Revival Crusade

World Prayer Band—The Voice of Healing—Missionary Crusades
Radio—Native Evangelism—Free Literature—Healing Revivals

SHORTLY after this issue of THE VOICE OF HEALING reaches our readers, the Regional Voice of Healing Convention will begin at Toronto, Canada, June 1, with the first service at 7:30 P. M. During June 2, 3, 4, there will be three services a day. On Sunday, June 5, there will be a great rally at 2 P. M. All services will be held at Massey Hall.

HOW WORLD EVANGELIZATION CAN BE ACCOMPLISHED

We have made this explanation of our missionary crusade a number of times, but we repeat it again, because of its importance. Jesus said that when this Gospel of the kingdom is preached as a witness unto all nations then shall the end come. There are at the present time over a billion souls who have never heard the name of Christ. It is the duty of the whole Church to mobilize into action for the purpose of reaching this vast number of the unevangelized. No one group can possibly do it. THE VOICE OF HEALING is calling the attention of the church to the method God has ordained for the accomplishment of this great task. The first requirement is that the Gospel be preached *with the signs following*. The second requirement is that the Church become one in spirit. Only then will the world believe that Jesus is the Christ. (See John 17:21.)

WORLD PENTECOSTAL CONVENTION, JUNE 13-20 STOCKHOLM, SWEDEN

We wish to again call to the attention of our readers that the World Pentecostal Convention will be held in Stockholm, Sweden, June 13-20. Perhaps the greatest result of such a convention will be the impression that is made on the world that ministers from many groups can come together in Christian fellowship.

WORLD MISSIONARY CRUSADES

The editor plans on attending the convention in Sweden. One purpose of our visit will be to meet with missionaries and leaders that will be there from all over the world, and to consult with them on projected missionary plans. At the present time we are corresponding with missionaries in foreign countries for missionary crusades. These plans are being worked in connection with the great revivals which are being held by TVH evangelists abroad. We intend to make it possible that the missionaries, workers and native evangelists from all over an area may have free entertainment during the revival as well as to receive intensive instruction on evangelization through healings and miracles. We also plan to distribute vast quantities of free literature before and during the campaign.

THE NEW BOOKLET PLAN — PASTORS ATTENTION!

Another new step in connection with our literature crusade is to make available an attractive two-color Gospel booklet which, because of its extremely low cost, can be used widely for free distribution. Each booklet will have a message with a special appeal to those who do not regularly attend church. Churches which use these booklets can have their church announcements printed on the back page. Because the cost is so

low, thousands of copies can be distributed by a local church each month. The plan is to publish at least one such booklet per month.

These low cost booklets will be printed in other languages and used on the mission fields. Our first press run of three booklets is 75,000 copies. We are enthusiastic over this project and it is our plan to send out millions of these attractive booklets in our World Revival Crusade. Churches interested in using these booklets should contact THE VOICE OF HEALING.

THE VOICE OF HEALING NOT AN ORGANIZATION

Again we wish to emphasize that THE VOICE OF HEALING is not a religious denomination in any sense. Evangelists asso-

When God Came Into My Room and Changed My Ministry

By Evang. James Dunn

I WAS discharged from the United States Navy in 1944 from the submarine service. After my discharge I was asked to come to Hollywood to take a test for Paramount Pictures. With this in mind I made the trip hoping that I would become a popular figure in the movie world, but while I was there I saw how artificial the people were that were in the film capital and how cold and indifferent they were to anything that was of a realistic nature. I went ahead and took the test anyway, but before the results of the test were reported, something—I didn't know what it was at the time, but I know it was of God—influenced me to return home. After I returned home I took a job with the Government as contact representative helping veterans get their compensations, loans and various benefits. I was with them about three years.

From there I went to South Charleston, W. Va. I took a position as service superintendent of a sprawling plant that covers 240 acres. I was there four years. There I managed the personnel angle of between 500 and 1,000 employees. On occasions, the number of employees might reach as high as 5,000 people. There were promising opportunities of advancement, but at this time God began dealing with me in such a way as to completely change the course of my life.

CONVERSION

I might add that while I held these positions I married a Catholic girl. God began to deal with both of us. My father was a Church of God minister and had been praying for me although it seemed as if I were a hopeless case. About that time there were a series of missionary meetings being conducted in the local Church of God in Charleston. My parents asked my wife and I to attend these services, so we went with them and that night when the altar call was made, such a spirit of conviction came over my heart that I went to the altar.

While praying I discovered that my wife was kneeling beside me also asking God to save her. She being a Catholic and a very devout one, this was a shock to me. I was so taken aback at her presence at the altar that she was the one that night that received the greatest blessing. She was not only saved, but received the Baptism of the Holy Ghost. In fact, when I saw her shouting on her knees, I forgot about praying and began to watch her. This experience that my wife received greatly impressed me.

From that time on my whole life was changed. God talked to my heart about the ministry. I began to pray and seek God to find out what He would have me do. As my wife and I were sitting in my study talking one day we felt a great Presence enter the room and we felt that everything was going to be right in the future.

I went ahead and continued to work a couple of more years at the Naval Ordnance plant, but all the time I was more and

more convinced God wanted me in the ministry. I was miserable even though I had a wonderful job with the Federal Government. My income was good, yet I still wasn't happy. I felt disturbed and such a burden for lost souls came over me that I finally made my decision to resign my position and go into the full-time ministry.

