**Y**OU should receive this month's issue of **THE VOICE OF HEALING** just before the convention in Philadelphia, November 2-5. As we go to press we have received definite word that Evangelist T. L. Osborn has returned from Indonesia and will be present at the Convention. Our readers will have noticed the reports of the outstanding success that was achieved in these meetings. Brother Osborn mentions that having witnessed tens of thousands of Catholics accepting the message of deliverance, he looked forward with considerable anticipation to whether such results could be obtained with Mohammedan populations. In the Indonesian meetings he was completely reassured to learn that the response to the message by Mohammedans was even greater if anything. Thus the old belief that it was impossible to win a Mohammedan to Christ is shattered. At times as many as ten thousand signified by lifting their hands that they wished to become Christians.

## THE NEW WING OF THE PUBLISHING PLANT

A second book rolled off the presses of **THE VOICE OF HEALING**. This was **AMAZING DISCOVERIES IN THE WORDS OF JESUS**, which has been out of print for some time—a book that has been used in Bible schools and is one of the most amazing proofs of the deity of Christ. It shows that everything that Jesus said was in sevens—a phenomenon that certainly could not be found in any secular writings. We expect to publish several books a month in the future.

It is now evident after getting into production, that we do not have sufficient space for our printing activities in the present building, and the two-story left wing is now in the process of construction. We thank those who in the providence of God have made and will make possible this construction. This new addition will require an expenditure of \$30,000, not including the cost of extra equipment. This is a venture of faith, but we are certain that God will meet us as we go along.

By the time the reader receives this issue, the Spanish Convention in El Paso will be over. It is hoped that at that time plans will have been finalized to publish a Spanish edition of **THE VOICE OF HEALING**.

If we include the special editions of **THE VOICE OF HEALING**, TVH is now reaching a half a million people a

month, reckoning only three persons to a family. Nevertheless we believe that the time has come that we must work to get **THE VOICE OF HEALING** into the homes of millions. Our directors are laying special plans to this end. In this country as in foreign countries thousands upon thousands of people have been brought into the light of the Full Gospel through this magazine. Just for example, Mr. Herbert Fuller of Camden, New Jersey, who is in charge of convention arrangements in Philadelphia and who is a prominent business man in that area, was brought into knowledge of this ministry through someone giving him a copy of **THE VOICE OF HEALING**. Circulating **THE VOICE OF HEALING** is one of the most fruitful ways of reaching people with the supernatural gospel of Jesus Christ.

## The Coming Full Gospel World Fellowship

We are nearing completion of the book entitled **THE COMING FULL GOSPEL FELLOWSHIP OF THE WORLD**. We have traveled many thousands of miles and have spoken with many leaders and prominent persons on this subject. We are impressed by the amazing unanimity of so many ministers on these matters which hold such a vital relation to the future success of the present great revival.

While we are on this subject, we wish to call attention to a convention in Springfield, Missouri, October 26-28. This is the North American Pentecostal Fellowship at the Shrine auditorium. The work of the N.A.P.F. organization has been valuable in that the various organizations have thus officially endorsed the principle of the essential unity of the members of the Body of Christ. What is needed to make this declaration effective is a powerful "grass roots" movement among the people. God grant that such a movement will gather increasing strength until it develops into a crusade which will not stop until the whole Church is fused into one. This is not the creating of a new organization or the merging of organizations into a super-organization which would destroy the headship of Christ, but rather a universal recognition of all believers as being members of one Body—the Body of Christ.

## This Month's Front Page

This month we have dedicated the front page to a composite picture illustrating the varied ministries of **THE VOICE OF**

**HEALING** in our crusade for world-wide revival. We are indeed thankful for the many doors that have been opened and are being opened to this message. The rapid increase of the work involved in coordinating all these ministries has placed a tremendous load upon the editor. We have prayed much that the Lord would send us a competent manager who would be able to assist us in this work. We have no doubt that God is sending us just the one to assume these duties—Brother Dwight Hamilton and his wife, from Portland, Maine. Recently they spent a week with us, at the TVH office, and after looking to God in prayer, they felt a definite call to come and join with us in this great work.

**NOTE:** A statement was made in the previous issue that there would be a rally on Monday night preceding the convention. This was an error. The first service will be Tuesday, November 2, at 10 A.M.

## NEWS FROM WILLIAM BRANHAM

We received a report from the William Branham party concerning their missionary tour, in which they are meeting with leading world figures. This was received too late for this issue, but will appear in the next. Also part of the Osborn missionary report, left out of this issue, will appear next month.

## WHAT EVERY CHRISTIAN SHOULD KNOW ABOUT THE A-BOMB

What Every Christian Should Know About the A-BOMB

Within the past decade a bomb has been created a million times more powerful than the bombs of World War II. To test them the ocean must be cleared of human life for 400 miles. A single bomb has vaporized an island. A single bomb can destroy practically all life in the world's largest cities.

The world is asking, "What does the future hold in the light of this dread weapon of destruction?" Will Russia attempt a Pearl Harbor? Is there a place that the Christian can hide? This book will tell you what you should do in the face of these tremendous developments. A list of the chapters below will give you an idea of the fascinating story of this book.

- Chapter I. — Strange Facts About the Coming of the Atomic Bomb.
- Chapter II. — The Atomic Bomb Falls on Hiroshima.
- Chapter III. — Strange Facts About the A-Bomb.
- Chapter IV. — Strange Facts About the Hydrogen Bomb.
- Chapter V. — No Place to Hide.
- Chapter VI. — Strange Effects of the A-Bomb.
- Chapter VII. — The Race Between the U. S. and Russia.
- Chapter VIII. — Strange Facts the Bible Reveals About the A-Bomb.
- Chapter IX. — The Day the A-Bomb Falls.

# The Story Behind the Korean Truce

*The remarkable story of a Christian war correspondent and the part he played in the Korean truce*

**By Douglas Bushby**

**W**HILE I was in Seoul I suddenly felt led of the Lord to request President Syngman Rhee of Korea to follow President Eisenhower's example in calling a national Day of Prayer for Korea on July 4th. The Korean situation was critical.

I also inquired about seeing President Rhee in person in the Presidential Mansion. The news correspondents all said that none of them were allowed to see him for several weeks because of the tension over the P.O.W. releases and that he was refusing to see anyone at the time. But I felt God wanted me to visit him. God's ways work!

I visited the Korean Government Information Office and received a blank refusal of my request for a visit with the President. This was the office which arranged such appointments. So I went to prayer again. I finally managed to persuade the three Chiefs of the Korean fighting forces chaplaincy corps to make some good contacts for me. After dining with high Korean officials, meeting the Defense Minister, the Chairman of the Foreign Relations Committee, the Foreign Minister, and an ex-premier, to explain my mission, I felt I was going to visit President Rhee that week. I had also managed to secure the cooperation of some Korean Generals and an Admiral of the Korean Navy who was a friend of mine.

I placed a carefully written application for the appointment. Then I by-passed the usual channels and talked directly with the President's secretary who happened to be a Christian. I felt that I was getting somewhere. I told him I represented, as an official U.N. War Correspondent, several publications in America as well as many Christians, and that we really had Korea on our hearts and in our prayers. I could see that he was greatly

impressed. I knew that God's power was at work.

Next day I receive a telephone call at my press billet. They told me I was wanted on the telephone by President Rhee's secretary! I was informed that the President wanted to see me. I could hardly believe it. The other correspondents were staggered with surprise. They hadn't been able to get near the President in many weeks. But here I was, a non-descript war news correspondent, preacher and Gospel distributor, being honored by having the opportunity of visiting the President of Korea!

I thanked the secretary profusely! I found that all of the available jeeps had gone somewhere. So I persuaded another correspondent, bound for another mission, to run me over to the Presidential Mansion. He asked, "How did you ever do it, Bushby?" We drove through many guards without trouble. I was thoroughly searched and inspected and interrogated. But I had no trouble, as they were expecting me, I had plenty of good identification.

Ushered into the Mansion, I found Korean Cabinet Ministers talking over the coming truce. They had just had an official cabinet meeting. I quietly waited to be taken in to visit the President. It was a tense moment and one which I shall never forget. God had indeed favored me with this great privilege which wasn't being extended to other news correspondents. I firmly believe that God and His divine will made the difference in my status and the others!

\* \* \* \* \*

The President was in a lovely side garden. He sat in a bamboo chair at a small table under beautiful trees. An empty chair was opposite him; nearby was a table with some official looking documents lying upon it. Behind the President stood

two guards with loaded guns watching my every move. And I knew there were others I couldn't see. At the feet of the President a little dog played. My eyes quickly took these things in as I was ushered to the table by his secretary. After being introduced I began to thank the President for his kindness in granting me the interview. I said to him: "My mission is this: Korea is under tension, America is wondering, and President Eisenhower has called a national day of prayer on July 4th." He nodded. I told him that God had a solution for the problem of the truce and that prayer could do more than anything else in hastening that solution. I said it would do more than the demonstrations under way.

I said, "Mr. President, will you call a Korean National Day of Prayer on the same day as Eisenhower proposes for America? Thus the world will be shown that there is a unity in the basic matter of recognition of God and need for His guidance." I commended him for his brave attitude in releasing the prisoners of war. He talked on at length.

I presented him with a copy of the book written by my friend, Dr. Fred Schwarz, entitled, "The Heart, Mind and Soul of Communism." I told him I was arranging to have it printed in Korean for his people.

He graciously took the book, leaned across the table and then bitingly said, "Young man, you take that book back to America! They need it over there! America is going to wake up when it is too late!" They were fearful words.

"We Koreans already know what Communism is and what it does. We are fighting it more than any people on the face of the earth!" said President Rhee. I agreed with him.

Then we started to talk of prayer. He said, "It is good to pray, but God also uses human instruments to do His will."

I said, "You are quite right, sir, and I believe God has raised you up as an instrument to warn this world."

As our conversation drew to a close I suggested that we pray together.

# The Day the A-Bomb falls

## Installment II

By

Gordon Lindsay

**M**R. PHILIP WYLIE writing in the bulletin of Atomic Scientists gives us some hint of what will actually take place when an A-bomb or H-bomb falls on one of our cities. The picture he presents is not a pretty one. For added to the destruction, says he, will be the element of hysteria and panic which will compound the terror and devastation that will result.

Imagine, he says, the consternation that would result from an official announcement of hostile planes bearing down upon America from the North. Fleets of fighter jets take off to face the invading foe, and perhaps take a fearful toll of the invaders, so that some 90 per cent are shot down. Yet ten planes out of a hundred get through to drop their deadly cargo on the great cities of America. What then?

