FLASH FROM GORDON LINDSAY'S TRIP OVERSEAS

A few months ago The Winning the Nations Crusade received an S. O. S. from the Flatterys for help. They had gone to Senegal expecting God to open the way so they could get a foothold in this nation that has just been opened up to the Gospel. They wrote that if they could only get the down payment, they could secure valuable property there for an evangelistic center. The Crusade was able to send the principal portion of the necessary payment, and God has answered prayer in an amazing way. *Property valued at some \$50,000 is now in the Flatterys' hands.* It has two major buildings, one that includes several apartments and another large structure that can seat a thousand people. Rentals from the properties will enable them to pay off all indebtedness within a year's time.

OCTOBER RADIO MONTH AT THE VOICE OF HEALING TREMENDOUSLY SUCCESSFUL

Increase to the Radio Department largely due to the appearance of the Radio Team, Evangelist David Nunn, Rev. and Mrs. Wells as they travelled in Radio Rallies throughout the United States.

It is with grateful heart that I write you this month from the Voice of Healing Office. The power of God has been tremendously manifested in our Radio Rallies and through the Broadcasts as our Radio mail so definitely indicates.

While in the great Chicago area the missionary work reached into hearts of many who had not previously been associated with any church. Mr. Bill Irwin (picture shown on this page) for many years a reporter on the Chicago Tribune attended

BLOOMINGTON-NORMAL ASSEMBLY OF GOD CHURCH was packed night after night as the "Winning the Nations" Radio Team under the leadership of Evangelist David Nunn preached, prayed for the sick and demonstrated the gospel in the spirit of power. Rev. and Mrs. Wells presented their talented musical program each night to the delight of all attending. (PLAN NOW TO ATTEND THE WINNING THE NATIONS RALLIES IN PORTLAND, ORE., AREA)

many of the services and was counseled by your Radio Evangelist and lead into an experience with God and on the final day Mr. Irwin made a monthly pledge to the support of Winning the Nations Radio. This is only one of scores of testimonies that have come to our office as a result of the rallies in Chicago, Bloomington, and Kilgore, Texas.

Shown also on this page is the Bloomington-Normal Assembly of God Church, Rev. Raymond Hill, pastor where God met us night after night in a great rally. Many came to Christ receiving healing and miracles in their lives. Once again we say the power of God manifested through the preaching of the Word of God gave unto many an anointing of the Spirit. Brother and Sister Wells blessed the people with their anointed singing and playing.

As we now look forward to the Winchester, Virginia and the Greater Portland, Oregon Area it is with great anticipation that greatest days for Radio revival are just ahead.

BURSITIS HEALED BY RADIO PRAYER

I had bursitis in my shoulders for 5 years. I could not sleep and suffered at night. So much so that I could not do my work. I turned on the radio over KPDQ and heard your broadcast. It was your Friday morning healing prayer time. I laid my hands on my shoulder and was healed as you prayed instantly. The following Friday my daughter who suffers from a serious stomach condition listened to your broadcast. She joined with you in prayer and was also healed. Praise God for your special prayer for the sick on Friday.

SPINE INJURY HEALED BY RADIO PRAYER

I had a serious spine injury that was causing a creeping paralysis, the X-rays showed. My wife heard you on the radio talking of the great things the Lord was doing in your meetings. We went and that very night I was saved and healed instantly. I praise God for it.

What is the prophetic meaning of the Berlin crisis — The Syria-Egypt break — The Common Market in Europe — The present accelerated preparation of A-bomb shelters? This article considers the Scriptural significance of these events.

WILL THE TOWER OF BABEL BE REBUILT?

The London Sunday Telegraph reports that Premier Kassem of Iraq (the former Babylon) has proposed the rebuilding of the Biblical Tower of Babel. It said, "Prestige building appears to be reaching its topmost limit in Iraq where General Kassem threatens to re-erect the Tower of Babel on its original site. Even Dr. N. K. Rumah would scarcely aspire to such a tempting providence." According to Revelation 18, Babylon is again to play an important part in prophetic developments. Watch events in the land of Babylon!

THE FALL OF THE GOD STALIN

For years Stalin was one of the most, if not the most, powerful man in the world. Despite the fact that he murdered millions of his own people in a relentless campaign, to force collectivization on the Russian farmers and despite the fact that he killed many of his closest friends, in bloody purges, sometimes extorting confessions by means of torture, this evil monster was practically made a god. But during the 22nd Party Congress just past, the hideous deeds of the man were fully exposed. The body of Stalin was removed from its public showcase in the square and buried. One of the women imprisoned by Stalin, testified, "Yesterday, I consulted Lenin again, and he seemed to stand before me as if alive and said, 'It is unpleasant for me to be next to Stalin who caused the party so much harm.'"

So must fall, in shame and disgrace, all who like Stalin deny the true God and usurp themselves the position of Deity.

by GORDON LINDSAY

This past year has seen a startlingly increased tempo in the unfolding of events which have dramatic prophetic significance. The Berlin crisis deepens. Khrushchev says he will not back down on his demands for a new status for Berlin. A high wall now separates the city in two parts. The Russian dictator has ordered a new series of nuclear tests. He defiantly talks about a bomb equal in destructive power to 100 million tons of T.N.T. The Western Powers in turn declare they will not give way to these Soviet threats. In other countries, revolutions favoring Communism have taken place. Syria has broken away from Egypt. In Europe the Common Market has proven an unparalleled success. What is the prophetic significance of all these things?

SYRIA BREAKS AWAY FROM EGYPT

First of all, let us consider the recent Syrian revolution and the dissolution of the United Arab Republic. For a period of four years the Syrians have been a "captive nation" of Egypt's Nasser. Despite the praises that had been sung of the great benefits that supposedly had accrued to the Syrian people by the union, there was an ever-increasing current of discontent. Syria is a richer nation than Egypt, and it soon became apparent to the Syrians that the wealth of their country was being siphoned off by Nasser to prop up the failing Egyptian economy. Serraj, Nasser's deputy, had secured a lock and hammer control on Syria through a 15,000 man police

force. Thousands of Syrians have been imprisoned and Nasser's spies were everywhere. But during the recent clean coup that took place in the early hours at Damascus, Egyptian agents were overpowered and thrown out of the country.

