the audience.

N. R. Morris of Chattanooga, doctor of optometry and doctor of optometric science, attended the service last night by request and held a private examination of Ronald.

The doctor's statement is as follows:

"With no receptive organ and eye completely removed, his ability to read was demonstrated with foreign reading material. It was read as satisfactorily as could be expected from a child his age, under normal circumstances.

"There is absolutely no scientific

Explanation for this marvelous phenomenon. This can only be a spiritual gift.

"Under God all things are possible."

Things were given Ronald to read that he had never seen before. They were offered by Baptists, Methodists, Catholics, Presbyterians and members of other denominations. The boy is appearing at a Church of God revival sponsored by the Missionary Ridge Church of God. Photographer John Goforth handed him a sentence which he read: "My name is John Goforth and I am a photographer for The Chattanooga News-Free Press." He can also read with the plastic eye removed.

Here's how Ronald's story came to light here this week:

Reporter Julius Parker was told by a friend about the boy. He passed on the information to his city editor, who suggested that I go out and see what was happening at the services.

I talked with Ronald and his mother. At my request, and with his good left eye completely covered, he read from my Bible Joshua 1:8. He then read serial numbers from money orders and social security cards.

SANITY SUSPECTED

Returning to the office next morning, I told the city editor and other interested reporters what had happened. It looked for awhile as if I would have to get an affidavit that I hadn't gone nuts.

To check the story further, Reporter Parker and his friend, Dr. Morris, accompanied me to the service last night. They, too, had Ronald demonstrate his strange gift.

"This thing makes chills run up and down your back," stated Parker.

"It's amazing," commented the doctor. "There is absolutely nothing in the eye except fatty tissue. The organ has been entirely removed."

Ronald's mother, who is here with him, said that her son was given his sight to show the power of God and to lead others to Jesus Christ. "Give all the credit to God," she stated.

This is what she had to say of the occasion on which Ronald reportedly received his sight.

"Ronald had an infected throat and we were having a citywide meeting in Sapulpa conducted by a lady evangelist, Sister Gillock. "Why don't you go up and be prayed for and then you won't have

to go to the hospital to have your tonsils removed," I told him. That suited him fine because the hospital was like jail to him, since he couldn't go home when he wanted to each night.

"He went through the healing line to have his tonsils prayed for but after praying the lady evangelist asked him what was wrong with his eye. He told her that he was blind and she asked him if he believed that the Lord could heal his eye. He told her he did believe that the Lord could. She didn't know that his real eyeball had been removed and the ball she saw was just a plastic eye so she commanded the blinded eye to see in the name of Jesus. God heard that prayer of faith.

"Ronald began to see objects. First he could see steps, then the microphone, and then he could count fingers. Now I was doing alright when she was praying for his tonsils, but when she began to pray for the eye I froze. My daughter, Carol, and I both tried to tell Sister Gillock that Ronald had a plastic eye, but the power of God was so strong that I had to either sit down or fall. God didn't intend for me to tell that it was a plastic eye! I finally sat down.

"I finally got it said after he had already begun to see. 'He can't possibly see; it's a plastic eye.' Sister Gillock slapped her face in astonishment. 'Why didn't you tell me?' Most humans wouldn't have asked God to do the impossible and she was just human, but her husband began to jump up and down shouting, 'It's a miracle, it's a miracle.'

"God later told me to go and tell the people." That is what Ronald and I are doing now.

"He goes to school and will enter the fifth grade next year. His eyes were being tested in school one day and the examiner marked it down that he was blind in the right eye since it had been removed. Donald spoke up and said he wasn't blind in that eye. The examiner gave it a test and found that both eyes were 20-20."

The service tonight at 7:30 will be the last one in which Ronald will appear here. The tent is located on Dodds Avenue in the Lakeview section.

His mother will tell all about it. She adds: "I know that Ronnie can see and I don't waste time worrying about how he does it. We just accept it and say, 'Thank you, Jesus.'"

Startling Incidents and

The Thrilling Account of How D. L. Moody Was Saved At Sea

AT THE CLOSE of an unusually trying campaign in England in 1892, Moody embarked on the SPREE, a vessel of the North German Lloyd line, with his son, at the Port of Southampton. The Spree was an up-to-date ship, one of the fastest in the world and the evangelist looked forward to being back in America within a week. But the voyage was marked by an event involving the utmost peril, and at one time hope was almost given up by the hundreds of passengers. We shall let Mr. Moody describe the incident in his own dramatic style:

HAD NEVER BEEN IN SERIOUS ACCIDENT!

"When about three days on our voyage, I remember," says Mr. Moody in describing this event, "I was lying on my couch, as I generally do at sea, congratulating myself on my good fortune, and feeling very thankful to God. I considered myself a very fortunate man, for in all my travels by land and sea I had never been in any accident of a serious nature.

"While engaged with these grateful thoughts, I was startled by a terrible crash and shock, as if the vessel had been driven on a rock. I did not at first feel much anxiety—perhaps I was too ill to think about it. My son jumped from his berth and rushed on deck. He was back again in a few moments, exclaiming that the shaft was broken and the vessel sinking. I did not at first believe that it could be so bad, but concluded to dress and go on deck. The report was only too true. The ship's passengers were naturally aroused, but in answer to frightened inquiries they were assured that it was only a broken shaft.

SERIOUSNESS OF ACCIDENT BECAME EVIDENT

"The serious nature of the accident soon became evident, however, as other passengers rushed on deck declaring that their cabins were rapidly filling with water. Later it was found that the two fractured ends of the shaft, in revolving, had broken the stern-tube, admitting water into the two aftermost compartments, which were immediately filled. The bulkheads between the compartments were closed at once and braced with beams to resist the pressure of the water. For two days the ship drifted in this helpless condition, in momentary peril from the force of the water in the flooded compartments, which beat with tremendous force, as the ship rolled, against the next compartment. But for the skill of Captain Willigerod and his efficient engineers, Messrs. Meissel and Baum, the ship would have soon foundered.

MOODY WAS RETURNING from England after a series of successful evangelistic efforts. He was congratulating himself that he had never been involved in a serious accident, when a shaft broke on the ship, and water rushed into the compartments. At first, no response came to their signals for help; however, deliverance came just as the passengers were preparing to face inevitable doom.

D. L. MOODY

EFFORTS OF HER OFFICERS AND CREW TO SAVE THE SHIP WERE FUTILE

"The officers and crew did all that they could to save the vessel. But it was soon found that the pumps were useless, for the water poured into the ship too rapidly to be controlled. There was nothing more in the power of man to do, and the ship was absolutely helpless, while the passengers could only stand still on the poor drifting, sinking ship and look into their possible watery graves.

"All this time, unknown to the passengers, the officers were making preparations for the last resort. The life-boats were all put in readiness, provisions were prepared, life-preservers were brought out, the officers were armed with revolvers so

as to be able to enforce their orders, and it was only a question of whether to launch the boats at once or wait. The sea was so heavy that the boats could hardly live in it.

"At noon the captain told the passengers that he had the water under control, and was in hopes of drifting in the way of some passing vessel. The ship's bow was now high in the air, while the stern seemed to settle more and more. The sea was very rough; the ship rolled from side to side, lurching fearfully. The captain tried to keep up hope by telling the anxious people that they would probably drift in the way of a ship by three o'clock that afternoon, but the night closed in upon them without the sign of a sail.

THE DARKEST NIGHT IN ALL OUR LIVES

"That was an awful night, the darkest in all our lives—several hundred men, women, and children waiting for the doom that seemed to be settling upon us! No one dared to sleep. We were all together in the saloon of the first cabin—Jews, Protestants, Catholics, and sceptics—although I doubt if at that time there were many sceptics among us. The agony and suspense were too great for words. With blanched faces and trembling hearts the passengers looked at one another as if trying to read in the faces of those about them what no one dared to speak. Rockets flamed into the sky, but there was no answer. We were drifting out of the track of the great steamers. Every hour seemed to increase the danger of the situation.

