NEWS OF THE WINNING THE NATIONS CRUSADE

THE TELEVISION PROGRAM IN SAN SALVADOR

Our recent trip to San Salvador demonstrated to us that this great project which THE WINNING THE NATIONS CRUSADE entered into several years ago is now nearing a climax of fulfillment. The great center seating 1500 to 2000 people is nearing completion, although it will be necessary for us to send a final grant, in August, to fulfill our commitments there. The radio program on many stations covering nearly all of Central America and down into South America is having an ever-increasing effect.

The television program instituted last winter is attaining an unexpected result. First of all, the broadcasting antenna stands on a high mountain (7,000 feet), and makes it possible to reach four nations. This program goes to a select audience of the elite, government officials, and people of means who ordinarily do not attend the healing campaigns. This unreached class, which is the dominant group of the country is now being regularly ministered to. Visiting the business section of San Salvador, we observed that Brother Finkenbinder was immediately recognized by business people everywhere.

Brother Paul, as he calls himself on the air, has shown remarkable talent in dramatizing Bible stories on television. (See cover which shows scenes taken from the program.) The telecast shown just before the Sunday service in the great evangelistic center, competes to advantage with the most popular programs that the other San Salvador station has to offer. The central America project is a graphic example of the fulfillment of the vision of The Winning the Nations program. (This does not include our regular commitment for radio and television which goes on from month to month.)

PAUL KOPP RETURNS BRIEFLY TO THE U. S.

Paul Kopp, who has done such an excellent work in Israel, has due to his father's sudden illness, returned for a brief visit to Los Angeles. He will go back to Israel shortly.

In a meeting with Brother Kopp, he viewed the development of the work in Israel—a report that is both encouraging and inspiring. In fact the result of his labors has fully confirmed our convictions that something substantial can be done in Israel if the right methods are used. It is obvious, however, that no method will have success in Israel unless it is in conjunction with a ministry of miracles. Preaching to the Jews, distributing literature, even giving away

A CALL TO PRAYER FOR THE JORDAN PROGRAM

When this issue of *The Voice of Healing* reaches you, Sam Todd and Gordon Lindsay will be in Jordan laying plans to initiate a WINNING THE NATIONS program there. This great Bible land where the cities of Old Jerusalem, Bethlehem, Samaria, Hebron and many others are located, has scarcely been touched with the gospel. Many of you received our announcement that Gordon Lindsay and Sam Todd would have a night prayer meeting in the Garden of Gethsemane on July 21, to pray for the Jordan project. We are sure that you back in America prayed with us. In this critical area of the world it is of extreme importance that a program to reach this nation with the gospel be initiated at once. Further information will be published in the next issue of TVH. In the meantime we ask our army of prayer warriors to pray for the Jordan side of the Holy Land and back us with your financial gifts.

Bibles has effect only if a ministry of miracles accompanies this work. This is the ministry The Winning the Nations Crusade, under Paul Kopp, has been carrying on.

Brother Kopp and his team have labored tirelessly during the past year going from city to city passing out Messianic literature and Bibles—many hundreds of the latter have been distributed—and prayer offered for hundreds of sick people. Some 25 cities have been visited and distribution of literature has been on a wide scale. The Messianic literature has created a strong desire for Bibles. A call for as many as forty appear in a single mail. (This in itself is a heavy expense—Bibles cost something over one dollar each, and must be obtained in various languages besides Hebrew.)

Approximately eight gospel stations have been established in Israel where there is a nucleus of interested Jews who desire a minister who will come to them for regular preaching appointments. Unfortunately, none seem available for this work. We are working on a plan by which these new stations may have a regular minister.

Paul Kopp will also work with us in our new program of reaching the nations of Jordan which borders Israel and includes much of the Holy Land. Those who have supported the Holy Land Crusade, may have the satisfaction in realizing the great progress that has taken place.

GOOD NEWS OF THE KOREAN CRUSADE

The work of preparing for the Korean Crusade has been nearly completed. This has been a very heavy burden as it has necessitated raising of sufficient funds to initiate a program to reach a whole nation—a program which will affect the lives of perhaps millions of people before it has run its course.

At the present date Sam Todd and The Voice of Healing has raised some \$100,000 in cash and pledges. (A large amount of this was raised in Assembly of God churches which graciously have thrown open their doors to Sam Todd in cooperation with this joint project.)

Sam Todd will soon be in Korea to carry on an extensive summer campaign while the great revival center in the heart of Korea is building. On his way over he will join Gordon Lindsay in Jordan to initiate a WINNING THE NATIONS program in that country.

ANNOUNCEMENT

The Winning the Nations Crusade is unique in that it works on a cooperative basis with many groups which have a vision of world evangelism. While the crusade does assume complete financial responsibility of certain projects (as the Manila Campaign) in general its design is cooperative. In all cases the evangelist is encouraged to raise as much as he can on the field and personal supporters should continued their regular giving. Although overseas mass evangelism is revolutionizing missionary work, its cost is inevitably heavy. The evangelist, beside his fare, has regular home expenses to maintain. Moreover of vital importance is the building of shelters and churches to take care of the converts. The purpose of the Winning the Nations Crusade is to share, not to completely underwrite, responsibility of reaching the nations through mass evangelism.

GORDON LINDSAY, EDITOR

The Reader's Digest says that every family should set aside \$500 per year for doctor bills. Mrs. Gordon Lindsay relates how God gave her family deliverance from sickness.

Our Family Doctor

by Mrs. Gordon Lindsay

The Lindsay family in the year 1946. Note that Gilbert (extreme right) had badly crossed eyes at that time. God straightened them through a miracle. Dennis, now 14, became blind in one eye, apparently as a result of an accident at school. Through a miracle he now has 20-20 vision in both eyes and can read the finest print.

EVERY FAMILY needs a good physician, for it is doubtful that anyone goes through this life without needing help at one time or another. Let me introduce you to our Family Physician.