What is the prophetic significance of this? Why has Nasser's dream for Egypt faded away? Why has the plan for Egypt to be the leading nation among the Arab kingdoms failed? The answer was that Egypt is not to have a restoration of its ancient glory, but prophetically it was to become a base nation and would not rule over the nations. This is plainly shown in Ezekiel 29:15.

"It shall be the basest of the kingdoms; neither shall it exalt itself any more above the nations: for I will diminish them, that they shall no more rule over the nations."

However, whether this revolution will accrue to the benefit of the Western Powers is yet to be seen. Syria is riddled with Communists. When we met with the Prime Minister Majoli in his office last year, we little realized that in a matter of days Red agents from Syria would come down and explode a bomb in the office, killing the pro-western Prime minister in the very room where we talked to him. Communism is ready to move into Syria in strong force. We should remember that Antiochus Epiphanes of Syria was an important type of the Antichrist as shown in Daniel 8 and 11. There seems to be a

What Is the Prophetic Significance of the Present World Crisis?

definite prophetic significance to events which occurred in Syria in the last days. Syria is one of the important countries to watch in the unfolding of events of the future. And Nasser will not be satisfied until he has made a desperate attempt to recoup his losses. We may expect another move from Nasser soon.

THE BERLIN CRISIS

Assuredly, the Berlin Crisis is the most serious event since the Korean War. But it was inevitable. Khrushchev is a man given to the most blatant boasting especially regarding the might of Russia and the glories of socialism. His contention, however, that Communism is the wave of the future, is made ridiculous by the situation in Berlin. Four million East Germans have fled from the puppet state set up by the Communists in West Germany. That is how much people love Communism after they have had a taste of it. Khrushchev knows he is being made a fool. He cannot stand being laughed at, and therefore, he is ready to do something desperate. He has had East Berlin walled up to stop the flow of refugees, but still the people manage to get through!

Nevertheless, we do not look for a full scale war yet. *We have not yet accomplished our task of world evangelism.* Of course, Khrushchev is not bothered by this consideration. But he knows that while he could wreak terrible destruction upon America, though he could kill one-third to one-half of its population, Russia would in turn be utterly devastated and reduced to rubble.

Of great prophetic significance is the fact that the Berlin Crisis is rallying the European states together. They are looking for a strong man to champion their interests. Thus the way is being prepared for the rise of the antichrist, who will pose as a saviour and appear to be the man of the hour, to save civilization. But when the "Beast from the Bottomless Pit" takes possession of him, he will introduce a reign of terror upon the world that will cause the horrors of the past to be a Sunday School picnic in comparison. Surely all these events are a warning to the people of the world to repent. Jesus said, "I come in My Father's Name, and ye receive me not, if another will come in his own name, him ye will receive." (Jn. 5:43) While this Scripture refers specifically to Israel, it no doubt also has reference to the people of the ten kingdoms that make up the kingdom of the Beast. "These have one mind, and shall give their power and strength to the beast." (Rev. 17:13) People who do not accept the call of God now, will be in grave danger of accepting the delusion of the antichrist then.

"Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie." (II Thes. 2:9-11)

THE AMAZING PHENOMENON OF THE "COMMON MARKET" WHICH IS HELPING TO PREPARE THE WAY FOR THE ANTICHRIST

While Khrushchev's blustering and threatening on one hand is helping to hasten the fulfillment of the course of prophecy, this economic union in Europe called the Common Market, has become the phenomenon of our time, and surely is preparing the way for the United States of Europe.

Not many people realize that there is a great wave of prosperity in Europe. It might be thought that the refugees flooding into West Germany are impoverishing her. But the reverse is true. Germany is en-

joying a tremendous upsurge. Instead of the United States helping Germany, our own country has recently had to call for help from Germany.

Now the Common Market is responsible for this new prosperity. TIME MAGAZINE, October 6, 1961 issue has much to say about it. It reports that this new order, scarcely four years old, has resulted in an unparalleled prosperity. So much so that England which looks across the channel and sees the dramatic economic upsurge, contrasts it with her own sagging economy and is now ready to join. TIME MAGAZINE speaking of the Common Market relates it to the rise again of the Spirit of the Roman Empire:

"Like many revolutionary ideas, United Europe is not a new notion but an old one revived. *The dream of order and unity once embodied in the Rome of the Caesars, lived on through the middle ages, not only in the Roman Catholic Church but in the embattled but strangely visible anachronism, the Holy Roman Empire.* Even after it disintegrated, and the last remnants of feudal internationalism gave way to popular nationalism, the European idea remained."

TIME MAGAZINE goes on to add that after the way Churchill and others launched a movement for a United States of Europe which most prophetic students realize portends the revival of the spirit of the Roman Empire, several conferences were called for the discussion of such a federation. In 1949, representatives came together from most of the West European countries to form a Council of Europe. Out of this came the idea of the Common Market, which involves the lowering and gradual abolishment of customs between countries. The Common Market was ratified in 1957, by SIX nations, in the CITY OF ROME. *In less than four years the Common Market has become the fastest growing* (Continued on page 10)

Winning the Nations Crusade Broadcast Brings Great Results

From Rio de Janeiro comes the report of the great rally of 12,000 people which is a direct result of the daily broadcast by Bob McAlister, a broadcast sponsored by THE WINNING THE NATIONS CRUSADE. Many hundreds were saved. The following photos with captions show the value of these broadcasts which daily are reaching hundreds of thousands of people in foreign lands. Dear Friends, this is worth praying for and giving to, to support. Your offering to help the Winning the Nations Crusade is an investment in souls for time and eternity.