PERMISSION GIVEN FOR PRAYER MEETING

"Sunday morning dawned without help or hope. Up to that time no suggestion for religious services had been made. To have done that would almost certainly have produced a panic. In the awful suspense and dread that prevailed, a word about religion would have suggested the most terrible things to the passengers. It was necessary to divert their minds, if possible, or they would break under the strain. But as that second night came on, I asked Gen. O. O. Howard, who was with us, to secure the captain's permission for a service in the saloon. The captain said:

"Most certainly; I am that kind, too."

"We gave notice of the meeting, and to our surprise nearly every passenger attended, and I think everybody prayed, sceptics and all.

"With one arm clasping a pillar to steady myself on the reeling vessel, I tried to read Psalm 91, and we prayed that God would still the raging of the sea and

Amazing Answers to Prayer

bring us to our desired haven. It was a new Psalm to me from that hour. *The eleventh verse* touched me very deeply. It was like a voice of Divine assurance, and it seemed a very real thing as I read: *'He shall give his angels charge over thee, to keep thee in all thy ways.'* Surely He did it! I read also from Psalm 107:20-31. One lady thought those words must have been written for the occasion, and afterwards asked to see the book for herself. A German translated verse by verse as I read, for the benefit of his countrymen.

HAD THOUGHT MYSELF SUPERIOR TO FEAR OF DEATH

"I was passing through a new experience. I had thought myself superior to the fear of death. I had often preached on the subject, and urged Christians to realize this victory of faith. During the Civil War I had been under fire without fear. I was in Chicago during the great cholera epidemic, and went around with the doctors visiting the sick and dying; where they could go to look after the bodies of men, I said I could go to look after their souls. I remember a case of smallpox where the sufferer's condition was beyond description, yet I went to the bedside of that poor sufferer again and again, with Bible and prayer, for Jesus' sake. In all this I had no fear of death.

"But on the sinking ship it was different. There was no cloud between my soul and my Saviour. I knew my sins had been put away, and that if I died there it would only be to wake up in Heaven. That was all settled long ago. But as my thoughts went out to my loved ones at home—my wife, my children, my friends on both sides of the sea, the schools and all the interests so dear to me—and as I realized that perhaps the next hour would separate me forever from all these, so far as this world was concerned, I confess it

almost broke me down. It was the darkest hour of my life.

RELIEF CAME IN PRAYER

"I could not endure it. I must have relief, and relief came in prayer. God heard my cry, and enabled me to say, from the depth of my soul, 'Thy will be done!' Sweet peace came to my heart. I went to bed, fell asleep almost immediately, and never slept more soundly in all my life. *'Out of the depths I cried unto my Lord, and He heard me and delivered me from all my fears.'* I can no more doubt that

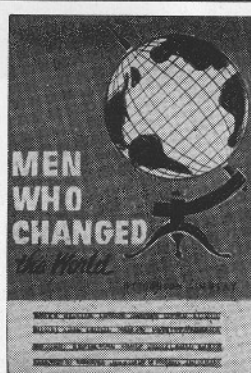

God gave answer to my prayer for relief than I can doubt my own existence.

RESCUE SHIP SIGHTED!

"About three o'clock at night I was aroused from my sound sleep by my son's voice: 'Come on deck, father,' he said. I followed him and he pointed to a far-off light, rising and sinking on the sea. It was a messenger of deliverance to us. It proved to be the light of the steamer Lake Huron, bound from Montreal to Liverpool, whose lookout had seen our signals of distress and supposed it was a vessel in flames. Oh, the joy of that moment when these seven hundred despairing passengers beheld the approaching ship! Who can ever forget it!

GOD'S RESCUE SHIP TOOK US SAFELY INTO PORT

"But now the question was, can this small steamer tow the helpless Spree a thousand miles to Queenstown? Every moment was passed in the most intense anxiety and prayer. It was a brave and perilous undertaking. The vessels were at last connected by two great cables. If a storm arose these would snap like a thread, and we must be left to our fate. But I had no fear. God would finish the work He had begun. The waves were calmed, the cables held, our steamer moved in the wake of the Huron. There were storms all about us, but they came not nigh our broken ship. Seven days after the accident, by the good hand of our God upon us, we were able to hold a joyous thanksgiving service in the harbor of Queenstown. The rescuing ship that God sent to us in our distress had just sufficient power to tow our steamer and just enough coal to take her into port. Her captain was a man of prayer; he besought God's help to enable them to accomplish their dangerous and difficult task; and God answered the united prayers of the distressed voyagers, and brought us to our desired haven."

(Continued from Page 7)

of the good eye when it was supposed to be covered, we took special precautions to prevent that possibility, YET THE BOY SAW PERFECTLY, WHETHER THE PLASTIC EYE WAS IN, OR REMOVED. The Editor's wife was also present when the tests were made.

We then took the boy and his mother to another city, where Evangelists Verner Gardner and Clifton Erickson were, and they were permitted to make tests which thoroughly proved to them that the boy was able to see. We offered to bring the boy before those who had requested us to make the investigation, for their personal observation. They replied that they would accept our report without reservation. (This they confirmed later in a written statement.)

Eye specialists and physicians have tested the boy and have given written statements attesting to their finding that the boy was and is able to see! Yet we found it to be true that, if a man is a skeptic or if filled with a spirit of unbelief, the boy may not see in his presence. This is also true, if the eye is handled roughly.

TESTS BY DOCTORS AND NURSES PROVE BOTH EYES HAVE 20-20 VISION

During the investigation, the boy was taken to several physicians and, in a couple of cases, a curious result took place. Ronald was taken to Dr. M— in a city in Missouri, who has an established eye practice. Believe it or not, this doctor failed to notice that the eye was plastic, but recommended a treatment which, in the course of time, he thought would bring the eye up to normal!

Another doctor, who was an unbeliever in Christianity, had his nurse make the test (no information being given concerning the eye except that we wished to have a test made as to the boy's ability to

see). THE NURSE MADE SEVERAL TESTS AND GAVE HIM A RATING OF 20-20 VISION. The doctor, after stating that he had perfect confidence in the nurse's ability to make an accurate test, noticed that the boy's eye was plastic. He shouted to the nurse to make the test again. *Still the boy could see!* With that the doctor became angry and walked over to the boy, shouted at him, and handled him roughly. Ronald's sight then failed. *Half an hour later his vision returned, and we found by a test that it was as good as ever!*

Of course, this doctor was an exception. Other physicians, who have faith that God is able to perform a miracle, examined Ronald's ability to see and have given statements testifying to the miracle. (See statements, on page 6.)

It is quite evident that the miracle has not been performed by God to convert skeptics who do not want to believe. It has not been given for the purpose of exploitation. *The miracle is given to build the faith of those who want to believe!* It is evident that those who make the test themselves should not bring with them a person who has a spirit of unbelief.

I Wanted To Help Suffering Humanity!

*This is the Challenging
Life Story of
Evangelist
John C. Poteet*

Evangelist Poteet

**GOD COMMISSIONED ME TO
PREACH HIS GOSPEL — with these
words:**

**“Go Forth — My Son! Fear Not, for I
will stand by thy side!”**

**JEREMIAH 1:7,8—“Say not, I am a child:
for thou shalt go to all that I shall send
thee, and whatsoever I command thee thou
shalt speak.**

**Be not afraid of their faces: for I AM
WITH THEE to deliver thee, SAITH THE
LORD!”**

I HAVE KNOWN since a child that God had his hand on my life and that He had a work for me to do.

My father and mother loved God and dedicated me to His service before I was born. My parents were not preachers, but they were zealous workers for God and helped different evangelists in the Gospel work. My father was blessed with a good tenor voice and was never happier than when he was working in a Gospel meeting. My mother was wonderfully used of God in praying for the sick. The Spirit of God would come upon her and she would be led to lay hands on the sick and afflicted without prior knowledge of their need. It was commonly said that she had the “Gifts of Healing.”

PARENTS HAD CONVICTION SON WOULD PREACH THE GOSPEL

My parents had the conviction that their boy would one day preach the gospel and heal the sick. And God seemed to confirm that feeling for my mother has told me that, while yet a child, I would walk around in the prayer meetings and lay hands on people and pray for them.

Like most young people, when they enter their teens, I wanted to be independent of my parents and little by little I began to let the things of the world come into my life until I no longer had any desire to serve God.