Shortly after Brother Lindsay and I were married, twenty two years ago, we went to Billings, Montana, to start a new church. With the work small, and having mostly untrained helpers, I found myself song leader, Sunday School superintendent, young people's president, janitor, etc. Besides this, Brother Lindsay and I were going from house to house daily, passing out handbills and inviting the townspeople to our services.

It was unseasonably rainy. The water seeped into the rough tabernacle, soaking the sawdust and leaving large pools of standing water, before the condition could be corrected. After leading the singing each night, I would come from the platform, many times perspiring, and sit in the crude benches, my feet on the wet sawdust, and with the atmosphere dripping with humidity.

I developed a heavy chest cold with intermittent coughing. My weight dropped to 94 pounds. By this time, Brother Lindsay decided I needed a rest, so he drove me back to Portland, Oregon, to my mother's, leaving me there, while he returned to Billings. Ten days passed, and one morning while attempting to pick up a light footstool, I fell on top of it.

My sister put me back to bed, and then weeping, told me that the whole family was certain that I had T.B., but they had hated to tell me.

THE DREADED TUBERCULOSIS!

T.B. What a horrible word! I, too, was afraid that I had it, but I would not let myself think about it. But now my sister intimated that I was its victim. Could it be true?

At the insistence of my family, my lungs were x-rayed. The result: the best lung was entirely spotted with T.B.; the other, so full of liquid that it showed up only as a blur. The remedy: one year in bed, either in a sanitarium or wherever I could get constant and good care. Perhaps I would recover. My youth was about the only thing in my favor. What a bleak future for a bride of a few months!

About this time, my husband's parents were greatly stirred. They had lived in Zion City, Illinois, under Dr. Dowie, where they had seen many miracles. So, they immediately called their son. Having received the message, he got into his car, drove

the 1,000 miles back to Portland, stopping only along the side of the highway to get a few winks of sleep.

Now he stood by my bed. With real faith and determination, he encouraged me in the Lord. He suggested I spend the remainder of the day preparing my heart, and then he would pray for my healing.

I wept and prayed before the Lord confessing any unbelief, and asking God to erase any sin of omission. The Scripture I John 3:21, was quickened to my soul: "If our heart condemn us not, then have we confidence toward God."

I felt no sense of condemnation. I was now ready for prayer. Brother Lindsay prayed a few minutes with me, and then we began thanking God for answering us. No immediate change was apparent, but I stood on the healing promises. I got up and walked about for a little while, then lay down again. I repeated this several times during the day.

By the third day, we were on our way back to Billings, Montana! Within a month, I had regained most of my strength and was able to resume my duties at the church and in my home. Through the years, by taking a short rest period each afternoon, I have been able to lead a more than active life, with many demands upon my time and strength. How happy I am today, that in Satan's first all-out attack to cut my life short, I turned my case over to our Family Doctor, and I have never had a recurrence of T.B. since.

"Christ hath redeemed us from the curse of the law," (Gal. 3:13) and Deut. 28:22 tells us that a part of this curse is consumption, or T.B. Praise God for His Redemption!

In 1940, our first baby, Carole, was born. She was a chubby, nine pound picture of health. How happy we both were. But on the second day, as I placed my hand under her head, I was startled to feel a large knot, as large as a fifty cent piece and protruding quite badly. I had a feeling that this could be something very serious. But doubt gave way to faith, as we daily thanked the Lord for the answer. Then I forgot about it.

One day, long after, as I was washing her hair, imagine my joy, when I could find not even a trace of the growth. Today she is attending college and making excellent grades. Again, our Family Physician won the case!

CROSS-EYES

In 1943, Gilbert, our oldest son, was born. After a few weeks, when his beautiful, large brown eyes should have normally begun to focus, we noticed that they did not. As we

**This article taken from the book
CHRIST—THE GREAT PHYSICIAN**

watched him, day after day, we came face to face with the fact that his eyes were hopelessly crossed. At the age of two, the pupils of his one eye would often slide behind the bridge of his nose, so that only the white would show. Many advised treatments or an operation. It was a long battle. I am sure that several thousand times we thanked the Lord for the answer. Today, when we tell strangers about the great victory, it is hard for them to believe it, but we have photographs to prove it. We had made contact with the Divine Optometrist! "Ye shall, through faith and patience inherit the promises." (Heb. 6:12)

THE CAR ACCIDENT

One night as we were returning home from church in our car, I heard the rear door open. Just as I turned my head, I saw Carole, aged five, lose her balance as she attempted to close it. Seated in the front and holding Gilbert, I was unable to grab her, as out of the door she fell with a shrill cry, as our car turned a corner.

Slamming on the brakes, my husband rushed to her first. There she lay, whimpering, on the pavement. She had slid along the road on the side of her face, and it was a mass of blood. Quickly we picked her up, rushing her to our home. By now she was shaking as though she would go into convulsions. She was bleeding internally and passing blood through her mouth. Needless to say, we mightily called on our God. All night, her father kept a vigil over her. She never suffered any ill effect, no scars, and one week later, as we attended a Fellowship meeting at the church of Brother Lindsay's sister and brother-in-law, Rev. and Mrs. L. D. Hall, her face had nearly entirely healed, with new baby skin covering the bruises. The Master Surgeon had done a beautiful piece of plastic surgery!

ANGELIC PROTECTION

When Gilbert was four years old, we lived in the lovely mountain resort of Ashland, Oregon, in the parsonage, which was next door to a large gas station and garage that serviced huge, cross-country vans. On this particular day, Gilbert was kneeling on the sidewalk, tying a toy to the rear of his tricycle.

Suddenly, as the station attendant watched, one of those large trucks began backing right in the direction of our child. The man shouted loudly, but the trucker, due to the noise of the motor, failed to hear him and kept right on backing. The attendant threw his hands over his face, feeling certain that the child would be crushed to death. But in that split second, the driver, for some unknown reason, threw on the brakes. The service employee ran to the side of Gilbert, who was complaining that "that old truck tore my stocking." The truck had torn the sock from the child's foot, but left him unharmed! A few more inches, and he could have met death. How relieved we were to have committed our child at the beginning of that day, to Him Whose eye never slumbers nor sleeps.