The cities have been alerted to their awful danger. They have been kept informed of the progress of the battle, and hear of the tremendous losses of the enemy; nevertheless they learn that some of the enemy planes have gotten through. What will happen in the cities? Certainly hysteria and panic unlike anything in World War II days. People know that an A-bomb can take the lives of tens of thousands. An H-bomb could destroy every living thing in a vast radius except that which is deep in the earth. What is bound to happen? When the people get wind that hostile planes are on their way they will flee in the wildest panic. Roads will be choked with escaping cars, regardless of the present signs which have been erected by the Defense Department which declare the roads will be closed to civilian traffic in case of an emergency.

Mr. Wylie declares that after a test shot one morning in Nevada, the wind changed and surging dust enveloped his unit. Men broke and fled although the Rad-Safe Crews reported the fallout to be harmless. This writer declares that when he reflects that these men were concerned intimately with the bomb and among them was high brass from every service branch he feels certain that the public, radiation-scared, and terribly ignorant, will run like mad until it drops.

Doctors declare that a badly burned human being is about the most unendurable sight there is. Burned persons, hideous, mangled and dying will be on every hand. Thousands of others will have their clothes blown off them. Or if they catch fire, people will be forced to rip them from their bodies. "Behind them a thousand fires are burning and radio-active dust is swirling. Will they ignore the torrential sky above and go to dousing fires, or succoring the sticky human gobs around them, or rush back to the factories to recommence industrial production?" Mr. Wylie continues: "Or will they wonder, if perchance, in an hour or a day, another bomb will descend and turn them into the things that they have witnessed? The thought will occur to all—and nearly all I fear, will try to get out of town before it is too late."

Civic defense measures? What can they do in a calamity of this proportion? Panic feeds on panic. The impulse to flee in most cases will be irresistible. Of course signs on the highways leading out of town declare that these roads in case of enemy attack will be closed to all but defense vehicles. But with a bomb cloud above them and a fire storm behind, and the screaming wounded all around, with radio-active dust at their heels, only an insane person would think that people would obey these signs. We might put it this way—what the bomb does not get the panic will.

### God Is Still on the Throne

Black as the picture looks, to human eyes, there is not the slightest reason for pessimism among the people of God. No one should be pessimistic who casts his lot with Christ. God is still on the throne. He rules and overrules. He has foreseen all these developments. He knows the end from the beginning. He has made full provision for taking care of His own. The Lord knoweth them that are His. Not a hair of their head shall perish. It is indeed important however that one shall be a believer indeed and not a nominal Christian. Christ speaking of this time, grimly warns of a lukewarm Laodicean Church. A church that is "Lukewarm and neither hot nor cold" (Rev. 3:14-22). This is a church that says that it is "rich, and increased with goods, and has need of nothing." Christ says that unless it repents He will come and "spue" it out of his mouth.

On the other hand to the faithful Philadelphia Church, there is a different promise: "Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world to try them that dwell upon the earth." (Rev 3:10)

### THE EARTH NOT TO BE DESTROYED NOW

God has a plan. We are coming to the end of the age. God is getting ready to judge the nations. It is a time when the nations are in the valley of decision. Man must repent and serve his Creator or be destroyed. The day of probation is over. As the Revelator says in Rev 10:18: "And the nations were angry and their wrath is come, and the time of the dead, that they should be judged, and that thou shouldst give the reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldst destroy them that destroy the earth."

Notice this: Those who would destroy the earth are to be destroyed. For the earth itself is not going to come to an end—not yet. Later this earth will pass away for the new earth, but not now. God will say to those who would destroy the earth, "thus far shalt thou go and no further." Perhaps wicked men shall come very near to destroying the human race, but certainly they shall not succeed. The reason that they shall not is because God will call a halt before that happens. If He did not do this, destruction and violence would go on in mounting fury until "all flesh would be destroyed." Jesus says in Matt. 24:21-22:

"For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened there shall no flesh be saved: but for the elect's sake those days shall be shortened."

In other words Christ is inferring that the inventiveness of man shall proceed at such an accelerated pace, that the human race would be destroyed before the appointed time of human probation. For this reason, God upon His own initiative will bring the carnage to a halt. He will do this because of His elect. "For the elect's sake those days shall be shortened."

(Continued on page 25)

## Vindication of William Branham of Attack by "Prophecy Magazine"

A SERIOUS ATTACK has been made upon Brother Branham by the "Prophecy Magazine" which, in effect, declares that Brother Branham is a fake, and the healing of Miss Florence Nightingale Shirlaw, to whom he ministered was a fake. The insolent and vitriolic character of the attack betrays the Satanic spirit of those who made it. The Editor of THE VOICE OF HEALING was present at the time Miss Florence Nightingale Shirlaw was prayed for (though not in the room). The following letter came from Rev. Gwilam I. Francis, who also was present at the time this woman was prayed for. His letter speaks for itself. (Incidentally Rev. Gwilam I. Francis of 98 King Edward Road, Swansea, Glam, South Wales, is coming to America soon. Those who wish to contact him, or invite him for a meeting may write to this address. He is a prominent evangelist, traveller and writer, and has addressed large conventions and youth rallies. He will be available from April 1 to June, 1955.)

BEFORE

AFTER

Dear Brother Lindsay:

Greetings. In order to introduce myself, I am the Minister who met Brother William Branham and the party of four members, which included yourself, at the London Airport, on Good Friday, 1950, and you will remember that on the following Sunday afternoon, Brother Branham and myself visited Miss Florence Nightingale Shirlaw, at her mother's home at 11, Clarendon Road, London, W. II. The enquiry regarding the healing of Miss Shirlaw has been brought to my notice, but I have not been in touch with The World Science Review, as there were actually a few minor details in the report by Julius Stadsklev, which were not quite accurate, but they do not in any way affect the

# Startling And Amazing

miraculous healing of our sister, Miss Shirlaw. We were only four persons in the room that Sunday afternoon, consisting of Miss Shirlaw, her mother, Brother Branham and myself, and you will probably recall that we were there for over an hour. When the atmosphere seemed to be charged with the presence and power of God, Brother Branham took Miss Shirlaw's hand and offered a very short prayer, after which he requested her to eat. That is all that happened in that room. And you will remember that Brother Branham, yourself, Brother Moore and Brother Branham's brother returned to our home for tea. Although Miss Shirlaw's recovery took a few weeks, I was in constant touch with her during this period. Her healing was nevertheless miraculous, and I can confirm the accuracy of both photographs of her, prior and subsequent to Brother Branham's visit.

Should you require any further information on this matter, I shall be very pleased to write you as requested.

Rev. Gwilam I. Francis

## God Answers Child's Prayer

WHEN I was only eight years of age we were on vacation at the beach, camping out on the bluffs above Nye Creek, Oregon.

One morning mother noticed that the winding stem of her small watch was missing. It was her only timepiece. After searching the tent without success, she called brother and me to her and explained her loss.

"We won't be able to tell time unless we find the winding stem," she told us. "Be on the lookout for it and try to find it!"

I felt very badly and went off by myself and asked Jesus to help me find the winding stem.

Sometime later mother sent us to the grocery store at the foot of the hill for some groceries. We walked barefoot and as I scuffed along through the deep, warm sand, something sharp lodged itself between one great toe and the one next to it. I stooped over to remove the prickly thing, and there was mother's winding stem!

Never shall I forget the feeling of reverent, surprised awe that swept through my being. Jesus had put that tiny winding stem between my toes. I raced up the sandy road to hand it to mother, my heart nearly bursting with joy. Mother had her

winding stem, we could now know the time, but greatest of all, Jesus had answered my very first urgent prayer. He seemed so real and so close to me, and I knew that from that time on He would answer my prayers. Praise His most holy, wonderful Name.

## God Performs a Miracle

IN 1928 a marvelous thing happened in our family. It was growing dark and my car was by the side of the house. I hurriedly got in the car to go to the store and as I backed out of the driveway, I felt the front wheel pass over something. I supposed the children had put something in the driveway, so I backed out some forty feet. My son screamed "You have killed the baby." We picked her up in a dying condition and carried her into the house.

All the family began to cry unto God and the Spirit came down like a wind and in thirty minutes she was breathing naturally and since that was service night at our church, I left her on the bed and went on to church. When I returned about 10 P.M. she was as well as ever and we had a big time together.

She has never had any signs of being hurt. I thank God for His power to heal. My daughter now has a fine baby boy and is in good health.

## The Water of Life

CONCLUDING the work in El Jowf, I, with two other missionaries and a guide, prepared to start back toward Jerusalem. It was then that we decided to go a roundabout way through a trackless desert area, in order to visit a certain remote place.

As the day wore on, we found ourselves in territory that was even strange to the guide, a wild, rocky, barren waste land. It became evident that we had placed too much confidence in the guide's ability to lead us. I cannot describe the feeling—the utterly sickening, frightening feeling that came over us when, in the burning heat, we realized that we were lost.

After prayer, it was decided that an effort should be made to follow our car tracks in the sand, back through the desert. If successful we would eventually come to terrain familiar to our guide.

# Incidents Answers to Prayer

Sometimes we would lose the tracks in windswept areas, but succeeded in picking them up again after making extended searches. It seemed on these occasions that the Lord's presence was especially real. *When the ordeal ended, we had no doubt that our deliverance came through answered prayer.*

Our water supply was getting lower and lower. What was left had to be rigidly rationed. Suffering from exhaustion, the days seemed hotter and the nights longer. The time came when we knew that the water supply could not be extended beyond a couple of hours.

Finally we came upon tracks, thousands of prints left by camels in the sand. In a matter of minutes the guide had determined the direction in which the caravan was moving. We garnered our energies and started on the newly discovered trail as fast as it was possible for us to move. I shall never forget the thrill we experienced, when mounting a ridge, a lengthy string of camels came before our vision, some three miles away.

There were two outriders. One spotted us and rushed toward the head of the caravan as fast as his camel could run. The caravan came to a halt. The leader took in the situation at a glance. A hand shot into the air, accompanied by a sharp order to one of his men who was standing some distance away.

The Arab moved like lightening, untied a leather bag of water from a camel's side and quickly dropped it at our feet. We could not have held out much longer. The Arab leader and his men saved our lives. I shall bless their memory as long as I live.

## From the Senior Captain of The Salvation Army, Streator, Illinois

Rev. Gordon Lindsay  
Dallas, Texas

Rev. Lindsay:

I feel led to write you about the wonderful blessing that the Lord has blessed me with, the gift of healing. Last April I discovered that God had given me this sacred gift, and since that time I have prayed for healing for over thirty people and I am sure God has healed them all. The most outstanding one is a lady about 30 years who was given up by her doctor who said that she would never live. She had cancer of the stomach. When I was in a wonderful way led by the Lord to see her she was very low. I prayed for salvation first, and she accepted Christ as her Saviour, then I anointed her and prayed for her healing and God healed her immediately; today she is up and with her

family at her home.

I take the "Voice of Healing" and thought perhaps someone reading this magazine who is a Christian and needs healing, might write to you from this part of the country requesting information as to where they could go to be prayed with. I want to do all I can for the Lord and for the household of faith because God has so wonderfully healed me and blessed me, that you might refer them to me if you wished to, and I would pray for them and help all I could.

