DEDICATION SERVICE
ASSEMBLIES OF GOD REVIVAL CENTER
SEOUL, KOREA • OCTOBER 15, 1961

Victory in Korea! At last the joint project of the Assemblies of God, Sam Todd and the Voice of Healing is completed in Seoul. This great tabernacle will be a nerve center for revival in the nation of Korea. Sam Todd spoke at this dedication service. Large numbers on the outside were unable to get in.

LETTERS AND TESTIMONIES

From the Voice of Healing World-Wide Radio Ministry Broadcast
(HELP US PUT THIS BROADCAST INTO EVERY HOME)
These are letters addressed to David Nunn and Gordon Lindsay . . .

Here is my testimony of how God so wonderfully healed my sick body. You anointed me and prayed the prayer of faith. God healed me of gall bladder trouble, low blood pressure, and a nerve trouble that I had had for twenty years.

I praise God for his mighty healing power. I just can't express in words how I feel, but praise God I know it is real.

HEALED OF LEUKEMIA

God has healed me of acute myelogenous leukemia within the last twenty months for which I can never praise Him enough.

Even though we did not send a prayer request to you, the articles of faith and the testimonial letters printed in the Voice of Healing helped to inspire me to believe that what God has said, He will surely perform. There is nothing impossible with Him! Bless His Holy Name.

DELIVERED FROM HEART TROUBLE

I wrote you a letter the first of November asking you to pray for my brother who was having heart attacks. Well, praise God, he has been healed and is able to go back to church again. That is something he could not do for four or five years.

The doctor stopped him from going to church; any place where he might get excited, but praise God, they can't stop him now. He is so happy. He can't praise God enough. He is testifying about it everywhere he goes. I surely do give God all the glory.

HEALED OF CANCER

mind I would trust God no matter what

I had a cancer in the bottom of my foot and suffered until I could hardly walk. I heard about Bro. David Nunn's meeting in Americus, Ga., and came on a Sunday afternoon for prayer. My faith was very low but I had made up my

happened. Just before Bro. Nunn prayed for me, he prayed for a lady with varicose veins and as I was looking these veins went away — vanished, and my faith soared and I believed God would heal me. Bro. Nunn prayed for me and I went home and though Satan tried to defeat the work of God, two days after prayer the cancer fell out in my hand and I have been well since. God spoke to me that He was going to show me a miracle and then the cancer fell out in my hand.

HIGH BLOOD PRESSURE

Dear Brother Nunn:

I am 75 years old and I had high blood pressure for 10 years. It was bad and I had one stroke, but praise the Lord, when I received my anointed handkerchief the Lord reached down and healed me instantly.

I sure praise the Lord for his healing power.

RADIO AT THE VOICE OF HEALING LOOKS BACK OVER ITS MOST VICTORIOUS YEAR BROADCASTING. With Many Successful Radio Rallies, Over 12 Stations Added, and a New Full Time Radio Promotion Director - - - Radio Speaker David Nunn Reports on the Past, Present and Future of Radio.

1961 was a year of Victory for us here at the Radio Department. We have seen a substantial growth, in new stations and the older radio outlets have become self sustaining for which we praise God. Our Radio missionary rallies have been a tremendous blessing to the Winning the Nations Radio Broadcast and to the churches where we ministered. We had the privilege of meeting many of our old friends of long standing, and welcomed into our circle of Radio friends scores of new ones. Many wonderful miracles took place, the blind, deaf, the crippled and infirm received their healing from our Wonderful Lord and Saviour Jesus Christ.

Our meetings overseas in Puerto Rico were gloriously blessed of God from the very start. We saw thousands born again and healed by the miracle working power of almighty God. Five hundred came to Christ at the first invitation and the miracles of God's power continued night after night. A healing that stands out in my mind was a precious girl of fifteen whom they had to carry to the meetings and who had never walked in her entire life. Immediately after prayer, she was assisted to her feet and began to walk to the amazed delight of the onlookers. We can but praise God for His mercy and miraculous power in that in this twentieth century the blind still see by the power of God and the lame walk.

God gave us an effectual door of ministry in Norway, the land of the midnight sun. It was in this great country that God gave one of the greatest miracles of our entire ministry. God's power fell and people arose from wheel chairs or walked without crutches; some took off their braces they had worn for years. So great and so many were the miracles that accurate count would be impossible. However, we are even as I write this today, still blessed with the power and presence of what God did in the land of the midnight sun.

This year in Baltimore, Maryland, I ministered to a woman totally paralyzed. She was carried into the tent services one night weeping in such great pain that it was next to impossible for her to even be brought to the services. After prayer I commanded her in the Name of Jesus to arise and walk without pain. To the utter amazement of all present, she did just that and to this very day has been walking and that without pain.

TESTIMONIES FROM THE NUNN REVIVAL, PUERTO RICO

I was blind in one eye for 60 years. During Brother Nunn's Mass Prayer, God opened my eye. I now can see perfectly.

Guillermina Almodovar (Age 63)

In Columbia, South Carolina, a baby born blind was brought to my service. After prayer there seemed to be no visible change; then the next day the mother called to say the baby was seeing and reaching for objects held out to it. Truly God is a good God and every heartache He understands. Surely He hath borne our sicknesses and carried our diseases and 1961 has been a glorious year of victories! But it is now history and we look forward with great anticipation of His continued blessings and miraculous power for 1962. We must now look forward to 1962 with renewed zeal and faith for the greatest year we have ever known for the kingdom of God. We must dedicate ourselves so thoroughly to Christ that we can accomplish more for Him in 1962 than ever before. I am praying that God will give us radio stations in every state carrying our Full Gospel message to the ends of the nation and eventually the world. As we look at the tremendous financial burden this involves, it would seem impossible for us to undertake any more than we already have, but God is able to make all grace abound towards us in all things that we having all sufficiency might by faith reach out and take these stations as they are made available. I am going to trust God to help me by the grace of God to accomplish this in 1962.

God is moving for us and opening doors for our return to Central America for Campaigns this year. I have a great burden for the Latin American people and God is making it possible for us to have a great campaign there this year. I would like to solicit your prayers for this campaign which will, God willing, start the latter part of April and continue as God blesses and directs.

The bulwark to the spread of communism has and always will be the Gospel of Christ. The power of Christ's transforming power is all that can save the world from chaotic destruction. Let us pray together, work together for the consummation of this goal of winning the nations to Jesus in 1962. In conclusion may I say, "THAT THE WORLD MAY KNOW OUR CHRIST AS SAVIOUR, HEALER, BAPTIZER AND COMING KING, PRAY . . . GO . . . GIVE . . . IN NINETEEN SIXTY-TWO."

Evangelist David Nunn.

I had suffered with diabetes for 9 years. I am now perfectly healed. Brother Nunn prayed the mass prayer for me.

A Word from Bro. Wells

"How times flies," seems to be the constant utterance from our lips of us who live in this 20th century, globe girdling, sphere shrinking age. It seems only yesterday that I have written the words in the TVH magazine how that God had opened this effectual door of labor for us in Gospel Radio which is near and dear to my heart. As I wrote in the October TVH magazine, my vision and goal for Winning the Nations Broadcast was to put it into every state and nineteen foreign countries by the end of 1962. Now just 6 short months later I can report, VICTORY, AFTER VICTORY AFTER VICTORY FOR THE RADIO BROADCASTS. God has opened the Latin Americas with 18 daily broadcasts and 12 more stateside outlets. This has been miraculous as daily the hundreds of letters come to our office reporting the miracle power of God coming into their lives as a result of listening to the Daily broadcast of the VOICE OF HEALING.

Our radio rallies in every major city of the United States have become a source of tremendous blessing to the churches where they are conducted. More and more pastors are writing and calling us for rallies, renting auditoriums, making their churches available for more rallies. Now our rally schedule for 1962 is quickly filling up. There is so little time and so much to do. Please remember to pray for us as we labor in every available field for the furtherance of the Deliverance Daily Radio broadcast. Pray for Brother David Nunn whose excessively heavy radio preaching schedule is a constant drain on his system. He needs your prayers for strength to continue. Nearly 20 weeks of Radio Rallies were conducted by Brother Nunn this past year with some 9 weeks of Camp Meetings and Conventions being preached by him as well. However the constant flow of mail recording the miracles of God's power manifested through His life is a source of inspiration.

It has been a real joy for me to labor with Brother Nunn in Radio Rallies, Preaching, Singing and promoting through every medium available in this 20th century to get the message out. In New York our many friends came to enjoy the ministry of the word in sermon and in song. This is our calling, this is our life. Please pray for us as we continue to labor with Brother Nunn for the work of "Bringing Back the King".

Our plans now for 1962 include Radio Rallies in Washington State, Oklahoma, Ohio, Indiana, Alabama and Pennsylvania. Please pray and stand with us this year.

WINNING THE NATIONS THROUGH BIBLE DELIVERANCE RADIO

NEW DEVELOPMENTS AND PLANS FOR WINNING

by Gordon Lindsay

Gordon Lindsay, Talmadge Butler and Brother and Sister Flattery stand by Brother Butler's plane. Talmadge Butler flew us into the interior to show us the new property.