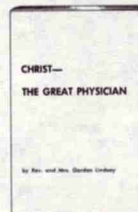

"YOUR BOY'S RIGHT EYE IS BLIND!"

In 1952, The Voice of Healing Offices were moved to Dallas, the commercial center of the South—an ideal location for evangelists and missionaries passing through. We settled in our house, put the children in school, and became busily involved with our Lord's work. Then after dinner one night, I received a telephone call from the school nurse concerning our youngest child, Dennis, now eight. She said that she had been observing Dennis' right eye for a period of six weeks, which on first examination appeared to be nearly blind. Since children that age sometimes feign blindness, especially if they see someone in the class with a new pair of glasses getting a lot of attention, she told me that she waited

Some of our readers may not be familiar with Paraguay and its capital, Asuncion. Thus we present the following general information.

If one places a pin-point in the center of South America, it will be very near Asuncion. The entire country is only two-thirds the size of Texas, and the people are very poor.

Asuncion, the capital of Paraguay, has a population of 300,000 people. Until very recently there was no running water in the city, and only two paved streets. They have no drainage system, and when it rains the streets are flooded. The business section is the only part of the city that has a sewer system.

Less than thirty minutes from the city one can find the most primitive tribes of Indians. Civilization as we know it is unknown to them.

Typically Indian, the Paraguayans are a superstitious people. Their Catho-

lic religion verges on paganism. Individual saints and the Virgin Mary are worshipped more than Christ, or even God. Fear and death dominate their beliefs.

Their manner of treating their sick is very cruel since illness is attributed to evil spirits. Ailing parts of the body are often tortured. Sick people are exposed to weird noises. Torturing often continues until there is no strength for resistance. When the victim eventually 'passes out,' the evil spirits have supposedly fled.

If a member of their group becomes sick or dies, the entire camp is burned to the ground and the Indians move on, because an evil spirit has invaded the camp.

When these so-called nomads are converted, they immediately recognize the necessity of clothing themselves and establishing a Christian home for their family. They are not heathen because they want to be. They are heathen because no one has told them of the love of Christ and His saving and delivering power.

Rev. L. B. Lewis, presently pastor of Bethel Church in Modesto, California, and formerly an evangelist for many

years, accompanied me. The faith-building ministry of Brother Lewis and his outstanding ability to inspire people to receive the Holy Ghost was an immeasurable blessing to every part of our campaign.

We were met at the plane by Rev. Paul E. Hutsell, Superintendent of the Assemblies of God of Paraguay, and Chairman of the meeting, along with missionaries Lenord Emory and Raymond Stawinski. They had arranged a "kick-off" meeting with the national pastors and other Pentecostal missionaries of Asuncion. In all of my missionary work I never have found a greater unity and a more consecrated group of missionaries. The advanced work of Bro. Hutsell and his committee, and their untiring labor during the campaign was a great contribution to its success.

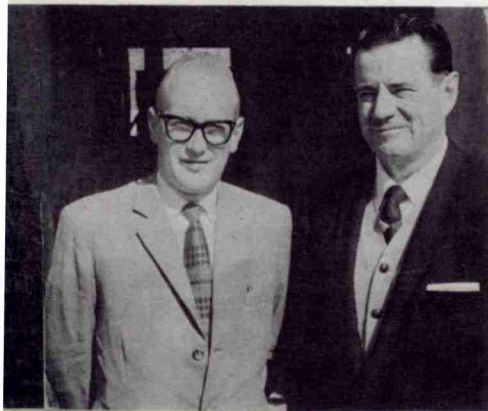

We had an excellent location for the open air services—a four-acre plot near the center of the city, completely surrounded by a high wall that was a protection for the masses of people that attended. Rev. John Andresen of Valparaiso, Chile, was our very capable interpreter. His excellent spirit and great compassion for souls cannot be forgot-

ten.

The State Church gave us great opposition. The leaders organized mobs who stood outside the gates and threatened the people on their way in and out. In spite of their threatenings and the thousands of handbills they distributed against us, the people came and hundreds were converted. Night after night the response to the altar call in the words of all the missionaries was "the greatest results and outpouring of the Holy Ghost ever in the history of Paraguay." Scores were filled with the Holy Ghost. Among them were several ministers and ministers' wives. One pastor who desired to be fully recognized as a minister by his denomination received the baptism just in time to receive his license at his District Convention. There are two small Pentecostal Bible Schools in Asuncion. Most of the students had not yet received the Holy Ghost, but all of these were filled in the campaign. One national pastor reported that 25 of his members received the Holy Ghost. The national pastors, evangelists and workers were taught and inspired to go out in the same type of meetings after we were gone.

God's power was present to heal the

sick. An army physicist attended the meetings and was deeply impressed. He brought his little girl, who was a spastic, for healing. A medical doctor came and said, "This is real; this is what Paraguay needs." The government gave us necessary permits and the police afforded protection for the services. This was unique in the history of Paraguay. Among many notable healings were the following: A small child four years old who had never walked could walk after prayer . . . a man who had asthma for 18 years was healed instantly . . . a crippled girl could walk normally . . . a stiff arm was straightened instantly . . . a small baby with high fever was healed . . . a woman's blind eye was opened . . . a total deaf man could hear . . . a tumor disappeared . . . on and on came the testimonies night after night.

Our campaign closed on Sunday afternoon. That night the local churches were packed with new people — new faces and hungry hearts. Our mission to Asuncion is not finished. I feel we must do more. God will have to speak to someone to help. These meetings would not be possible without the help of loyal Christians and the faithful mis-

sionaries. We are all "labourers together with God." You will be hearing more about Paraguay in the days to come. In the meantime, PRAY, GIVE and stand with us in reaching this, another ripe harvest field.