I get great blessings reading the "Voice of Healing." God has led me to other towns around here to help and heal people. I praise Him. Yours in His service.

Sincerely,  
C. W. Agre  
Sr. Captain

## HAVE YOU HAD A STARTLING ANSWER TO PRAYER?

Read the offer below

1. Send us your account of an outstanding answer to prayer. These shall not necessarily be about healing, but along the lines of startling incidents involving unusual answers to prayer. Historical incidents of Divine providence, involving noted characters of history, welcomed. Give source of information of such incidents.

2. Articles should not exceed 600 words.

3. Must be typewritten, doubled spaced.

4. Manuscript cannot be returned.  
5. We reserve the right to publish or not to publish.

6. Upon publication, we will give writer a choice of any book we have in stock as a gift. Writer should notify us AFTER PUBLICATION, of book desired.

NOTE: Name of person sending in an incident of answered prayer will be withheld upon request.

# An Interview with Evangelist Paul Cain

*(Evangelist Paul Cain is one of a number of evangelists to whom God has given discernment gifts. He has had several unusual experiences, and we believe that his story will be of particular interest at this time when God is restoring His gifts to the Church. Since the story is largely personal, Brother Cain thought he might be able to better relate it if we asked him this information in a series of questions and answers. Our First question was regarding events which led to his call to the ministry.)*

**PAUL CAIN:** At the time of my birth, an angel came to the bedside of my mother, who at that moment appeared to be dying. The physician attending her had pronounced her a hopeless cancer victim, and that she would not live long enough for me to be born. He then sent her home to die. But an angel appeared at her bedside and told her that a son would be born to her and that she would live. Furthermore the angel said that she would live. Furthermore the angel said that she was to name me Paul, and that I would preach the Gospel in the spirit of Paul of old. My mother was healed supernaturally by the power of the living God, and she is alive today. At the age of 68, she travels with me across the nation and is in many of my meetings, giving her testimony of those things which happened to her at that time.

**QUESTION:** Would you tell us something about how God dealt with you in your earlier years?

**PAUL CAIN:** At the age of eight I received a visitation from the Lord—my very first. The Lord spoke to me one night, calling my name twice, and telling me what he had called me to do. He said that he had anointed me to preach the Gospel of Jesus Christ, and to liberate the people, not with human power, but with the supernatural gifts of the Holy Spirit. This happened in the year 1937. The giving of this special commission to me was the most awe-inspiring that a human being could have. Since that night God has made me to know that He has sent me to help people, and to bring them deliverance. I have never tried to name my gift—all I can say that it is the supernatural love of God toward humanity. God sees our needs, our afflictions, knows all about us even as the Lord when meeting the woman of Samaria at the well of Jacob, knew all about her. When Christ saw Nathanael, he told him things about his life which were revealed to Him by the Spirit. So today God is again giving his ministers supernatural power with which to bless and inspire the faith of the people.

**QUESTION:** About how old were you when you went out into the active evangelistic ministry?

**PAUL CAIN:** It was at the age of eighteen that I began my ministry. Later God led me into meetings where thousands have attended. I have had a covenant with the Lord that regardless of the simplicity of my message, I would have a good percentage of souls to come to Him. It has been a phenomenal thing that sometimes without preaching, and only the gifts of the Spirit in operation, for many souls to spontaneously respond to the altar call.

**QUESTION:** Did this special gift that God gave you begin to function at the time you entered into this evangelistic ministry or was it at a later time?

**PAUL CAIN:** From my very first major campaign, God anointed me with a strange anointing, one that I could not understand. Some nights I recall having not slept at all. From the time the service closed until the following evening when the service would begin again, I would do nothing but meditate and pray and seek the face of God. I myself was astonished at what God would reveal to me about people, about their circumstances, and the nature of their sicknesses. This power of the supernatural has been the essence of our meetings.

**QUESTION:** Brother Cain, in speaking with other brethren who have similar gifts, it seems to be a common understanding that this ministry is a combination of such gifts as discernment, word of knowledge, word of wisdom, prophecy, and gifts of healings. Now I wonder if you could answer this question: What do you believe the purpose is of the manifestation of these gifts in relation to the ministry of Divine Healing?

**PAUL CAIN:** The real purpose of the manifestation of these gifts is to build and inspire the faith of the people. To make them to know that there is a God above. To make them to understand that He knows all about them and is concerned. The supernatural has always startled people. Scientists say that the dis-

coveries in the next fifty years will be in the realm of the supernatural. Einstein, one of the greatest scientists of our time, has been quoted as saying that the only thing left to thrill the human race is the power of the supernatural. God has always wanted to prove Himself, and it is to build the faith of the people, and to let them know that there is a God above who cares for them, that He manifests these gifts.

Paul the Apostle when writing to the Corinthians, said that the unbeliever, when he saw the secrets of his heart made manifest, would fall on his face and worship God, and report that God is among you in truth.

**QUESTION:** As you know, in the days of Jesus the Pharisees said that Christ cast out devils by Beelzebub. In other words, according to them, Christ's manifestations of the gifts of healings, were of the devil. Today again there are those who say that the gift of discernment and other gifts are of the devil. But are not these gifts scriptural? Do we not have many instances in the Scriptures in which such discerning gifts were manifested?

**PAUL CAIN:** Throughout both Testaments, there are many instances in which God revealed things to His prophets, which they could not have known in the natural. For example, when Naaman came to the man of God and was healed, he offered to bestow great gifts upon Elisha. The man of God refused, but His servant Gehazi followed after Naaman and took two talents of silver and two changes of raiment. In the natural Elisha could have known nothing of what had happened, but through the operation of this gift, he knew what his servant had done.

**QUESTION:** Are there any illustrations in the Scriptures, where the Spirit of God revealed supernaturally information concerning the sickness of some individual?

**PAUL CAIN:** Yes. You will remember the sickness of Hezekiah, when Isaiah the prophet came to him. Isaiah told him that his sickness was unto death, and that he should set his house in order, for he

### "ELMIRA HEIGHTS BLESSED OF GOD UNDER POWERFUL DeGRADO MINISTRY"

By Rev. Carl H. Leverenz, Pastor,  
Elmira Heights, New York

IT was most wonderful how God led Bro. Joseph DeGrado to our new church in Elmira Heights, and from the very opening service the glory and power of God was manifested and grew in momentum as the services progressed.

The anointed preaching of Evangelist DeGrado brought many persons to the altar seeking salvation night after night; the hearts of many Christians were stirred by the challenging messages and there were consecrations made and a deeper walk with God sought throughout this glorious revival.

In one of the services, even before Bro. DeGrado delivered his fiery heart-searching sermon, the altar was filled with people seeking divine deliverance! How the Holy Ghost moved throughout the congregation! There was no prayer for the sick that night for the Lord was definitely cleansing and healing the soul.

The outstanding feature of the meetings was the rich emphasis placed upon the Word of God. Bro. DeGrado's ministry is marked with humility before God, and has a heart-full of compassion and tenderness towards lost souls.

Almost every night in the preliminary part of the service he would call many from the audience who were strangers, telling them their ailments and as Bro. DeGrado prayed for them, God would touch them. Faith rises high as a result and many testified to healings such as tumors healed and vanished, heart trouble healed, sinus, kidney and bladder infections healed, and almost every known disease.

I shall never forget one man who hadn't walked for a year and who was a wheel-chair invalid, suddenly after prayer, walked out of his wheel chair and down the aisles of the church praising and thanking God for a great deliverance wrought in his body. This same man later drove his truck to the services night after night bringing as many as 35 new people many of which found Christ as their personal Savior, Hallelujah!

# Christ-Centered Revival

## With Joseph DeGrado

Many were gloriously filled with power from on high and as hands were laid on them they received the Holy Ghost, speaking in other tongues as the Spirit gave them utterance.

Sister DeGrado was mightily used in her beautiful anointed singing and we all looked forward to hearing their campaign song, "I WOULD NOT BE DENIED," in which Bro. DeGrado joined her.

Brother DeGrado showed a loving interest in the local church and raised money for our new building. As a result of this revival many have since extended their right-hand of fellowship and have become members of Glad-Tidings Church.

We have taken much pleasure in recommending Bro. and Sister DeGrado's ministry of healing and deliverance based on the Word of God. His sound scriptural messages build the faith of the people and having already pioneered churches himself, he understands the local church need and gives of himself. Without question, this was the greatest Salvation-Healing revival in the history of our church.

### Healed of Spinal and Intestinal Trouble

I HAVE been suffering with several things the night that I was prayed for by you in Lake Wales, Fla., including a failing eye, a severe spinal condition and intestinal trouble. Praise the Lord, I can testify today of being healed by the

great Physician. The eye has been strengthened, the spine with its naggin' pain, has been healed and the intestinal trouble gone by the mighty power of God. God be with you in your good work. Sincerely in Christ, Mrs. K. S. McGee

### Wheel Chair Deliverance

I CAN never cease thanking the Lord for the mighty deliverance that was wrought in my behalf during your revival in Elmira Heights, N. Y. I had been sick for about two years and for the last 11 months had been confined to my bed and wheelchair. I had a severe rheumatic condition called "gouty arthritis," a very

severe stomach condition causing me to be on a special diet and also suffered with a kidney condition. Satan had bound me with the cigarette habit, over which I was powerless. On the night of May 24th I came to your service in a wheel chair, an invalid and in desperate need of help from God. You called me out of the audience to the platform, "laid your hands on me and commanded me to be made whole and to arise and walk in the name of Jesus." The next thing I knew I was walking back and forth. First I was helped by you but then entirely on my own. Today I am praising God, for I know He is the same yesterday, today and forever. I now am able to eat anything, and am walking and driving my car and also praising the Lord over my deliverance from the "smoke habit." May God continue to use you to help others like myself in need.

### Perforated Ear Drum

FOR many years I had a perforated ear drum. The United States Army rejected me for service due to this condition in my body. The first night of the Salvation-Healing Revival in Lake Wales, Bro. DeGrado called me out of the audience, the Lord having revealed to him of the presence of one with this "ear condition" and

WE shall begin our tour at the reception desk of Mrs. T. Dickson (2) just as if you were here. May we introduce (3) Rev. Gordon Lindsay, one of the founders and the able Editor of The Voice of Healing. He is responsible for the selection and production of the material that goes into the magazine. The various manuscripts are then passed on to me, (4) where the amount of material needed for a given

space, in the case of evangelists' pages, is selected, marked up to fit and is sent to the type setters. After proofs have been pulled they are given to Mrs. Gordon Lindsay, (5) our present office manager, who gives them a final proof reading. Then, they are ready for my drawing board, (6). Here everything is arranged and pasted in position just as it looks in the magazine. All display type is either hand lettered or set in "Art Type." After the "stickups" are completed and checked they go to the big camera, (8) where

negatives (same size) are made. The negatives are then stripped up on the line-up table, (9), put in a vacuum frame, (10) and the image burned onto the plate.