On our trip we wanted to meet Sam Todd who we knew was finishing a great meeting in Korea. He was due sometime in the next few days to return to America, but how would we hope to find him among the millions of air passengers in a hundred airports? How wonderful are God's ways. As I entered the Jerusalem airport, I went to the exchange room to change some money before going to the section appointed for departing passengers. I arrived at this room at the exact second (five minutes earlier or later would have been the wrong time), and who should I see, but my friend Sam Todd?

Well, we had the evening and all the next day together in our flight to Amsterdam.

NEW PLANS FOR ISRAEL

From Senegal we went to Israel. Brother Paul Kopp has done a fine work there in Israel in distribution of the Messianic literature that the Crusade has printed. His team moving from city to city made a strong impact on the people. Many were healed, and others have publicly taken their stand for Christ. Many secret believers are now saying, "Is not Christ the Messiah atter all?"

ONLY SEVEN HOURS of jet flight were required to take us from New York to Dakar in Africa. There we were met by the Flatterys, missionaries to this new country just opened to the Gospel. While other African countries are in the midst of toil and confusion and some in bloody civil war, this nation of Senegal, heavily populated by Mohammedans has been opened up to the missionary work.

As you know, a few months ago The Winning the Nations Crusade received an S. O. S. from the Flatterys for help. They had gone to Senegal expecting God to open the way so they could get a foothold in Kaolack, second city of the nation. They wrote that if they had only the down payment, they could secure property for an evangelistic center. That help from the Winning the Nations Crusade would mean the difference between taking advantage of a great opportunity or losing it. Well, the Crusade sent them the money, and God has answered their prayers in an amazing way. (Several churches have also helped in this project.)

Property valued at \$50,000 or more is now in the Flatterys' hands! It has two major buildings, one which includes several apartments, another large structure which can seat 1,000 people. Rentals from the properties will enable them to pay off indebtedness within a year's time! So once again the friends of the Crusade have helped make it possible to establish an evangelistic center in the heart of a nation! (See Story elsewhere in this issue.)

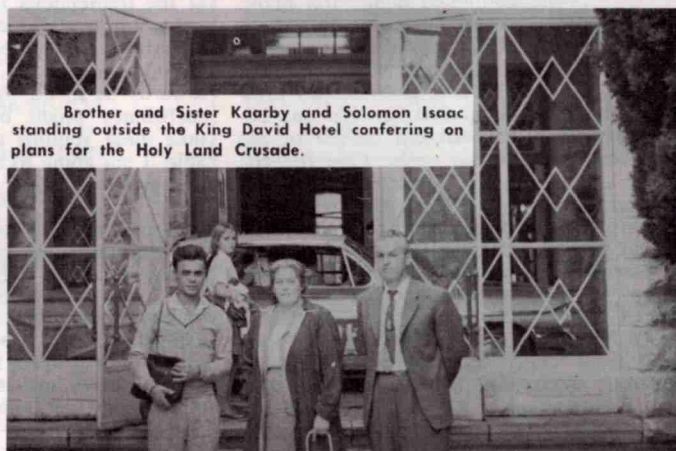

NEW PLANS IN JORDAN

Having completed setting up our program in Israel we crossed over into Jordan to be warmly welcomed by Brother Mattar, Warden of the Garden Tomb and founder of the Mount of Olives retreat which includes the present Voice of Healing Chapel.

The Mayor of Jerusalem, hearing of our arrival, asked us to visit his office. The next day he came to the Mount of Olives Chapel to have his picture taken with us.

Incidentally, the World Friendship is scheduled to reach Jordan this month with a million dollars worth of equipment and supplies for the refugees.

On our last day in Jordan we met with Ayoub Rihany, in finalizing plans for the evangelizing of Jordan. Many wonderful things are happening to encourage us. One man has offered land at Bethlehem for a church. God has laid it upon our hearts for some time to see a church established in this city where Christ was born. We will have further news of this soon.

Brother and Sister Kaarby and Solomon Isaac standing outside the King David Hotel conferring on plans for the Holy Land Crusade.

Some idea of the effect of the distribution of this literature may be gathered from the fact that 93 requests for New Testament Bibles came to our box in the week before I came to Israel!

But now we have taken another step. American missionaries can only stay in Israel for limited periods and then they cannot get their visas extended. Fortunately, the Kaarbys, Norwegian missionaries, went to Israel during the days of the mandate, and thus are able to reside in Jerusalem permanently. They have now become a part of our Holy Land Crusade. We have taken on the responsibility of providing sufficient additional assistance so they can expand their work in Jerusalem. We have helped them secure the lower floor of the property they now have for a Jerusalem Center, and to furnish it with equipment and chairs. (The Norwegian church of Rev. Sorensen's has been very faithful in their support, but the Kaarbys have needed additional help to enable them to carry on a strong campaign in Israel.)

Working with the Jerusalem team will be Solomon Isaac, police officer who helps guard the Prime Minister's home. The Crusade is enabling this devoted young police officer to secure a home in Jerusalem so that he can assist the Kaarbys in the Jerusalem project. Another young man, David Samuel, will also work with the Crusade in a plan to establish a center in Tel Aviv, the larg-

THE NATIONS CRUSADE

est city in Israel. As we go to press, we have just received word, from him that he was ready to begin December 1, in establishing this new work in Tel Aviv. We are sending a check to him today to purchase chairs and equipment needed.

THE GREAT VICTORY IN KOREA

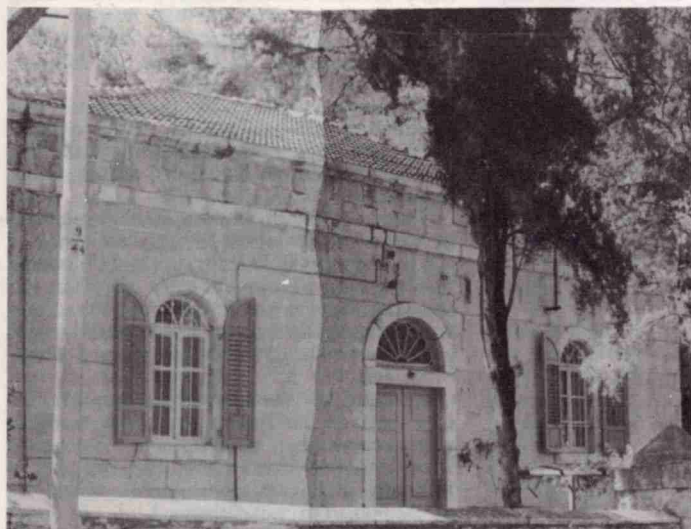

Brother Todd told us the story of the great victory in Korea. Two years ago we launched this great project in connection with the Assemblies of God. The money for the project was raised, but serious problems arose, not the least of which was the Korean revolution. Certain false brethren among the nationals used trickery to try to seize the property for themselves. Thank God, their plans were completely defeated. Now the center is finished and thousands have been saved in the revival conducted by Sam Todd during the month of October. The "crash program" for Korea in the providence of God has succeeded! And so we thank you people who by your gifts have made possible this great project in Korea.

There are many other wonderful things we could tell you including the developments of our special program in Holland. But we will inform you about this later.

IN HOLLAND

On my return trip I stopped in Holland. In a recent issue of The Voice of Healing we reported a great victory for Holland. This nation so ravaged by the late war has traditionally been a center for Protestant revivals. Nevertheless, until recently the Full Gospel work has been moving slowly in this country. While Brother DuPlessis was secretary of THE WINNING THE NATIONS CRUSADE, he carried a burden for Holland. His study of the needs of the country revealed that the most urgent requirement was a training school whereby young ministers could be trained in the Word of God for the work of evangelizing the country. He hoped to raise funds for the building of a school, but at that time was not successful. But recently he received a grant of \$10,000 which was passed through the Crusade to Holland for this purpose. Our visit to Groningen the site of the school was a great pleasure. Brother Graf, a man with a vision, is in charge of operations. Property has been secured on advantageous terms and the school started. Soon another building will rise on this property which will give much additional room for the training of young men whom we believe God will use to establish churches throughout the country. We hope that it will be possible to hold a VOICE OF HEALING convention in Holland this year.

(Continued on Page 15)

The building which will be the center for the Holy Land Crusade in Jerusalem. The lower floor will be used as an auditorium. Chairs and furnishings have been secured for the Kiarbys.

EVERY CHRISTIAN FAMILY SHOULD SPONSOR AT LEAST ONE NATIVE CHURCH

Every Christian family wants to do their best for God. We know that time is running out, and each of us want to feel that we have done our best for God. How then can we get the most out of our missionary dollars? Most of us know that if there were no preachers, there would be no churches. That is also true in the missionary field.

But after the gospel is preached, what comes next? There has to be a church where people can worship. If no churches had been built in America, the gospel would have fought a losing battle. New babes in Christ must have a home, just as babies born in the natural must have a home. We may truthfully say that the great need in the mission field is the building of native churches. Missionaries everywhere are emphasizing this need. The evangelist can live with the people that he preaches to, just as the American evangelist can live upon offerings from the people he ministers to. But in foreign lands that leaves little left with which to build a church.

Now the wonderful thing is, that not a great deal of money is needed. Often the people are able to secure a lot. They can build blocks and hew timbers out of the forest. They will donate all the labor. But all this is not enough. They must have nails, money for roofing, cement for the floor, and for doors and windows to keep out the weather. At least \$250 is required to make possible the building of a native church. (Larger native churches require between \$300 and \$400.) While the \$250 is only a part of the total cost, the money makes the difference in many cases between having a church and not having a church.