How God Gave a Baptist Minister

AS TOLD BY REV. JOHN H. OSTEEN, PASTOR
LAKEWOOD BAPTIST CHURCH, AT A BREAKFAST OF THE
HOUSTON CHAPTER OF THE FULL GOSPEL
BUSINESS MEN'S FELLOWSHIP

I STAND this morning representative of the professional ministry of our day. When I use this term, I do so in the highest sense and best of taste. I do not mean a ministry that feels no Divine call. I stand as one of the group of pastors of our day who are desperately concerned and deeply disturbed and confused over the lack of power. I know God saved me at the age of seventeen. I gave my heart to Jesus. I became a new creature in Christ Jesus. Old things passed away and behold all things became new.

In order to prepare myself to fulfill the call to preach, I went to college and then to seminary. I entered into my ministry. I was assistant pastor of the First Baptist Church of San Diego, California. I was for about three years pastor of the First Baptist Church of Hamlin, Texas. For six and one half years I pastored the Central Baptist Church of Baytown, Texas.

Lest anyone misunderstand, and if I can say it without being misunderstood, I tried to be a spiritual preacher. I loved Jesus. I sought to give all to God. I have wept, dedicated, separated, and waited upon God. The Spirit of God has blessed me as I have preached and besought men to be reconciled to God. If any man has not the Spirit of God He is none of His. These things I know to be true. And yet, throughout my nineteen years of preaching there has been a growing concern in my heart, for I knew that something ought to be there, and could not be found. I preached about praying, but deep in my heart I didn't really love to pray consistently. I preached about loving the Word of God, but my congregation would have been amazed to know how little I really loved it. I preached about the presence, power and blessing of God, but when I faced the facts, I enjoyed very little of it. Oh, how many preachers know and cry out in their heart about these things. We can pray, love the Word and feel the blessing for a short time, then it's "back in the valley." My members have streamed down the aisles weeping and seeking more power for the good fight of faith, but what could I say? Oh, my soul cried out! A lost and dying, wicked, perverse world needs help and I needed more power to give it and help—I knew there was something lacking in our day. I remember reading the Bible about the early church and its supernatural power, and I so longed for such as that. I knew, according to my training, it was not for us today, so I faced my pulpit and people weary and sick at heart.

RESIGNS HIS CHURCH

Finally, brethren, I resigned my church to enter business. I determined never to be a pastor again. Many preachers were lined up for the job. Oh, they are lined up one hundred deep to take these nice churches. I wanted them to have mine. I would be an insurance underwriter. I didn't want to face people coming for help to meet this world and its problems. I say, I didn't want to keep facing them, knowing that my own heart was crying out for the same thing. So I entered the business world.

Do you know the tragedy of this preacher's heart and life? God was trying to lead me into the Baptism of the Holy Ghost and I didn't know it. Tragedy of tragedies! It's enough to make the angels weep! I was saved, called, educated in college and seminary, and still didn't know and recognize the hand of God heavy upon me, seeking to lead me into the full Bap-

HIBBARD MEMORIAL BAPTIST CHURCH—where Rev. O.

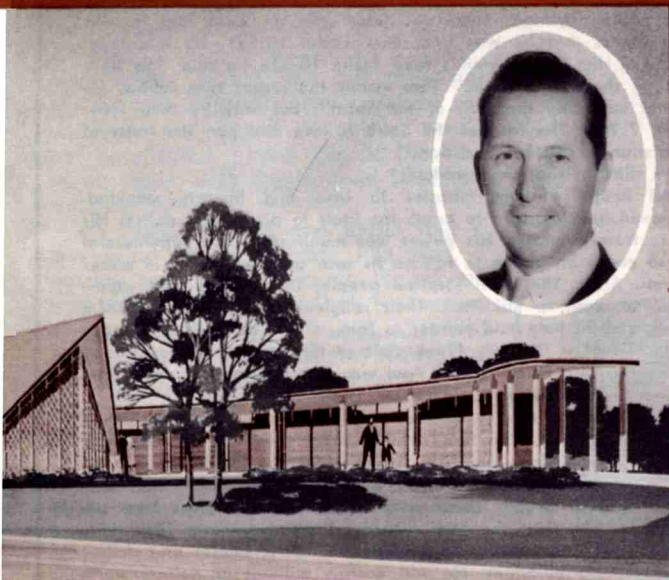

tism of the Holy Ghost and fire. It ought to make us weep. The preachers of our day have God's hand upon them, but oh, they do not recognize that it is the hand of God seeking to baptize them in power. How patient and concerned we ought to be. How we ought to pray that they may see and understand!

THEY TOLD HIM HIS DAUGHTER WOULD BE SPASTIC!

About this time our little girl was born. When she arrived, we were filled with joy, but it soon turned to great concern. She was so lifeless. She couldn't move normally. The doctor was concerned and had her x-rayed before leaving the hospital. He could find no broken bones. After she was released, we took her to a specialist. She looked at her and said, "Mrs. Osteen, I can tell you now your child is not normal. She may be a spastic or something else of that nature, but she is not normal."

I had always been taught to shun the idea of praying for the sick. "Divine healers" and Divine healing services were things a professional preacher dare not touch because he might lose his prestige and good standing. But you know, when it is your child it is different! When it is your child, you want to know what God promised. I was determined to find out. I was amazed to learn that God's first promise to a redeemed people was, "I am Jehovah-Rapha, the Lord that healeth thee." As I read, I heard David say, "Bless the Lord, O my soul, and forget not all His benefits. Who forgiveth all thine iniquities. Who healeth all thy diseases." I discovered that much of the ministry of our Blessed Lord Jesus Christ was spent in healing the sick and casting out devils. I found to my amazement that Matt. 8:17, said that Jesus not only died for our sins, but for our sicknesses and pains. I heard the Lord say, "They shall lay hands on the sick and they shall recover." I found it was an ordinance of the church to call for the Elders of the church and let them pray over the sick and anoint him with oil that he might be healed by the Lord. So we began to pray and ask God to heal our baby. We took her back to the doctor in a few weeks and she said, "Mrs. Osteen, you know I have not treated your baby. I have prayed for it along with you and your husband. God has healed her." Hallelujah! "Jesus Christ is the same yesterday, today and forever!"