WAS CONSCIOUS — WHILE STILL A CHILD — GOD’S HAND WAS UPON MY LIFE

I firmly believe that I was saved while still a child, but like a lot of others I got away from God. Though I was away from God, I was conscious of God’s hand upon my life and knew that some day I would have to surrender to His will for me.

Those were the most miserable years of my life. I was not happy as other young people. I couldn’t enjoy the pleasures of sin for I was under conviction and I knew that I should be serving God.

I was not converted in a church like most people. God allowed me to become sick and lose my job. I was still in my

teens and living at home. While I was at home I began reading the Bible. One day I became desperate and said, “O God if you will heal me I will serve you.”

IN MY TEENS, GOD PROMISED ME A SUPERNATURAL MINISTRY

God heard my prayer and, as I cried out to God, something happened that changed my life completely. All at once it seemed as though heaven had come down into my soul. I was laughing and crying almost at the same time. The burden of sin that had been so heavy on my heart was lifted and the peace of God flooded my entire being. I believe that I would have received the Baptism in the Spirit that very day had there been someone to instruct me. A short time later I did receive the mighty Baptism in the Holy Ghost and God called me to preach. Then God spoke to me, through prophecy, of a supernatural ministry that I was to have.

When I obeyed God and started preaching, He blessed me in praying for the sick, but I did not immediately see the thing God had promised.

I preached that there was to be a great revival in the last days and that the Gifts of the Spirit were to be restored to the Church. However, very few believed, and the ministers tried to discourage me from preaching the coming “out-pouring of the Spirit.”

Years went by and my ministry took me into different parts of the country. God was blessing; but always there was the knowledge that God had something greater for me.

God began to raise up different men with a Healing ministry, and I would go before God and cry out, “Lord! when are you going to give me the Supernatural ministry you promised?” The Lord seemed to say, “Not yet my son, but soon.”

MINISTRY OF DELIVERANCE GIVEN IN MY OWN CHURCH

In June of 1950, while pastoring a good church in Phoenix, Arizona, the Lord began dealing with me about resigning my church and stepping out by faith into the Ministry of Deliverance.

I said, “Lord, if you really want me in this ministry, let me see it right here in my own church.” I wanted to know that I had something from God to give to suffering humanity.

Like Gideon of old, I put out two fleeces. I asked God to give me some Supernatural manifestation of His Spirit in my ministry and to let me see miraculous healings in our own assembly.

God graciously heard my prayer and began to answer in a mighty way. Almost every service turned out to be a Healing service. At the most unexpected times, the Spirit of God would move on me to call for the sick to come forward for prayer. And they were healed.

The power of God was continuously present to heal, and soon it became known in outlying communities that God was working in our church in an unusual manner.

BATTLE BETWEEN THE FORCES OF SATAN AND THE POWER OF GOD

One Sunday morning the Spirit of God revealed that a lady in the audience was suffering with a certain affliction. Immediately the thought entered my mind, “What if no one comes? What will the people say?” A battle began to rage in my mind. The devil said, “It would be better not to say anything about the nature of the affliction, then if no one responds you’ll not be embarrassed.” But God was also speaking, and I determined to obey Him—regardless of the outcome.

As I called out the affliction a faithful, Godly sister arose to her feet and made her way to the front and, as I laid hands on her and began to pray, the Spirit of God came on her and she was slain under the mighty power of God. She said afterward that she supposed someone had told the pastor of her affliction.

That was the beginning of a continuous manifestation of the Spirit of God in the revelation of sickness, disease and afflictions. God revealed things in such minute detail that the people were forced to believe that God was Supernaturally revealing these things to their Pastor.

POWER GIVEN TO TAKE DOMINION OVER WORKS OF SATAN

Unconsciously I had begun to pray for the sick in a different manner than I had always done. To my surprise, I found myself taking dominion and authority over the works of Satan. Where before I had asked God to heal the sick I now commanded them to be healed. There was a conscious feeling of opposing satanic

power and, at the same time, the knowledge that God had given authority and power over sickness and disease.

As we had now received the confirmation we had asked for, we began to make plans to resign the church and enter the Ministry of Deliverance.

One day I was praying and waiting on God and wondering how we would be received when we stepped out into the evangelistic field. We were not known as evangelists and it was a real step of faith to leave a fine church and a good salary. Questions and fears began to flood in on my mind. All at once I sensed the presence of God in an unusual way and He seemed to be so near that I could reach out and touch Him. Then He spoke, not in an audible voice but as clearly as though He had been standing before me, saying—*"My son, fear not, for I will stand by thy side. It will not be your hands that heal the sick but my hands for, as you place your hands upon the sick and afflicted, I will place my hands upon them and I will heal them!"*

This was a great encouragement to me and, a few months later, I resigned my church and entered the evangelistic field to conduct Salvation-Healing revivals.

SUPERNATURAL REVELATIONS GIVEN

I did not know that the revelation of sicknesses and diseases was to be a regular feature of my ministry. I had only asked for a sign that I might know it was God's will for me to enter the Ministry of Deliverance. But, in our first meeting, God let me know that this supernatural sign was to accompany the ministry of healing.

One night the Lord showed me that one in the audience had a punctured ear drum. A thirteen-year-old girl came forward who said, "I have a punctured ear drum." After prayer she was able to hear her watch ticking.

One woman had heard about the meeting and said, "Well, if he calls me, I'll believe it." Of course the Spirit of God singled her out and, as she was prayed for, the Spirit of God came mightily upon her and she began to tremble from head to toe. She was a backslider but, before she left the altar, she was once more in touch with God.

A MIRACLE PERFORMED IN MY LIFE

In that first meeting, God did a real miracle in this preacher's life. I had worn glasses for twenty years and could not lay them aside for five minutes without having severe headaches, and becoming deathly sick. They were the last thing I laid aside at night and the first thing I picked up in the morning. One night, before going to church, the Lord spoke to me and said, "Take off your glasses!" This was a real test of faith as I could hardly see without them.

Have You Read "SPIRITUAL GIFTS and HOW TO RECEIVE THEM"?

By

(See Page 23)

That night, in the service, the faces of the people were only a blur, but the next night I could see much better. Gradually, little by little, my eyes were healed until I could do all my reading and studying without discomfort.

AGAIN THE LORD SPEAKS — PROMISING FURTHER SUPERNATURAL REVELATION

In our second meeting God spoke to me one day and said, *"You are about to enter the second phase of this ministry."* I didn't even know there was a second phase and I wondered what God meant. A little later the Lord spoke to me again and said, *"Revelation is coming."*

One day I went with the pastor to visit and pray for a sick man. We couldn't seem to get victory and, as we prayed, there seemed to be some hindrance to the man's healing. All at once God gave me a vision or mental picture of this man sitting at a kitchen table with two other men. They seemed to be arguing over what seemed to me to be a bill of sale. I asked the pastor and the man's wife to leave the room while I talked with the sick man. I told him what God had shown me and he said, "Did God show you that?" He then said it was a scene from his past. Someone had wronged him and bitterness had come into his heart as a result. As he prayed and asked God to forgive him he received relief from his intense suffering.

CONFIRMATION OF PROMISE FROM THE LORD

That night the pastor related the incident to the people and said, "I feel God is going to do something wonderful tonight!" As the people came forward for prayer the Lord began to reveal some incident in the life of each one, nothing outstanding or important but some little incident that the individual before me alone knew.

As the Spirit of God began to reveal these incidents in the lives of the people, the audience seemed skeptical. However, as those who were being prayed for confirmed the revelation, the crowd began to shout and rejoice, especially as the mighty power of God came upon the sick and they were prostrated on the floor, under His power.

God has also given us revelation in the lives of backsliders and sinners. In one

service, I had taken the pulpit to preach when, suddenly, the Spirit of God came upon me and I said, "There's a man here tonight who was raised on a farm. He had Christian parents but he would not serve God. He has traveled over the face of the earth like a vagabond but tonight God is calling him to repentance." Standing there with my head bowed, I suddenly heard a noise and, looking up, I saw a man at the altar crying out to God. Later he said I had given a perfect description of his life.

In one place I said, "I see a man and wife sitting at the breakfast table quarreling. If they do not come to God, their home will be broken up." They would not yield to God and, before the week was over, they had separated.