I ENTER THE MINISTRY

I went out and told my superiors that I was going to leave and go into the full-time ministry pastoring a Pentecostal Holiness Church over in Princeton, W. Va. Everybody thought I was crazy and told me I would starve to death pastoring a church and they couldn't see why I would want to leave a good position with the Federal Government. I said I was leaving because I would rather be in the will of

God and be able to sleep at night than to be a millionaire and be in the shape that I was in.

For some time I pastored in Princeton, W. Va. Church membership had increased and the people took an interest and came out, yet I knew that I wasn't doing the job like God wanted it done. I began attending some of the great healing campaigns and I saw then and there that God was using men in this day in which we live, for signs, wonders, and miracles. I began to read and study God's Word and especially studied the life of Jesus. I saw that the signs weren't following my ministry that were following other ministers' ministry. One night while sitting in a large tent, God spoke to me just as real as anyone could speak to me and said, "Why are you sitting here and watching somebody else do the work I called you to do?" I was so miserable that I got up and left.

I began to pray about it. I said, "Lord, you know when I was working there at the big plant in South Charleston we gave our men the best tools with which to work. We gave them all the knowledge they needed to do their job properly. Now, Lord, I know that we as people couldn't treat our employees any better than You would treat Your children." I began to tarry before the great God of heaven and to fast and pray. Daily I felt the presence of God become stronger in my life. I wanted the signs to follow my ministry more than anything else. I wanted the power of God in my life.

A REMARKABLE EXPERIENCE

Then one night while I was lying in bed and my wife was asleep something happened. I was meditating on the glories and graciousness of God and upon the things I needed from Him, and all at once the great Presence of God began to flood into the room. He came in such a supernatural way that the room was filled with His glory. A great feeling of ecstasy and glory swept over me and saturated my very body, mind, and soul.

I began to get afraid, because when you get that close to God something happens to you. I began to draw back from this Won-

One of the most amazing proofs of prophecy. Christ did mighty miracles in Capernaum, Bethsaida, and Chorazin, but these cities did not repent. Christ predicted their destruction. How was this prophecy fulfilled?

The Lost Cities of Galilee

By Gordon Lindsay

Taken from the Book "Thunder Over Palestine"

ONE of the most thrilling of our Palestine experiences was our first view of the Sea of Galilee. A sky-blue expanse of water almost completely surrounded by mountains, and over 600 feet below sea level, Galilee is the site of many of the familiar incidents of the ministry of Jesus. It was with something of awe as we stood on its shores and realized that our Lord walked on the very ground upon which we stood. The Jews had the privilege of having as their guest the very Creator, but fools that they were, they passed the opportunity by. The only ones who can compare with them are people today who have the privilege of accepting the Saviour and receiving eternal life, but likewise trifle the hour of opportunity away.

Around the shores of this beautiful lake once flourished thriving cities. Being in the line of the great trade routes these communities enjoyed unusual prosperity. There were other natural advantages: the land was fertile, trees grew in abundance, the climate was admirable, and fruits of many kinds ripened nearly the year around. Nature provided hot springs that were visited by tourists from afar. To take advantage of these springs, Herod the Great built the city of Tiberias, which he named in honor of the Roman Emperor of that day.

But the unique privilege that these cities enjoyed was the fact that out of all the cities of the world, Jesus chose to make His home during His ministry, in their midst. There in Capernaum the Lord healed the mother-in-law of Peter, and when the eventide came He conducted a great healing service. Demons were cast out, and those afflicted with many kinds of diseases were healed. Matthew, commenting on this great work of healing, explained that it fulfilled the prophecy of Isaiah who said, "Himself took our infirmities and bore our sicknesses." Matt. 8:14-17.

It was at this same city that the centurion came to Jesus to heal his afflicted servant. His faith was such that he believed if the Lord would only speak a word, his servant would be healed. It was on the shores of Galilee that Jesus called Peter and Andrew, and also James and John, sons of Zebedee. There Matthew heard the words, "Follow me," and he arose and left all to follow Jesus. It was near Capernaum that Jesus walked on the water. And it was in that city and other cities along the lake that Jesus did many of His mighty miracles.

A VANISHED CIVILIZATION

Where are Capernaum, Chorazin and Bethsaida today? With such natural advantages as they enjoyed, it might be thought that today those cities would still be flourishing, as are many of the other cities of Palestine such as Jerusalem, Nazareth, Beth-

Bethsaida was once a great flourishing city. It rejected the miracles of Christ and in accordance with Christ's Prophecy, today lies desolate in judgment.

lehem and others. But they no longer exist, and it has been difficult to determine, until recent years, their exact site. Something catastrophic happened, to so completely obliterate them from the earth.

Actually this strange circumstance is the fulfillment of the prophecies of Christ in Matthew 11:20-24:

"Then he began to upbraid the cities wherein most of his mighty works were done, because they repented not; Woe unto thee, Chorazin! Woe unto thee Bethsaida! for if the mighty works which were done in you, had been done in Tyre and Sidon, they would have repented long ago in sack cloth and ashes. But I say unto you, It shall be more tolerable for Tyre and Sidon at the day of judgment, than for you. And thou Capernaum, which art exalted unto heaven, shalt be brought down to hell; for if the mighty works which have been done in thee, had been done in Sodom, it would have remained until this day."