CALLED TO HIBBARD MEMORIAL BAPTIST CHURCH

God was moving things out of the way. How good and patient he is! About this time Hibbard Memorial Baptist Church here in Houston extended a call to me to be their pastor. I decided to accept. I also decided to set my face toward God to find the power. I said to myself, and to God, "The hour is too late. Hell is too horrible, sins are too black, heaven is too real, eternity too long, and time too short for me to fail you." I preached to the church on the text, "I baptize you with water, but He shall baptize you with the Holy Ghost and Fire." My subject was in the form of question: When did Jesus baptize you in the Holy Ghost and Fire? If we know when we are baptized in water, we would certainly know when and if we had been baptized in FIRE. I confessed to them that I had not had this experience, but was setting my heart and soul toward God to have it.

I was alone in my office in downtown Houston. I read and studied day and night. Suddenly it came to me. I read of Moses, Elijah, Elisha, Jesus, the Early Church and disciples. I read carefully the commands and desires of our Lord Jesus Christ. I began to see that we are sent to face and help a darkened, hell bound, demon-ridden world, but we were not to do it in our own power. It was God's plan that His people have a supernatural ministry. It was and is His plan that the Power of God be for *our day in this twentieth century. The supernatural was God's plan to destroy the works of the Devil and set men free.* Oh, I remember when it came to me and I knew it was true. I wept. I got in my car and drove 16 miles to my home. I shouted and cried all the way home. My God, it's true! No wonder I have been confused and defeated. Praise the Lord! God has the best way.

GOD'S POWER COMES UPON HIM IN HIS OFFICE

I had never heard of a man by the name of William Branhams. I had faintly heard of Oral Roberts and his work. I was ignorant of all this. I just simply tell you what God did to me. I was there in my office waiting and praying into the night. I never knew what a touch from God was. As I waited before God, I had my hands up—I wasn't excited. I was just waiting and yearning. Directly there came into my hands

a strange feeling, and it came on down to the middle of my arms and began to surge! Like electricity, it was like a thousand—like ten thousand—then a million volts of electricity. It began to shake my hand, to pull my hands. I could hear, as it were, a zooming sound of the power. It pulled my hands over and held them there as though God took them in His. There came a voice in my soul that said, "Lay these hands on the sick and I will heal them."

But I didn't have the Baptism. I was scared even for God to touch me again. I went to a revival meeting at the First Baptist Church of Blythville, Arkansas. While on the train, I sought God, and as I fasted and waited upon Him, this same power came into my hands. God would touch me, but I couldn't get baptized in the Holy Ghost.

One morning I got up, and I said, "Well, goodbye." My wife asked, "Where are you going?" I said, "I don't know, but I'm not coming back until I hear from heaven." I didn't expect to see her for a month. I went to downtown Houston and rented a hotel room where I shut myself up. I shut God in with me. I said, "Oh, God, Thou who didst save me and call me and Thou whose call is upon my soul, Thou knowest my heart. I want to be used. I want to serve you. You've been so good to me." God showed me two things: He showed me an old school debt that I had somehow overlooked and didn't feel like I ought to pay. I got up and wrote a check for \$600.00 to pay it. I said, "Lord, that's settled." Then the Lord showed me the spiritual pride.

He said, "Are you willing to be numbered among the despised? Those who are ostracized? Are you willing to lose the prestige of your denominational standing? Are you willing to be fired from your church and have your salary cut off? Are you willing to have every door shut against you and never be invited to preach in their churches? Are you willing to accept the ridicule and embarrassment?" To all these and many more questions, I said, "Lord, I am! I am! I am!"

HE RECEIVES THE BAPTISM OF THE HOLY GHOST

In an air-conditioned room, with my hands lifted up to heaven and my heart reaching up for my God, there came the molten lava of His love. It poured in like a stream from heaven and I was lifted up out of myself. I spoke in a language I could not understand for about two hours. My body poured out perspiration as though I was in a steam bath. The Baptism of Fire! Glory to God! The surge of His power and glory of His presence defies the mind of man to explain! But Hallelujah, He filled the temple!

This was about two years ago. Between seventy and eighty of our people have received this experience. Men and women who wearily trudged to prayer meeting and drove themselves to be faithful have become flaming evangelists for Jesus. They are in the mission witnessing; they are on the streets in meetings urging people to be reconciled to God. They pray all night. They don't have to be begged. They want to go! They want to pray! They want to praise and serve God! Brethren, this is it! That is what all of our churches need. *Pentecost is not a denomination, but an experience!*

We are constantly seeing the power of the supernatural. One of our thirteen year old girls had a crippled foot. Stiff as steel. She had to wear a built-up shoe. God healed her instantly! A man deaf for over ten years, who had been dismissed by Veterans Hospital as incurable, was healed instantly! Three tumors disappeared from the body of a deacon's wife. We prayed for an infected growth on the body of one of our members. The infection went away—and so did the growth! Under the power of the Spirit, one young lady spoke Spanish even though she knew none. One deacon spoke Danish, even though he knew none. Jesus is present in power! The lost are being saved. Heaven has come to earth!

Grant's Faith Clinic

Dear Brother Grant:

"I am sending you a newspaper clipping which says that an image bled when it was struck with a sword. It also says that an icon (image) cried. Do you believe that is a real miracle?"

First, here is what I don't know:

I don't know whether this is a miracle or a fake. It is a bare possibility that it is a miracle. If it is a miracle I don't know whether it is of God or of the devil. A miracle has to be either of God or the devil, for there are only two supernatural powers.

I have no Scriptural way of knowing that this miracle is of God. There are some miracles that may be of either power. If a man throws down a reed and it becomes a serpent, would that be of God or of the devil? It may be either. Moses threw down his rod and it became a serpent (Exodus 7:12). The devil's crowd threw down their rods and they also became serpents. If a man puts forth his rod and causes water to become blood, would that miracle be of God or the devil? I can't say. When Moses did that the magicians did the same (Exodus 7:22). The devil is not afraid of blood. He is after blood. He fears only the blood of Jesus. If a man supernaturally brings forth frogs into existence, is that miracle of God or of the devil? Moses did that by the power of God. The devil's crowd did it by power of Satan (Exodus 8:7).