Another time the audience was shocked as the Lord revealed that there was a man present who was untrue to his wife. The pastor came to me after the service and said, "I know that man and he was there. When you spoke those words, he was frozen in his chair like a block of granite."

CONFESSION BRINGS FORGIVENESS AND HEALING

In one place I spoke to a lady in the healing line and said, "Will you forgive your neighbor?" She confessed to the audience that she had had a grudge against her neighbor and had been unable to pray or receive her healing. She said, "When Bro. Poteet asked me if I would forgive my neighbor I did and God forgave me and healed me."

We have found that unbelief and skepticism hinders the supernatural manifestation of the Spirit of God. In some places we have only been able to have a healing line; but, where faith is high, there is not only given the revelation and Supernatural diagnoses of diseases and afflictions but there is also the revelation of incidents in the lives of the people and of their spiritual condition. A number have been saved through these Supernatural revelations.

GOD'S SUPERNATURAL REVELATIONS GIVEN TO INCREASE FAITH

We believe that these signs are given to increase faith in God. God knows about our affliction and, if He singles us out from the crowd, that must mean that He wants to heal us. Today God is dealing with us individually for healing as He does for salvation. *Healing for the soul is more important than healing for the body, but God is willing to heal BOTH soul and body! We believe THERE IS COMPLETE DELIVERANCE THROUGH JESUS CHRIST OUR LORD!*

"For this purpose the Son of God was manifested, that He might destroy the works of the devil" (I John 3:8).

WM. BRANHAM INTERVIEW

(Continued from Page 2)

sitions and circumstances where people misunderstand us.

Brother Branham, don't you believe that in the end the prayer of Christ that all believers shall be one, even as He and the Father are one, shall be realized?

WILLIAM BRANHAM:

I believe that this surely will be fulfilled. The Old Testament was a shadow and a type of the new. When they built the Temple, they cut the stones in dif-

ferent parts of the world, but, when they were brought together, there wasn't the sound of a saw or a hammer. They fit together stone on stone. I myself have been misunderstood. I would like all the religious groups to know that I am trying to bring unity to all the people of God. Sometimes I have gone places where I didn't agree at all with some of their doctrines. Sometimes people were harsh and indifferent, but I have tried to get them in a spirit of love to break down the walls of prejudice.

Now, concerning the policy of THE

VOICE OF HEALING never to fight other groups, I think that is exactly right and what you should do. God never sent us out to fuss, He sent us to love and, when we substitute something else, God can't bless us. I believe that unkind words stir up wrath—but kind words . . . you know what I am trying to say. I trust that THE VOICE OF HEALING magazine will never fight back. I hope that other papers don't get the attitude of fight. God doesn't give us papers for a medium to fight one another. He gives us papers to publish His works. (Continued next month)

EXPOSURE OF "PILTDOWN MAN" HOAX MARKS DEATH KNELL OF EVOLUTION!

By Gordon Lindsay

EVOOLUTION, A GOD-DISHONORING, soul-destroying, and impudent lie, now stands exposed to the world for what it is—a cruel devilish delusion.

The supreme trophy of the evolutionists has been the so-called "Piltdown Man"—"discovered" by Charles Dawson in a gravel pit in the town of Piltdown, England, not far from London. Evolutionists have in their exhibit other skulls and bones which they claim prove that man lived on the earth before the days of Adam, thus giving the lie to the Bible account of the creation of man. But the "Piltdown Man" was their choicest exhibition, one that they felt established beyond question the theory of evolution.

"PILTDOWN MAN" DISCOVERED TO BE HOAX OF CENTURY

Perhaps millions, wavering between accepting the Bible narrative as the true explanation of man's existence upon the earth, and the theory of evolution, were influenced by this incredible falsehood. Their faith shattered, many have died and gone into eternity without hope and without the God of the Bible. Now, suddenly, comes the announcement that Scientists have discovered that the "Piltdown Man" is a colossal case of skull-duggery and deception—undoubtedly the hoax of the century.

GOD WILL PERMIT "STRONG DELUSION!"

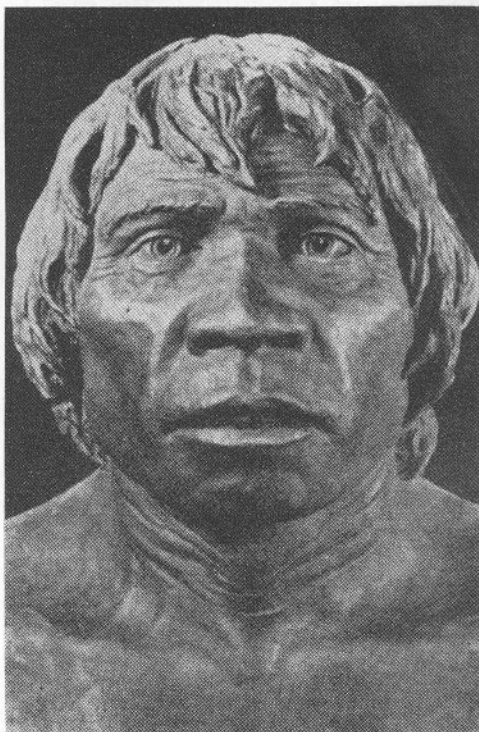

How could men of letters be hoodwinked and deceived by such a monstrous hoax? The answer may be found in *II Thess. 2:11, 12*. In these verses is a prophecy of certain events that are to transpire just before the coming of Christ. No doubt, these verses have a further fulfillment but certainly they have an application to the delusion of evolution—

"And for this cause God shall send them strong delusion, that they should believe a lie:

That they all might be damned who believed not the truth, but had pleasure in unrighteousness."

In other words, God seeks the salvation of all men. He desires that all be saved.

THE FOLLY and falsity of evolution revealed to the world by exposure of hoax perpetrated by joker.

American Museum of Natural History

THE SO-CALLED "Piltdown Man" often referred to in Children's books. In many schools, children have been taught that this "ape-man" was his ancestor.

Notwithstanding, if man, because of his love for unrighteousness and evil, hates the truth, then God will permit a strong delusion to come upon him—a delusion that seems so true, he will believe it.

PROOFS OF THE FALSITY OF EVOLUTION

There never has been any excuse for evolution. The proofs, *which authenticate the Bible statement of creation*, are so overwhelming, that disbelief is simply ridiculous.

The Bible commands man to repent; it reveals man's obligation to live a holy life. Evil men reject this command. In rejecting it, they must reject the Divine revelation of the Scriptures. Having re-

jected the Bible revelation of Creation, their only alternative is to accept the proposition that the world came into existence on its own. Hence the origin of the theory of evolution. If men think that they have descended from monkey ancestry, they can excuse their evil life and fulfill the lusts of the flesh without compunction.

At every point, the theory of evolution breaks down. For example, it declares that all life on this planet is responding to an upward urge—changing from the lower forms of life to higher forms. Any cattle owner knows how entirely false this theory is. If a herd of finebred cattle is turned loose for a number of years, will the strain improve or will they degenerate? Anyone who has had anything to do with livestock knows that the herd will rapidly deteriorate. Actually devolution is the law of this world, not evolution. The righteous, by reason of the law of Christ, will become more like Him, but the wicked will do more wickedly. There is no upward urge in this world, outside of Christ. Degeneration, decay and corruption, is the law of the natural world.

NO SPONTANEOUS GENERATION

The theory of evolution requires the possibility of spontaneous generation. Pasteur, the great scientist, absolutely proved that there was no spontaneous generation. Life, therefore, has appeared on this planet only by a direct creative act of God. Today Pasteur's words still stand. Not one case of spontaneous generation has ever been found. No new organism has ever come into this world without parents, except by the direct creation of God.

Evolution teaches the transmutation or changing of one species into another but, if so, then we should see species in the process of change. We should see some cats in the process of changing into dogs, or vice versa. We should see a tiger changing into a lion, or a monkey into a man. On the contrary, the species hold their identity with an irrevocable tenacity. There are impassable gulfs between them. Even sharply different varieties of the same family will reproduce only for one

We are living in the day of the splitting of the atom, with its tragic potentialities. The lesson has become tremendously clear that matter cannot be created or discreated by the hand of man. The explosion of the atomic bomb does change the form of the uranium, turning a small portion of it into energy. The matter has not ceased to exist, but is turned into energy of such incredible power as to be almost beyond human comprehension. The theory which evolution advances, that matter, energy and life, somehow created themselves, is a colossal fiction. We must look to a higher realm than matter to find its creator. The evolutionist begins with dirt and tries to work up. The Bible begins with God and works down.