The plate is next put through the various solutions, (11) to develop the image. Now we have a plate (12) ready for the press. (Let it be noted that we do not use cuts as so many of our contributors suppose). Our Ebco press, (13) prints eight magazine pages at a time on a 22 x 34 sheet of paper. This press is capable of about 30,000 sheets per

9-hour day. It uses about 250 lbs. of ink and some 16,000 lbs. of paper in printing a 32-page magazine. When the sheet is run back through the press and printed on the other side, we have a sixteen-page signature ready for the folding machine, (14). The two signatures when folded are then sent to the saddle stitching machine, (15) where they are gathered and stitched, then they are ready for the cutting machine, (16) where the magazine is trimmed on three sides. From this point the magazines are hauled back to the

office building which also houses the address files and addressing machine, (17). As the magazines come off the addressing machine they are placed in mail sacks and loaded in the truck for the trip to the Post Office, see (18).

Mrs. R. P. Williams, (19) does the final auditing of the books and what her records show govern the expenditure we can make on the magazine. Like any other business, we must keep within our budget.

After the magazine has reached our readers, orders for books, etc., begin pouring into the mail room, (20). Here your orders are processed and shipped promptly.

Your suggestions and criticisms are welcome.

Jesus said, "This gospel of the Kingdom must first be preached as a witness to all nations and then shall the end come." You can preach the gospel by being a booster and distributor of TVH.

## The Testimony of Ola Beggs

For nine months I had been unable to use my right arm, due to an arthritis condition.

During your campaign in Louisville, I attended the services beginning the very first night. On the third night, Thursday, I went forward and joined the prayer line. Immediately after your prayer for my healing, I was able to raise my arm high in the air, put it far behind my back, and reach around behind my neck to touch my left ear. Since that time I have had no pain whatsoever in my arm, and have needed no medicine.

I praise the Lord for healing me and for sending you to Louisville to preach the Divine Word of God.

Mrs. Ola Beggs  
Louisville, Kentucky

**O**N THIS page are pictures and testimonies of some who have received deliverance in our campaigns.

Across our United States, in Cuba, Central America, Mexico and out on our Indian Reservations we have seen them come by the hundreds and thousands to be saved and healed. They have been delivered through faith by the word of God.

From every denomination they have come. Some of every color. The white, the black, the red, the yellow and the brown. They have come with practically every kind of disease, habit and vice that the human race is afflicted with.

They came for deliverance because they heard that God had sent Jesus into the world to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, and to set at liberty them that are bruised. They heard the good news that whosoever shall call upon the name of the Lord shall be saved, and that by the stripes of Jesus they were healed. They heard and came, and because they **BELIEVED** when they came, they went away delivered. They believed that what God had promised, he was able to perform. And not one of them, who confidently unconditionally came believing the promises of God, went away without deliverance.

Yes, thousands have believed and been delivered. Why not you? In the garden, if Eve had refused to listen to the lie of Satan when he said, "if ye eat of this fruit ye shall *not* die," and had continued to believe God's word that she *would* die if she ate it, she never would have been deceived and caused to lose her heritage.

So today, why not believe God ahead of all the lies of the enemy and all the symptoms of your disease? God cannot, will not fail. Deliverance is yours. Others have been delivered. Why not you?

**I**N May, 1953, while we were holding a service in Mexicali, a boy, Pablo Martinez, came for prayer. He was born with no ear on his right side. Just a sort of nubbin with absolutely no opening of any kind. And only 10% hearing in his other ear. After prayer he could hear perfectly with both ears. July of this year Bro. E. H. Mellado of Reform 1805, Mexicali, B. C., reports that the boy is still absolutely normal and can hear perfectly without any hole whatsoever in his head.

**C**OMPLETE hearing was restored to this man who was totally deaf in one ear, because of a broken ear drum cause by a dynamite explosion. The doctor said it would be impossible for him to ever hear again. Shown with him is Bro. Jeffery and Walter Haydus, the Superintendent of the Assemblies of God in Guatemala.

# Evangelist Marc D. Conley's South Bend, Indiana Revival

By REV. WILLIAM MCCUBBINS, Pastor  
Open Bible Revival Center  
South Bend, Indiana

**WE** are truly praising the Lord for the two week's BIBLE DELIVERANCE CAMPAIGN of August 1 to August 15, that we just completed at the OPEN BIBLE TEMPLE REVIVAL CENTER.

It was by special demand of the saints of God that Evangelist Marc D. Conley returned to the Revival Center, which was born under his dynamic deliverance messages in March.

During the March campaign with Bro. Conley, 119 souls walked up the aisles seeking soul salvation, and received mighty deliverances through the precious name of our Saviour—Jesus.

Hundreds testified of miraculous healings, and many written testimonies of complete deliverances. The Holy Ghost moved on everyone in the meetings, many were filled during the mighty outpouring, as the messages were delivered in plain, forceful, faith-inspiring ministry.

Night after night we witnessed these deliverances by the supernatural power of God. Entire families were saved and filled with the Holy Ghost.

Revival fires continued to burn in the second meeting of the Conley's, as the fullness of the Spirit was manifested through the Holy Ghost, in the Spirit-filled, anointed messages. This man of God anointed from on high, preached FAITH, BELIEVING FAITH, DELIVERANCE FAITH, INSPIRATION, causing our people to believe God for their deliverances.

We felt the stirring of the fires of revival from the Head of the church, through the entire congregation. We are truly inspired to continue in this great DIVINE DELIVERANCE REVIVAL!

**PRAISE GOD AND THE LAMB FOREVER!**

## Healed of Carbuncles

I had 14 carbuncles at the time I was prayed for. Within two days they had all dried up and completely disappeared. This was a real relief to me. I want to praise the Lord for this wonderful healing.

Arthur W. Miller  
Binford, North Dakota

## Deaf Ear Unstopped

**I** HAVE been hard of hearing for 17 years. The doctors said there was nothing they could do until the last few years they have discovered an operation that has been a help to some people. This operation was performed on my right ear and since then it never ceased to run. The left ear remained deaf.

Exactly a year from the date I had this operation Evangelist Marc Conley was holding a revival at the Assembly of God Church in Carmi, Illinois. On the night of May 16, 1954, I went through the prayer line to be prayed for. The Lord miraculously opened the deaf ear and now I use it in talking over the telephone instead of the ear that was operated on. After the operation on my right ear it would drain terribly at night on my pillow. Since I was prayed for there has appeared no drainage.

All praise and glory be unto my wonderful Lord.

Helen McCord  
Carmi, Illinois

## Delivered of Callouses on Feet

**I** HAD callouses that covered the soles of my feet. They hurt so badly that I could hardly walk. After Brother Conley prayed for me these callouses disappeared and I want to praise the Lord for healing me. I was also healed of many

other ailments at that time. Thanks be to God.

Betty Szabo

## Delivered From Constant Pain

**I** WANT to thank and praise my Jesus for healing my whole body. I suffered all the time with pain in my body, and my feet would swell up and hurt so badly. After Brother Conley prayed for me Jesus healed my body and

the pain is completely gone. Praise be unto God.

## Child Healed of Eczema

**M**Y son had eczema in both ears for ten years. At times this eczema would become so severe he would scratch until boils would form and he would wake up trembling and screaming with pain. I brought him to the Marc Conley healing campaign in the Armo Theater in South Bend, Ind. Within one week after Brother Conley prayed for him the eczema was completely gone. Praise the Lord.

Also I have a baby girl 9 months old and for several days she could not eat and she cried day and night and lost 3 lbs. in three days. She fell asleep shortly after Brother Conley prayer for her. Upon awakening she immediately took her food and has been well ever since. How we thank God for His goodness and mercy.

Mrs. George Kolar

## Healed of Heart Trouble

**I**N Brother Conley's meeting in the Armo Theatre in South Bend, Indiana, the Lord saved me, filled me with the Holy Spirit and healed me of a severe heart ailment. My heart skipped beats and it would keep me awake at night. Now

I am healed and I thank the Lord for it.

## Spits Up Goiter

**F**OR many years I had a goiter in the right side of my throat. On Friday night, March 5, 1954, during the preaching I felt the goiter slip from the right side of my throat around to the middle. After the prayer of faith by Brother Conley I ran to the back of the building and spit up the goiter. Praise be to God for deliverance.

# The Erickson Campaign

Evangelist Clifton Erickson

*By Claude Weaver*  
*Chairman, Fresno Pentecostal Fellowship*

**F**RESNO, California has just witnessed a great campaign with the Clifton O. Erickson Evangelistic Party of Springfield, Missouri.

Forty-two Full Gospel churches (members of the Fresno Pentecostal Fellowship) co-operated in the services and God honored faith and prayer in a special way, as the Central San Joaquin was moved with revival. Eternity alone will reveal the wonderful results of the meetings. Hundreds of souls were born into the Kingdom; scores were baptized with the Holy Spirit; and there was not a night that God did not grant us marvelous miracles of healings. The deaf were made to hear, wheel-chair cases were made to walk, and outstanding healings of arthritis, goiter, tumor, cataracts, gall bladder and many others, too numerous to go into detail, were wrought by the power of God which was present to heal. Before the meetings were to go into history, thousands were benefited and blessed by the Lord.

The big, Gospel tent was filled to capacity night after night, starting with the first service. This was the fourth Union Campaign sponsored by the Fresno Pentecostal Fellowship, and many declare it to be the best as far as results are concerned. As the Erickson Party leave us, we pray that God will continue to use them elsewhere as He has here. We thank God for His visitation in answer to faith and prayer.

*Typical crowd of thousands that overflowed the tent and Fresno, California*

*By Lemuell Johnson, Vice Chairman, Fresno Pentecostal Fellowship*

**T**HE Erickson Campaign in Fresno was surely blessed of God. The Lord stretched out His hand to heal and deliver the people from the first night through every night to the closing service.

Some nights Bro. Erickson prayed for everybody in the audience who wanted prayer. It seemed that the Lord would lead for no sermon but to pray for all who desired it whether they had a card or not.

*Partial view of overflow crowd encircling tent*

crowded tent in recent Des Moines, Iowa, California campaigns

I suppose eternity alone can tell of all the miracles of deliverances wrought physically and spiritually.

It has been said that the average person speaks about 30,000 words a day, but I doubt if even that many could tell of the good accomplished during the three weeks' campaign.

One lady who had been in a wheel chair for more than two years was healed before Bro. Erickson got to her to lay his

hands on her and was up walking around, and she told me she was so happy now that she didn't have to use that old wheel chair any more.

Several of the people came to me and expressed their appreciation for the testimony meetings that Bro. Erickson would have occasionally, saying that it gave the people who had been delivered a chance to tell others what God had done. One lady testified that she wasn't able to eat even cereal without it hurting her, but after Bro. Erickson prayed for her she ate bacon and eggs next morning and was mowing her lawn and doing all her own housework as well.