This then is the answer! These cities have been doomed, because of their refusal to repent, after great signs and wonders had been done in them. The above passage of Scripture is one of the most solemn found in the entire New Testament. First of all, it shows how much importance God places on the ministry of healing. Jesus declared that had the same miracles taken place in Sodom and Gomorrah, they would have remained

LIFELESS DAUGHTER RAISED IN ANSWER TO PRAYER

IN June, 1951, at Wagoner, Oklahoma at Ernest Jones' stock pond, my daughter and her father were fishing. My oldest daughter and I went to the pond as a thunderstorm was coming up in the southwest. It was thundering and lightning. As we started to leave, the lightning flashed and my husband fell to the ground. I fell to my knees. Our daughter, Marie, was about thirty steps from us. The lightning hit her in the head, went down the right side, burned her hair off the top of her head, crossed over her chest to the left side, burned her hat in three places and her dress all across the front, went down her left leg and burned a small hole in her shoe. I turned and saw my husband lying on the ground. I began to pray. God came on the scene and he got up and walked to our daughter who was just in a heap on the ground. He pulled her up on his lap. Her face was purple and her eyes drawn, and her tongue was black. When I got to her she just quivered and straightened out. No life was left. We felt for a heart beat. There was none. She was dead. Dad said, "Mother, our daughter is gone, you have to submit to God's will." I said, "No, God promised me if I live my life for Him, He would save by household." I kept on praying. Dad said, "Lay your hands on her." I obeyed, laying my hands on her and her eyes opened up. She trembled a little. My other daughter had run a quarter of a mile and got a truck. They came to get Marie—the one lightning had killed. Someone had called the doctor, the ambulance and patrol wagon. The doctor did not arrive until later and said her heart beat was normal, her blood count was normal, but he couldn't understand it. I told him God had done it. He raised her up. The doctor said he never had seen anything like it. He said there was enough electricity to kill a two-thousand-pound steer, let alone a 115-pound woman. She is alive today.

Startling and Amazing

One of the outstanding features of THE VOICE OF HEALING has been the department of the magazine given to recording startling answers to prayer. These documented incidents show how God has answered prayer in every conceivable circumstance. People have written many letters telling us how they have received inspiration from these thrilling testimonies of supernatural deliverance.

Now we have gathered together in a book, of nearly one hundred pages, many instances such as have been carried in THE VOICE OF HEALING. This book will have a wide use. It can be given to a careless sinner. It will build faith in the heart of a sick person for healing. It will encourage any person to believe God, no matter what their need may be. A pastor, a Sunday School teacher, or a lay worker will find it equally valuable. It is a book that will entertain, while, at the same time, it imparts faith in God.

CRASH LANDING WITHIN SIGHT OF COMMUNIST CHINA

IT was a cold, windy February day of 1952 in the City of Taipei, the capital of Formosa when three of us, Ed Reese, Rev. Rus Killman and myself, who were all working with the Youth for Christ at the time, boarded an old amphibious plane headed for the Islands where the nationalist guerilla troops and other front line soldiers were stationed. Our mission was to bring the Gospel to front line troops.

We had prayer at the airport before flying and our flight took us over ninety miles of water until we sighted the mainland of Communist China. Our hearts were in our throats when we got near the rocky, red-soiled nationalist outpost, which has lately been engaged in battles with the Communists. The Islands we were heading for were Big and Little Quemoy. As we sneaked in over the fishing junks we came in for the landing on the gravel runway behind the rocky hills where the soldiers were stationed. Our plane hit the runway with a crash—one landing wheel had failed to lock into position. The body of the plane scraped the runway. Many times planes had burst into flames because of accidents similar to this and in our hearts we prayed, "God protect us." The one wing of the plane had plowed into the ground before the plane finally came to a halt and we loosened our safety belts as quickly as possible and rushed for the exit. The devil knew what was coming and he had tried to kill God's messengers, but his plans were frustrated and in a few minutes we were aboard the waiting weapon carrier that in the next few weeks took us to thousands of troops and many of these have since fallen in battle with the Communists. Communists' gunfire came across while we were there, and their navy came within close range to our Island, but God protected us.

Pick Pocket Returns Stolen Documents in Answer to Prayer

ON AUGUST 12, 1954, while riding in a crowded bus in Lima, Peru, at about noontime, a pickpocket stole my billfold containing about \$2.50 and my most important personal documents, driver's license, ownership card for car, fellowship card with the Assemblies of God Missions Department and Identity Passport required for all foreigners in Peru, as well as other papers of importance. I recognized my loss almost as soon as it happened, and told the bus driver. I got off the bus and went to the nearest police station and reported the loss because to get new duplicate documents it is required that they be reported lost. I arrived home about 1:30 P.M. and Misses Ruth Couchman and Pansy Blossom were visiting my wife and I told them all what had happened.

While at the police station I asked the official who took the report if he thought

but we also noticed that our brother's wheat was much better and more beautiful than that of his neighbors, for this new convert had prayed to God and sown early in spite of the bad weather, while the others waited for a better opportunity and were delayed.

it would do any good to advertise a reward for the return of the documents. He replied, "It would be useless. They never return them." Later while trying to get duplicate driver's license in the traffic division I asked an official there the same question. He said, "I also was robbed and am also getting a duplicate driver's license. It would be a waste of effort to advertise. They don't return them."

But after telling the folks at home about the robbery we all prayed that the Lord would touch the thief's heart and make him return the documents, because it is such a difficult job to go through the different offices to get the duplicates and it costs so much.

Nevertheless, since I could not drive the car without a license, I began to try to get a temporary permit to drive.

On Wednesday the 18th, about 2:00 P.M. I went to the post office to get our mail and a notice was in the box asking me to consult about a registered letter. The clerk could not find the letter and called others to help her. I told her I was sure it was a letter that contained documents that had been stolen from me. After much looking she finally found the letter and I opened it before the clerk and there were ALL my stolen documents. A note was inside as follows: "Herbert, pardon but this is all I have learned to do by which I live, but I consider and respect your documents that you will need. Pardon, but everyone lives as he is able."
—X X X

The letter postmark was dated August 12th and must have been mailed between

2:00 P.M. and 6:00 P.M., or less than four hours after we PRAYED, asking God to touch the heart of the man to return the documents.