It is wonderful to see how every new advance of science, in some way, corroborates the truth of the Scriptures. For many years the Niagara Falls were cited as a proof that the present geologic age must be over 25,000 years in length. Hence Bible chronology which shows that the Adamic re-creation (not the original creation) took place in less than half that time ago, must, so they say, be wrong. This was supposedly demonstrated in the case of the Niagara Falls, where erosion cuts back the channel so far every hundred years and, according to the rate this is now taking place; the channel must be at least 25,000 years in making. However, in the last few years, the new science of radio-carbons, which shows the age of recent changes in the earth to within 10 percent of accuracy, clearly reveals that the estimate is way too high and, in truth, the actual time tallies very closely with that indicated by the Scriptures.

Notwithstanding the overwhelming evidence supporting the Bible account of creation, there were men, many of them professors of theology, who rejected the Bible account and were inclined to the vagaries of the evolution theory. The discovery, in 1911, of the "Piltdown Man" in the gravels of Sussex, was thought to be a supreme triumph for the theory. The "man" was identified as living some 950,000 years ago. Now, a generation later, it has been absolutely proved that this "Keystone" of evolution is an actual fraud. The question is being asked, of course, how such a hoax was ever put over.

The CLEVELAND PLAIN DEALER of November 23, 1953, declares "Three sleuthing British Scientists reported yesterday in the British Museum

The real answer, of course, as to why Evolutionists became a victim of this hoax, is that men, having rejected the Bible and its revelation, become a victim of strong delusion.

"The skull was obviously human, but the apeishness of the jaw made some authorities suspicious. Others accepted both as genuine. To some anthropologists, who often jump to conclusions as quickly as a monkey jumps on a banana, the contrast between the skull and the jaw all but 'proved' him to be a link connecting apes and man.

"When skeptics got around to a careful

Sad is the story of clergymen who have followed the dead-end street of evolution and modernism. Henry Ward Beecher, one of the greatest preachers of the 19th century, fell for evolution. Soon he had lost all faith in the Scriptures and eventually was indicted in the courts of our land for conduct that shocked the American nation.

The exposure of the "Piltdown Man" hoax indicates that we are living at the very end of the age, when all that is false and untrue shall be uncovered and shown to be what it really is.

The fact is, God created this earth. He created man. Man did not descend from monkeys or chimpanzees. He was made in the image of God, not the image of baboons. Man came from God, not the gorilla. Unfortunately man, through disobedience, has fallen heir to sin and sickness and the image has been marred. Man's body is now subject to disease. However, if God created the human body in the first place, it is certain He can heal it if it should get out of order. Hence the reasonableness of Divine healing. Our God is able to deliver us, for—

"He took our infirmities, and bore our sickness!"

Evangelist WARREN LITZMAN'S Ministry To Children Brings Manifold Deliverances!

EDITOR'S NOTE: RECENT REPORTS have called to our attention a new phase in the ministry of EVANGELIST WARREN LITZMAN — that of holding SPECIAL CHILDREN'S SERVICES in each of his revivals — where children are ministered to particularly. These have proved very successful!

Truly, we know that Jesus loves the little children, for He said in MATTHEW 19:14 —

*"Suffer little children, . . . to come unto me:
for of such is the kingdom of heaven."*

These Mothers Testify GOD HEALED:

My Son—

OF A BLINDED EYE!

MY SEVEN YEAR OLD son was blind in his right eye. In February of 1951, I took him to Dr. James Gavin of Shreveport, Louisiana, for an eye examination. His report revealed a serious condition. The thoughts of our son being blind all his life worried my husband and me very much.

Two days after the examination by Dr. Gavin, I took him to Dr. W. G. Jones, also of Shreveport. His report of findings was also bad. He, later, fitted my son with glasses, and advised that it would be a long time before our boy would be able to see out of the right eye, if ever.

On April 1, 1951, my son went through the healing line and was prayed for by Brother Warren Litzman. The following morning he asked me whether or not he should give his glasses back to the doctor or throw them away. *He said that he didn't need them any longer, for he could see perfectly without them.* Praise God, he hasn't worn them since (Sept. '53)!

My husband and I cannot praise God enough for what He has done for us and our family. We have dedicated both our children to Him.

Mrs. Isaac C. Jackson
Shreveport, La.

EVANGELIST LITZMAN praying for little children. This is one of the most heart-touching scenes in his meetings.

My Son—

OF RARE BONE DISEASE!

ABOUT THREE YEARS ago my son was afflicted with a terrible pain in his left hip and leg. He couldn't be moved one inch, without suffering a great deal. We took him to the hospital and had him X-rayed and they found that he was suffering with a very rare disease, resulting in the gristle growing in between the joints and pressing the bones out of place.

He was put to bed with weights on his foot and, after he unhooked himself and got out of bed, the doctor put him in a cast. He still tried to move about on his good foot, causing his back to become crooked in the shape of an "S." His left hip grew worse until it was twice the size of the right one and he had to swing his leg around in order to walk.

When Brother Warren Litzman prayed for him, *the Lord instantly healed him and he was able to walk off the platform with only a slight limp.* The healing power of God is stronger and greater than we can ever realize.

My Daughter—

OF KIDNEY INFECTION!

DEAR BROTHER LITZMAN:

You and Sister Litzman have been such a blessing to our entire family. I would like to give just a word of testimony, for the glory of God.

My nine-year-old daughter had been bothered with kidney trouble all her life and there seemed to be nothing medical science could do to help her. In fact, she seemed to grow worse all the time.

We took her to your service one Sunday night and you prayed for her. **SHE WAS COMPLETELY HEALED!**

How we do thank the Lord for His goodness to us and also for the salvation and healing of the many others who were saved and healed in your campaign here in Abilene.

May the Lord continue to bless and prosper your ministry for Him.

OKMULGEE WITNESSES UNIQUE SALVATION-HEALING REVIVAL

*By Rev. C. R. Franklin
East Side Assembly of God Church
Okmulgee, Oklahoma*

OKMULGEE, OKLAHOMA has just completed one of the Greatest Salvation-Healing Revivals ever to come to this city. This meeting was conducted by Evangelist Joseph DeGrado and, truly, the Lord was present during these two and one-half weeks.

We will never fail to praise the Lord for these services, for they have stirred the hearts of many even outside the ranks of the Full-Gospel Churches. Brother DeGrado's fiery, heart-searching sermons were instrumental to the salvation of souls in almost every service and an unusual number received the baptism of the Holy Spirit.

Our brother has a unique ministry to the sick and afflicted as well. *Many were healed of various sicknesses and infirmities, as our brother ministered to them.* Ears were unstopped, and cancers cursed and dried by the roots, as the spirit of God was present to heal as many as had faith to touch the Hem of His garment.

This has been a very successful revival, and has left our people with great faith in the promises of our Lord. One of the things that made our revival such a wonderful success was the cooperative and understanding spirit displayed by our Brother DeGrado.

Miraculous Deliverances Seen As Evangelist DeGRADO Ministers!

"He Preaches the Word With Love and Compassion"

*By Rev. H. A. Maxwell Whyte, Pastor
United Apostolic Faith Church
Toronto, Ont., Canada*

ONCE AGAIN WE THANK GOD for sending His humble consecrated servant to our Deliverance Church. Brother DeGrado ministered the Word of Life for 8 days; souls were saved, bodies healed, habits destroyed, and seventeen received the baptism of the Holy Spirit in this campaign with the sign of speaking in other tongues.

Brother DeGrado ministers the Word with love and compassion for the lost and suffering and, through the Word of knowledge and discerning of spirits, sicknesses are made known to him by the Holy Spirit, from the platform or while praying for the sick. Faith rises high as a result, and in these meetings the Gifts of tongues, interpretation and prophecy brought edification, comfort and exhortation to all (I. Cor. 14:3).