Thus it is possible for every American family to build at least one native church. Many will want to build more. When once they have experienced the joy of having sponsored a native church, many will want to build another. Be that as it may, every American family could sponsor at least one native church. For the cost of a refrigerator, a washer, a television set, they can sponsor a native church. Why not sit down this minute and fill out the coupon below and mail it to us at once? A church will be assigned to you.

We have determined on the sum of \$250 as the amount needed for the average native church. However, we find that many of the larger native churches require between \$300 and \$400.

Note: We have discovered already that many people want to pay for the church at once. Others in large payments. Still others are able to do it in small payments. Any way that is convenient for you, will be convenient for us. Naturally the sooner you can send the money, the sooner the church can be built. Why not sit down this moment and fill out the coupon below and mail it to us at once?

REPORT ON THE THIRTEENTH ANNUAL Voice of Healing CONVENTION

by Mrs. Gordon Lindsay

The Thirteenth Annual Voice of Healing Convention soared to new spiritual heights as it was held in Dayton, Ohio, November 26 - December 3rd. Metropolitan Dayton, highly industrialized, with nearly 700,000 population, is the birthplace of aviation—the city in which the first experiments in aviation were made by the Wright brothers, Orville and Wilbur, that led directly to the first aeroplane flight on December 17, 1903 at Kitty Hawk, North Carolina.

On Sunday afternoon, VELMER GARDNER, in his usual rapid-fire manner of delivery, spoke on The Three Great Things That Are About to Happen. First, God is going to send the greatest Holy Ghost revival, the world has ever known. He is looking for empty vessels. If God used a mule in the Old Testament, I believe he can use me today. The Methodists, Episcopalians, Presbyterians, and even some Pentecostals are preaching the Holy Ghost today. If the Pentecostals don't get stirred up, God will raise up somebody else that will get the job done.

Second, the greatest manifestation of miracles is right before us. My son's mother-in-law was dying of cancer and had lost over 100 pounds. One day, in bed, she said, "Lord, I'm your child. Take me to heaven right now, or heal me now." She jumped out of bed, dressed, went to town, bought groceries, cooked and ate them, and has been well ever since! A Holy Ghost filled denominational surgeon friend of mine, has had two people raised from the dead as he prayed. Five hundred Episcopalian churches in the United States now pray for the sick each week.

Third, Jesus is coming back in our time. I don't have a bomb shelter, for I believe that "they that be with us are more than they that be with them". (II Kings 6:16) Christ is coming back to be crowned King of Kings and Lord of Lords.

WALTER KRONBERG spoke passionately on Monday morning on "A Little Farther". (Matt. 26:36-46) Christ was leading the procession to Gethsemane. His disciples went just so far, but the Scripture says that Jesus went a little farther. All through His life, He went a little farther.

Connie King came recently to my meetings. She was born without ear canals. In fact, she didn't have an ear on one side, and there was no opening on the other. She had had four operations, but they did no good. After prayer, she was instantly healed, and can even hear a whisper now. Remember, if you're in a hard place, and no one can help you, Jesus will go a little farther. He can bring health and healing to you now.

PAUL WELLS, always jubilant in his preaching, spoke on The Twentieth Century Book of Acts (Acts 1:4,5), on Monday

afternoon. We'll have to have an Acts 2:4 ministry, if we're going to evangelize the world. We must stand for what made Pentecost what it is today. God said that He'd pour out His Spirit on all flesh. That doesn't mean a few Pentecostals here and there. When Israel was disobedient, God raised up "their children in their stead". (Josh. 5:7) God will raise up someone who is not disobedient, if need be, in your stead.

Calvary paid the price, and Pentecost signs the checks. I carry my bomb shelter, the 91st Psalm, with me. Someone asked me, "What would you do if a bomb exploded and sent you to Kingdom come?" I told him, "Well, that's where I was going anyway." It all depends where you're going! Some people think that God is sitting in heaven putting up barriers to block everything you pray for. Like a game of checkers. I've got news for you. God is playing a give-a-way game. He will give the Holy Ghost to them that ask. Praise God!

Ray Nobles, a former night club singer came into my service. Ray had a question mark on his face. Brother Culpepper went to him and he said, "I don't know what is the matter, but I think it may be my heart." Brother Culpepper answered, "It's not physical; it's spiritual. You're hungry for the blessing." Whereupon Ray raised both hands and promptly received the Holy Ghost. Receive your portion today.

On Monday night, RICHARD VINYARD, who had just returned from tremendous campaigns in Finland spoke on Children Playing. (Luke 7:29-32) Every church has three types in its congregation. The first are like Jesus and John the Baptist, who lived a pure life, obeyed the call and commission of God and stood for righteousness. The present Church doesn't want a watered down Pentecost.

The second class are those who are willing to repent. They hear the truth, see the light and justify God. The third class are the Pharisees and lawyers who rejected the counsel of God, "against themselves". When a man starts rejecting the counsel of God, he'll start fighting the deliverance ministry. The reason we're not reaching our cities and building our churches is that we've watered down this Gospel.

"Like Children Playing"—they have a make-believe orchestra, they go through the motions, but there is no sound. There's nothing to dance to. God intended for every preacher who stands behind the sacred desk, to be a deliverance minister. There will be no wedding for those who've rejected the counsel of God. Are you playing church? Let's get serious for God.

J. C. HIBBARD, of Dallas, Texas, pastor of the Gospel Lighthouse (one of the largest independent Full Gospel Churches in the

world) stirred his audience on Tuesday morning as he spoke on Faith. Faith is God's medium of exchange. It comes by hearing, and by studying. God never shoots over our heads. To get faith, you must recognize that the Devil is a person. He has a hobby—camping on the trail of those who are doing things for God. He attacks the individual first, then the home, the church, and the nation. God has given us a spiritual Geiger counter—the Holy Ghost—so that we can tell when the devil is getting close.

To get faith, you must also recognize God's voice. When God told me to build a church in Dallas, I didn't have a dime. God gave me the plans, but when I showed them to a leading architect, he said the building couldn't be built. A Jewish engineer decided it could be and charged me \$10,000 for the blueprints. It took \$50,000 to start. In a few months, we had the amount. We have had prayer meeting each day from 10:00 to 12:00 a.m. Today, our million dollar church is completely paid for, as is also an additional block of Sunday School buildings, two houses, and parking area. It's surprising what you can do, if God tells you to do it. You've got to make the first move though. "Unto him that is able to do exceedingly, abundantly above all that we can ask or think." (Eph 3:20)

RONNIE COYNE, the eighteen year old, who sees both with or without his plastic eye, preached like a house-a-fire. We're living in miracle days! The continuous miracle the Lord has given me is eleven years old. For when I was seven years old, I lost my right eye as a result of a piece of baling wire piercing it. The eye ball was removed at Tulsa's largest hospital, St. John's. A plastic eye was fitted, and I was totally blind in my right eye for ten months.

About that time, my mother insisted that I attend a Daily Vacation Bible School, much against my will. However, on the last day of that school, I accepted Christ as my Saviour.

Shortly after, my tonsils were swollen, so in a revival preached by Daisy Gillock, I got in the prayer line for the sick. Noticing that my eyes were not exactly alike, but not knowing I had a plastic eye, she prayed that I might have sight in my eye. Instantly sight came, and I am now able to read out of that blind eye.

Recently in Houston, three Baptist doctors received the Holy Ghost in my service, after seeing this miracle. The Associated Press has carried the story, and I've spoken to many audiences, some small, others up to 22,000. I'm not ashamed of my God. He's alive! (Dallas, Texas, TV channel 8, had Ronnie on their newscast in November, 1961. He gave a marvelous testimony at that

time. He also demonstrated to the video audience, by taping his good eye. This he likewise did in Dayton, after which he asked any six individuals to bring him something to read. Along with the others, a young man from Norway handed him his passport, which Ronnie read perfectly. The look of delight on the young Norwegian's face reflected the feeling of all present.)

W. V. GRANT, a prolific writer as well as a minister, was the Tuesday night speaker. Christ came to "proclaim liberty to the captives." (Isa. 61:1) Today, preachers try to explain, when they should proclaim. When unclean spirits come out, you'll have great joy. If you don't have great joy in your city, it's because your city has demons. The anointing sets the captive free.

One man said, "I'll get the Holy Ghost when the Lord gets ready." You're wrong. You'll get the Holy Ghost the split second you get ready. The reason you pray is to get yourself ready to receive what God has for you.

The Lord has given us power over ALL the power of the enemy. Strong devils, weak devils, rich devils, poor devils, he devils, and she devils, cancer devils, and T. B. devils. The reason lots of people come apart is because they don't take time to "come apart". Joshua shouted the walls down, because God told him, "I HAVE given you the city." That's what God wants you to do. Bless God!

On Wednesday morning PASTOR J. C. HIBBARD again revitalized his listeners as he brought another positive faith message.

Pastor CLAIR HUTCHINS, pastor of two churches in New York City, is the speaker on a daily radio program, as well as having made fifteen missionary trips in ten years. In East Africa, he had part in a training school, which trained first forty national evangelists and now has trained six hundred. From there he went to Cuba, British Guiana, Brazil, and other countries on revival tours.