This has been a real testimony to many unsaved and saved people. God does answer prayer.—Jer. 33:3.

WHEN GOD TURNED AWAY THE ANTS

WHEN my wife and I, in the month of August this year, paid a visit to one of our new church members who has large wheat fields, we had the opportunity to see a very notable answer of prayer. We had just been admiring the beautiful plantations, when our brother exclaimed: "Come along and you will see a very interesting thing." Then some yards from the wheatfield, we saw three lines of Brazil's most terrible ants disappearing into the ground, where they have large colonies, destroying, as a rule, every green plant within a certain distance.

Our brother said: "Last year these ants spoiled a good deal of my new wheat, though I used very much poison. Then I went to the ants' nest and prayed and prayed, and this year the ants completely left the wheat, seeking their food in the forest."

With great joy, we could confirm that God not only had turned away the ants

THE BASIS FOR IMMOVABLE FAITH

Psalms 77:8, "Is His mercy clean gone forever? Doth His promise fail forevermore?" The Psalmist questions God's Mercy and then he questions God's faithfulness. There are many today, who have "tried to have faith" and have gone to many revivals to be prayed for and this about sums up their attitude. Some of them say "I know God will some day heal me," trying to encourage themselves in the Lord.

I wish to reveal to you that God answers this psalmist's questions before he ever asks them. David said "Thy mercy endureth forever." God instructed the singers of Jehosaphat's army to go before the warriors and sing "Praise the Lord, His mercy endureth forever." II Chron. 20:21. As they obeyed, God defeated their enemies and they did not lift a hand against them. It is settled, God will do for you what He has done for others. "The promise is sure to all the seed."

God answers the Psalmist's questions about the failure or rather the apparent failure of His promise. 1 Kings 8:56, "... There hath not failed ONE WORD of all His good promise. . . ." In Deuteronomy 7:9, "Know therefore that the Lord THY GOD, HE IS GOD, THE FAITHFUL GOD, which KEEPETH COVENANT AND MERCY with them that Love Him and keep His commandments to a thousand generations."

So we see God's word will not return void, but will accomplish what God pleases and will prosper in the thing that He sent it to do.

Exodus 15:26 Reveals God's Covenant Name of "Jehovah Rapha," which means "I am the Lord that Healeth Thee," or better, "I am the Lord that is Healing Thee." This is God's word to the sick and suffering and the Scripture says His word will not return void but "will ACCOMPLISH AND PROSPER in the thing whereto I sent it." Jesus said, "Man shall

live by every word of God." Paul says, "For all the promises of God are in Him yea and in Him amen to the Glory of God by us."

But you say, I know the Bible says this and I believe God's word, but I don't seem to receive my healing. Neighbor, start believing from your heart and not your head. Moses one day doubted God could feed flesh to all the Israelites and God spoke to him Numbers 11:23... "Thou shalt see now whether my word shall come to pass unto thee or not." God speaks and the elements must obey Him. When God said let there be light, Light had to come into being because God had spoken. "He spake and it was done, He commanded and it stood fast." When God says, "I am the Lord that Healeth thee," it means that God is your healer. Your faith will release the dynamic power that is wrapped up in that promise and it will come to pass. "He sent His word and healed them." Again, "There is no word of God void of power," Luke 1:37 R. V. God's word is a power word, life-giving, body-quicken, health-imparting word. When you believe and lay hold of God's promise as from God to you, then you receive what the promise contains. It is up to you to release the Power of the Holy Ghost in the promise by believing now for deliverance.

God had rather heal you now than later. God's promises are for today. The Scripture says "Today if ye will hear His voice," and "Now Faith is." There are many things that have hindered men from receiving healing and I wish to deal with just a few in closing this message. Jesus told the Pharisees and Sadducees that they had made the word of God of none effect through their TRADITIONS. Traditions have bound many and kept them from receiving healing from God.

Many are still praying, "Lord if it be thy will heal me." Most that pray this way are very sincere and think that they are pleasing God by praying in this manner, when in reality the enemy has tricked them into doubting what God has already fully revealed as His will once and for all. God is the declared Healer of His people. Ex. 15:26 Jesus has carried all our diseases and sicknesses as a part of His vicarious sacrifice and suffering. (Isa.

The PROMISE is SURE

By Evang. David Nunn

53:4-5 and Matthew 8:16-17.) Acts 10:38, reveals Jesus healed all that were oppressed of the devil. Therefore He is still healing all that are oppressed and who will accept His word of promise.

There are multitudes that are waiting for God to heal them and they give this Scripture as the reason: "Many are the afflictions of the righteous, but the Lord delivers them out of them all." They say "God will heal me, but I do not know when; I am waiting on the Lord." Good neighbor, you are not waiting on God to heal you, GOD IS WAITING ON YOU to believe and act upon His promise. The word "afflictions" does not say sickness, neither does it refer to any disease. That word "affliction" refers to trials, persecutions and tribulations, but not sicknesses. James says if you are "afflicted" you are to pray, but if you are sick, call the elders; the prayer of faith will save you. Now this bears out the rest of the scripture, for Jesus said if we left houses, lands, wives, children, mothers, dads, we would receive a 100 fold here WITH PERSECUTIONS. Paul said, "If any man live godly in Christ Jesus he shall suffer PERSECUTION." Paul the apostle says repeatedly, "The Holy Ghost testifieth that everywhere BONDS AND AFFLICTIONS ABIDE UPON ME." So we see clearly that the Scripture reveals the true meaning of that passage. And now the devil cannot misguide you upon that and hold you to a tradition any longer. Because you know the truth, the truth shall make you free. Jesus is our sin bearer and our sickness bearer. What God layed upon Christ was for us all. Heaven has done all that can be done for man's sin and sickness when Jesus paid the price for the saving of your soul. It is up to you to believe and you shall receive. Since Jesus became sickness for you it is up to you to believe and you shall receive and can shout with David, "Bless the Lord . . . who forgiveth ALL my iniquities, who HEALETH ALL MY DISEASES." Ps. 103:1-3. It is a fact right now, it is accomplished. "By whose stripes YE WERE HEALED." Believe on God's word. Forget your feelings but trust His promise that is sure and you shall be made every whit whole.