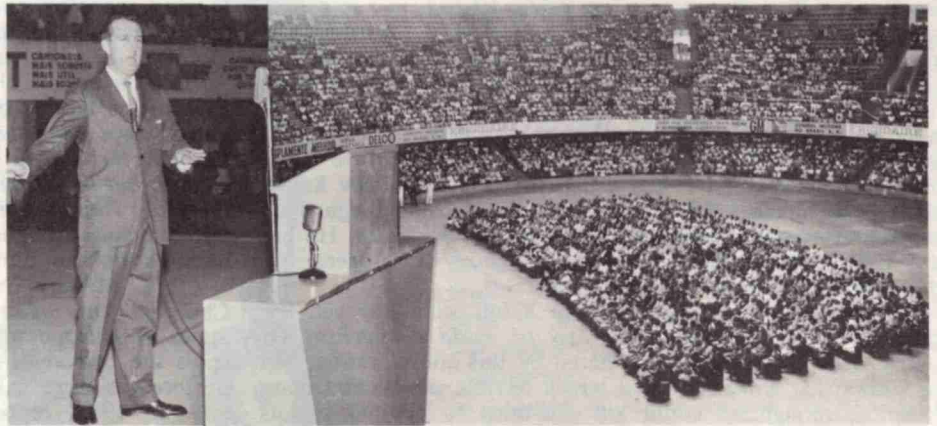

At this season of the year the whole world is preparing for Christmas. To most of the world it means commercialization — a time of buying and selling, a time of giving and receiving of gifts, but to those of us who are Christians it represents a time when the Greatest Gift of all times was given: "God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." Yes, He gave the most precious gift of all Heaven that you and I might have eternal, everlasting life. And not just you and I only, but the whole world — That is why we must labor while it is yet day to take the "Good News — The Old, Old Story of Jesus and His love", to those who are dying in heathen darkness right now.

While we in America enjoy the warmth of our homes and loved ones, there are millions of desperately needy people in India and Africa and other mission fields who have no home at all; home is wherever they happen to be. All the possessions in the world that they own they carry in their hands. Others huddle in one-room shacks or "lean-to's" made out of packing crates, tarpaper or any other scrap material they can find.

Their bleak surroundings hold no promise for a "Merry Christmas", and yet there is a way to supply the need of their souls which is far greater than their physical needs.

By taking the Gospel — the only answer to their cry and need. This fulfills the Great Commission of our Lord and Saviour, Jesus Christ Who said, "Go into *all the world* and preach the Gospel to every creature."

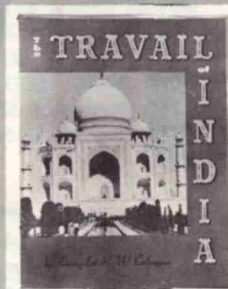

Dear Friend, shortly after you read this report Rev. W. V. Grant and I will be leaving for Africa. A great and effectual door has been opened for us there. Please pray for us, then — Whatever he saith unto thee do it.

Voice of Healing camp meeting, Columbia, South Carolina

Voice of Healing Campaign Brings Great Blessings to Columbia, S.C.

by Rev. J. C. Hunnicutt, Presbyter
of the Columbia Sumter Section of the Assemblies of God

We, the Assemblies of God Churches of Columbia, South Carolina, have seen one of the greatest revivals that has been enjoyed in this city in many years, in the Voice of Healing Camp Meeting conducted from September 22 through October 1st.

Some have said the days of a great moving were over, but God confirmed His Word with signs following. The Camp Meeting built the faith of our own people and touched many other people in our city. Entire families were saved. All manner of sickness was healed. Blind eyes were opened and people were healed in masses in the congregation from night to night.

The anointed ministry of Evangelists David Nunn, R. W. Culpepper, and W. V. Grant will never be forgotten in Columbia, South Carolina. We do not believe that this has just been a ten day Camp Meeting. We believe it was the beginning of

a revival that will be going when Jesus comes.

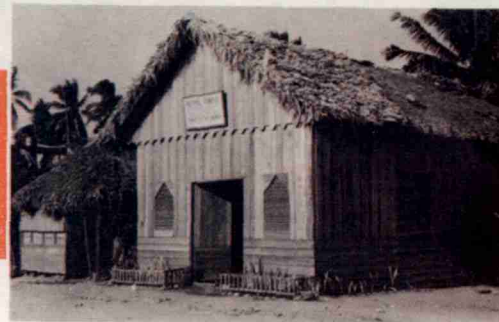

Even though the meeting was sponsored by the Assembly of God Churches of our City we had people from all churches who were blessed of God. We have helped sponsor many meetings, but for the almost seventeen years that I have been pastor of the First Assembly of God here, I have never seen our people stirred to work for God as they are now. Every pastor that helped to sponsor the Camp Meeting agreed that this was the greatest we have ever had.

The capacity crowd that attended the last afternoon service gave our speakers a "rising vote" invitation to come to Columbia next year if possible.

We pastors and our people praise God for this great moving of the Holy Ghost throughout the Camp Meeting.

WHAT MISSIONARIES THINK OF THE NEW CRUSADE

by Russel Kensinger

On behalf of the missionary personnel of the Assemblies of God in Nicaragua, we wish to express our gratitude for the recent visit of Brother Lindsay. After some years of praying for help to build native churches, it seemed to us a most timely and definite answer to hear of this added project now considered by your fellowship.

We wish to express our viewpoint on the matter first of all. Our missionary labour in Central America is committed to constant effort to establish the "indigenous national church," because experience has taught us that the strongest national church grows out of its own vision and sacrifice with the corresponding blessing of God upon it.

As for building the "small native churches," in their early struggle against the pressures financially in these countries where the economy is below their ability to fully finance the small building project, we have been exceedingly burdened with the problem of helping in each necessary case, due to the limitations financially of our combined missionary budget and program. Through personal missionary effort, two new pine chapels have been built up in two new towns of importance. In one case, the local interested nationals provided the lot. Sometimes this is possible, and always is considered best when possible.

With our Bible Institutes in the increasingly heavy program of training national ministers, the prospects are greatly enhanced to thrust new workers forth into the Harvest. The need for a modest "meeting place" and living quarters for the worker and his family becomes quickly the pressing issue of concern. To the Latin mind also, there seems to be a natural confidence commensurate with the ministry of the worker when visible steps are taken to establish the work, modest as this step may be. In most every case, there is immediate cooperation offered by new converts. But just as often, the project may be long delayed for lack of sufficient help for roofing, nails, etc. Lumber and building blocks are often the most easily provided by the local congregation. Occasionally there are opportunities to purchase a lot and building ready for use, on time payments, but lacking sufficient financial strength for a required down payment.