Second, here is what I do know:

If a man casts out devils we know that is of God, for Satan does not cast out Satan (Matt. 12:26). Satan will not come out until a power stronger than he comes and binds him (Luke 11:22). Only God's power is stronger than Satan's. If a man opens the eyes of the blind, that must be of God, for the devil does not open the eyes of the blind. If a man cleanses the lepers, he must be using the supernatural power of God, for "Satan comes only to destroy men's lives," not to save them. Only God raises the dead. The devil does not open the door of the prisons (Isa. 14:17). But Jesus does (Isa. 61:1).

John the Baptist wanted to know if Jesus was really the Christ. Here is the proof that Jesus sent him: ". . . go your way, and tell John what things ye have seen; how that the blind see, the

lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached" (Luke 7:22). That proved that Jesus was of God. He did not cause an image to bleed or an icon to weep. He did not create frogs, or turn water to blood. He was busy saving men's lives and souls. Some miracles don't prove anything. Some do. Jesus said the work that He did bore witness that he was from God (John 10:25). He told them to believe Him for His work's sake (John 14:11). He said, "By their fruits ye shall know them." That means the results that follow. He did not say, "By the fruit of the Spirit", but only by their fruits (Matt. 7:20). The fruit of the Spirit is love and joy; the fruits of a Christian is another Christian.

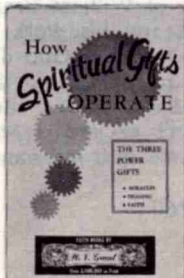

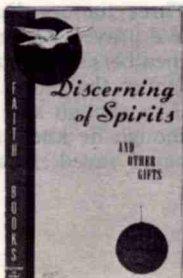

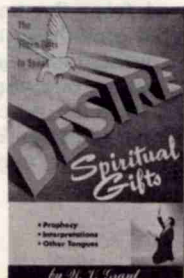

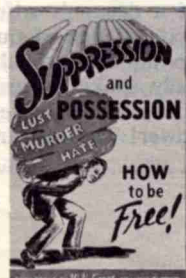

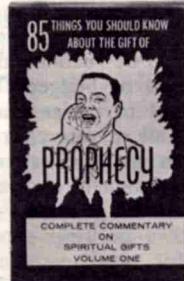

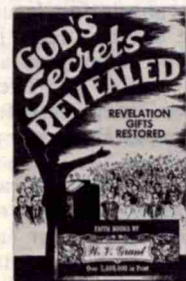

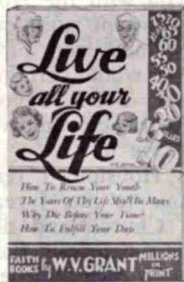

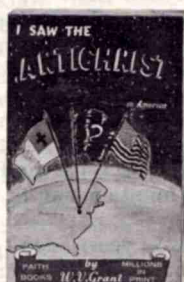

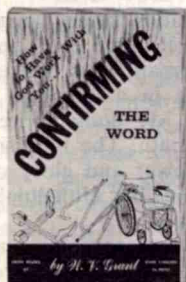

The miracles that God worked:

God keeps working miracles to save and liberate mankind. He moved upon Gideon to break the idols to pieces and deliver His people from bondage. His power was manifested in a supernatural way to cause an image to fall on its face and be broken in pieces (1 Sam. 5:3). The devil inspired people, in darkness and superstition, to want to kill Paul. Their religious leaders inspired them with prejudice, hate and murder to form a mob. They cried for two hours, "Great is Diana". (They claimed this image fell down from Jupiter—a false miracle). But Paul was busy casting out devils and healing the sick with God's power (Acts 19:35).

You say, "But they were idols." When images are worshipped they become idols. The first commandment says not to make any images or bow down to them (Exodus 20:4). The Three Hebrew Children refused to bow down to an image. The miracle that God worked was to protect these saints and save their lives from the fire. In the last days the devil will give life to an image (Rev. 13). God will perform miracles to quicken our mortal bodies and deliver us from the tribulations. He will destroy millions of dollars worth of images (Rev. 18), and deliver us from the religious people in darkness and superstition who will try to kill, thinking they are doing God a service. If it were possible Satan will deceive the very elect by his signs and wonders (Matt. 24:24), but thank God, it is not possible. Satan comes to deceive and destroy. Jesus comes to save men's lives and save their souls (Luke 9:56).

God anointed Jesus to heal all those who were oppressed of the devil. God anoints men to do the same today. The Lord's main purpose is not to perform miracles (some miracles do not prove anything). The miracles that God wants to perform is to deliver people from sin, sickness, pain, evil spirits, darkness and superstition—to let the oppressed go free!

OUR FAMILY DOCTOR

right eye. Had he been hit by a ball, or received a hard fall? We were at loss! She urged us to have his eyes x-rayed, for it could be something serious. Immediately I was reminded of a friend who shortly before had lost the sight of one eye. Tumors! They removed the one eye, and hoped the other would not be affected. Could this be the case of my child, with maybe total blindness awaiting him?

We tested the eye and found that it was blind as the teacher had said. I quickly ran to my husband. He quietly said that we would trust God. He wanted to spend a few days waiting on God before praying. Before he was ready, one Sunday night, the children and I attended a revival at a Full Gospel church, held by one of our deliverance evangelists. A prayer line was formed. I caught my little boy's attention as he sat on the front row. He appeared to be about half asleep as I nodded for him to get in line. He shook his head several times, "No." As I prayed silently, I saw him get up slowly and make his way to the rear of the church, as by now the line had become very long. Only one tiny girl was behind him.