God can scare the devil out of a man. He did that for Nebuchadnezzar. God still speaks by dreams, visions, and angels to the ungodly as well as the godly. Lewi Pethrus of Sweden said that in the early days of the Church, angels were so common among the Christians, they were often mistaken for members of the family. It's time for the heavens to be opened and for God to speak to your heart.

GORDON LINDSAY, president and founder of The Voice of Healing, spoke next.

"And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God. For I determined not to know any thing among you, save Jesus Christ, and him crucified." (I Cor. 2:1-2)

It is your privilege to sit in heavenly places with Christ Jesus. Today is the day of triumph — the hour of victory. With every revival there are surges and abatements. The greatest revival is just before us. There may be a little lull between the two revivals, for remember God will not share His glory with another, and judgment must begin at the house of God.

The last revival will be different — it will be poured out on all flesh. If we join together, we'll break the devil's back. God wants us to be relentless. God wants us to get a fixation of faith. I've seen some people, the more they prayed, the deeper in the mire they got. But I've never seen a

person praise God, but what began to make progress. I do not believe in a monopoly of God's power. I must be a thorn in the flesh to some who believe that they alone have a supernatural ministry. We need many Elijahs today. (After this, the Native Church Crusade was presented publicly, for the first time by Sam Todd, and met with a splendid response.)

At 7:00 p.m. the film "Around the World With Miracles and Missions" was shown. It received a good response.

JOSEPH DE GRADO, converted Catholic, preached on Wednesday night on, In The Good Old Days Or The God of Today. II Chron. 5:14: "The priests could not stand to minister by reason of the cloud: for the glory of the Lord had filled the house of God." Hag. 2:3: "The house in her first glory... (is) as nothing." The first temple was erected in all its glory. Shouts and praises ascended at its dedication. But the glory lifted when men's hearts were turned to other gods. Thank God, He heals the backslidings of men.

After the temple was destroyed, then rebuilt, it was re-dedicated by ancient men who wept, for they missed the glory of the cloud — but did nothing about it. Anything you get from God, you'll have to fight devils to get it. The glory of the latter house shall be greater than the first. "Verily, verily, I say unto you, the works that I do shall he do also; and greater works than these shall he do." (Jn. 14:12) The Catholic Bible on this verse reads: "Amen, amen, I say..." It gives strong assent or agreement. Praise God, we're living in the days of "greater works".

JAMES KOFAHL, leading Assemblies of God pastor, from Fort Wayne, Indiana, won the heart of every listener as he so ably preached on Thursday morning. The Full Gospel goes good anywhere. It goes better than anything else. To be brain-washed, is no substitute for being blood-washed. Acts 2:1, says "When the day of Pentecost was fully come..." That day is already two millenniums long. A day is bounded on the East by sunrise and on the West by sunset. The East is the miraculous conception of Christ; the West — the resurrection, and Jesus stands at the very magnetic center.

The disciples were incendiaries for Christ. They ran like a steam roller over forms and ritualism. But today, there is a vacuum in Protestantism. The World Council realizes it does not have a dynamic. That is why it is turning to the humble Pentecostals. Take the "letter" without the Spirit, and you'll dry up. Take the Spirit without the "letter" and you'll blow up. Take the two together, and you'll go up.

A preacher friend of mine, Brother Gillespie from Chicago, was in the last stages of cancer of the groin. He had already been on morphine for six months when he went to Brother Branham's meeting and was prayed for and healed. All he had been able to eat was thin cream of wheat, without sugar and cream. But on his way home, he ate a hamburger and french fries. Seven weeks later, sharp pains again hit him, and he crawled on his hands and knees to get the morphine. Suddenly, he resolved to have it out with the devil. He pulled his loins over the Bible and prayed, "God heal me or kill me." He got up and has been preaching for the past fifteen years. Christ says, "Give it out or give it up."

MAXWELL WHYTE, pastor of a fine independent deliverance church in Toronto,

Canada, spoke on Thursday afternoon with much fervency on the exploits of faith as seen in his church. We have a prayer team in our church, that prays folk through to salvation, healing, and deliverance of habits. Even Holy Ghost filled lives have areas in their hearts that are not consecrated to the Lord.

Recently, I was in a meeting with the Eskimos in Northern Canada. Fifteen received the Holy Ghost in one night, and many blind, deaf, etc., were healed. On a two hour boat trip we made, we ran out of gas, and it took us ten hours instead. I got frostbitten, and gangrene set into my foot. My leg swelled badly, and the decaying flesh gave off a terrible odor. But God came on the scene and brought great victory! My foot is perfectly healed today!

MAURICE HART, wholly dedicated Southern evangelist, ministered next from the Twenty Third Psalm. If there was ever a day we need our heads anointed it is today. The reason we see pastors having nervous breakdowns, is because we see folk whose heads aren't anointed, trying to run the church. We don't need a new pastor, or a new deacon board, we just need to get anointed.

When you get your head anointed, it will run into your eyes. We need our eyes anointed with eye salve. God, anoint our ears, so that we'll hear what the Spirit saith to the churches. We need our tongues anointed; our hands anointed so that when we lay hands on the sick, they shall recover. We need God to anoint our feet so that He can direct us. Let God break your yoke.

On Thursday night, R. W. CULPEPPER, back from great soul-saving campaigns in Africa and India, spoke after showing his splendid film, "The Travail of India." John 4:35, "Lift up your eyes and look..." India has 438 million people (85% of whom cannot read nor write) with an average income of \$5 or \$6 per month. Our biggest job is to enlist partners in carrying this Gospel.

At 5:30 a.m. one morning, a man brought his wife who had leprosy for 300 miles. They rode the train and ox-carts until their money ran out, then they walked. After prayer she shouted, "It's done. It's done." Then the father asked me to lay hands on his 22-year-old son to receive the Holy Ghost, so that he in turn could pray for the sick. In a few minutes he received and several minutes later, they brought in fifteen more young men and by 8:00 a.m., all fifteen had received the Holy Ghost.

Oswald Smith of the People's church, supported 340 missionaries last year and gave \$300,000. A lady came to me and said, "Something told me to give \$500 for missions. If only I knew it was God." I answered, "Sister, you can be absolutely sure it was God. The devil won't tell you to give to win the heathen."

JERRY BACHER, a most capable pastor from Akron, Ohio, participated in the Friday morning service. As Christians, we ought to stand for what God's Word declares. It's the word that delivers men. We need to be one in the body of Christ. If the devil didn't show up, we'd know we weren't doing all we could for God. In His Word, God speaks of miracles, but He also speaks of marvels. God is showing us His marvels today!

RAY ADERHOLT, the San Jose, California pastor, who spoke with the fervency of an evangelist, preached next, on Three

Jimmie and Carol Snow

I WAS BORN IN HALIFAX, NOVA SCOTIA, CANADA, on February 6th, 1936, the only child of Mr. and Mrs. C. E. Snow, or Hank Snow.

Most all of my life, I have been connected with the show business world. It was when I was three years old, that I made my first appearance on the stage to a capacity crowd, standing on a couple of Coca Cola boxes. The song that I sang was "Jesus Loves Me This I Know, For the Bible Tells Me So." I didn't know what I was singing about at the time. Now I understand what it means.

At the time I made my first appearance as a singer, we were very poor. We were evicted from some places, because we didn't have the money for the rent. We didn't have much furniture, except a bed which we carried from apartment to apartment. Often my folks just slept on the mattress on the floor. Of course, I had a good bed. I got to sleep in a bureau drawer. Sometimes when the landlady was knocking on the front door, we were on our way out the back.

Most of my early life, I spent traveling from town to town, working shows. I didn't have other children my age with whom to play. My friends were mostly those who worked for my dad. As a young boy, I knew much about lying, stealing, and the rough talk. Oft time, we would play dances and even night clubs, with our guitars, places where no young boy should be. That is where I got my education.

We never really made any place our home. We just more or less lived out of a suit case. The part I played in the show was mostly singing. However, I did rope tricks and for a while I was a juggler. I have performed to fifty people, and there was a time I performed to as many as 16,000, with three or four encores. I remember how I ate it up, and how much I enjoyed signing autographs.

As I got older I spent a lot of time in the night clubs. There were times I would sing. Sometimes I would dance with the women, but it was disgusting to smell whiskey and tobacco on their breath. Some of them were churchgoers, but they would always come up with, "A couple of drinks never hurt anyone." My dad was finally able to secure a job on a show, so he quit the night clubs. We rented a house on the other side of town, and moved out of the truck, in which we

ate and slept for one year.

Since I wasn't like the other kids, I played the lone wolf a lot of the time. However, I did get acquainted with one boy about my age, when I was thirteen. At times when we both should have been in bed, we would walk the streets, breaking into automobiles, prying open the glove compartments, and taking anything we could get our hands on. I could tell the biggest lies without changing expression.

HIS FATHER HANK SNOW GOES ON "GRAND OLE OPRY"

Just before my fourteenth birthday, my dad was offered a job on the "Grand Ole Opry". This is Western singers' Hollywood, and of course, it thrilled my dad. After years of trying to achieve this position, he finally succeeded. We packed our clothes and off we went to Nashville, Tennessee. We rented a house which was directly behind the grammar school. On my first day at this school, I walked into my class with a deck of cards and a set of dice. I lured a few kids into playing with me and would cheat them out of their lunch money. Later, most of them got wise, and wouldn't play with me. In the eighth grade, I was voted "the least likely to succeed," and almost lived up to it.