On the last Sunday afternoon, we had a combined rally with Reverend James Taylor, the Ontario Superintendent of the Pentecostal Holiness Church in Ontario, in Evangelistic Center. In the absence of Mrs. DeGrado, my wife was the soloist and much blessing came from the Gospel in song.

At the end of the revival, many testified to having received healing from the hand of our Risen Savior through Brother DeGrado's prayers. The following sicknesses were healed. Heart ailments, migraine headaches, stomach ulcers, arthritis, spinal vertebrae replaced, sciatica, kidney weakness and inflammation, eye weakness, sinus infection, nervous dis-

orders, threatened TB, pains and aches of various types and deaf ears were opened.

These eight days were packed with blessing, and we regret that we did not have the anticipated 15 day campaign owing to the unfortunate death of Mrs. DeGrado's father which resulted in the DeGrado's having to fly immediately back to California for the funeral. Brother DeGrado kept faith with his appointment with us and flew back to Toronto. We appreciate his faithfulness.

We hope to have the DeGrado's with us for another campaign next year. We can recommend their humble consecrated ministry of love and power.

CANCER GOES WHEN EVANGELIST PRAYS!

DEAR BROTHER DeGRADO:

I am so thankful to God for the marvelous healing of my little boy, who had suffered from a running cancer for a period of two years. Although treated by physicians, his condition was none better.

One night as he came through the prayer line, you discerned this condition in my boy and commanded the cancer to die by the roots. *Immediately God healed him and, today, that cancer has dried up*

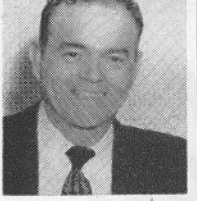

and gone, leaving his face whole.

May God bless you in your great work, of bringing deliverance to those that are bound and in need of liberation!

New York Puerto Rican Assemblies Blessed by A. A. ALLEN Ministry

GOD'S POWER MIGHTILY MANIFESTED IN NEW YORK CITY

By Ricardo Tanon and Peter Rios,
Pastors of Sponsoring Church

MANY DECLARE that our recent campaign with Evangelist A. A. Allen was the greatest revival in the history of New York City.

Although this was a revival sponsored by the Puerto Rican Assemblies, it was soon noised abroad that God was performing miracles and healing the sick and our English-speaking friends began to come by the hundreds. Services were in both Spanish and English.

For four weeks the power of God fell in such a way that sinners ran screaming into the prayer rooms, seeking peace for their souls. Many nights, as the Spirit of God swept over the audience, one could hear screams and cries all over the congregation as sinners and backsliders cried out for mercy, even while the evangelist was preaching. This was attributed to the fact that, at all hours, a great number stayed in the prayer rooms praying. *Many nights, the young people continued all night long in prayer to God.*

As Evangelist Allen laid his hands upon the sick, they were healed of every kind of sickness. God opened blind eyes, deaf ears were unstopped, cancers disappeared. Night after night, people testified to being healed of every kind of sickness known to medical science.

The greatest nights of the campaign were "Holy Ghost" nights, when there would be hundreds in the special Holy Ghost receiving line. On those nights, there was such an outpouring of the Spirit and such a demonstration of God's power that it was impossible even to count the great number that received.

Our Church, which is THE CHRISTIAN CHURCH JOHN 3:16, started in 1943 in a store building that rented for twenty dollars monthly. The attendance then was eight. We dedicated our new temple the first night of the Allen campaign. This new temple was previously the old Empire Theatre with 2700 seats. We purchased it and spent \$40,000.00 remodeling it into what is now one of the greatest churches in the world. The first night we opened the new building, with the Allen

meeting, the place was packed. We used hundreds of extra chairs in all the aisles and hundreds stood. It was reported that hundreds were turned away because there was no room to get in. Our church now has two associate pastors, the Sunday school averages about 800, and the building is valued at \$150,000.00. All this in ten short years, **BECAUSE WE BELIEVE IN THIS MINISTRY OF DELIVERANCE!**

"200 Million Souls Are On My Heart" declares A. A. ALLEN

That's how many English-speaking people live within the reach of the stations WHICH NOW CARRY the "Allen Revival Hour." These stations reach all 48 states, Canada, Alaska, Central America, and the islands of the sea. The sprawling metropolis, the country village, the isolated farm home, the automobile speeding down the super-highway—all are within reach of the Gospel through the miracle of radio!

Letters pour in from the unsaved, sick and suffering, bound, oppressed and tormented; each one crying out for help.

JOIN ME IN PRAYER for the thousands that are bound by the power of the enemy that can be liberated through these broadcasts!

God's Supernatural Power Accompanies PAUL CAIN Ministry!

Daniel 2:28—"But there is a God in heaven that revealeth secrets"

GOD REVEALED "HIS SECRETS" THROUGH EVANGELIST CAIN

By Lt. Cyrus C. Johnson of the
Los Angeles Police Dept.

GOD HAS BEEN very good to me, in permitting me to sit under the ministry of the greatest men of God in the world (I believe). For this privilege I often thank my Father in Heaven.

Several years ago, at the close of one of the powerful William Branham Campaigns in L. A., I was again blessed with another thrilling experience from the hand of God for, as I was on the platform of one of the city's greatest auditoriums, a young man stood before the audience, and began to speak; the white flush of God was upon his face, and I felt the mighty power of the Holy Spirit emanating from his personality as he preached to the people, and told them, one by one (with one of the greatest and most perfected gifts of God in operation) of their physical need of healing, and described in detail their diseases, ages, and secrets of their hearts, although those to whom he spoke were strangers to him. The supernatural gifts of the Holy Spirit were operating steadily, clearly, and powerfully by Discernment and the Word of Knowledge.

I have sat under his ministry many times since that night, and have watched the power of God flash over this young preacher, transforming him from the natural into the realm of God's wonder-working, omniscient spirit of truth. I have heard his words grow from mortal utterances into the immortal gifts of God, and roll like the thunder of Sinai. I have watched the audience sit under this heavenly spell, and I have seen them swayed in a moment from laughter to tears.

Time and space and my poor ability would fail to tell the story of God's mercy through the ministry of my young friend, Paul Cain. I have seen hundreds of sinners come crowding to the platform and the altar to receive salvation upon his call to repentance. Again I have sat near him, and heard him pray for the sick, telling them, as they came before him, of the things of which they had not told him, of the cancer, the heart trouble, the broken home and many other curses

of the devil, as well as the secret desires of their hearts. I have seen Jesus of Nazareth, through this boy's life, heal them.

Sometimes little children, with bodies crippled by polio, with limbs withered and shortened, have been healed in a flash, *done in an instant by the Holy Spirit and by the Word of God; the lame walk, the deaf hear, and the dumb speak.* I have bowed my head, in thanksgiving to God, and repeated the words found in *Psalms 68:18*—

"Thou hast ascended on high, thou hast led captivity captive: Thou has received gifts for men; That the Lord God might dwell among them."

May God bless Paul Cain a young man but a mighty prophet of God!

CALIFORNIA WOMAN PASSES 15 POUND TUMOR

I HAD BEEN suffering for months with pains in my stomach, but, being a Christian, I trusted **G O D** for my healing. However, I did consult a doctor to determine the trouble. He told me I had a 15-lb. tumor and, unless I had immediate surgery, I might bleed to death from the pressure.

Oct. 18 I attended the Paul Cain Revival at Calvary Temple, in Los Angeles. Bro. Cain pointed me out, in the audience, and told me I had this tumor, and that **G O D** would heal me! I knew, as Bro. Cain prayed for

me, that my tumor was healed. The next day, October 19, I told

Evangelist Paul Cain

the doctor that **JESUS** had healed me. He scoffed, and insisted upon X-ray. In the next three days I lost 8 lbs. and 5½ inches in my waist line, and in seven days I lost 12 lbs. and 9½ inches around my waist. Then the doctor saw the X-ray and said: "You amaze me, but I have to admit that **G O D** has healed your tumor; I can find no trace of it."

Don't we have a wonderful **SAVIOUR** and **HEALER**? I am deeply grateful to **HIM** for what **HE** has done for me.

Mrs. Gladys Linza,
Long Beach, Calif.

POLIO DISCERNED AND HEALED INSTANTLY

W E TOOK our little two year old baby (seriously afflicted with Polio) from the hospital, against the doctor's orders, and brought him to the great Healing Campaign at Calvary Temple in Los Angeles.