By the time the evangelist prayed for those people, he was very weary. When he came to our boy, he quickly said, "God, heal this little boy." and passed him on. Being quite human, I was disappointed. I thought, "The evangelist didn't even ask what was wrong with him, and what a short prayer!" However, as we drove home, I felt a rebuke for having felt the way I did, so determined not to make a negative statement. As we stepped inside the house, I asked Dennis, "Did the Lord heal you?" To which he replied as if surprised that I would ask such a superfluous question, "Yes." I took him into the bedroom, away from the rest of the family, locked the door and pointed to large numbers on the calendar, having covered his good eye. Without any difficulty he read the figures. Next I picked up my Bible. He read it perfectly. Then I tried him on a very small type testament. He could read very little.

In the presence of the family, we went through the same tests. We praised God for what He had done. Turning to Dennis I said, "Now tomorrow morning before you go to school, we shall let you read out of the small testament." His vision was some improved by the next morning. The second morning, he missed only a few words, and on the third, praise God, he could see every letter clearly!

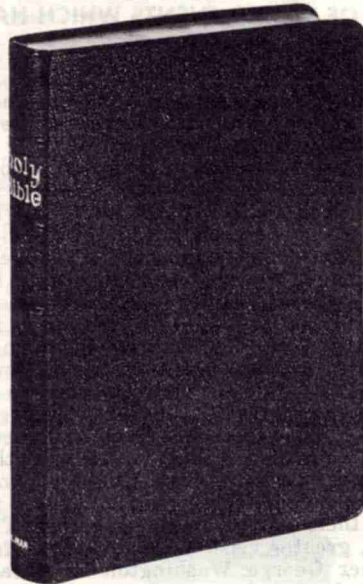

By this time, Dennis had been transferred to a new school, built about four blocks from our home. Knowing that the new nurse would have all the old records, I made an appointment with

her to have Dennis' eyes checked. This she did, saying he had 20-20 vision! But when she pulled out his card, she was not a little non-plused. "What's happened here?" she exclaimed. I then testified to his healing, but she flatly refused to believe, saying, "Those things don't just happen. It must have been a temporary blindness that corrected itself." How sad that some today will not give glory to God.

But then I called the first nurse, and

told her that Dennis' test showed he now had 20-20 vision. I told her he was healed. With gratitude for my calling her, she said, "Isn't that wonderful! I believe every word of it!"

As I write, just a few minutes ago, I asked Dennis—now fourteen years old—which was his bad eye, and he said, "I can't remember. I can see perfectly out of both." Our Family Oculist had come to the rescue!

THE MARCH OF PROPHECY

(A FEATURE TO KEEP READERS INFORMED OF WORLD EVENTS WHICH HAVE UNUSUAL PROPHETIC SIGNIFICANCE.)

THE CHILE HORROR

As we read of the "dance of death" in Chile, our consolation is that the WINNING THE NATIONS CRUSADE was able, in the providence of God, to have helped to bring the message of the gospel to those cities where the catastrophe has come.

For it is more than a catastrophe. According to Newsweek, it was one of the worst earthquakes in history, if not the worst. "Without respite, earthquake after earthquake convulsed the land, ripping apart buildings and burying thousands in debris. In the mountains, six long-inactive volcanoes erupted, spewing out boiling hot lava, smoke and ashes."

The extent of the cataclysm is seen in Newsweek's estimate that 2,000,000 Chileans are homeless—one quarter of the country's population! Where has an earthquake disaster reached such proportions before? But this was only part of the Horror. Giant sea waves which were set in motion plunged across the Pacific at over 400 miles per hour and struck Hawaii bringing death and destruction to Hilo. Then continuing this course of death and violence, they hit Japan leaving 150,000 people homeless. The Philippines were also in the path of the earthquake-triggered wall of water.

At Concepcion where one of the Sam Todd campaigns was held, only the earthquake-proof buildings put up in recent years, survived the disaster. Jesus said that in the closing days of this age there shall be great earthquakes. (Matt. 24:7)

CUBA BUILDING JET BASES FOR RUSSIA?

Senator George Smathers of Florida reports that Russia is building high-powered jet bases in Cuba. This no doubt will be followed by the building of missile bases in this country—located only 100 miles from the U.S. Unless Castro falls from power, Red Russia will have bases that can reach the U.S. with the hydrogen bomb in a matter of seconds. In which case there will be no warning time at all. At that range deadly accuracy of the missile can be assured.

WILL KENNEDY BE THE DEMOCRATIC PRESIDENTIAL NOMINEE?

By the time that the reader receives this issue of TVH, we shall know

whether Jack Kennedy will be the nominee on the democratic ticket. While Mr. Kennedy himself may be quite a personable young man, and he probably has no dark designs at the moment, such as "putting the Pope in the White-house", nevertheless for a Catholic to be president would be a dangerous precedent indeed, and can well have repercussions far beyond what the average person can see now. Prophecy indicates that the Papacy will play a sinister role in events of the end-time. Revelation 17, indicates that the Papacy will ride the Beast of Prophecy, before being herself committed to destruction. That America should have a Catholic president at this time would be an ill-omen indeed. God's people need to pray for their country as never before. There is a greater crisis before us than faced either George Washington or Abraham Lincoln.

COMMUNISTS FORCE CANCELLATION OF PRESIDENT EISENHOWER'S TRIP

The repercussions of the U-2 spy plane incident, continue. President Eisenhower was to visit Japan on his goodwill tour. As everybody now knows the Communists were able to raise such a furor as to necessitate the cancellation of the trip. (Their snake dance outside the palace and display of violence was a shock to the Western world.) How has such a situation come about that the communists can call the turn in a nation we believed to be our friend? The U-2 incident triggered it, but the cause has been building since the end of World War II.

At that time Douglas MacArthur had supreme authority in that country. That great general and statesman, believing in Christianity himself, felt that the answer to Japan's ills was the Gospel. Emperor Hirohita had just disavowed the divinity that war lords had woven around him for purposes of their own. MacArthur called for the church to send hundreds of missionaries to Japan at once. Alas, the church was caught napping. Only a trickle of missionaries went. Thus, one of the greatest opportunities of the church to get the Gospel into a heathen country, was lost.