It is also our conviction that it is well to expect from the local congregation the responsibility to repay into a Revolving Fund a good percentage, if not all, that has been offered them. This method has been begun on this field in Nicaragua with a special help given several years ago, and which has resulted with much blessing to the two churches, recipients.

It was mentioned to Brother Lindsay several very great needs for this kind of extra help that exist here on our field at this time. There are several other towns and villages that will be coming up for consideration soon, if the Lord tarries; but these we will offer for your consideration.

FACTS ABOUT THE NATIVE CHURCH CRUSADE

1. The NATIVE CHURCH CRUSADE is a simple plan developed by THE VOICE OF HEALING by which any American family can sponsor the building of a native church in a foreign missionary field and thus have a vital part in fulfilling Christ's command to evangelize the nations.

2. Hundreds of trained nationals are ready to enter this crusade. They are not asking a salary for themselves, as they will be supported by their own people even as evangelists are here in America. What they are asking for is for assistance to put a roof over the congregations that are formed as a result of their efforts.

3. The people in the villages will donate the labor, hew timbers out of the forest, make the building blocks, sometimes provide the lot, but they need help, to buy nails, windows, doors, roofing, cement for floors, etc.

4. Because the cost of building these churches is small, the average assistance needed is only \$250, sometimes less, sometimes more. The completed building is, of course, usually worth many times this amount. Your gift, however, makes the difference between having a church and a congregation and no church and no congregation.

5. The native church plan enables you to finance the building of a church for as little as 20 or 10 dollars per month.

6. The plan calls for the completing of the project inside of a year or less.

7. A local revolving fund is used in connection with this plan which makes it possible for the new congregation in turn to sponsor the building of another church.

8. The plan enables a person, or a group of persons, to sponsor the building of a church for the cost of a washer, an electric stove, or a refrigerator.

Thus it is within the ability of the average American family to have sponsored their own church in a foreign land. (For those who are able, larger projects in larger cities are available.)

LIVING BY FAITH

by Paul Wells

"... and the life which I now live in the flesh I live by the faith of the Son of God . . ."

My father, James M. Wells, wrote the gospel song "LIVING BY FAITH" copyrighted by R. E. Winsett a number of years ago. He was a man whose heart God had touched. He had been often led of the Spirit to transfer from job to job in various cities to organize Sunday Schools for the glory of God, and began to teach the miracles of God's power both in healing and in salvation. With a background of Holy Ghost parents and a father who could write a gospel song such as "LIVING BY FAITH," it is not hard to see how God led me into a supernatural Bible deliverance ministry years later.

PAUL WELLS

THE HAND OF GOD FOLLOWS HIM

I returned to my home and still did not serve the Lord — went through high school — fought in golden glove tournaments, played football and many sports. Sometimes on trips with the team by bus or train, our life was in jeopardy. The hand of God has saved me from the death of tuberculosis, and many serious accidents. While running with a crowd of teen-agers who were playing on the same football team with me, we were driving at a very high rate of speed, nearly 90 miles an hour, in a high-powered automobile and five of us were in it. We heard a peculiar noise and after driving a couple of miles decided to stop and see what the peculiar noise was. To

our amazement, the peculiar noise was the axel that had nearly worn in two, and shortly after stopping the car, the axel broke of its own weight while standing along-side of the road. It was another incident in our life in which God had had His hand upon us to preserve us for the work of the ministry that was yet to come.

After a short time, I gave my heart to the Lord Jesus Christ, and was gloriously baptized with the Holy Ghost. While still fighting the call of God, World War II came along, and in August of 1942, was drafted and found myself in Abilene, Texas, in Camp Barkley taking basic training prior to overseas service. While attending Rev. McCann's church, God renewed the call and opened a field of service whereby I might work on a Radio Broadcast, conduct street services, preach the gospel in the camp, and made it possible for a chapel service to be opened up, and I had the opportunity of leading many scores of soldier boys like myself to the saving knowledge of Christ and to the experience of the baptism with the Holy Ghost, before their going overseas. Some never returned from the great battles overseas, but they had found Jesus Christ in my chapel service.

Our chapel ministry was often threatened because in our Pentecostal services we sought the baptism, prayed for the sick, and anointed handkerchiefs for those who were sick and suffering and had loved ones who were sick. The chaplains got together on the post and tried to close our service because we had larger crowds to our Pentecostal Monday night services than the chaplains could have by forced services on Sunday. During the war time, God preserved and kept us

(Continued on page 10)

As a young lad in Coffeyville, Kansas, many years ago, I would often carry a little kitchen stool and a small Bible in my hand and go from house to house and knock on the door and then ask for an invitation to come in that I might preach to them. Only a child of four and five years of age — yet the hunger for the ministry and the desire to do the will of the Lord as a small child was strong upon me. In later years at the age of approximately twelve, the Lord Jesus Christ in a children's service, called me to preach the Gospel. However, from the age of 12, and clear through and including my induction into the army and on until 1946, I had fought the call of God, and tried to dim the call by doing many other things such as radio broadcasts, being liberal with my finances to by-pass the call of God upon my life.

AFFLICTED WITH TUBERCULOSIS, HE RECEIVES A MIRACLE

However, during the time that I was fighting the call of God, I was afflicted with tuberculosis. Suddenly, instantaneously, the tuberculosis had fastened itself upon me and in three short months the doctors had given me up to die. There was no hope for my survival from the terrible disease of tuberculosis. Still in sin, living outside the Kingdom of God, and knowing that I was going to die, I did not seek the Lord. My mother attended the church in Taft, California where Brother L. D. Hall was our pastor. Rev. L. F. Romines in a neighboring city also had been a close pastoral friend of our family for many years. Brother Hall and Brother Romines came to the hospital and prayed for me. I had already been told that I would die. After a few weeks, Brother Hall came back when it seemed hopeless, and laid his hands upon me anointing me with oil in the name of the Lord, and God instantaneously healed me and restored me to health.