Thank the Lord for this great meeting and may the Lord bless the Erickson party as they go from place to place working for God.

**I** HAVE been a victim of incurable arthritis for 3½ years. The past year and a half I have been totally helpless and confined to a wheel chair. I have been gradually becoming worse until I weighed only 74 pounds. Many blood transfusions have been given me to keep me alive.

In August 1954 I heard of the Clifton Erickson Healing Revival in Fresno, California, and my husband took me there. The second night I attended Bro. Erickson prayed for me and a mighty miracle took place. I immediately arose from my wheel chair, and walked to the platform healed by God's power. The next Sunday I went with my husband to our local Assembly of God Church. As I walked in the people all stood to their feet and praised God. Since my healing I am able to do my housework, write letters, etc., which I could not do before because of my crippled condition. Praise God for healing me.

I AM so glad for what Jesus has done for me. I had a limb that was numb for the past two years. It has been getting worse all of the time. Now, praise the Lord, it has all disappeared.

My tonsils swelled up, and they got in such bad condition that they burst in my mouth. I came here one night, and Brother Nunn prayed for me, and Hallelujah, the Lord delivered me.— H. R. Scott.

I have had a stiff knee for three or four years. I couldn't get down to pray. After Brother Nunn prayed for me, I went home and got down on my knees, and I have been able to do it ever since.

This is the first time I have normally breathed, without gasping for breath in years. So, I am praising the Lord and giving Him all the glory for His wonderful healing. I want to be found always trusting in His grace.

For 23 years I have been deaf. It was caused from a blast from a gun. You prayed for me and now I can hear perfectly.

heart ailment. The doctor said it was arthritic heart. At times I was unable to move for such pain through my heart. You prayed for me and God healed me through His mighty power.

For thirty years I had an outside, very large Goiter on my neck. You prayed for me in February, 1952, in Oxnard, California, and God healed me.

A black and white portrait of a young man with dark hair, wearing a light-colored suit jacket and a dark bow tie. He is smiling slightly and looking towards the camera.

I AM so happy over my healing. I had acute iritis and always before I had to spend weeks at a time in the Veterans' Hospital in Amarillo. The doctors told me if the infection came back to get back to Amarillo as soon as possible, for if the pupil closed I would lose my eyesight. When Bro. Nunn prayed for me my eye was at its worst. The pupil was closed and the sight was already gone. I couldn't even see a shadow or a movement. The eye had turned bloodred. After Bro. Nunn prayed my sight returned and the pain is all gone. I am so happy. I catch myself every once in a while covering up my other eye and praise God I can still see.

vious to the service when I received my healing my appendix became sore and I realized my healing must come for another attack was evident. But praise God, he reached down through his servant Brother Nunn and I was healed. God spoke to Brother Nunn and directed a prayer from the pulpit; every person in the church who wanted healing could stand and repeat the prayer of faith. I did as I was directed, accepted God's word, believed and I was healed. Praise God the soreness left my body and I was made every with whole by Jesus Christ.

# GRI REW

**E**VANGELIST David Nunn has completed half weeks in the Revival Center at Yaquina Pass, Oregon, and they were three and one-half weeks of edification. First, let us say a word concerning the rounded out ministry mingling salvation, healing, and prayer throughout the services. His ministry of prayer is not only directed to the unsaved nor also to the saved believers. His patience in dealing with the afflicted is amazing. In some stubborn cases when the afflicted would not come to the Name of Jesus, Brother Nunn would pray for them more than they praying earnestly and effectively.

One outstanding feature of the service as people laid hands on their own bodies that followed such services were wonderful to be built up and to know that they can

The altar calls for the unsaved and Brother Nunn never left folks in doubt as to why they were coming forward. The story of accepting the Lord that very day so new got into the prayer room they knew what the real conversions took place amid tears of joy. A number were filled with the Holy Spirit and several were baptized in water at the local church of Bible Revival—and the end is not yet.

One of the most wonderful healings of Roseburg, Oregon, who had had the retina out from a planer. He had a \$1500 operation all over, he could not see a thing with him. He prayed for with the result that he could not get back into the congregation and looked up to the Tabernacle roof. Within a few days his vision has proved a real blessing and will continue to be.

And so the story of blessing, salvation, more and more of what the Lord has accomplished for us. Cancers, tumors, internal troubles, blindness to the conquering Name of Jesus, and the Lord's great provision for body, soul and spirit.

**W**E had a revival meeting recently with Evangelist Leon Morrow, and God mightily blessed in every service. Every message was inspiring and faith building. Truly Brother Morrow has the message of deliverance. People came with sickness, infirmities and habits and were marvelously delivered. They testified of being healed of gall-bladder trouble, arthritis, asthma and many other conditions that had bothered them for years. Also

and now I can smell food cooking which I had never smelled before.

Also I had sick headaches caused by sinus trouble since I was just a child but God healed me when you layed your hands on me and prayed for me on September 17, 1951. I give God all the glory because He is our Great Healer. Since that time I have never had a sick headache again.

#### Deaf Fifty-five Years — Healed

I would like to give a public testimony to you and God for giving me back my hearing. I had been deaf in my left ear for fifty-five years. One night while you were conducting your Healing Campaign in Elmira, I went in the Healing Line and after you prayed for me, my hearing was restored. I could hear you speak to me

there was deliverance from the tobacco habit as Brother Morrow laid hands on them. They still testify of the deliverance received, and wrought by the mighty power of God. There were people at the Altar almost every night seeking God for salvation. Several received the Baptism of the Holy Ghost and a great number were healed. I can truthfully say this was the greatest meeting I have seen in Flagstaff during my ministry here, and I highly recommend Brother Morrow to any Pastor or Congregation that wants a man of Faith.

### STATEMENT OF EVANGELIST DAVID NUNN

**R**EV. LEON MORROW has assisted me in revival for the past two years as my Bible man. His powerful faith-building messages have been of inestimable value in our meetings. His consecration, life of prayer and study has inspired men everywhere we have gone. He has personally prayed for the sick and seen mighty visible miracles by the power of God. Hundreds have been personally dealt with and prayed for to receive the Holy Ghost and have received under his ministry. His ministry is well rounded and God has seen fit to use him mightily in many of the gifts of the Spirit. He is leaving our party this year buying a large 60 x 150 tent and will be open for calls after December. I fully endorse his ministry and recommend him as a mighty man of faith and power, whose Bible centered messages have brought healing and deliverances and blessings to thousands of souls in our great meetings over the nation.

Sincerely,  
David Nunn

#### Blind from Childhood — Healed

From a child up, I had had very little sight in my right eye and what I did have was clouded and bleared. The eye had been thoroughly examined by Dr. Bert G. Voorhees of Elmira, N. Y. and he officially announced that the eye had never fully developed. Consequently, after thirty (30)

## San Fernando Valley April 14-May 9

ONE of the greatest old-fashioned, Holy Ghost Revivals ever to come to Southern California was centered in the San Fernando Valley, this spring. Some 25 Full Gospel churches cooperated. Night after night the huge tent was filled. Scores of folks responded nightly to the call to salvation, followed by as many as two to three hundred people coming in a prayer line for healing and deliverance. Many wonderful healings were witnessed. On one Saturday night, between 800 and 1000 people formed a line for receiving the

Church, Van Nuys, Calif.

Holy Ghost a line which extended half way around the large tent. Many of these received the Baptism with the Spirit even while standing in line, and many, many more as hands were laid upon them in faith, as in Acts 8th and 19th chapters.

The A. A. Allen San Fernando Valley campaign stirred anew the revival fires in the Full Gospel churches, and left a lasting and mighty impact upon the entire Valley area, as they saw blind eyes opened, deaf ears unstopped, the lame made to walk, crutches discarded, goiters melt away, cots emptied, demons cast out, the joy of the Lord restored as people by the scores worshiped God with complete freedom for the first time in years.

What a wonderful sight to see people of all faiths — Methodist, Baptist, Presbyterian, Catholic, and others all weeping together, shouting together, praising God together, and worshiping and praying in one accord!

Allen Revival?

God's Revival!

Bible days are here again!

## El Monte, July 16-Aug. 15

HOW happy we are to be able to give this testimony in regards to Brother A. A. Allen's great Tent Revival in El Monte, and the wonderful things it has done for our church during the campaign, and even more so after the meeting closed. *The revival fires are still burning.* So many of our members that had been tarrying for the Holy Ghost were filled during the meeting.

We've had a great increase in our attendance, to such an extent that we are going to have to build a new church. The people have such a vision now that they spontaneously started a building fund and raised \$650.00 in pledges the first Sunday after the meeting. It's almost unbelievable how the Lord has met the need in finances. My people gave and did their part in supporting the revival meeting,

but God certainly met every need in our church during the meeting. Since then we've had a great increase in tithes and offerings.

I think Brother A. A. Allen's meeting in El Monte is one of the greatest meetings to ever come to California. After working with him as a co-operating pastor, I believe he's one of the greatest preachers I've ever worked with. I urge every pastor, whenever the opportunity comes, to cooperate in an Allen Tent Revival.

### Bellflower May 14-June 6

"ASK ye of the Lord rain in the time of the latter rain; so the Lord shall make bright clouds, and give them showers of rain, to every one grass in the field."

The A. A. Allen Revival was indeed a time of showers of blessings in Bellflower. The tent was the largest gospel tent ever erected in the Bellflower area, and our hearts were made to rejoice as the crowds gathered nightly to fill every seat. The presence of God was gloriously manifested in every service, and numbers were saved and healed by the mighty power of God. The denominational church people of

THE southwest area of Los Angeles has just recently enjoyed the greatest revival in twenty years. It came with the A. A. Allen party, as the great tent went up at Western and Manchester Avenues. Night after night, as Brother Allen preached the old time Gospel without fear or favor, scores of men and women from every walk of life rushed to the large prayer tent to seek God. The after meetings ran into the early morning hours

this area were greatly stirred and many of them turned to the Full Gospel with real faith.

The Full Gospel Tabernacle, as a local church, was greatly blessed spiritually, and in numbers. We praise God for the anointed ministry of Brother Allen; a fearless man with a dynamic message. His stand for holiness has been a great inspiration to this entire community, and has brought a very definite awakening in our church. Rev. R. W. Culpepper and I unite in thanking God for what the A. A. Allen Revival has meant to our church. We consider it the beginning of greater things for God.

Rev. Clifford Andrews.

many nights as the folks prayed through to real salvation from sin.

Nearly half of the capacity crowds were from denominational churches. They stood around the altars and in the prayer tent until their curiosity grew into deep conviction. Brother Allen's powerful and yet sympathetic preaching brought them back service after service. The beautiful simplicity and deep spirituality of the entire Allen party has made a lasting impression on all of us who were close to them.