In my first year in high school, I skipped 86 days. I failed miserably. I enrolled in another school, and the same thing happened there. I also got mixed up with the wrong crowd. Since I wasn't getting anywhere in school, I decided that I'd quit and get a job.

BECOMES DRUNKARD AT SEVENTEEN

My first job was with a construction crew repairing holes in the highways. I had just passed my seventeenth birthday, and just about everybody on the job asked me to take a drink. One day, I took a few drinks with them, and it wasn't long before I got so drunk that the fellows hid me behind a lumber pile, so the foreman wouldn't see me.

I quit my job and started back into full time entertainment. I wasn't working a whole lot, but enough to get beer money. All that I was interested in now was having a good time. I went all over town buying things, and charging them, and wouldn't pay the bills.

My parents were getting wise by now, to the fact that I was drinking, so they started talking to me about it. Of course, their little talks went in one ear and out the other. I wouldn't listen to a thing they had to say. I felt like I knew it all, and nobody could tell me anything.

HE AND ELVIS JOIN IN PERSONAL APPEARANCES

About this time, there was a fad beginning to spring up. It was called Rock and Roll, and it was going over with a bang. I liked it very much, and started learning how to sing in this new style. I was becoming pretty popular singing in the beer-joints in Nashville.

There was a new singer, by the name of Elvis Presley, who

grace that will interest the adult and teen-ager alike. Jimmy Snow is the son of the famous television listener, as the leading figure on "Grand Ole Opry". Jimmy Snow worked with partner. Here is his story.

was sweeping the country with his singing. The fellow that then managed my dad, now manages Elvis. He and dad were co-owners of a talent agency, of which I was a member. This threw me in with the leading Rock and Roll singers, and I sang with many of them. Later, Elvis Presley joined our talent agency, and we became good friends. We worked many personal appearances together. At that time he was just beginning to climb to the top. In the little over a year that I worked with Elvis I learned much about this new style of singing from him.

But drinking wasn't really fun any longer. Now I was beginning to wish that I had never touched it. I tried to straighten up, but couldn't. My father told me that I was no longer a son to him, but a disgrace. He was right and I knew it. People crossed the street to keep from meeting me. I was the talk of the "Grand Ole Opry". I began to ponder taking my own life.

GOD DEALS WITH HIM AFTER A SERIOUS ACCIDENT

One night, on my way to a movie, I was hit head-on, by a car, whose speed the police clocked at 105 miles an hour. When I came to, in the hospital, my leg was critically smashed, and I was bleeding severely. An operation was performed on my leg, and a sixteen-inch steel pin put in my leg. I spent a month in the hospital, and had to walk on crutches for a long time.

It was at this time that God began dealing with me. When I would go out on drunks, I'd catch myself talking about the Bible. I was beginning to envy boys that were dating respectable girls. I was getting sick of being an outcast.

Occasionally, I would go into my bedroom, and close the door. I would sit in a chair, staring into space, with tears rolling down my cheeks. It seemed as if the world were against me. I felt so empty and alone, that I wished I were dead.

SINGS FOR LAWRENCE WELK

In July, 1957, I received a letter from Lawrence Welk, of Hollywood, California. He wanted me to appear on his TV show in August. So off to Hollywood I went, for this was my big chance. I appeared on his show from coast to coast, singing two songs to millions of the video audience. After the Lawrence Welk show, other things opened up, and I was again making records for RCA, which were selling better than ever before. I was writing songs for the first time in my life, that were acceptable for recording. I was making more personal appearances and much more money. Evidently, the devil didn't want to lose me. But I was as low in sin as I could ever get. Sin had already taken its toll in my young life. Almost everything I said included a curse. I had been smoking a pack and a half of cigarettes a day and would drink almost anything including 170 proof alcohol. But God was dealing with me.

GOD SPEAKS TO HIM IN HIS ROOM

One cold November night in 1957, my dad was in town,

and my mother was in the next room reading. I felt I had to do something. I knelt down beside my bed to pray. As I prayed, I could feel the glory of God in the room. The Lord began to speak to me. He told me that I was to receive a special power which now I know was the Holy Ghost, and that crowds would come to hear me preach His Word. He said that all this was to begin to take place in 1958. I was startled. I preach? Why, I hardly knew the front cover of the Bible from the back. I jumped up, not waiting to put on a shirt, socks or shoes. I went outside to the walk leading to our front door, and fell on my knees and began to cry. I don't know how long I was there, but I could feel the cold winter air. When I finally got up, I felt that great load of sin gone. I felt real deliverance and I had a clear conscience before God and man.

I just had to tell someone what had taken place, so I went to my mother's bedroom, where she was reading, and told her how God had delivered me. Mother looked over the edge of her book at me real funny, and her only remarks were, "You'd better go to bed." She thought that I was having a nervous breakdown, and was afraid that I was a little out of my head.

The first day of January, 1958, Elvis Presley invited me to come to Memphis. I went to his home, and spent eight days with him. Satan was on the job, doing all he could to confuse me. He was telling me that it was just my imagination that I was going to preach the gospel. He was beginning to make me feel ridiculous.

On March 28, 1958, Carol, a "Grand Ole Opry" singer since she was three, and I, were married. Carol had been genuinely saved several months before, in an Assembly of God Church. We teamed up in our singing. We were getting a lot of appearances, making up to \$300 a day. We had a career in the palm of our hands. Things were moving so fast for us, that I had just about forgotten about what God said concerning my preaching, and the special endowment of power that I was to receive. But God had not forgotten.

We were getting ready to leave on a forty day trip across Canada, but there was a revival going on in town. I had never really accepted the Holy Ghost and speaking in tongues, but God took Carol through to a real experience in that meeting. I could tell the change in her attitude toward God.

One night as I was at the altar, I started laughing and crying. Then I started speaking in a clear and distinct language that I had never heard before. I went flat on my back over the altar. There I lay for a long time, lost in another world, speaking in a heavenly language. When I came to myself, I felt drunk; I was drunk on the Spirit of God. I immediately stood up and testified of my experience. Something seemed to force me to do it.

For nineteen years that I had performed on the stage off and on, I could sing and recite but I could never ad lib. I had no trouble after that day. The Bible says that the Holy Ghost

IS IT POSSIBLE FOR ONE TO SPEAK WITH TONGUES AT ANYTIME HE CHOOSES?

If it had not been possible then Paul would not have instructed the people when to speak and when not to speak. He told them to keep silent in the church if there was no interpreter. He said for only three to speak in one service. He taught them to have a purpose in speaking and to not speak at random.

If you have the gift of tongues you can speak. If God gives you a language then you can speak. You speak what God puts into your mouth. Your body is the temple of the Holy Ghost that dwells in you. The anointing abides in you.

My sister used to put me on the stage at school. She stayed behind the curtain and put the words into my mouth and I spoke them out. The Holy Ghost is behind the curtain, putting the words into your mouth and you can speak them out.

On the day of Pentecost they spoke with tongues. At the household of Cornelius the people did the speaking. It was the people at Ephesus that spoke with tongues. Paul said that he spoke with tongues. Jesus said the believers would speak with tongues. We are not told that God would speak through us without our cooperation. No one speaks in tongues against his will.

I WAS TALKING TO A DOCTOR FRIEND. He said driving fifty miles to work and back he spoke in tongues, which built his faith and kept up his courage. A minister in the Episcopal church told me the other day that he spoke in tongues over television when the news reporter asked him to do so. When a very carnal man in his church asked him if he spoke with tongues he spoke for him. This man asked a board member to speak, which he did. Then the carnal man walked off and went home without saying what he thought. They did not know if he was not against it.

In a few days this carnal man returned and said, "When you spoke the other day something hit me on the side of the head and almost knocked me over. When the board member spoke something hit me on the other side of the head and knocked me the other way. I know this is real."

They prayed for the carnal man. He received the Spirit. He spoke with tongues. They said he was a different man. They have prayed scores of others through to this experience.

A business man the other day received the Holy Ghost. He phoned another business man and spoke a little for him and asked him if that was what he had. He said that it was. He was happy.

On the way home from our revival a banker's daughter was filled with the Holy Ghost and spoke with tongues. Since she was from a formal church she was not certain that she had what we had or not. She came to me the next night and told me that she received the Holy Ghost. She spoke with tongues a little and asked me if that was alright. I told her that it was genuine, but then I at once began to tell her that she

should not just speak with tongues to show that she could. She was not to fire her gun until it was on the target and was doing some good. She should be led by the Holy Spirit when to speak.

MANY PEOPLE DO NOT ACT WISELY. In some places it is most absurd and disgusting to hear preachers, that come to church, and have not prayed all day, get up before the public and "strain" out tongues, speaking in their own spirit, without the anointing of the Lord. That is a very bad example. We have heard members "straining" out tongues, trying to have a Spiritual service, but they have not prayed all day. They are trying to use the Holy Spirit when they should let the Holy Spirit use them.