WHAT IS THE PROPHETIC SIGNIFICANCE OF THE PRESENT WORLD CRISIS?

(Continued from page 5)

economic unity in the world—far out-distancing either Russia or America's growth. The whole program has become so successful that the timetable for the additional tariff reductions is being speeded up, to be completed in four more years. And now Britain is practically forced to join this Common Market for survival. Once the Common Market evolves into the United States of Europe, will it not be ready to be taken over by the Antichrist when he appears on the scene?

On June 6, 1944, America gave heavily of the blood of her sons in the Normandy invasion, hopeful that it would save Europe and inaugurate a democracy. But notice how the Normandy invasion was marked by the number 6 in such a way to clearly identify the rise of the Beast system.

The invasion of Normandy on D-day took place at the 6th hour

of the 6th day

of the 6th month

of the 6th year of the war!

"Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred and threescore and six." (Rev. 13:18)

AMERICA IS BEGINNING TO AWAKEN TO THE TERRIBLE POSSIBILITIES OF ATOMIC WARFARE

Strangely enough, during the past 15 years, America has not really realized the meaning of atomic warfare. Many articles have been written and much has been said, but America has gone on the same as ever. Now at last the grim news has begun to sink in. America is now paying the full price of its support and affinity with Russia during World War II. Despite the fact that Russia made it possible for Hitler to begin World War II, and despite the fact that the two joined together to divide Poland and the Baltic countries, America condoned this criminal action by lending godless Russia 18 billion of lend-lease supplies. Russia has been true to type by now turning against those who saved her armies from certain defeat on the battlefield. Atheism knows only deceit and treachery. Truly the hour of reckoning for the world is at hand.

The word has recently gone out from Washington to begin preparing bomb and fallout shelters. Cities are now assigning corridors and rooms of subways as shelters in case of attack. Los Angeles has considered mass shelters costing half a billion dollars. Roads are being mapped for mass evacuation. One man

in New York has said, "We hope and pray that the thing we're preparing for will never happen, but we must prepare for it." We need not be in doubt, for the Prophet Isaiah has told us what is going to happen. People are going to go into holes and the rocks seeking to escape the destruction which is coming toward us like a storm. (As we go to press Russia announces an H-Bomb explosion equivalent to 50 million tons of T.N.T.) (Isaiah 2:19)

There is an A-bomb shelter, however, for God's people. We need not go far to find it. It is found in the 91st Psalm.

"He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty . . . Thou shall not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee."

God help us to do our task during the final hours of this age. God help the Church to join together in a great heroic effort to evangelize the nations and thus fulfill Christ's great commission.

LIVING BY FAITH (Continued from page 9)

from harm and danger and directed our pathway into a path of Bible Deliverance.

READS ABOUT THE DELIVERANCE CAMPAIGNS

Upon coming out of the army in 1946, I picked up an article that had been written by Rev. Gordon Lindsay, concerning the miracle ministry of William Branham. I began to read how God was restoring, as He said He would by the prophet Joel, what the palmerworm and the cankerworm had destroyed. I read everything that I could find concerning the ministry of William Branham, and Freeman, and Roberts, and down the line as men were used of God, and there came an awakening to the Deliverance Ministry.

At first I opposed the deliverance ministry for it seemed to me as a show of the flesh, and I felt that preachers were moving into an area of popularity and importance over which they had no particular right. During this time, while being in a measure opposed to the deliverance ministry and not seeing the light, though having had a foundation of faith to believe God for many miraculous things, God dealt with my family.

My wife was afflicted with fibroid tumor of the female organs at a time

when our daughter would be born in a few short months. The doctors said it would be impossible for her to be born normally, and that she would not be right, if it was not a still birth. Through prayer and faith I began to seek God, and God began to lead us into a deliverance ministry. While pastoring the Assembly of God Church in Santa Paula, we prayed and the church prayed, and God answered our prayer. The Lord healed my wife; our child, Sheri Lee, was born and gave us a new lease on faith in God.

We declared a deliverance ministry to our church publicly, and began to conduct campaigns both in the church and surrounding cities calling for the healing line and praying for the sick. God blessed our ministry and wrought miracles in our own congregation. People with club feet, blinded eyes, deaf ears, tumors and cancers were healed, and one night a precious woman who had been a faithful Sunday School teacher and worker in our church for many years, had been afflicted with a bad heart condition and actually died in the service. She just expired there in her seat and the death sweat was upon her, the rattle had gone out of her throat, and her eyes were set in her head. Through faith in God and prayer, God restored her within a few seconds. Her testimony was, "Brother Wells, I was in heaven. You should not have brought me back." She had already died, but God had mercy and performed a miracle of raising a woman from the dead who had been dead a few seconds in our own church.

God has blessed us in our association with the Voice of Healing. Last summer while conducting meetings in Germany and in Ireland, and Italy, we were thrilled to see the miracle working power of God heal the sick, open the blind eyes, unstop the ears of the deaf, and straighten out the paralyzed limbs. This has been a great experience. Now, as I work in a closer association with the Voice of Healing, and with Evangelist David Nunn in Winning the Nations Crusade Radio, it is our desire through Radio to reach behind the Iron Curtain, the Bamboo Curtain, in areas where the Gospel is not preached, and tell the story that Jesus Christ came to seek and to save, to baptize with the Holy Spirit, and to heal those who are sick and suffering.

God has blessed us in a special way, and for this we are eternally grateful that we might minister the healing balm of Gilead which is imparted to us by the gift of the Holy Spirit. We rejoice today in a miracle ministry given to us by the Lord Jesus Christ which is a restoration spoken of by the prophet Joel that in the last day he would restore that which the cankerworm and the palmerworm had eaten.

Faith Clinic

by **W. V. GRANT**

Do you think that these evangelists are really qualified to preach to the Moslems and Hindus before they make a thorough study of all religions, so they will be qualified to win an argument?