Since the tent has been moved the revival continues on in the local churches. At Faith Tabernacle, Normandie at Ninety-Second Street, each service has been graced with a good number of new friends made during the tent meeting. The church members, too, along with their pastor, have been lifted to new heights in the Lord. We all look forward to the time when we can again have A. A. Allen as our guest evangelist.

## Testimony of Healing

IT was during the DeGrado Salvation-Healing Revival I attended in Lake Wales, Florida, that God so marvelously came on the scene and worked a miracle in my body. I came to the service that night with a tube which had been

inserted there by the doctor following a liver operation several weeks before. The doctor had said that I must wear this drainage tube for a period of six months, also informing me that the operation may not have been successful and that another operation might be necessary. The condition of the liver was very grave and the drainage continuous. However, after being prayed for in your campaign the drainage ceased. I returned to the doctor who took X-rays of my liver and found that the trouble had completely cleared up and I no longer would need an operation. The tube was removed two days after prayer was made for my condition, and I am praising and thanking God for this truly has been a miracle in my body. May God bless you and help you to help others such as I, throughout the land is my prayer.

## Eyes Healed — Headaches Gone

I HAVE never been without a headache and intense pain in my eyes since an operation in 1946. I could not stand bright overhead lights or sunshine without dark glasses. My reading glasses even had to be tinted.

I had never been to a healing service until Sunday, April 4, 1954. I attended the Marc Conley meeting at the American Legion Hall in Robinson, Illinois. The third night I was prayed for

by Brother Conley and was amazed to find myself free from headache. Then the pain in my eyes lessened to the extent that now on April 15 I have no headaches, no pain in my eyes and have no need for glasses even in bright sunlight.

My thanks to God for this wonderful work.

years, I became almost completely blind in that eye, but Bless the Lord, while you were conducting your Salvation-Healing Campaign in Elmira, N. Y., one night you prayed a mass prayer for the blind people in the audience and told the people to place their hands over their eyes if they were blind while you prayed — praise the Good Lord — this I did and instantly my sight was restored.

## Right Ear Drum Created

I have had two mastoid operations on my right ear. For eight years I have not had a right ear drum. Behind my ear on the right side of my head there is a steel plate in place of the bone. This plate is about the size of a quarter.

During your Salvation-Healing Campaign in Oxnard, California, you prayed for me and God instantly healed me. Now I can hear a watch ticking and people whispering with my right ear.

## Revival CAMPAIGN

### THE REX R. KELLEY CAMPAIGN IN COLUMBUS, GEORGIA

By Rev. Lola Johnston, Co-Pastor

**G**REAT was our joy when Rev. Rex R. Kelley of Tiffin, Ohio, consented to come to a church with as small a membership as ours, especially after being told the finances would probably be small. I thank God for a man who doesn't let finance keep him from doing the will of God. We feel that it was ordained of God that he should come to us for before he arrived our faith reached such a low ebb that we trusted the Doctors with our bodies more than we did God. Needless to say that after seeing the wonderful miracles and healings of the past three weeks that our faith has reached the mountain tops. Our joy was great when we saw numbers of souls saved and fill with the Holy Ghost.

There is not space to relate in detail the wonderful works of the Lord, but briefly, two ladies were healed of arthritis and were able to bend stiff joints and were free of pain. Brother Kelly instilled such faith in the hearts of the people that seldom was it necessary for him to pray—they just came and received their healing. A man who had strained his back on the job was instantly healed. Another man was healed of an ulcerated stomach and baptized in the Holy Ghost. A baby born with an enlarged heart and partial cleft pallet and unable to use his legs, had pneumonia when Brother Kelley arrived. After prayer his fever left, there was a marked difference in the cleft pallet and upon examination by his doctor it was found that his heart condition was greatly improved to the astonishment of the doctor. A three year old boy who was delirious was brought to Brother Kelley and after prayer an abscess burst in his head and ran out of his ears and nose. A man who had been deaf in one ear for three years was healed instantly.

There were other healings which space will not permit including my own.

We could never express our appreciation to God and this man of God whose ministry extoles God and emphasizes Jesus and the Holy Ghost instead of man. You can count it a privilege if you can get this man to your church for a campaign.

### TESTIMONIES FROM BROTHER KELLEY'S KANSAS CITY REVIVAL

#### Healed of Sores

While you were in Revival Center holding a revival I came for you to pray for me. I had runny sores all over my hands and my body. I could not do my work because they would break open and bleed and cause me much pain. After the night that you prayed for me I was completely healed of this condition on my back first, and then my hands. Now my hands are completely healed and they look almost normal. I just want to praise and thank God for what he has done for me.

Juan R. Vega  
Kansas City, Mo.

#### Spits Up Cancer

I came to Revival Center during the second week of your meeting with Sis. Mary Trinqual. I had been to three doctors and they told me that I had a cancer in my mouth. They also said that the only thing they could do would be to cut the cancer out. I told them that I did not feel that I wanted that done as I felt that God would undertake for me and help me.

When I came into the services that night, I went into the prayer line and when you prayed for me I immediately left the prayer line and went into the rest room and spit out the cancer. I can say that my mouth has been healing ever since and I feel God has delivered me completely.

Tent location on beautiful capitol grounds in Des Moines

## Des Moines, Iowa has Visitation of God's Power

By Rev. Frank W. Smith, Pastor  
First Church of the Open Bible  
Des Moines, Iowa

Des Moines has had a visitation from God with the Clifton Erickson Party. Twenty nine consecutive days of Revival—without an “off-night”—has made history on the Iowa State Capitol Grounds.

The great tent cathedral of the Clifton Erickson Healing Campaign was filled nightly as thousands of people from Des Moines, and all parts of the state came to witness and experience the mighty power of God in miracles and signs, and wonders.

From the opening night, Evangelist Clifton Erickson was in complete command of the situation. The sick were healed, the lame walked, and the deaf heard as he commanded unclean spirits to go in the name of the Lord Jesus Christ. It was a common sight to see persons who had been healed on previous nights bringing their braces to the service to prove the mighty power of God.

Scores were saved as Brother Erickson nightly gave the invitation for souls to come to Christ. Many for the first time realized the difference between denominational religion and Christianity.

Another Pentecost was experienced in the great revival Prayer tent. Scores received the baptism of the Holy Spirit. Late-comers could scarcely get in the tent, the floor was covered with seekers as dead men slain in battle. So many were being filled and refilled that it was impossible to count numbers.

Many are the testimonies of deliverance, of salvation, and of increased spiritual power. Des Moines shall ever be thankful to Rev. Clifton Erickson, Broth-

er Warner, his campaign manager, and the splendid staff of workers who came to the city “at such a time as this.”

### Child Healed of Heart Trouble

Our daughter, Denise LaRae Scherod has had a critical heart murmur. This condition was found by the doctors when she was only 6 weeks old. In the space of 9 months' time, she was hospitalized 6 times. She has had pneumonia 4 times and has been unable to walk because of her weakened condition. At one time her left lung collapsed and her heart completely filled her chest. Her heart failed and the doctors gave no hope. Her last trip to the hospital was on March 15, 1954, at which time the doctors diagnosed her case as that of having a chronic heart murmur which she would not be able to outgrow.

Wednesday night, July 21, 1954, Bro. Erickson prayed for her. There was an immediate improvement in her heart beat. Her heart stopped palpitating and began beating normally and has ever since. Sunday morning, July 25, 1954, we took her back to the clinic. She was examined by several doctors, all of which could not hear the murmur. The doctors all pronounced her as having a perfect heart beat, normal in every way. She is now walking, growing and gaining strength and we are praising God.

### Child Healed of Serious Blood Condition

On August 23, 1954, we brought our granddaughter, Carol Martin, age six

years, into the healing line in Fresno. She had a severe blood condition which caused her blood to clot from the slightest bruise or bump. Doctors had warned that a bump on the head could easily be fatal before we could get her to the hospital. She was on a very strict diet and would only eat sparingly... When Brother Erickson prayed for her she was instantly healed. When she came down from the platform, she said that she felt a warm hand placed on her stomach, and when she looked to see who had done it, there was *no one* close by. She is perfectly healed and has a good appetite; eats three times a day, and between meals.

### Was Blind 16 Years

By Norman L. Gardner

CLIFFORD HALL, Rockport, California, was blind in his left eye since 1938. Mr. Hall's eye was blinded by shattered glass in an automobile accident. When Brother Erickson prayed for him, he was instantly healed and could count fingers at the far end of the platform.

### Goiter Vanishes

I ENTERED the Fresno healing line August 21, 1954, with a goiter about the size of an egg. The goiter left instantly, and no trace of it could be found. My nervous condition, also left me immediately and my hearing was healed. I thank and praise the Lord for his healing power.

Gertie Inabnit  
Lemoore, Calif.

"Yes, if you wish," said Korean President.

We stood up and I praised God for President Rhee's great Christian testimony and asked the Lord to give him wisdom to deal with the Red menace and to work out His will about the present distress over the truce. I opened my eyes to see President Rhee wiping the tears from his eyes with his handkerchief. He had been silently praying as I prayed audibly. We shook hands and I departed.

I had no way of getting back to my billet. So I became the first Presidential visitor to start walking down the long garden road out of the grounds. But I hadn't gone fifty yards when the President's car caught up with me and I was taken to my press billet in style.

The very next day I was called by the the President's secretary to return to the mansion. She had drafted out, on the orders of the President, a National Call to Prayer to go into every paper, over every radio station in Korea.

To this day I don't know why I was so stupid. The President had decided to call a *week of prayer* instead of a day and it was to begin on July 4. I was asked to re-draft the proclamation as I thought best. It was a high honor. I altered the wording of the secretary from a *week* to a *day*. The day of the 4th would coincide with the day President Eisenhower had suggested and set. Apparently, I thought a week would be too long!

What a testimony to Korea this was! The President had asked all people, Christian and non-Christian, to get together and ask Almighty God to deal with the Communists in the grave hour of crisis. It was a simple proclamation of about one hundred words. But it was a very strong call to prayer. This old man of God knows his faith and practices it.

I asked the secretary if she would give me a copy of the proclamation as she had just rewritten it. I got the first copy before she had submitted it again to the President. In my haste, I had it on the I.N.S., A.P., and U.P. overseas cables in a few minutes. I also sent it to local radio stations. They contacted the official Korean Government Information Department. The President, on learning of the significant change in time of the proclamation, was upset and wanted more information about Eisenhower's request for prayer. I felt myself in a sort of jam. An excited secretary asked me if the news of the call to prayer had been cabled overseas. I said that it had. It was too late to alter it and change it back to a week of prayer as the President had wanted. I felt like kicking myself for my stupidity.

But, officially, the President released the proclamation as given and all Korea was called to prayer. This wise act of the President drew a letter of commendation from General Mark Clark, the U.N. Commander. He said it showed a fine spirit of

cooperation and a realization of the basis of the fight against the Reds. I wondered if anyone else had ever written a national call to prayer for the President of a nation? But I can't understand yet why I altered the proclamation.