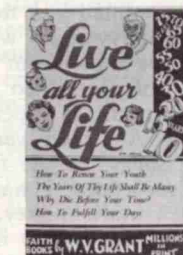

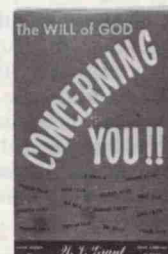

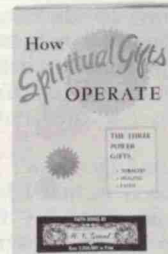

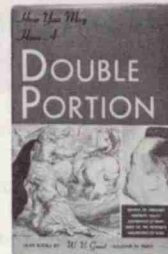

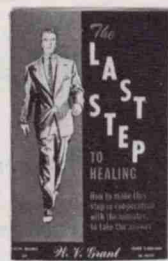

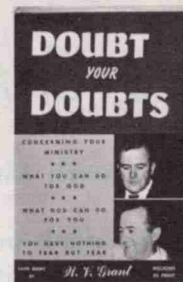

Many times, when the Holy Spirit wants other gifts to be in operation a member, without the anointing, tries to show his spirituality and display his gift with his own spirit. People do not pray in tongues enough at home to know what to do with tongues at church. A good sermon is interrupted. A good altar call is affected. The whole thing loses its punch and becomes far too common. When God wants to manifest the gift of healing, they know nothing but tongues; others gifts have no place in the services, as far as they are concerned.

THE TRUMPET GIVES AN UNCERTAIN SOUND FOR BATTLE. It becomes as sounding brass and a tinkling symbol. My four year old boy sometimes rings the door bell, and when it rings I'm not sure whether it's he or a visitor. I have just been in Durham, North Carolina. The air raid alarm sounded loud and long. I at once phoned the operator at the hotel and wanted to know why everyone ignored it and did not run for shelter. She said it sounded so often they paid no attention to it.

The Lord sees our motives. He will yet bless us. I am not saying it is a sin. People mean good; they try to help the Lord. You will feed your little children, even if they ask for bread the wrong way. We see their motives and will not let them starve. We just hope to teach them manners in some way.

WE WILL NOT STOP. Some ministers swing to the extreme the other way and stop the operation of the gifts altogether, because someone goes at things in their own strength and power. They swing to extremes the other way. We will continue to tell them to forbid not to speak with tongues. Desire Spiritual gifts. Despire not prophesying.

We must speak more at home so we will know how to use tongues at church. How can we edify the church if we don't first edify ourselves? I would that ye all speak with tongues. Let all things be done. We must go to church with the anointing. We must be led by the Spirit when to speak. We must wait on our ministry. Then tongues will be more effective. They will be a sign to the unbelievers. They will bring conviction. The secrets of men's hearts will be manifested. They will fall down and report that God is in us of a truth. They will surrender to God and be saved and delivered.

ANNUAL CONVENTION REPORT (Continued from page 7)

Essential Truths to Christians and the Ministry. Luke 1:67-80: "To give light... to guide our feet in the way of peace." With all the learning and education, the world is darker today than ever before. First, Jesus has come to guide our way into peace. When He came, He brought peace, and when He left He didn't take it with Him. "My peace I leave with you."

I enlisted in the armed services when I was seventeen, desiring to get away from my Christian parents. The first thing I knew, I found myself on a ship with 9,000 tons of explosives headed for Okinawa. On board ship, I gambled and lost \$600 which I'd have had to pay out of my forthcoming salaries. Somehow I managed to get squared away the next day and vowed I'd never smoke nor gamble again. While stopping at Honolulu to pick up 1500 men, I attended a revival service and was gloriously saved.

Secondly, Jesus came to give power, "Ye shall receive power." (Acts 1:8) We must balance this power with the fruits of the Spirit. Lastly, God wants us to have plenty. "My God shall supply all your needs." (Phil. 4:19) Brother Hastings is an elderly man in my church, who has frost on the outside, but fire on the inside. One day I called him to the platform and told him that the cancer on the side of his face that had eaten clear thru his cheek was healed. For three weeks he wore the bandages, then one day he came to church with his face as smooth as mine. The door to God's storehouse is locked, but God has given us the key. Praise God!

WALTER RADOWSKI, godly and successful pastor from Bethpage, Long Island, spoke Friday afternoon. I don't believe in a clock. We don't have one in our church. We promise to start on time, but we never promise when we'll let you out. In nine years, we've grown from 21 to 600 in our church. We have a \$350,000 building, which will soon be paid for. All of my members are working folk, but they and God have been faithful!

HOWARD ANDERSON, first a public school teacher and now an anointed evangelist, spoke of his 19 months' ministry in Scandinavia, which he just concluded. Hundreds received the Holy Ghost. He also ministered in Cuba, Central America and Point Barrow, Alaska, where 72 were saved in 18 nights.

PHILIP GREEN, who has made a number of round-the-world missionary trips, taught on the Book of Acts. Faith is mentioned 245 times in the Bible, and fear 533 times. Everything you do is motivated either by fear or by faith. Faith is only mentioned twice in the Old Testament, and 243 times in the New. The message of the Book of Acts is Word, Worker, Wonders, and World.

I have read the Bible through every 60 days for twelve years. By my 50th birthday, I plan to have read it 100 times. The Word in Acts will give us power for boldness, signs and wonders, in prayer, over demons, to obey, cheer, to be content, to talk with positiveness, and to heal.

MORRIS CERULLO, dynamic Jewish evangelist, spoke from Heb. 11:1-6, on Friday night. Peter saw 3,000 saved on the day of Pentecost and 5,000 on another day. Yet, God's Word declares, "Greater works shall ye do." "Greater," in this instance, means

"more." We are seeing it today. We're living in the day when we shall see every jot and tittle of the Bible fulfilled. It's sad that the world isn't ready. "He that doeth the will of the Father"—are the ones going up in the rapture. Many will be left behind.

Confusion is the seed to failure. America is on the brink of disaster and needs a revival of faith in a living God. Nothing less can stem disaster. We can't expect this revival to start in Washington, D.C., or the pew, but it must start behind the sacred desk. The ministry must again learn to serve and to sacrifice. God help us to talk less about what man thinks he has and more about God and what He has. God said to Abraham, "I am your Elshaddai," which means, a mother's breasts. Get your nourishment and strength from the Lord and walk before Him.

Pastor of Calvary Temple, Charleston, South Carolina, RICHARD EDGAR, was the A-1 song leader of the Convention, as well as speaker on Saturday morning. At the age of 15, as I was driving a truck, picking up old tires, I heard the truck door slam, and felt the wind as someone entered. I felt God's presence as He told me, "I want you to preach." Frightened, I told Him I couldn't. The Lord answered, "I didn't ask you if you could, I just told you to do it." Then I heard Him leave the truck. Three months later, in 1952, I said, "I will."

When Christ is preached (Acts 8:5), He brings joy. A new Cadillac won't bring you joy, nor will a \$10,000 wardrobe. In Berlin, before the building of the wall, there was one suicide every twenty-four hours; today there are twenty-five suicides every twenty-four hours. Twenty million Americans are going to psychologists or psychiatrists. God doesn't only want to solve your problems, He wants to dissolve them. A registered nurse in our church in Charleston had tumor of the brain, which the best specialists were unable to remove. In a service, as I was singing, with my eyes closed and crawling on my knees, I laid my hands on her, and God completely healed her without an operation. He is just the same today!

When we get to the gate of heaven, the angel will take away all our shingles — Methodist, Baptist, Assemblies of God, or whatever we've been carrying. In heaven, there will not be one pasture for the Jerseys, one for the Holsteins, and one for the Herefords. There will be one pasture for all. Bless God!

On Saturday afternoon dedicated Pastor L. W. STEENIS, of Bethel Tabernacle, Redondo Beach, California said that he attended one of the first Voice of Healing sponsored meetings at the Shrine, in Los Angeles in, 1948. He stated that the Voice of Healing has been an especially great inspiration to younger ministers and pastors.

Next, R. W. CULPEPPER delivered one of his usual and unusual, soul-moving sermons.

Saturday night was given to a lovely banquet, with several hundred people attending. Radiant DAVID NUNN preached on The Key to Perfect Health and Prosperity. "The liberal soul shall be made fat." (Prov. 11:24, 25) The fellow that doesn't give, doesn't understand where the man gets it from that does give. Luke 6:38: "Give and it shall be given." Now, everyone wants health and financial security. Giving brought manifold blessing in the Old Testament. And remember, God so loved the world, He gave. If you have God, you'll give.

It cost our country billions of dollars to save Korea from Communism. If we're going to get the job done around the world for God, He'll have to prosper us. If God can trust us, He'll give us more. Goodspeeds translation of Ps. 84:11 reads, "He doth not withhold prosperity from them that walk in integrity." God wants to be your partner, but He doesn't want to be a "silent" partner. He wants to talk to everyone of us.

Former successful oilman, ARTHUR LOCK, of Houston, Texas, gave his heart-rending testimony, in his usual forceful and fluent style. I came from a broken home so at the age of 13, I began drinking and was soon addicted. At 21, I was vice-president and manager of an oil equipment machinery company. I lost my wife and daughter in the divorce-court as a result of my drinking. I sent my father to a premature grave because of being a prodigal. The Houston police department arrested me 200 times and put me in jail. In winter, I wrapped myself with soiled newspapers, and sometimes around asbestos wrapped steam pipes in alleys, that supplied heat for the hotels.

Finally, in jail again, weighing only 129 pounds, dying of T. B., with my ankles swelled like grapefruits, I heard the testimony of a Christian girl. God saved me and healed me, and I have not had a drop of liquor nor narcotics from that day to this! Now, I go from prison to prison, giving my testimony of Amazing Grace!