THE QUESTION BOX

Perplexing problems pertaining to the great Healing Revivals,

(Your questions will be answered only in this column in the order received.

Send your questions to: THE QUESTION BOX, c/o THE VOICE OF HEALING.

CAN YOU LOSE YOUR HEALING ?

QUESTION: Can you lose your healing?

ANSWER: This is almost like asking someone if they could fall off a bridge.

They certainly could and would if they did not walk in the path that was laid out for them.

I believe anyone can get wonderfully saved from sin and become a real Christian. I also believe this same person can disobey God, lose his salvation and go to Hell.

I believe anyone can receive the mighty Baptism of the Holy Ghost. I also believe if they don't

walk with the Lord they will lose this mighty anointing.

It is the same in regard to healing. Healing is ours as long as we MEET and KEEP the conditions God has laid out before us.

Jesus told Peter to walk on the water. Peter did it as long as he kept his eyes on Christ. When he looked at the natural he sank.

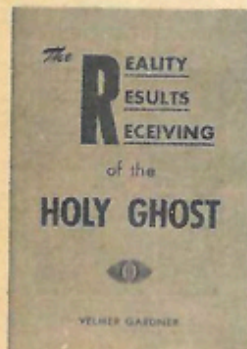

Jesus commanded the impotent man to "Sin no more, lest a worse thing come upon you." He not only would lose his healing, but receive something worse.

"... He shall have whatsoever he saith."—Mark 11:23

DISCARD TRADITION OF THE ELDERS (Continued)

TRADITION SAYS, "ONLY FAITH, HOPE, AND CHARITY REMAIN."

GOD SAYS, "NOW ABIDETH FAITH, HOPE, CHARITY": HE DID NOT SAY, "ONLY FAITH, HOPE, AND CHARITY" (I Cor. 13:13).

Charity means the love of God, not human philanthropy, such as Red Cross, Community Chest, and the like. The love of God will reach down and deliver the sick. If we have the love of God, we will rejoice in people's deliverance. If we love Him, we will keep His commandments (I Jn. 2:4). He commands us to heal the sick by His power (Luke 10:9; Matt. 28:19).

Faith remains, and faith brings healing. Jesus said, "Your faith has made you

GOD SAYS THAT HIS WORD, WHEN QUICKENED, GOES TO THE JOINTS AND MARROW (Heb. 4:12). It is life to our flesh and health to our bones (Prov. 4:22). The letter, by itself, killeth, but when quickened by the Spirit, it giveth life (II Cor. 3:6). We need to eat the Word. We need the gifts of the Spirit, power to bind and to loose.

His Word does not change, but abides unto all generations.

TRADITION SAYS THAT THE BOOK OF JAMES WAS WRITTEN FOR THE JEWS ONLY, AND THAT JAMES 5:14 IS NOT FOR US TODAY.

GOD SAYS THAT WE ARE NEITHER JEW, NOR GENTILE, BUT ALL ONE IN CHRIST JESUS (Gal. 3:28).

God has no respect to persons (Acts 10:35) every nation, generation, and denomination is accepted of Him. His truth

endures to all generation (Ps. 100:5).

The last seven epistles are called General Epistles, because they are for Christians in general. The word "any" in James 5:14 means the same as "whosoever" in John 3:16. If any be sick, let him call; the Lord shall raise him up.

TRADITION SAYS THAT THE BIBLE IS NOT PLAIN ENOUGH ON HEALING.

GOD'S WORD IS AS PLAIN ON HEALING AS ON FORGIVENESS OF SINS.

In Isa. 53:5 and Ps. 103:3, salvation and divine healing are inseparably united by God Himself.

Divine healing was before the Law: Abimelech was healed (Gen. 20); Job was healed; the children of Israel were healed (Ex. 15:26).

Divine healing was under the Law: God's people were healed of plagues, snake-bites, etc. (Num. chs. 16, 21, and 25); David trusted God (Ps. 103:1-3); so did Hezekiah (Is. 38).

Healing is in the books of Poetry and Prophecy: see Psalms chs. 9, 105, 30, 107, 41, and 6; Proverbs chs. 3, 4, 12, and 16; Isaiah chs. 42, 53, and 61; Malachi 4.

The New Testament is permeated with healing done through Jesus, the seventy, and others of the early church.

TRADITION SAYS, "IF HEALING WERE RIGHT, ALL CHURCHES WOULD PRACTICE IT."

GOD SAYS THAT IN THE LAST DAYS SOME WILL DEPART FROM THE FAITH, HAVE A FORM OF GODLINESS, AND DENY THE POWER

NUNN CAMPAIGN MOST SUCCESSFUL EVER TO COME TO CALVARY TABERNACLE, FRESNO, CALIF., SAYS PASTOR

EVANGELIST DAVID NUNN and party of Dallas, Texas, just concluded the most successful revival campaign Calvary Tabernacle has ever witnessed. The city of Fresno was shaken as God moved in a marvelous manner, confirming His Word with signs following.