Truly, my visit with President Syngman Rhee was an event and honor that I shall treasure all the days of my life. He is a devout Christian, practices his faith every day, and lives by the Bible. His education in the United States provided him with a discernment in his position that could have been attained in no other way. His recent visit to America and his warnings about the plan and menace of Communism are of great importance to all who love freedom and especially to those who call themselves Christians. He sees the need of stopping the rapid spread of Communism. His country is an example of its ravages and results. There has been a cessation in the fighting but there is distrust and fear in the minds of the people. They see no peace until Communism has been defeated on the fields of battle. It has not been defeated at the peace conferences nor in the field of diplomacy. How else shall it be defeated? Christianity has the answer as it changes the hearts of people. Rhee knows that. I know it as I have seen the results in Korea.

#### *The Day the A-Bomb Falls*

(Continued from page 5)

### **God Has An A-Bomb Shelter**

God has provided a resource for us in this day. It is time we laid hold upon it. Our A-bomb shelter is the 91st Psalm. Here is the promise to him who dwells in "the secret place of the Most High."

"Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day. Nor for the pestilence that walketh in darkness (*Bacteriological warfare*), nor the destruction that wasteth at noonday. (*Atomic attack*). A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee."

Here is the true shelter from the horrors of atomic warfare. Judgment is coming. We will see it with our eyes. But God promises that it will not come nigh us. Ten thousand shall fall at our right hand, but we will be spared. God knows those that are His. That is the promise—if we claim it.

Baruch was a companion to the Prophet Jeremiah. He suffered great hardships, for the cause of God. Many were the trials he was forced to undergo. The time came at last, when he thought he should pay more special attention to his own interests. God sent him a special message by the mouth of Jeremiah:

"And seekest thou great things for thyself: Seek them not; for behold I will bring evil upon all flesh, saith the Lord; but thy life will I give unto thee for a prey in all places whither thou goest."—Jer. 45:5.

These words to Baruch were not unkind words. No indeed! Behind them was the tender compassion of Jehovah. Judgment was heavy upon Judah. The day of probation for that generation had ended and the sword of the Lord hung over the land. In the same context Jer. 47:6-7 The prophet cries out:

"O, thou sword of the Lord, how long wilt it be ere thou be quiet? Put up thyself into thy scabbard, rest and be still. How can it be quiet, seeing the Lord hath given it a charge against Ashkelon and against the sea shore? There hath he appointed it."

Yes, judgment was upon the land. People were going into captivity. The sword of the Lord reached into the land of the Philistines and the city of Ashkelon. There was no stopping it until the charge of the Lord had been completed.

Think of it friend. Life day by day seems to go on much the same. But no. Much sooner than we think the floodgates of judgment shall open and the floods shall sweep over the earth. But for the righteous there will be that glorious moment when the trumpet sounds and Jesus will appear:

"For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with Him. For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep. For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord."—I Thes. 4:14-17

Yes, friend we all must stand before the judgment bar of God and give an account of the deeds done in the flesh. These are days when we should be preparing for the Kingdom, the Bridegroom is at hand! We must set our house in order. We must do our part in winning lost humanity to Christ. The hour of opportunity lingers yet a little while. Let us labor while we may, for soon the darkness "cometh and then no man can work."

The hour is coming when the A-bombs will fall. There is coming a moment when "the cities of the nations" shall fall. The great sky-scrapers, the great edifices will fall. Proud nations that have rejected God will like Babylon of old, fall to rise no more. Men shall hide themselves in the holes and the rocks, and shall cry for the mountains to fall upon them and hide them from the wrath of God. These are the facts. What are you going to do about it? Your decision now, will mould your eternal destiny.

"... He shall have whatsoever he saith."—Mark 11:23

## JESUS IS THE SAME TODAY

**S**OME SAY, "I HAVE BEEN TOLD THAT HEALING WAS DONE ONLY THROUGH THE APOSTLES."

GOD SAYS, "JESUS CHRIST THE SAME YESTERDAY, TODAY AND FOREVER." Jesus said for the apostles to teach every nation to observe ALL things He commanded them (Matt. 28:19). He commanded them to heal the sick by His power (Luke 9:2).

The seventy were sent to heal the sick (Luke 10).

Jesus said that the signs would follow them that believe (Mark 16). His truth endures to all generations (Ps. 100:5). The man who wrote James 5:14 was not an apostle; neither were Philip, Stephen, Ananias, and others God used in healing the sick (Acts, chs. 7, 8, and 9).

God is the God of the living and not the God of the dead (Matt. 22:32). The apostles are dead and decomposed; we

are alive. This is our day!

**SOME SAY THAT HEALING WAS FOR THE EARLY CHURCH ONLY.**

GOD SAYS THAT IN HIM THERE IS NO VARIABleness, NEITHER SHADOW OF TURNING (Jas. 1:17). He has no respect to persons (Act 10:34).

If God trusted the early church with the supernatural and then robbed us of divine deliverance, then Jesus would have two bodies instead of one (I Cor. 12). We are commanded to earnestly contend for the faith once delivered to the saints (Jude 3). We are men of like passion (Jas. 5:17). The Word of God says these things will come to pass in the last days before the sun is turned into darkness (Acts 2:15-20). He is pouring out His Spirit on ALL FLESH in the better dispensation (Heb. 8:6). He has reserved better things for us (Heb. 11:40). We are promised "latter rain days," "double portion days," and "best wine days."

Every time a church partakes of the fruit of the vine in the Communion service, they are commemorating the shed blood of Christ for the forgiveness of our sins. When they eat the bread, they are commemorating the broken body of our Lord, which brings healing (Isa. 53:5; Matt. 8:16-17; I Pet. 2:24; Luke 22: 19-20).

## DONALD GEE Column

(DONALD GEE is Editor of a quarterly magazine PENTECOST which gives a review of world-wide missionary and revival news. Subscription rate \$1.00 for two years. Send orders to PENTECOST, Victory Press, Clapham Crescent, London, S. W. 4, England.)

Zerubbabel was trying to erect. It is hard for us to really believe that the kingdom of God it is "Not by might (i.e. army), nor by power, but by My Spirit saith the Lord of hosts." The challenge of Pentecost is now new.

But the strange perversion of which we become guilty is that when we finally despair of achieving the big things we secretly admire, we begin to wrongfully magnify little things because they (and we) are little. It can be seen again and again in the Lord's work. We have, for instance, placed all our interest in some little cause that has never grown and quite plainly is never likely to grow; and so we begin to criticize big churches, and declare that they "lack warmth," or "sacrifice truth for popularity," or are not "confining to the scriptural pattern," etc. Sometimes we get get proud of our little denomination and its exclusiveness, and boast of its purity of doctrine and faithfulness to some "testimony" and suggest that other Christians are rather weak milk but we are the cream! If it is a question of our own limited ministry we constantly criticise the "big guns," as we call them, and say they are in it for money, or fame, and would never have become so successful if they had been

loyal to the truth: and so on. It is easy to boast in smallness and not recognize that it is because the smallness is in ourselves. And so our favorite sermons are about God using little things like Moses' rod, or David's sling, or reducing Gideon's army to 300. In the New Testament we continually quote passages like 1. Cor. 1/26-28 that "God has chosen the foolish things of the world to confound the wise," etc.

The trouble with all this unrecognized pride is that we mistake the means for the end, and make smallness a virtue for its own sake. We invest the little with mistaken glory because it is little, and magnify the weak just because it is weak. We place a misguided premium upon the foolish and the base as though they were God's aim and object. We fail, and then represent failure as God's will. This is a common psychological escape from reality, but the word of God will lay bare the spiritual deception of which we have become victims.

For the Bible shows us that although God uses little things, and unlearned and ignorant men, He uses them for big purposes and world-changing results. The ultimate sphere is not small but very great. There were plenty of small things in the the early life of Moses—the ark of bulrushes, the baby's cry, the burning bush, and so on: but they issued in one of the greatest men in history who led millions out of bondage into freedom. Gideon's army was reduced to three hundred, but it achieved victory over a host "like grasshoppers for multitude." David's sling and stone not only slew a

## SMALL THINGS

"Who hath despised the day of small things?" The answer, of course, is that most of us generally do. We admire the big, the impressive and the prosperous. Zechariah (chap. 4) and Haggai were the Lord's messengers with the Lord's message to inspire the Jews who were rebuilding the temple in Jerusalem after the return from captivity; but the former glory of Solomon's great temple was still within living memory, and sentimentalism and pride despised the foundations of the less pretentious house of God that

(Continued from page 8)

would die. But as Isaiah turned his face to the wall and cried to the Lord, God heard his cry, and sent Isaiah again to the King, to tell him that he had heard his prayer and would add fifteen years to his life. Very evidently Isaiah's gift was similar to that which we see in operation in these healing meetings.

**QUESTION:** In this instance of Hezekiah's healing, do you regard Hezekiah's earnestness in seeking God, of significance in relation to his healing? In other words, if Hezekiah had not got in earnest as he did, would he have received healing?

**PAUL CAIN:** Men through faith have been able to change the course of nature. God regarded the faith of the harlot Rahab who with others in Jericho, had been condemned to perish. Men of faith have received deliverance from God contradictory to the laws of nature. God has such a regard for faith that He will permit it even to change the course of time. All we need is faith as of a grain of mustard seed.

**QUESTION:** Are there any particular instances which have come to your mind, at this time in which this gift functioned in your ministry to the salvation or healing of some individual, which you might relate to us?

**PAUL CAIN:** A lady attended one of our West Coast campaigns recently, whom doctors and specialists had given up to die. They had examined her and found six large malignant growths of cancer in different parts of her body. This lady attended my meeting one night. She came before me in the healing line a total stranger. God revealed to me her condition, and the location of six different cancers. The lady was astounded and filled with faith to learn that God knew the number of cancers in her body, just the same as the physicians. As a result she turned her faith to God and was instantly healed. She didn't die, but the cancers did. God's gift once and again brought healing and deliverance. Discernment didn't heal her, but faith brought about by the discernment of this gift, did bring her healing.

**QUESTION:** How does this gift operate when an individual comes forward in the prayer lines, who knowingly has unrepented sin in his life?

**PAUL CAIN:** We encourage all persons who come forward in the prayer lines to surrender their lives to God, to confess their sins and get them under the blood of Jesus. God has forgotten all sins He has forgiven and has cast them into His sea of forgetfulness. Who am I to remember them, if God doesn't? There have been instances, however, where people have been rebellious, and they have had sins standing in the way of success with God. They have attempted to cover their sins, through shouting and praying and good works. Such people must repent of their sins if they are to get deliverance from God. There are times when the Spirit of God makes this plain to people through this gift.

**QUESTION:** Brother Cain, we understand that recently, God gave you an unusual vision of events of things shortly to take place in the earth. I wonder if you could tell us something of what you saw in that vision?