This sincere question comes from a minister's daughter who is spending about seven years in college so she will be well qualified to win an argument from her people of other faiths. Thus she feels that much study will help prove her points in missionary work, so she can teach the heathen. She insists that we must not go to the foreign fields until we spend many years in education and training.

NATURAL REASONING

Natural training is wonderful. God puts no prize on ignorance. But education within itself is not enough.

I was talking to an ambassador as we were in an airplane near Los Angeles. I was trying to tell him that Jesus was born of a virgin. He let me talk about an hour. About the time I thought I had convinced him I asked him what he thought. He smiled and said, "Sir, we don't believe the case. You argue it; we just don't believe it." That was the end of that discussion.

In another plane near Tokyo, Japan I was talking to some university teachers who were educated in America. They acknowledged that Jesus was a good man. But as much as they tried, all of them could not really believe that He was virgin born. As much as I tried I could not prove to their satisfaction that He was divine.

In Jerusalem a few weeks ago I pointed to the place where Jesus ascended back to heaven. A Moslem showed me where Mohammed ascended into heaven.

"Yes," I said, "but five hundred people saw Jesus after He arose."

"Where are they now?" he asked.

"They are dead now," I answered.

Very quickly he answered back with a grin, "That is what I thought."

In Hong Kong, China I went into the office of a business executive. He had hundreds of gods on the wall. I started to tell him about Jesus. He took hold of my shoulders and held me.

If I told him I felt good he said that he felt good. If I told him I had the peace and assurance he said that he also had peace and assurance. If I tried to prove my point he tried to prove his point. He had studied other religions. He was educated to debate. I left him to remain a Hindu.

MODERN MISSIONARY METHODS

Schools, hospitals, compounds, training, preaching, education, personalities and matching wits are not enough for our job.

We preach; so do the Communists. We go into all the world; so do they. We send missionaries to Africa to preach. The Moslems send one thousand each month. They have been educated. They can argue and debate. They have studied other religions.

The Buddhists are building temples in America. The Jehovah Witnesses sect are winning converts.

THE SCRIPTURAL WAY

John the Baptist knew doctrine. Yet he was in doubt whether or not Jesus was the Christ. He sent a committee to ask if Jesus really was the Christ. Jesus sent back this proof: "The blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached unto them," (Matt. 11:5)

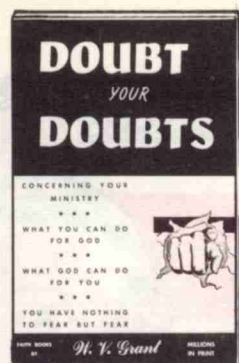

That should be the proof today. Jesus said that the works He did, proved that He was from God (John 10:25). These signs that are to follow every believer prove that we are sent of God. That is the way Jesus confirms His Word (Mark 16:16-18). The translation of Scofield says, "But they set off and preached every where, the Master working with them and confirming the message by the signs that AUTHENTICATED it."

Go tell John (Matt. 11:5). Every John in the world, even the one in Rome, should be told that Jesus is alive and confirms His Word.

Jesus' last command was for us to go into ALL the world to EVERY creature — with this gospel. This is His plan to evangelize the world. The signs will follow. When Peter was questioned about the healing of the lame man he immediately told them that it showed that Jesus was alive and still doing the works He once did. (Acts 4:10). This was the proof that he offered that Jesus was alive.

We are not to explain the gospel. We are to proclaim the gospel, which is glad news, that Jesus has opened the prison doors, that the people may walk out (Isa. 61:1). If I bring you a pardon I deliver it to you. It is not for me to explain it. I proclaim it. You walk out. This we do in the very simplest language. The heathen believes it and walks out of prison.

We don't debate with the heathen. If a man is convinced against his will he is of the same opinion still. Win an argument and lose a friend. We don't try to defend the Son of God. Jesus is like a lion; He will defend Himself. He is the Lion of the Tribe of Judah. We are to do the same works the disciples did. It is a commandment that we do so (Matt. 28:19).

A Christmas Bible

"It's from mother. I love it,"
came back Frank as he hugged
his Bible to his breast.

It was the Christmas season in Columbiana, Alabama. For the Norris family, it was to be a bleak one. Drink had reduced the household, to abject poverty. Nor was the father troubled by the dire state of affairs.

Not so, the little Christian mother. The annual community Christmas tree was to be held that night at the schoolhouse. Her young seven year old son, Frank, begged to go. But how could she let him go, when all the rest of the neighborhood children would have packages under the tree and there would be none for her little boy? Her mother's heart yearned for a solution. Oh yes, she had earned a little by doing odd jobs for various families. She rushed out to do her Christmas shopping. Back she came, wrapped up the present and sent it to the school.

Christmas Eve arrived. The schoolhouse was full and overflowing. All the neighborhood children waited restlessly. The town banker's two sons were there, all dressed up in their finest. Little, illclothed Frank sat wide-eyed, staring at the mountain of gifts.

Finally, at long last, the program was over, and the gifts began to be passed out. The banker's sons were well remembered. Every few minutes, their names were called. First it was a red wagon, then a new suit of clothes, toys and more toys, clothes and more clothes!

The mountain of gifts under the tree was gradually disappearing. Tiny Frank's name had not yet been called. Nor did he expect it to be. But his little heart, hoped against hope, that it would be.

Now, only three presents remained under the tree. "J. Frank Norris," spoke the clear, strong voice! Electrified, the lad sprang to his feet! His name was called! He had been remembered! Hurriedly, he opened the

package. A Bible, from his mother!

With heart pounding excitedly, he returned to his seat. The banker's boys asked, "What did you get? Only that book?" "It's a Bible," replied the child. Then taunted the boys, "You can buy that for fifteen cents." "It's from my mother, and I love it," came back Frank as he hugged the Bible to his breast.

Another year passed. Things hadn't changed in the Norris home. Frank was standing outside the public school. The banker's two sons, now twelve and fourteen years old, passed by, dressed in fine clothes, with warm, nice overcoats on. "Your coat is too small, Frank," they mocked. The eight year old lad, dressed only in a thin cotton suit, knew it only too well. As if to add fuel to the fire, one of the boys pointed his finger at Frank and said, "Your daddy is a drunkard. Ours is a banker."