From the very outset of the meetings until the closing service Heaven came down to meet the needs of the people, no matter what those needs were. Scores were born into the Kingdom as night after night sinners wept their way home to God. Deep conviction was in evidence at practically every service. As many as eight and nine an evening were gloriously filled with the Holy Spirit—so much so that almost every hungry person received his portion of God's anointing. There is still nothing like the infilling of the Holy Spirit to make people better prepared to serve God. To enumerate the hundreds of healings would be impossible. All manner of disease was cast out as God's power came forth to deliver the sick, afflicted and infirmed. Miracles were witnessed to the shouts of victory that swept over the congregation. Memorial Auditorium in downtown Fresno was secured for the Sunday night services as the crowds and interest continued to grow. The church building was not large enough to accommodate them.

One of the highlights of the campaign was in raising over \$10,000 toward building a new Calvary Tabernacle to seat at least 1,000. On the closing Sunday morning 44 persons joined the church, many of them representing entire families.

The people of our church will never forget Brother Nunn's unselfish devotion to Christ in laboring untiringly day and night for the entire month of January. Larry Keel's fine singing and his wife's playing the organ contributed much to the meetings. We have invited Brother Nunn back and look forward to his return at an early date. The memory of this revival still thrills us and the impact of the meetings continues with us.

HEALED OF TUBERCULOSIS

I had tuberculosis and the doctors said that they could do nothing for me. They also told me that I might have to be sent to a sanatorium. I had three X-rays made and they all showed that my condition was beyond cure.

I came to Elkton and Brother Nunn prayed for me. I went back and had two more X-rays made and the last one was negative. My doctors then told me I was healed and could go home and forget about it.

I was also healed of neuritis which I had had for 33 years.

I thank and praise Jesus for healing my body. Without Him there was no hope for me, but by His power I have been made whole.

DELIVERED FROM ARTHRITIS

For about one year I had arthritis in my knee joint and at times the pains in my knee and leg were so severe that I would be unable to walk. I was treated by doctors for this but they did me no good.

When Brother Nunn prayed for me all the pain instantly left, and I have not been bothered with it since.

I thank and praise God for healing me of this affliction.

HEALED OF GOITER

The Lord healed me of a goiter. I had a goiter which I had carried for 33 years and when Brother Nunn prayed for me it immediately released all pressure. Also a cancerous mole on the back of my neck was killed at the same time.

This is the first time I have normally breathed without gasping for breath in years. So, I am praising the Lord and giving Him all the glory for His wonderful healing. I want to be found always trusting in His grace.

TOES OUT OF PLACE FOR 15 YEARS — HEALED BY GOD'S POWER

I had three toes out of joint for 15 years and had spent lots of money with a foot specialist but he could do nothing for me.

While in Brother Nunn's meeting in Elkton, Va., I felt the power of God go through my toes, joining them back together and now they will bend normally, whereas before they would not.

CROSSED EYES AND SHORTSIGHTEDNESS

I had been shortsighted and my eyes had been crossed and very weak for about two years and I had worn glasses for about a year and a half. When my eyes were tested for glasses I barely could see the largest letters. Before Bro. David Nunn prayed for me in November I could not stand at the entrance of the church and read a large printed sign over the pulpit. Before prayer I could read for a short while without my glasses and the words would soon become blurry and within about a minute and a half after removing my glasses my eyes would always cross.

Immediately after Brother Nunn prayed for me I could read the large sign over the pulpit from the entrance of the church, and my eyes have become much stronger. After almost a month without glasses my eyes have not crossed yet. I praise God for His mighty healing power today.

HEALED OF SWELLING IN STOMACH AND LEG

For four years I had a swelling in my stomach and leg.

Brother Nunn prayed for me at Elkton and God instantly healed me. The swelling all left and I now feel fine in my body.

I praise the Lord for this healing.

REPORT OF ERICKSON CAMPAIGN AT PLAYHOUSE THEATRE IN WILMINGTON, DEL.

By Rev. C. F. DeArmitt, Pastor,
Calvary Pentecostal Church

Our hearts have been thrilled with the Presence and Power of God which was so prevalent in every service at the Playhouse Theatre in the Du Pont Building in Wilmington, Del., during the past three weeks — January 2-23. Hundreds of people filled the auditorium night after night and the afternoon and evening services on the four Sundays and saw for the first time the miracle working power of God delivering the sick and suffering from every kind of disease and infirmity.

For many weeks the cooperating pastors and churches prayed for God's blessing and power to prevail. This was realized when totally deaf mutes were instantly healed and heard even the tick of a watch. They were able to speak at once. The totally blind were brought in and went away seeing. Again we can say with Solomon: "The hearing ear and the seeing eye, God hath made even both of them." Many arthritis victims were healed by the Power of God. Goitres disappeared before our very eyes. The lame were made to instantly walk. Space does not permit us to recount God's wonder-working power.

Several hundred souls registered their decision for Christ. Night after night many precious souls came. It was wonderful to see once again the lost and dying weeping bitter tears of repentance before God over their sins. They came from every walk of life. Atheists came, denominational church members came to Christ. Business men came to Christ. Business women came to Christ. Methodists, Baptists, Lutherans, Episcopalians, Christian Scientists, Jehovah's Witnesses, Roman Catholics, Swedenborgians, Pentecostals, Church of God, Nazarenes, Presbyterians and many others which we do not recall.