**PAUL CAIN:** Words can never express the greatness of the catastrophic events which are soon to take place in the earth, as God showed me in the vision. Of the great earthquakes, of the angry earth opening up and swallowing millions of people; of the elements melting, according to the Scriptures, with a fervent heat; of people in panic all over the world; of great volcanic eruptions, in different parts of the earth; of gigantic tidal waves sweeping large coastal cities off the map; of fire falling from heaven. These great disasters which God showed me in this realistic vision have troubled me night and day. Over and over God has spoken to me the words to "write the vision and make it plain, upon the tables that he may run that readeth it." We are attempting to capture the spirit of this vision by putting it on film. When it is finished in the next few weeks we expect to show it in our campaigns over the country.

#### DONALD GEE COLUMN

(Continued from page 26)

giant but turned the whole tide of battle—and we never read that after that he equipped his victorious armies with nothing but slings! In the epistle that tells about God choosing "the foolish things of the world" it immediately states the purpose—to "confound the wise," to "bring to nought the things that are." The divine object is success, not failure, but success achieved in such ways that "no flesh should glory in His Presence." "The thrilling sweep of the epistle embraces "things present and things to come," and Paul's inspired intellectual and spiritual understanding reaches the ineffably sublime in the revelation that ultimately "God may be all in all." The whole vision is immense.

It is true that we are at grips with the danger of carnal idolatry of mere bigness for its own sake. We see this spiritually degrading tendency in many places. There is worship of the big meeting, the big preacher, the big organization, and of things which we boast are the "biggest in the world" or the "largest in history." This may happen so to be, but it does not alter the Pentecostal truth that the Holy Spirit is not necessarily in sheer bulk. God still dwells with the contrite and humble, and safeguards His glory by using things we despise, and working in ways and places we look not for.

We need to beware that in flying from the folly of the worship of the big merely because it is big, we do not become equally in error by worshipping the small just because it is small. There is no intrinsic value in being either big or small; it is all in the glory of God. If the big obscures His glory then it has deeply failed. If the small hinders His glory by

imprisonment within lack of vision then it also has failed. To be baptized in the Holy Ghost ought to mean an escape from all that is straitened in ourselves into the fullness of God.

#### GRANT'S FAITH CLINIC

(Continued from page 26)

Any Bible scholar knows that Bible history shows that God has healed in every century since Pentecost. (See my book "Divine Healing Answers," Vol. II, pps. 99 and 100.) Martin Luther, John Wesley, and many others prayed for the sick.

We have notary public statements, signed affidavits, and doctor's certificates to prove that God is healing the sick today. We have millions of living testimonies today to prove that Jesus is the same yesterday, today, and forever.

**SOME SAY, "THE DAY OF MIRACLES IS PAST."**

**GOD SAYS THAT HE DOES NOT CHANGE** (Mal. 3:6). Nothing is too hard for God (Gen. 18:14).

There is no day called the 'day of miracles'; God has worked miracles in every century since Adam. He worked miracles for Moses, Abraham, Job, Gideon, Daniel, Jeremiah, Isaiah, Samson, David, Hezekiah, Elijah, Elisha, Jesus, the Apostles, the seventy, the early church, and for all believers since. Each man had to prove to his generation that God was the God of the living.

We can prove that salvation has past away as easily as we can prove that healing has past (Isa. 53:5). The greatest miracle is the new birth. A miracle is a supernatural occurrence, wonder, or marvel. According to Bible history, God has worked miracles in every century since Pentecost, and will still be performing miracles during the tribulation days (Rev. 11:6).

## JAVA HARVEST

Written by Mrs. T. L. Osborn

As I sit on the platform from night to night during the first part of the service, and see the multitude of golden brown hands raised toward heaven waving, as the precious Indonesians sing praises to the Lord Whom they have so recently learned about, my heart swells until it feels it will burst.

The sun is setting each evening during the singing and the reflection of the setting sun on their hands makes them look like an over-ripened field of golden grain at harvest time. And only God knows how literally true this is. The field here is white and ready to harvest. And not only here in Indonesia; this is only one part of the ripened harvest; *all* fields are just as ripe!

The dark skins of the Ambonese, the brown of the Javanese, the yellow of the Chinese, and the white of the Europeans, all blend together in this human-field of ripened grain, making a beautiful sight as their faces are upturned with hearts hungry, and eyes eager, earnestly receiving every Word.

What a challenge and what a privilege our Lord gave us when He said, "Go ye into all the world and preach the Gospel to every creature"; especially when He followed by saying, "These signs shall follow them that believe!"

### Religious Liberty Conditional

The religious liberty of Indonesia is conditional. You may preach in the open air, provided you do not directly or indirectly attack any other person, organization or religion. *Isn't this a wonderful restriction? Wouldn't it be good if all preachers were thus restricted?* We can only preach **CHRIST** in His fullness, and as a result, we have certainly seen His Power in demonstration in Its fullness.

### Christ, The Miracle Worker

In the Djakarta campaign, hardly a night passed but what one or more per-

sons saw the Lord, or a vision of some kind; sometimes He was seen by Christians, sometimes by Mohammedans and sometimes by Buddhists. *Christ revealed Himself to ALL!*

*Little* has been the opposition to the Gospel, but *great* has been the response, and *numerous* have been the conversions to the Gospel.

Many are the blind who have been led to the meetings, but who have gone away testifying, "I see, I see!" Hundreds have been the deaf, and the dumb who have come to the meeting in silence and gone away hearing the shouts of newly born souls. Scores are the cripples who have been carried to the meeting or who have dragged themselves there, and have left leaping and praising the Lord.

Who knows the number of *lepers* who have come, so unclean, and have gone away *cleansed* inside and out, with their flesh clean and pure.

At least six or eight persons bent double have in an instant been made straight by God's power, and three "hunch-backs" have been healed. Short, withered legs have grown in size and length and have been made whole. Cancers have vanished, goiters disappeared, tuberculosis destroyed, skin diseases cleansed, insane—many, many have been restored as the demons have been cast out in Jesus' Name. "And the multitudes marvelled, saying, 'It was never so seen in (Indonesia)' . . . And Jesus . . . healed every sickness and every disease among the people." "As many as touched HIM were made whole."

The Lord spoke to Brother Osborn the day the Djakarta campaign began and told him that He would do things we had never seen before, and truly He has more than fulfilled that promise.

One night a little boy was brought who was born with his feet "bottom side up," and all of his life since he began to walk, he had walked on his ankles. His father

believed on the Lord the first time he heard the Gospel (he was a Mohammedan), and he prayed with all of his heart, and God healed his boy. In an instant his feet sat flat, normal. Oh, it was wonderful. The only sign by which you could tell how he had walked before were the large, hard callouses near his ankles, and a few days later these were almost gone.

There is great joy in this land, because of what Christ is doing as the multitudes are seeking after HIM.

During the 57 services here in Java, not one time has there been the least disturbance caused by opposition. We have had the respect and love of nearly all, from the highest official down, and regardless of what village we visit, or what remote area we may pass through, all know about the campaign, and many of them have come at least once, and know of someone whom the Lord has healed.

### Watchman, What Of The Night?

Only God knows the future of beautiful Indonesia as a Nation, and only God knows how many thousand Indonesians will spend eternity with Christ because someone *brought* the Gospel with evidence to them! If they had to cross the waters to hear of Him, they would never hear! We must cross the waters and tell them of Him! Eighty-two millions of them are waiting to hear—many millions, for the first time!

Oh, ye watchman! the night is coming! Have you warned the heathen? Or does their blood remain on your hands? Woe is you if you don't warn them! There will be no mercy for you, oh thou unprofitable servant, but to be cast into outer darkness where there is weeping and gnashing of teeth!

Rise to the challenge! Warn the heathen! Go to them! They are waiting!

attended the OSBORN CAMPAIGN during four and one-half weeks. INSET: Evangelist T. L. Osborn and his interpreter, LIEM HOA SENG, proclaiming Christ to the people.

### The Cry Of The Heathen

The words of one old man who was saved and healed and came to testify, rings in my ears continually: *"Oh, no one ever told me about Jesus! I never knew Jesus! I never knew Jesus! Why didn't someone tell me?"* When that old man said that, I thought, "Oh, God, how many millions of heathen will cry the same thing at the judgment?"

*Lift up your eyes! Look on the fields! THEY ARE WHITE ALREADY TO HARVEST!*

**LIONG EK SIANG**, Tangki 70, Djakarta, Java, a **LEPER** since 1936; lived separate from his family for past eight years. Was so bad when he attended the campaign that his flesh was swollen; his ears were twice their normal size; large swollen lumps were all over his face under the skin (this means the worst kind of leprosy); a large running sore was open on his leg; his fingers were running, lifeless, stiff and drawn closed; no feeling in his ears, nose, legs up to his knees or arms to his elbows. He was instantly healed and all feeling returned at once. Within one week all symptoms were gone. Two weeks later he testified with his flesh as clean as mine. He accepted Christ, is going to Church, and is re-united with his wife at home.

**"CALL UNTO ME, AND I WILL ANSWER THEE, AND SHEW THEE GREAT AND MIGHTY THINGS, WHICH THOU KNOWEST NOT."—JEREMIAH 33:3**

### ALL THREE EXTREMELY CROSS-EYED FROM BIRTH; COMPLETELY HEALED

Left: Elizabeth Pattisalomui, Djl. Abdul Rachmal Saleh, Djak., Java. Center: Name not recorded. Right: Lie Lien Nio, Tjuritan 8, Magelang, Java. Almost every night of the entire campaign, at least one or two cases of crossed eyes were healed.

**INSANE!**

### TOTALLY BLIND!

Left: **LIE TIAN ANN**, Pasar Baru, Cheribon, Java, **INSANE FOUR YEARS**. Perfectly restored. (Only one of a few score insane who were healed.) Right: **ANAH**, Tundjungan 2, Surabaya, Java, **TOTALLY BLIND FIVE YEARS**. Was instantly healed so perfectly that she could read the Bible. (Almost every night, from one to a half dozen or more totally blind have received their sight.)

### TWO FAMILIES OF THREE DEAF-MUTES EACH; ALL HEARING AND SPEAKING

Left: Mother, Mrs. T. D. Pieterez Sinjal, 6 Djalan Tjenteh, Bandung, Java. Her three children were born deaf-mutes. Right: Mother, Kwee Liang Tjien, Djalan Pintukise 20, Djakarta, Java. Her three children were deaf and dumb from a fever they had when babies. All six of them healed on different nights. Many scores of deaf-mutes were healed and restored.

**LEPER 23 YRS.  
—HEALED—**

**KAISAH**, Lantegalan #22, Djakarta, Java, a **LEPER** for 23 years. This lady had a slow creeping kind of leprosy in her feet and legs, both of which were dead up half way to her knees. The right foot had an open sore. She was immediately healed. She suddenly noted that she could feel her feet. The ulcer dried up and her feet were perfect. She accepted Christ and is going to Church.