Brother Cain had never seen us before and knew nothing about the baby's condition, for he was well wrapped up in blankets. However, he told the crowd, the minute he entered the pulpit, that there were a few people the Lord had told him would be healed. It was so wonderful that, out of hundreds waiting to be prayed for, he should call me. He told me what time I had taken the baby from the hospital, which the Lord had (supernaturally) revealed to him through the Holy Spirit. He knew the baby's age and also all about his condition. I thought I would faint, as this prophet of God revealed such secrets. *I didn't know that God was that real. I do now!!!*

This great miracle is known to many thousands who heard Paul Cain and saw the gift of God work through him the night *my darling child was healed instantly!* The boy is jumping up and down. He walks, he leaps. **THANK GOD HE IS HEALED!**

WORLD MISSIONS' Crusade

~ Evangelizing With The Natives ~

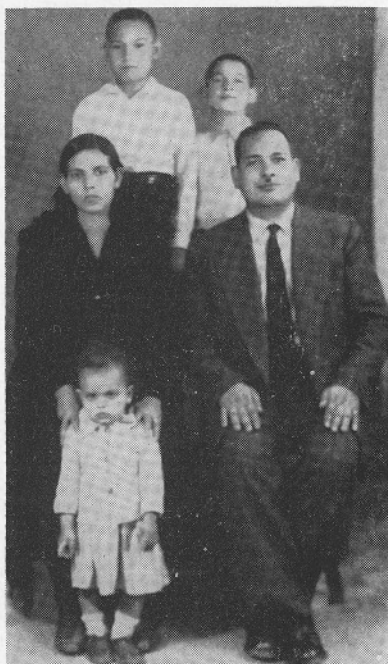

GREETINGS FROM PARAGUAY, South America! It is indeed gratifying to know that, while we are labouring to spread the Gospel in one part of the world, Christians at home are making it possible for us to be assisting Native Missionaries in pioneer ministries already in ten other countries at the same time. And, by the time this article reaches the great TVH family, other countries will have been added to that number.

North America's great missionary, Canadian Dr. Oswald J. Smith has rightly contended: **"Everyone must go, or send a substitute."** Another leader of missions pleads: **"Every church should support at least two pastors; one for the thousands at home, and one for the millions abroad."**

Many who could perhaps never go, themselves, are beginning to see the value of helping a Native "Substitute," who already knows the language and is accustomed to his own country, to go in their places. In this way, while remaining at home, holding down a good job or maintaining a business, they are providing the way for "Substitutes" (far more qualified than themselves) to go in their places—substitutes who would perhaps never be able to devote their full time to the ministry if such means were not provided.

EGYPT

From the Assemblies of God Mission in Egypt, the Brother pictured below with his family, has been recommended to us for assistance. He will be going to labor in a needy district of Egypt where there are several villages with no churches of any denomination. No pastor or evangelist has worked among them.

EGYPT

Such are the conditions which exist in countless thousands of areas all over the world, and it is for such areas that this Native Missionary Crusade has been formed, so that funds could be available for the many Full Gospel Missions to expand and reach these needy millions with the Gospel of Christ through the ministry of the native preachers.

This man is recommended as an "honest, upright, sincere and energetic worker for God," who is willing and ready to leave his established Church and dedicate his full time to evangelizing and opening new works among these unreached villages of Egypt. How thankful we all can be for the means available to meet this challenge.

INDIA

Having become acquainted with the desperate needs of the vast unreached areas of Orissa Province in India, we were thankful to have received word that another Native preacher is ready to dedicate his full time to minister there. His application has been received from the Engedi Fellowship, the director of which has determined to do something about the desperate challenge this particular Province presents. Vast areas of villages remain totally unreached by the Gospel. This is the third Native preacher who has answered the call to go into this area. Pray that God shall bless these efforts to reach these masses who have been so long neglected. The director is believing God to supply them with a Jeep which will add so much to the effectiveness of their labors there.

Our brother is shown above with his bicycle (right) which has carried him thousands of miles witnessing for Christ, and with his native instrument (left) which he plays for the glory of God.

MEXICO

These two young men (pictured below) have graduated from the Church of God Latin Bible Institute of San Antonio, Texas, and are giving their lives to the starving millions in our neighbor-country, Mexico. No field is more needy, and no people are more steeped in heathen-worship than the masses who are waiting and starving for the Bread of Life right at our back door.

The thing that has made the deepest impression on me concerning the Latin-American fields has not been the large numbers who turn to Christ, not the hunger, not the need, **BUT THE FACT THAT THEY ARE SO CLOSE TO US, YET UNREACHED.** Thank God for every messenger of the Cross who will run with the message of Truth to them.

* * * * *

It is through the regular monthly contributions being made by Christians with this world-vision that this "Native Missionary Crusade" is already reaching out into the unreached areas of ten countries of the world, and the good news of this plan is rapidly spreading. Those who are interested in this means of spreading the Gospel are giving systematically, i.e., a certain amount each month, and in so doing, many have been amazed to realize that even fifty cents per week adds up to the surprising total of nearly a quarter of a hundred dollars at the end of just one year. Every paper boy can do that much, thus having a substantial part in the spreading of the Gospel on Foreign Fields. No work is nearer the heart of God. It is what Jesus died for. To do so was His last orders given to the Church.

This Crusade is solely for the assistance of native (National) preachers who are engaged in **pioneer ministries**, evangelizing or opening new works among **unreached tribes or areas** where the Full Gospel has not yet been established. All funds are disbursed exclusively as designated, with the exception of bare essential costs of handling. We had hoped to evade the consumption of any funds in operation, but we were advised (and soon observed) that such limitations would actually hinder the progress of such an extensive world-wide crusade.

During the past month, individuals, Christian businesses, and churches have expressed their desire to assume full responsibility for one or more Native Missionaries. We are thankful for this. Particular addresses of Natives so assigned to individuals or churches for support cannot be disclosed, however, as personal correspondence with them has almost always proved to be detrimental. Even all our disbursements are handled exclusively through the Mission offices. It is certainly a joy and a consolation to thus fully assist your own "Substitute" in Pioneer Gospel Ministry abroad. May God bless all who are having a part in this vital Crusade!

THIS "NEAR-HYSTERICAL" QUESTION

DONALD GEE

A FRIEND OF MINE in Hong Kong writes, "Of all things, here is an article (enclosed) in our daily English newspaper on 'Divine Healing in the Church of Scotland'—what next? I had heard of this before but never believed the practice of praying for the sick was so common."

The article he enclosed is by Liam Regan, and headlined FAITH HEALING IN SCOTLAND. It says, "Every week throughout Scotland, in the great cities, and in smaller communities, a steadily-growing band of Church of Scotland ministers are practicing 'faith-healing.' Without publicity of any kind, they are holding these regular services in their churches and their halls. Some truly remarkable results have been reported by considerable numbers of people who have clearly benefited, both physically and spiritually, from such healing services. I was the first reporter to attend a special Church of Scotland 'faith-healing' service, which was held by the minister of one of Glasgow's largest churches in the West-End of the city. This was no packed group of excited near-hysterical evangelists, but a solemn congregation of about 100 people typical of the average church-going members of the community. . . . There was a remarkable feeling, an atmosphere, of everyone in that crowded church hall being at one with each other; the minister, the anxious patients, and the quietly praying friends and relatives seated just behind them. The minister walked slowly to the first person in the front row, an elderly man, and stood by his side. While the old man sat still, the minister spread out his hands, palm down, not exactly ON the patient's head, but about half an inch above it. Quietly the minister prayed, quietly the old man prayed . . ." and so on.

The article goes on to report that "only the other month something like 200 ministers crowded into an Edinburgh hall to hear one of their colleagues give a lec-

ture on Divine Healing—as they prefer to call it." This present interest in Divine Healing in the orthodox national church of Scotland shows the world-wide notice the subject is attracting. It is not a phenomenon peculiar to the Pentecostal Movement. The Spirit of God appears to be causing a revival of faith and practice in many sections of the Church in this part of the evangel that she was commissioned by her Lord in the beginning to proclaim.