Communism at that time, did not have a toe-hold in Japan. But, as the saying is, "Nature abhors a vacuum." Since the forces of Christianity did not rush in to fill the spiritual void, Com-

munism did. Today Communism has infiltrated through that country like an insidious cancer. So strong has its power become that, as the world saw a few weeks ago, it was able to challenge the visit of the President of the United States. The forces of Communism are coming rapidly to power in every part of the world. Statesmen and politicians are helpless to stay this evil. There is only one power that can withstand it—that is evangelical Christianity. There is still time, if we in America will move forward in a mighty crusade to propagate the gospel in Japan. Failing this, Communism will take over in the Far East. And when Red China gets the atomic bomb, then the world may well watch out and, a Red Japan, would, if anything, be worse than a Red China.

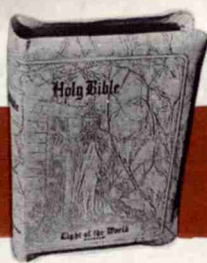

Truly the Prophet Daniel spoke rightly of this hour we are living in when he said, "And there shall be a time of trouble, such as never was since there was a nation even to that same time." Thank God that he also added, "And at that time thy people shall be delivered, every one that shall be found written in the book." Dan. 12:1

RUSSIAN MOON PICTURES FAKED?

Lloyd Mallan, writing in the magazine PHOTOGRAPHY makes the astonishing statement that the Russian pictures of the hidden side of the moon are faked! Reputable scientists who have examined the photos with a microscope are now almost unanimous in believing they are a hoax. The fact is, brush marks are plainly visible to the naked eye!

One of the experts who has studied the photos, William J. Young, is director of the Research Laboratory of Boston Museum of Fine Arts. He declares that the photos are chalk drawings or paintings.

The question is, "How could the Kremlin be so brazen?" For one thing the Russians are appealing to the mob, to the peasantry of the world. Like Adolph Hitler they believe in the big lie. For forty years and more Russia has been an avowedly atheistic nation. Their god is Satan who Jesus said was the father of lies. (Jn. 8:44) It is not surprising that this country has become the spawning ground for monstrous deceptions and conscienceless propaganda.

Your Questions Answered from the Bible

Dear Brother Lindsay:

Thank God for the wonderful work that you are doing, but never make an absurd statement like you did in your March issue, where you say "Joshua's long day makes Saturday the same as Sunday."

Ed: Perhaps I stated this awkwardly, or I should have gone into the subject more thoroughly. What I should have said was that since the time of Joshua's long day, Saturday, in point of succession, is now the sixth day of the week, and Sunday is the seventh. This may seem strange, but it can be demonstrated very simply. Let us suppose that Joshua's long day began on Sunday, the first day of the week. (It makes no matter which day of the week we use for the demonstration; the result is the same.)

Let us say then, for purposes of illustration, that Joshua's long day began on Sunday, the first day of the week. Joshua seeing that darkness would prevent him from securing the full results of the victory, commanded the sun to stand still. The record states that it stood still in the heavens "and hasted not to go down about a whole day." Joshua 10:13. Thus we see that while the sun was standing still, the original Sunday ended, and Monday came. When the long day finally ended, it was the beginning of Tuesday of the original creation. A whole day had been lost. Tuesday, in matter of succession, was only the second day of the week. Wednesday was the third day. Thursday was the fourth day. Friday was the fifth day. **Saturday was the sixth day, and Sunday was the seventh day.**

By the original creation, Saturday was the Seventh day, but because of the loss of one day at the time of Joshua, it became by succession only the sixth day. Sunday therefore has the distinction, that by original creation, it is the first day of the week, but in point of succession, because of Joshua's long day, it is the seventh day. Likewise Saturday is by original creation, the seventh day, but in point of succession, however, it is now only the sixth day.

In view of these facts, Paul's statement in Col. 2:16 is interesting. In this connection it also is of interest that the observance of an exact time for a day of worship by people on a round earth is almost impossible. It was possible, of course, for the Children of Israel when they lived in one locality, but not in a world that has twenty-four time zones. A traveller crossing the international date line from the East on Sunday morning will be told that it is Saturday morning. He now experiences two Saturdays in succession.

MORAL: One day of rest for the worship of God and the relaxation of the body is certainly important. We do not believe that it should become an issue over which Christians should violently differ.

I have certainly enjoyed your course "Praying to Change the World". It is simply written so that even a person with not too much education can understand it. Yet it has deeper truths even for the Bible scholar. The thoughts are exceptional and I believe motivated by Holy Ghost.

DAVID NUNN

God Visits Harrisonburg, Va. in David Nunn Campaign

View of afternoon audience

Pastor Claude McDaniel Reports Fine Campaign

My heart was made to rejoice that God had sent Rev. David Nunn to our area to minister the Gospel. I was saved in one of Brother Nunn's campaigns in 1953. I have a special appreciation for this ministry that God has entrusted him with. I certainly welcomed his campaign, not only as one who had been saved in his services but this time as one of the sponsoring pastors of the campaign.

Nightly our eyes have seen the glorious working of God's Holy Spirit. Hundreds of people came to Christ. The Scripture was certainly fulfilled that said, "Jesus went about doing good, healing all that were oppressed of the Devil for God was with Him." (Acts 10:38). God placed his approval on the dynamic preaching of his word as the lame leaped and walked, the blind was made to see, the deaf was made to hear, and the dumb to speak. The thing that greatly impressed me was when a little deaf-mute woman heard and spoke after prayer. On Holy Ghost rally night, 31 persons received the Holy Ghost.

We certainly look forward to the time when God will once again send Brother Nunn back to our area.

and to take charge of leading the song services for the revival. I accepted, and for three weeks I worked twice as hard as before, operating the super market daily, with untold odds and ends to look after, and then under the canvas nightly.

God began saving souls and healing sick bodies in the first service. I saw blind eyes opened, deaf ears unstopped and all manner of sickness and disease healed over the three week campaign. Hearing the inspired word preached by Brother Nunn stirred my soul afresh and brought healing to my body. I feel like a new man! My business has prospered along with my soul and I can recommend Brother Nunn's outstanding ministry to a lost and dying world.