To escape further ridicule, Frank took refuge in the schoolhouse. There, with head buried in his hands, his teacher found him. Assuming he was sick, she sent him home.

When he walked into his humble home, his mother asked, "Frank, why are you crying?" He couldn't find words to answer, so she tucked him, lovingly into bed. Later that night, she crept to his bedside, put her arms around him, and said, "Tell mother, so we can both cry together."

With the fountains of the deep, in Frank's tiny heart broken up, he unburdened to his mother the story of the bitter and insulting remarks. (His father, at that very moment, lay drunk in the next room.) "Don't worry son. Some day, you will have nice clothes, you will be a man, and God will use you," comforted his mother. "Mother, please don't make me go back to school," he begged.

"You don't need to. Mother will teach you," was her answer, as she brushed away his tears. She made good her promise, teaching Frank from his Christmas Bible. He memorized whole chapters.

Thirty years passed. Frank had a longing to visit his hometown, Columbiana, Alabama. He had on a new suit of clothes, nice overcoat, and a fine pair of shoes, which one of his members gave him as a gift. Leisurely, he strolled through the county courthouse square.

Coming down the street, was a bedraggled looking man, with several week's growth of whiskers, his white hair showing through a hole in his hat. Frank's cousin asked him, "Do you know who that is?" "No." "It is Sam, the banker's boy. He has nearly drunk himself to death."

Sam, his face revealing a life of sin, extended a shaking, palsied hand, as he said, "Frank, you are fine looking. Fortune has been better to you than it has to my brother and me. My father left us a fortune, but it's all gone now."

Frank shortly after that entered seminary. He was to become one of America's most dynamic preachers. Simultaneously, he pastored the First Baptist Church

How the Gift of Prophecy Works

by Anna Morehead Schrader

(Ed. Note: Anna Schrader has known and ministered with many of the leaders in Pentecost since the earliest days of the present outpouring of the Spirit. All agree that she possesses a rare gift of prophecy. Because she has been unable physically in recent years to minister to many who would come to her, she has found it necessary to somewhat withdraw from the public. Nevertheless, she kindly consented to this interview, and we are sure that her answers will be of great interest to our readers. In this field she speaks with authority.)

QUESTION: Sister Schrader, God has given you a wonderful gift of prophecy. I wonder if you could tell us something of how it came to you?

ANSWER: The gift of prophecy came to me after months of rigid prayer life. Then in a convention in Houston, Texas, the gift of interpretation came to me during a three day fast, in an amazing manner. That gift already resident, was released when Brother E. N. Bell spoke in tongues. After a copious flow of interpretations, prophecy began in this way; the Spirit moved only in the English language to utter prophetic words much like those of the ancient prophets. Thus I was no longer dependent on "tongues" to "prime" the prophecies contained in messages of tongues and interpretations as in I Cor. 14:6. However, the latter gifts still work freely as the occasions served.

QUESTION: How would you say that prophets of today compare with those of Bible days?

ANSWER: True prophets of today are identical to ancient-time prophets.

QUESTIONS: You mentioned that you received the gift in the year 1908. Although there has always been some manifestation of gifts during the church age, would you say that the general restoration of the gift prophecy to the church came at about that time?

ANSWER: Yes. I witnessed the gift in 1909, in others also.

QUESTION: Is the gift of prophecy infallible, as the Scriptures?

ANSWER: Yes, but only when manifested by the Spirit, as in II Pet. 1:21. "For prophecy came not in old time by the will of men; but holy men of God spake as they were moved by the Holy Ghost."

QUESTION: If the gift of prophecy is infallible, how would you harmonize this with the prophet who told a lie? Or did he do this deliberately? (I Kgs. 13)

ANSWER: One must infer that the old prophet was deliberate in telling the young prophet that an angel told him to eat with him. The Scripture says, "But he lied to him." This episode is identical with other prophecies of prophets who spoke out of their own hearts. For instance, Ezekiel 13:1-2, "Son of man prophesy against the prophets of Israel and say unto them that *prophesy out of their own hearts*. Hear ye the word of the Lord. . . . *Woe unto the foolish prophets that follow their own spirit and have seen nothing.*"

Envy against the young prophet's ministry could easily have deceived the old prophet to speak contrary to the words of the Lord. "The heart is deceitful above all things and desperately wicked, and who can know it." This is a warning to all prophets today. No one is moved by the Holy Ghost to lie. One who does such things opens the door for lying spirits to enter. "Now therefore, behold, the Lord hath put a lying spirit in the mouth of these prophets, and the Lord hath spoken evil against thee." (II Chron. 18:22)

QUESTION: Why did not Jonah's prophecy of the destruction of Nineveh come to pass?

ANSWER: That prophecy was conditional as in Jer. 18:7, 8. "At what instant I shall speak concerning a nation, and concerning a kingdom, to pluck up, and pull down, and to destroy

it; if that nation, against whom I have pronounced, turn from their evil, I will repent of the evil that I thought to do unto them . . ." Thus, God's righteous word must be vindicated in sparing Nineveh which was destroyed many years later.

QUESTION: Could you tell us how the gift of prophecy works in your ministry? Perhaps it works in various ways.

ANSWER: Yes, Brother Lindsay, the gift operates through me in different ways. For example, one day last year, the Spirit spoke that I would prophecy that night at the First Apostolic Church after a certain man spoke with tongues. I went to church with the burden of the Lord upon me. A Jewish speaker that night related his receiving the Baptism of the Holy Ghost. Then a minister spoke with tongues which I interpreted. Then I prophesied as I was commanded. Divine wisdom poured forth its words to Brother Jack Robbins about his great ministry to Israel. Brother Robbins was overjoyed with the confirmation.

QUESTION: Could you tell us something about the inquiries of the Lord through prophecy?