But why that gibe at "excited near-hysterical evangelists?" After forty years of world-wide personal experience of healing evangelistic meetings I think I can understand what that Scottish journalist means, but I have a shrewd idea that these same journalists would have said exactly the same things had they been reporting the healing ministry of our Lord

(DONALD GEE is Editor of a quarterly magazine PENTECOST which gives a review of world-wide missionary and revival news. Subscription rate \$1.00 for two years. Send orders to PENTECOST, Victory Press, Clapham Crescent, London, S. W. 4, England.)

in Galilee, or that of the apostles in Lystra and Iconium. How about when the crowd yelled, "The gods are come down to us in the likeness of men?" (Acts 14:11). Quietness forsooth! I hold no brief for deliberately worked-up excitement aimed at producing a fictitious show of supposed Pentecostal power, but I challenge anybody to practice a healing ministry that includes some genuine miracles without producing some entirely reasonable excitement. We can forgive the evangelist if he gets a little excited too. It seems high time we preached a gospel, and enjoyed a salvation, that gives us something to get excited about. Is anything else likely to prove a force sufficient to overcome the world? We need more excitement, or, more accurately, more causes for excitement in our evangelism. There are plenty

of much less reputable causes for which multitudes of people (including some journalists!) are getting "near-hysterical" today.

Having said all that, I think there is another side to the matter. This newspaper reporter has written in Scotland, for Scotland, about Scotland and I, too, know something about the land of the Covenanters. The facts remain that hundreds of Scottish Presbyterian ministers are intensely interested in Divine Healing, that an increasing number of them are practicing it in the Name of the Lord Jesus, and that avowed miracles of healing are taking place. Moreover, all this is happening with "quiet" prayer and no emotionalism beyond a "remarkable feeling, an atmosphere." What then? Ought we not be big enough to see that the Holy Spirit works in a variety of ways to meet the diversity of human and local temperaments?

It is an unfortunate mark of spiritual and mental immaturity in many of us that we cannot see any working of the Holy Spirit except in ways that appeal to our own temperament, conform to our own tradition, or fit in with our own ideas. For that reason it is to be feared that many of us will never have a ministry big enough to touch more than a limited segment of humanity. Probably, even so, we shall have a field large enough to occupy us during life's short day. But the truth ought to shine into our hearts that the Master does possess other equally faithful servants who differ from ourselves in almost every way, and yet are being equally used for His glory. How good it would be if, instead of trying to force everybody into our mould, and then reviling them if they do not fit, we were wise enough to rejoice greatly that the grace of our Lord Jesus Christ, the love of God, and the communion of the Holy Ghost is shared by a far greater company than many of us dream of.

EVANGELIST C. M. WARD SPEAKER ON THE NEW ASSEMBLY OF GOD ABC NETWORK PROGRAM

WE ARE GLAD to announce that C. M. Ward will be the speaker on the new ABC network program sponsored by the Assembly of God. The program will be heard each Sunday night at 10:30 p.m.—all over the nation, regardless of time zone.

We are glad to recommend this program to our readers, which we

believe will be one of the best of the religious programs.

Brother Ward has been known as a preacher with an unusual gift of eloquence. He is also a strong believer in the Ministry of Deliverance. He was chairman of one of the leading revivals held in the city of Bakersfield, California, in which the editor participated. After the revival, Brother Ward wrote an article which was published in THE VOICE OF HEALING, in which he explained that the ministry of healing had

become a major feature in their assembly. A large neon sign was erected in front of the church with the words "HEALING LINE EVERY SUNDAY NIGHT." The effect of this ministry was felt throughout that area.

We believe that the Assembly of God officials could not have made a better choice for their speaker in this new undertaking than Brother C. M. Ward.

REMEMBER THE TIME OF THE PROGRAM—10:30 P.M. EACH SUNDAY!

PROPHECY MARCHES ON!

Howard Rusthoi, internationally known Evangelist, former Army Chaplain, and Prophetic analyst, contributes the "Prophecy Marches On" column regularly in TVH.

"Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up: . . . Assemble yourselves, and come . . . and gather yourselves together."

ATOMIC WAR CRISIS

The views of Karl H. von Wiegand, noted foreign correspondent, concerning atomic warfare are expressed in these words: "In an all-out atomic war between America and Communist Soviet Russia, the world and its peoples would pass through the greatest spiritual, moral, cultural and economic crisis since the beginning of the Christian era almost 2000 years ago. It would be the severest trial that the mind and souls of men and women have ever undergone. Venomous hate would rule the sky and the seas and dominate the battlefields on earth. If and when it comes, it will be the most savage of all wars, the most inhuman and the most destructive of life and the monuments of civilization and its cultures." How well this viewpoint tallies with the prophetic Word of God! The last days shall be characterized by "distress of nations with perplexity" (Luke 21:25), "perilous times" (II Timothy 3:1), and "sudden destruction" (I Thessalonians 5:3).

ARAB—ISRAEL STRIFE

A new and very real threat of regional war, which easily could expand, is seriously looming in the Near and Middle East as a consequence of the Israeli-Arabian tension. Hatred is reported mounting on both sides. Arab faith in the United

Nations has touched zero. It seems the wisdom of a Solomon and the genius, courage, initiative and determination of a statesman not yet in sight will be required to bring peace and tranquility to the Near and Middle East where, after two years of a dragging United Nations "armistice," a technical "state of war" still exists between Israel and the Arab states, according to those reporting from the area.

The United Nations, in its seven years of existence, has revealed none of the attributes necessary to resolve the present explosive situation. The mounting strife in Palestine will no doubt set the stage for the appearance, and will create the need for the coming "anti-Christ" who will promise to defend Israel, but who will break the covenant and turn against them. This is revealed in the last part of the 7th chapter of Daniel.

RAT-PACK GANGS

At the time of this writing Los Angeles is being plagued by juvenile "rat-pack gangs" which has already resulted in some murders of innocent people. The activities of the hoodlum gangs in Los Angeles have increased recently in boldness and violence.

Police Chief William H. Parker, declared: "The Los Angeles Police Department is seriously undermanned. There are 265 vacant positions that we have been unable to fill despite the fact that everyone who has qualified for appointment and has been willing to accept such appointment has been placed in the service." One of the reasons for so few applicants for police work is the growing menace of these juvenile rat-pack gangs.

A special Senate inquiry into juvenile delinquency throughout the nation brings to light the sad fact the number of children who get into trouble with the police is steadily rising. Dr. Martha M. Eliot, chief of the United States Childrens' Bureau, testified before the Senate inquiry there was a 29 per cent increase in juvenile delinquency from 1948 to 1952 and "the prospect for the future is even more serious." At least one out of every eighteen young Americans in the 10 to 17 age group was involved in trouble with the police in 1952. Senate investigators were told that teen-agers commit serious crimes and indulge in the most degraded sex conduct while intoxicated by a mixture of sleeping pills and soft drinks. This appalling situation involving the youth of America is a fulfillment of the prophecies in the 3rd chapter of II Timothy, especially verses 2, 3 and 13.

UNITED EUROPE TREATY

THE FOREIGN MINISTERS of six West European nations, taking a long stride toward confederation, have called for formulation of a complete "European Community" treaty within the next few months. The treaty is envisaged as a platform for the eventual political, economic and military integration of France, West Germany, Italy, Belgium, the Netherlands and Luxemburg. The foreign ministers instructed their deputies to write the text of a community constitution by March 15th and submit it to a new ministerial meeting in Brussels March 30. It is becoming more evident that diplomatic thinking and planning is for a uniting of the nations within the geographical boundary of the old Roman empire. This will be the nucleus of nations under the authority of anti-Christ, as prophesied in Daniel 7 and Revelation 13. The hour for the revelation of the "man of sin" is rapidly drawing nearer.

* * * * *

MILITARY OUTLOOK

Every able-bodied youth in America "must look forward to at least two years of military service for many years to come," Assistant Defense Secretary John Hannah said recently. The manpower shortage is so serious that the size of the nation's armed forces in the next two or three years may depend not on what defense planners consider essential "but by the number of qualified young men who can be made available." He said the shortage will become no better until 1960. This is not a pleasant outlook but it coincides with the prophecy found in Joel 3:9, 11, a remarkable prophecy for the "last days"—