There were those who were scoffers who came to look on. Several young men from a nearby college (Christian) came in and were so moved by what they saw that they said they would never be the same. Only eternity will reveal the full extent of

"We feel we had one of the best Evangelists possible for this type of meeting..." "It seemed the whole city was stirred..." "The churches of Wilmington, Delaware, and surrounding communities will never be the same after feeling the mighty impact of this Holy Ghost Revival!"

God's Power and blessing which was revealed in saving the lost, healing the sick, baptizing believers in the Holy Ghost as Brother Clifton O. Erickson ministered in the POWER OF THE SPIRIT. What I appreciated personally was the simplicity with which Brother Erickson preached. His preaching was not with "enticing words of man's wisdom, but in demonstration of the Spirit and of Power."

The churches of Wilmington, Del., and surrounding communities will never be the same after feeling the mighty impact of this HOLY GHOST REVIVAL! Truly "The Move Is On!"

I RECOMMEND THE ERICKSON EVANGELISTIC PARTY TO ALL CITIES.

REPORT OF CITY-WIDE REVIVAL IN WILMINGTON

By Rev. J. Heinrich, Chairman

WE praise God for the revival He gave us under the ministry of Brother Clifton Erickson.

We rented the Du Pont Playhouse in the center of Wilmington, a place with the reputation of catering to the best folk, and of bringing the best talent to our city. We believe this was true in the case of our meeting. We feel we had one of the best evangelists possible for this type of meeting and he gathered the best people of our city together.

It seemed the whole city was stirred, as people from all denominations forgot their church barriers and gathered together night after night and praised God as His presence moved over the great audience that crowded the house. There never was anything like this within our city, or within the walls of this Playhouse.

Hundreds of people stepped out to follow the Lord. The prayer room was filled with penitents. As one looked upon the scene you would find tears flowing, and your heart overwhelmed with joy.

We witnessed a number of outstanding miracles. Some who never spoke before heard their voices for the first time and some blind now could see. There were innumerable testimonies of healing, which thrilled everyone — except the devil.

We hope some day Brother Erickson shall find it in the will of God to come our way again.

BLOOMSBURG, PA.

We are still rejoicing in what God has done as a result of the Erickson party coming to the Bloomsburg, Berwick area. Literally hundreds upon hundreds of people from all denominations attended this meeting. The straightforward preaching

of Brother Erickson and the miracles of healing caused many to turn to the Lord night after night.

The very first Sunday after the meeting closed, new converts began to attend the Glad Tidings Pentecostal Church in Bloomsburg. Testimonies of deliverance from sin, drink, tobacco, began to come forth from the lips of those who found Christ. Others testified to deliverance from ulcers, arthritis, and of discarded crutches. Our Sunday School Record rose to the extent that it doubled the record of the previous year. We praise God for sending Brother Erickson this way. Surely the hand of God is upon this brother.

HEALED OF ARTHRITIS OF SPINE

On the night of Monday, January 10, I came to the Erickson Revival in the Du Pont Playhouse with a very severe pain of arthritis in my spine and across my back and down my right leg. I had suffered all day with it.

In fact, I did not think I could come to the meeting, as I had been in bed all day. I could not even walk straight. However, I knew God would heal me if Brother Erickson prayed for me. By forcing myself, and the Lord helping me, I came and when Brother Erickson placed his hands on me I was instantly healed — the pain was gone at once. Praise God! It has not returned. I have attended every service and served as an usher and personal worker and have been on my feet every night.

HEALED OF STRAINED BACK

Three years ago, I was stricken with a badly strained back and had to wear a surgical belt with two steel slats in the back for support. At times I could hardly walk and had to be helped out of bed.

On November 5, last year, something happened to my left hip. My doctor said a large bone was involved. It would seem to jump out of place and was very painful. My back and hip were very weak — the muscles were all strained. My doctor

TESTIMONIES from the *Homer Peterson* CAMPAIGNS

This is the huge, steel-clad, flame-proof tent cathedral used by Evangelist Peterson in these great Bible Healing Crusades over the country. These campaigns have been the scene of many miraculous deliverances as the prayer of faith has been answered.

HEALED OF PARALYSIS

Paralysis came to me on a Saturday night about three weeks ago. It felt like someone had a string on my face drawing it around. When the siege was over, my face was left numb and dead, feeling like it was frozen. My mouth was drawn around to one side by Sunday morning. As I went to church I could hardly talk because my tongue was stiff and paralyzed. On the following Wednesday night, the opening night of Brother Homer Peterson's meetings in the Reading Assembly of God, I was healed. Praise God! I knew I was going to be healed before I was prayed for. When he prayed it felt as though the string drawing my face was loosened and my face started to come around to its right place. As he prayed my tongue loosened 'til I could talk by the time he ended his prayer. Even my left ear had been deaf as a result of the stroke, but it, too, has now come to normal! Praise God!

The next week I went to the doctor, at my husband's request, and the doctor said I could come back home. I was "Perfectly O.K." He said I had had a stroke, but I was all right and have "nothing to worry about now." I want God to

receive all the Glory and I know He's my healer and can heal where doctors can't. I pray this testimony will be a help to anyone it possibly can.

HEALED OF ARTHRITIS

I had been suffering with arthritis for over 20 years and through Brother Homer Peterson's healing prayer I was healed in his campaign here in Lynchburg on March, 1954. I had been treated by doctors many times with very little relief, but I came home rejoicing and praising God.

I am still healed and love Jesus more every day. God bless your great ministry. I was also filled with the Holy Ghost.