ANSWER: There are many examples in the Scriptures. The first we find in Exodus 18:15 where Moses said, "The people come to me to inquire of God." Both Moses and the prophets inquired of God for the people who came to them with their problems; also kings and their subjects went to the prophets of God to inquire of them. Now an inquiry is different than a voluntary prophecy. A voluntary prophecy is when God speaks of His own accord, for example, Acts 13:2. "As they ministered to the Lord and fasted, the Holy Ghost said, Separate me, Barnabas and Saul for the work whereunto I have called them." And when they had fasted and prayed and layed their hands upon them, they sent them away. So they being sent forth by the Holy Ghost, departed unto Seleucia; and from thence they sailed to Cyprus."

Both prophets and prophetesses answered those who came to them for inquiries. When the king of Israel (Ahab) and Jehoshaphat, king of Judah were oppressed by the Moabites they inquired of the prophet, Elisha, about how to defeat the Moabites. Elisha was reluctant to answer Ahab because of his wickedness, but because he was with Jehoshaphat, a good king, he had a minstrel play until the hand of God came upon him. Then he commanded the people to dig ditches, which became a miracle, for the ditches filled with water without rain. The Moabites rose early in the morning and seeing the red sunshine upon the water, thought it was blood — the blood of SLAIN KINGS, but it was only a lure from God, and it led to their defeat.

LED TO MAKE A PRAYER COVENANT WITH GOD

Dear Brother Lindsay:

I am writing to thank you very much for the wonderful books you so kindly sent me. The books have been a rich blessing and I have passed them on to others to read and return.

I had read a few chapters from the book, "Praying to Change the World". After making a prayer covenant with the Lord, He is wonderfully answering prayer and opening up new avenues of service. Praise His Name!

Very recently the Lord has burdened me more to pray for the "Voice of Healing" ministry. And I am daily remembering your ministry in prayer. It is such a joy to pray for your God-given ministry. Glory to God! Ranjit De Silva

APPRECIATES REGIONAL CONVENTIONS

Dear Brother Lindsay:

Thank you and your fine co-evangelists for your inspirational messages when you ministered to us in Seattle. Your encouragements for faith and your positive prayers for deliverance really help us to step up a little higher to claim God's best.

Your afternoon studies were especially helpful to me. Your own positive faith along with your teachings enabled me to take hold for complete deliverance of several minor afflictions.

K F A X LISTENER REPORTS LEUKEMIA MIRACLE

Dear Brother Nunn:

Quite by accident I turned on KFAx and heard your voice a few weeks ago. I wish to report a miracle that has been good for six and one half years. In 1956 while living in Compton, Calif., we attended your tent meeting. Our son was 9 months old and dying of Leukemia. Shots, transfusions were all to no avail, our son was dying. When you called a prayer line my husband was first in line with our son Randy. After you prayed, instantly color came into his cheeks, his blood became normal in just a few weeks and six and one half years later he is healthy and happy. My eyes fill with tears as I write you thanks again and how happy we are to hear you now on KFAx. God Bless you in this ministry.

LETTER FROM HYMAN APPELMAN

Dear Brother Lindsay,

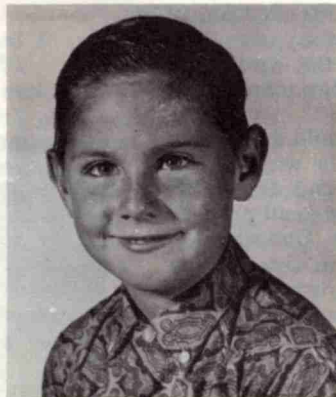

That is a tremendous brochure you have on the Thirteenth Annual Voice of Healing Convention at Dayton, Ohio. Sincerely without reservation I should like to be there. The Lord has so graciously blessed this year. In the ten weeks ending September 10, 1961, I conducted five two week area-wide campaigns in the counties of Douglass, Dawson, Stephen, Lee and Bell counties of Missouri. In these meetings there were at least 1935 people dealt with in the inquiry rooms which, because of the narrowness of the evangelist's invitation, more than 1450 coming definitely either on the profession of faith, or already Christians by transfer of membership, for church membership. In every case, every previous record for attendance, for results, for swiftness in which incidental expenses were raised, were absolutely superceded.

CONCERNING THE BOOK — CHRIST THE GREAT PHYSICIAN

Some sister in U. S. A. sent me your book, CHRIST THE GREAT PHYSICIAN. It is: An outstanding testimony. A monument of God's faithfulness. A whole Family testimony. A soul-touching narrative. A homeliness not found in many. I trust many will read it and be lifted above the try to believe level. I do love that booklet.

ORDER THESE FIVE ONE-DOLLAR BOOKS (or any other five below) AND GET TWO BOOKS ABSOLUTELY FREE.

THE SECRET OF PRAYER THAT MOVES MOUNTAINS — If you need power to move "mountains" that are in your way, power to make the invisible become visible, power to solve your spiritual, physical and financial problems, then here is the book for you. This book contains nineteen chapters revealing the great secrets of prayer. It will show that "Nothing shall be impossible unto you." It is filled with illustrations to how men accomplished the impossible by putting to work these great secrets of prayer. 128 Pages. **Price \$1.00**

GOD'S MESSAGE TO HIS CHURCH — This is a collection of 109 modern-day inspiring prophecies of the church, including 32 previously published. No one can read these prophecies without experiencing a renewed determination to serve God and prepare for the coming of our Lord. **Price \$1.00**

LIFE AFTER DEATH — What happens to children when they die? What did Jesus mean when He said, "The gates of Hell shall not prevail against His church?" What about the heathen who die without the gospel? Are the dead conscious? What are Hades and Paradise like? Is there a second chance for those who reject Christ? These and other important questions answered in this 128-page book. **Price \$1.00**

THE REAL REASON WHY CHRISTIANS ARE SICK — Why are so many Christians sick, and why do they seem unable to receive healing? We believe this is the one book on the market that deals entirely with these questions. About 100 pages. **Price \$1.00**

WORLD EVANGELIZATION, NOW — This volume tells all about the deliverance ministry. It gives firsthand information on exactly what the name implies. It contains Christ's ten lessons on healing. It answers many difficult questions. It could be aptly called a textbook for those seeking a deliverance ministry. **Price \$1.00**