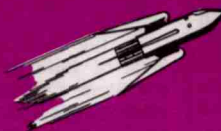

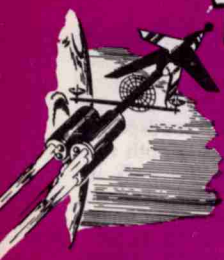

On Sunday afternoon, HARRY HAMPPEL brought the convention to a close with a great Holy Ghost Rally, giving one of his saturated and anointed messages on Joel 2:38, "I will pour out my spirit on all flesh." At the conclusion, about one hundred seventy-five responded for a call to accept their Acts 2:4 experience, and at least a hundred received.

This year the convention was especially blessed by splendid song leaders and singing rendered by Paul Wells, David Nunn, J. C. Hibbard, Richard Edgar, the Bill Raiford Family, and Evang. and Mrs. Maurice Hart. Eric Mathers, of Ireland, did a superb job at the organ.

Every service was geared to meet the needs of the people for salvation, prayer for the sick, or the baptism. Outstanding miracles took place such as two cataracts melting from a woman's eyes, the deaf hearing, a "frozen" shoulder loosed, ruptures, disappearing, body braces removed, a short leg lengthened, and on and on the list continued.

Though the Holy Ghost rally was announced for Sunday, seven received between services on Friday afternoon, ahead of schedule, as did two ministers on Thursday afternoon. One was a fine-appearing, highly educated, Methodist pastor from Louisville. He is presently pastoring a Methodist Church there, of 900 members. He said that his spiritual appetite had been whetted by articles, of other denominational ministers who had been receiving, accounts of which appeared in The Voice of Healing, so he arranged his schedule so as to be able to attend this convention. In ecstasy, he said, "Just think. I received my upper room experience in a ball-room."

THE MARCH OF PROPHECY

(A FEATURE TO KEEP READERS INFORMED OF WORLD EVENTS WHICH HAVE UNUSUAL PROPHETIC SIGNIFICANCE.)

HORROR ON THE BLUEBELLE

We are living in an hour when the violence and treachery of the days of Noah are being repeated. The nation sympathized with Captain Harvey when his Bluebell, chartered by a doctor and his family got caught, according to his account, in a squall and sank with all aboard but the captain. Miraculously enough a little girl, Terry Jo, with remarkable presence of mind, escaped the ship on a raft, to be picked up several days later when a sailor spied her still alive on the seas. Taken to Miami by helicopter she was in a state of shock for several days. But when Captain Harvey heard the news of her rescue, he promptly committed suicide. It turned out to be a shocking case of treachery and diabolical cunning. When the girl recovered consciousness, the story of the captain's perfidy came to light. He had heavily insured his wife, then planned to murder everyone on board, sink the boat with the murder evidence, escape himself, and collect the insurance. Terry Jo's miraculous deliverance foiled the diabolical plot. Surely incidents such as these add to the ever mounting proof that men these days are completely abandoning themselves to demon power — a sign of the closing days of this age. (II Tim. 3:1-5)

PROTESTANT BISHOP VISITS THE VATICAN

Last summer, Geoffrey Francis Fisher, Archbishop of Canterbury and head of the church of England visited the Pope, the first visit of its kind in 500 years. Last week Arthur Lichtenberger, Presiding Bishop of the Episcopal Church made a social call at the Vatican. The Pope presented a set of medals to the bishop, and the bishop in turn gave the Pope a gift. This growing cordiality is not without significance. It points forward to a possible reconciliation and understanding between the Catholic and Protestant movements, an event that may be well foreshadowed in Revelation 17. The threat of world domination by Communism may be the means of driving the two together.

THE FIRST CATHOLIC ECUMENICAL COUNCIL OF THE TWENTIETH CENTURY

Only twenty Ecumenical councils have been held in Catholic history. Hence the importance of the one to begin late this year. Fifty cardinals and nearly as many patriarchs and archbishops met in November 1961, to make preparations for it. While presumably the council will be concerned principally with internal matters, Pope John XXIII made a significant statement regarding certain possibilities. He said that the forthcoming council had aroused hopes that concerned the whole world and that "go beyond the confines of the Roman Catholic Church. Let us say more, our brothers separated from the unity of the church and also many of those who have not impressed upon their foreheads the sign of Christ, upon whom nonetheless shines the light of natural revelation, are turning their attention to the Ecumenical Council."

This Council, the first in a hundred years, which is expected to start late in the year 1962 is almost certainly fraught with extreme prophetic significance.

THE NEXT CRISIS

With the Berlin crisis eased, where will the next one be? All evidence points to Vietnam. The U. S. does not want to get involved in a war in this distant land, but the hard facts are that if the U. S. is forced out, all Southeast Asia is due for a Communist takeover. Then India will be threatened.

The U. S. has just sent 25 fighter bombers, with crews, to back up the Vietnam resistance. However, bombers are not effective in guerilla warfare. These bands move at night and cannot be spotted by air. The guerrillas employ terror methods, destroy towns, assassinate officials, and then run back into the jungle. There is grave danger that the next great crisis will be in Vietnam. Should the Communists take over Southeast Asia, a vast area now open to missionary work will probably be closed for good.

WILL FINLAND BE NEXT?

The people of Finland have been very responsive to the gospel. Voice of Healing evangelists have held many great meetings in this country. During the last two years, Richard Vinyard has held many fine campaigns in that country. This year he conducted a special deliverance training school for young ministers.

Now Russia has made new demands on Finland. The Reds demand a military pact which if agreed to, would practically bring this little nation into the Communist orbit. The importance of this Soviet action is seen in the alarm shown throughout Scandinavia. They know that the Reds will never be satisfied until they have taken over Finland, and then their turn will be next.

COPS TURNED INTO ROBBERS

The Nation has been stunned by the recent disclosure that nearly 20 per cent of the police force of Denver has been involved in criminal operations. One estimate places the figures at 150 policemen involved. Never before has there been such a police scandal in our nation. Evidence shows that whereas in Chicago, there was an alliance between certain policemen and a crime syndicate, in Denver the police went into the burglary business themselves. One robbery during June 1960, netted them between \$35,000 and \$40,000 cash. A sheriff of nearby Adams County is awaiting trial on charges of working with Denver police in safecrackings. This widespread corruption in a police department is unprecedented in American history and is striking indication of the advanced state of the breakdown of law and order.

One of the buildings on the new property in Senegal. The upper floor is used by the Flatterys. Income from property will pay off indebtedness in about one year.

The other building, one hundred feet long, has space to seat nearly 1,000 people. Brother Flattery needs additional funds to renovate building. Property should then be worth \$60,000.

Aerial view of property. Arrow points to residence. Large auditorium building in rear is hidden by trees.

Vice-President Lyndon Johnson and wife, Lady Bird, meet the George Flatterys at Dakar.

George Flattery Tells the Story of the Senegal, Africa, Revival Center

(It is the privilege of THE WINNING THE NATIONS CRUSADE to send a substantial part of the money needed to acquire the evangelistic center at Senegal. Several churches also assisted in sending a thousand dollars each toward the payment. Our recent visit in Kaolack convinced us that Brother Flattery has secured a remarkable bargain. The buildings, after they are remodeled (several thousand dollars are needed for this) will no doubt be worth at least sixty thousand dollars. Senegal is a new nation just opened to the gospel. It is important that a strong church be established which can be a nerve center to encourage the evangelization of the nation. A condensed report of Brother Flattery's letter now follows. Ed.)

When a Mission buys property in any foreign country, it is an expression of faith in God, and an acknowledgement of the importance of the people of that country to God's kingdom. And the Nationals, whether for or against the Mission's work, undoubtedly recognize the fact that this act of faith and acknowledgment makes the Mission a more permanent part of their life, culture, and economy. It is important to acquire property for God's work on the foreign field.

I have just signed legal documents of purchase of an excellent property for our Assemblies of God Mission in Kaolack. This property is centrally located and has nice shade trees on it. The lot is 230 feet long by 115 feet wide, and has a good fence around it. It has a two story residence about 90 feet long by 33 feet wide and a large storage building about 100 feet long by 40 feet wide. The buildings are of concrete and steel construction with tile roofs. The roof trusses of the storage building are of steel and the roof supporting structure of the residence is of wood. God enabled us to buy this property for about \$12,250, *which is less than one third of the actual value of it.*

Property is selling for less in Kaolack now because of an economic recession caused mainly by changes resulting from Senegal's independence, a factor which helped us to get property so reasonably for our Mission. I had made our offer to the owners of this property early in July, 1961, and they waited about 75 days before accepting our offer. During this period of waiting, I began to think that the owners were going to reject our offer. When I expressed this feeling to a Kaolack man, he replied: "Pastor, just be patient, you will get the property because you are the only foreigner who wants to stay in Kaolack!" This man's statement was an exaggeration, but it is true that conditions are now less attractive than formerly to foreign business investors. However, our primary purpose in establishing a Mission in Kaolack is to preach and teach Christ's Gospel of Salvation; and the people of this important city and district (about 60,000 in Kaolack and about 440,000 more in the surrounding district) need an evangelistic center just as much during an economic recession as they would need it during an economic boom. The acquisition of this property has caused rejoicing among our missionaries here in Senegal, and it should cause God's children everywhere to rejoice because it is an important step forward for God in Senegal.

When we started searching for property in Kaolack in August, 1960, we had about \$2000 which we had raised in America. The search had its discouraging aspects — we soon discovered that this sum would not even buy a suitable vacant lot!

There were times, during the following year, when we wished that we had raised more funds toward the project before returning to the field. It is usually easier to raise funds for God's work by personal contact than by correspondence. But, when God moved, we saw clearly that we had been in His will during the entire year and more, of waiting upon Him. During this period of time, we conducted about 200 Gospel Services in Kaolack and the surrounding villages. Through these meetings, we became acquainted with many people of this area; and this acquaintance makes our acquisition of property more meaningful to the people here than it would have been if we had been able to have bought the property when we arrived in Kaolack over a year ago.

After receiving the gifts from the Voice of Healing and other churches, we had about \$8,000 on hand to buy the property, but we still lacked over \$4,000. When the owners accepted our offer, a Kaolack bank loaned our Mission this amount enabling us to pay the entire purchase price to the owners at the time of the sale of the property to us.

The year of waiting again proved to be a blessing at this point; for we had not only established an acquaintance with many people of the area, but we had established good relationship with the business houses also. It would have been most improbable (if not impossible) to have obtained a loan locally when we arrived in the late summer of 1960. Once more we saw a demonstration of God's making "all things work together for good to them that love God, to them who are called according to His purpose." (Romans 8:28).

Christ-Our Deliverer

by Olive Kellner

"The Spirit of the Lord is upon me because He hath anointed me . . . to preach DELIVERANCE." Luke 4:18. "Our God . . . is able to deliver us . . . and He will deliver us." Daniel 3:17.

GOD CAME TO DELIVER

As soon as man had fallen, God came down to deliver him. He promised a Deliverer in Genesis 3:15, "The seed of the woman shall bruise the serpent's head."

In the days of Noah when wickedness was rampant and demanding judgment, God planned a way of deliverance. God gave Noah the plans of making the Ark of Deliverance. Then God held back the judgment 120 years so Noah could preach the way of Deliverance from the judgment that was coming.

In the days when the sin of Sodom and Gomorrah became so terrible and so corrupt that God could no longer look upon it, He sent Angels to DELIVER Lot and those with him. The Angels told Lot they could do nothing until they had DELIVERED him and those with him.

Then God came down to deliver Israel. He said, "I am come down to DELIVER them." Oh! What DELIVERANCE God wrought. With an out-stretched arm and signs, wonders and miracles, He DELIVERED them.

He delivered them from the Red Sea, making a dry highway for them to pass through. He delivered them from hunger by sending manna from Heaven. He delivered them from thirst by causing streams of water to flow from Horeb's flinty rock. He delivered them from sickness by a look of faith at a shadow of the cross when Moses lifted up the serpent in the wilderness.

The Son of God came down to deliver Shadrach, Meshach and Abednego from the fiery furnace. They said in the face of the fiery furnace and the threat of Nebuchadnezzar, "Our God is able to deliver us and He will deliver us". And He did! Jesus walked with them in the fire and delivered them and brought them forth without even the smell of smoke.

Our God sent His Angel into the lion's den and delivered Daniel. The King cried, "My God hath sent His Angel and hath shut the lions' mouths that they have not hurt me!"

Then the King wrote a decree, "That in every dominion of my kingdom men

tremble and fear before the God of Daniel: for He is the living God . . . He delivereth and rescueth, and He worketh signs and wonders in Heaven and in Earth, Who hath Delivered Daniel from the power of the lions." Daniel 6:25-27. What deliverance God wrought!

JESUS CAME TO DELIVER

The Angel said unto Joseph in a dream, "Thou shalt call His name Jesus for He shall save (DELIVER) His people from their sins". Matthew 1:21.

The night Jesus was born in Bethlehem's manger, the Angel of the Lord brought that glorious message to the Shepherds, "Behold, I bring you good tidings of great joy which shall be to all people, for unto you is born this day in the city of David a Saviour, 'DELIVERER,' which is Christ the Lord".

Then as Jesus entered His earthly ministry, He read Isaiah 61 in the synagogue of Nazareth, Luke 4:18, "The Spirit of the Lord is upon me because He hath anointed me . . . to preach DELIVERANCE"!

What deliverance Jesus wrought. His ministry was deliverance from the beginning to the end. He went forth to deliver the people from their sins, from sicknesses and diseases of every kind, of blindness, deafness, leprosy, insanity, demon possession and even death.

Then He went to the cross and sealed with His life's blood the deliverance He came to bring for all mankind and for

whosoever believeth. He arose triumphant with deliverance over death, hell and the grave. Then He ascended into the Heavens and sat down on the right hand of God and as recorded in Hebrews 7:25, "Wherefore He is able also to save them to the uttermost that come unto God by Him, seeing He ever liveth to make intercession for them".

This word "save" in the Greek means to save, to heal, to make whole, to preserve and to protect. Hallelujah! What a deliverance Jesus is praying for all those to have, who come to God through Him.

THE HOLY SPIRIT CAME TO DELIVER

Then Jesus sent the Holy Ghost with gifts of deliverance, healings and miracles, faith and all the rest to help us to receive the deliverance Jesus came to bring, died to secure and is interceding now for us to receive!

And it is deliverance all the way from Calvary to Heaven. And as the Psalmist wrote, "Many are the afflictions of the righteous but the Lord delivereth them out of them all".

OUR LAST DELIVERANCE

What a Deliverance we shall soon receive at the coming of Jesus. Deliverance from death and the grave. "This corruptible must put on incorruption and this mortal must put on immortality" . . . "then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death where is thy sting? O grave where is thy victory? . . . thanks be to God, which giveth us the victory through our Lord Jesus Christ." 1 Cor. 15:51-57. That will be our eternal deliverance Jesus has given to us.

Until then we shall continue to enjoy the deliverance Jesus has given to us.

"I am the Lord that healeth thee"

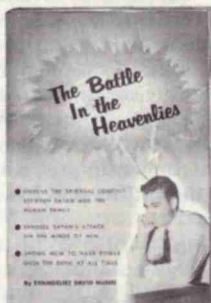

Is still the same to-day,
"Thine health shall spring forth speedily"

It has not passed away.

For Jesus Christ thy wondrous Lord
Fulfilled the written Word,
Now all these promises divine
Are all completely thine.

NEW DEVELOPMENTS AND PLANS FOR WINNING THE NATIONS CRUSADE

(Continued from page 5)

THE NATIVE CHURCH CRUSADE

Last month and the month before we

gave you preliminary information about
the new Native Church Crusade, a plan
by which almost any American family can
sponsor and build a native church. Re-
sponse thus far from the missionaries in-
dicates that this is one of the most im-
portant steps the Winning The Nations
Crusade has ever taken. The time is ripe
for the building of a thousand churches
to be built on the missionary field. Weth-
er you wish to pay for a church in pay-
ments as low as \$20 or \$10 per month,
or all in one lump sum, you can have the
pleasure and joy of knowing you have
sponsored a church where the gospel will
go forth until Jesus comes.

If you have not yet enrolled in our
World Correspondence Course (we now
have 9,000 enrollees), enroll at once.
The Course is free to all who regularly
support the Winning the Nations Crusade.
The current course is on the book of Re-
velation. The Book sent out this month is

HOW JIMMY SNOW, ELVIS PRESLEY'S SINGING PARTNER, FOUND CHRIST

(Continued from page 9)

makes us witnesses. (Acts 1:8)

We were going to church regularly now,
and paying our tithes. Carol and I were
still making personal appearances, but God
was beginning to make us dissatisfied with
the show business. We spent quite a bit
of our time praying and reading the Bible.
We were just new in the Lord, and when
we prayed, sometimes we would get car-
ried away. People in the motels and ho-
tels where we would stay, would start
banging on the wall.

I was becoming more dissatisfied now
with show business, and deep down in
my heart, I knew that I could never hold
on to my experience with God, and stay
in that business. My interest for a theatric-
al career was being drained from my
soul, and being replaced by a great hunger
to preach the Word. This had to be the
Lord, because financially, we had every
reason to stay in the show business.

Upon the invitation of our pastor's wife,
I agreed to speak to the young people.
I prayed and cried, and walked the floor.
Finally, I got together a little sermon on
prayer. I practiced on my friends, and
even my parents. I eventually got through
it.

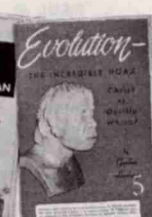

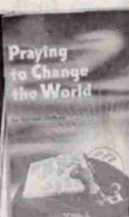

I prayed that if it was definitely God's
will for me to preach, for Him to have
someone ask me by the first day of Sep-
tember. God heard me, and on the first
day of September, a lady called me and
asked me to preach for her. I went, and
there were twenty-five colored people gath-
ered together in front of her trailer. It was
rather humbling, since only a few blocks
away, I could see the "Grand Ole Opry"
building. After singing two or three songs,
I spoke for 45 minutes, the words seem-
ing to come from everywhere.

I went home and cancelled every per-
sonal appearance trip. I held my first re-
vival in December, 1958. January 11, 1959,
we started preaching full time, and haven't
stopped since. The Lord has taught me
all that I know. I only regret one thing,
and that is that I did not find Jesus much
sooner. Let me urge you to make Christ
your Number One objective in life, and
find the great joy I have found.