WAR VETERAN HEALED OF SERIOUS INJURIES

On February 15, 1952, I was wounded in Korea by a grenade. Both my legs were blown to pieces and I was put in the Tokyo Hospital

where I was given blood and plasma. They sent me back to the States to the Walter Reed Army Hospital where I underwent 17 operations and laid on my back for 13 months. Finally in January, 1953, walking casts were put on me and I wore them for six months. Then I was sent to the McGuire Veterans Hospital in Richmond, where I was given braces on July 17, 1953, and could not walk without them. During a revival which Rev. Homer Peterson was holding at Wanchese, God saved me and miraculously healed my legs and I haven't had the braces on since. Praise His Name!

SORENTO, ILLINOIS, PASTOR REPORTS JOHN C. POTEET MEETING GREATEST IN TWENTY YEARS

Rev. Odis Cooper

WE have just closed a Holy Ghost, God-given revival with Brother John C. Poteet of Anaheim, Calif. The meeting was scheduled for 13 nights, but interest was so great that it lasted four weeks. The church was filled every night and extra chairs had to be brought in to accommodate the crowds. People came from a radius of 60 miles, driving through bad weather.

Conviction was so great that sinners ran down the aisles, asking Christians to pray for them. Sinners in town were so disturbed they could not sleep at night. After some days the anguish would become so great they would attend the revival, coming to the altar the first night. Sixty were saved and the most of these were baptized in the Spirit a few minutes after being saved. Backsliders who had been away from God for 15 and 20 years prayed through and were refilled with the Spirit.

God's power was present to heal, and many were healed of various afflictions, such as heart trouble, blindness, deafness, arthritis, allergy, appendicitis, nervous trouble, asthma, tumor and neuritis. One lady discarded her hearing aid. Her inner ears had been paralyzed. Doctors said they could not help her, but she now hears perfectly. Another lady had only 5% vision in one eye. After prayer she found God had healed her. Her doctor certified the fact that she was healed. An elderly man was healed of stomach trouble, neuritis, bladder trouble and rupture. He feels he was almost resurrected.

The revival was the topic of discussion in the streets, business places and homes. Different businessmen of the town report cigarette sales decreased 50% to 60%. This is the greatest revival that this church has had in 20 years. The last night of the meeting 51 united with the church.

I can highly recommend Brother Poteet to any pastor or church. Brother Poteet at all times exalts and magnifies Christ. The humility of Brother Poteet with the way God is using him makes him one of the outstanding evangelists of today.

PASTOR'S REPORT OF CITY-WIDE MEETING IN OROVILLE, CALIFORNIA

Evangelist John C. Poteet has just concluded a great city-wide Salvation-Healing Campaign in Oroville, Calif. During these two weeks of God's rich blessings, the power of God moved in our midst from night to night under our brother's anointed ministry resulting in the salvation and healing of many. In addition, God's people from the different churches were stirred and blessed in their souls until they are determined to live more consecrated, dedicated lives for Christ.

The healing testimonies ranged from minor ailments down through the catalog of human ills to tumors, colitis, and cancer. One man with a broken foot left the platform carrying his crutches in his hand.

On Holy Ghost Rally Night a number were filled with the Spirit as hands were laid on them by Brother Poteet. R. B. Cox, a retired Baptist preacher, received a glorious infilling.

In this his first visit to our area, we found our Brother Poteet a humble servant of God and powerful preacher of the Word. Everyone is looking forward to the time when God will send him our way again.

HEALED OF TUMOR

I was healed of a large tumor in my abdomen during Brother Poteet's meeting in Oroville, Calif. As Brother Poteet prayed for me, I felt the power of God surge through my body. Several days later, in the still of the night, I was awakened by a violent trembling and a large growth under my right arm disappeared also. I praise God for His wonderful healing power.

HEALED OF HEART TROUBLE

I want to praise God for sending Brother Poteet here for a revival as I had heart trouble and at times was hardly able to do anything and could not sleep, as my nerves were also bad, but praise God for His healing and a man like Brother Poteet.

DELIVERED FROM HEARING AID

I have suffered a hearing deficiency for the past 15 years. My hearing, gradually becoming worse, until six years ago I was forced to wear a hearing aid. I went to see a doctor who, after having X-rays taken, told me that I was suffering from audiosclerosis or, in other words, my inner ears were paralyzed. The second night of Brother Poteet's meeting, February 2, 1955, he called me out of the audience and as I started from my seat the Spirit came upon me and as he laid hands on me a burning sensation surged through my ears and I knew I was healed. I now hear sounds that I haven't been able to hear for years. I can sit in the very back of the church and hear what is being spoken from the pulpit. It's so wonderful to sit in the service and hear the people's testimonies — something I could never do before and not too well even with my hearing aid. I have laid it aside, have not had it on since Brother Poteet prayed for me and to God I give all the glory. Praise His wonderful name!

Signs and Wonders Seen in Ministry of Evangelist JIMMY NICHOLSON in Great Healing from Heaven Revivals!

REPORT OF REV. LLOYD SHOEMAKER, PASTOR
BETHESDA ASSEMBLY OF GOD
ROCK ISLAND, ILL.

WE have just concluded a three weeks' revival with Evangelist Jimmy Nicholson. These weeks have been filled with real revival. God gave us a gracious outpouring of His Spirit. Sixteen were filled with the Spirit and numbers came to the altar for Salvation and Consecration.

The beautiful part of this meeting was the manifestation of God's Spirit in Healing Power and in the operation of the Gifts of the Spirit. New faith has filled the hearts of our believers and they are determined to enter into the greener pastures offered through the ministry of the Holy Ghost.

Two great nights of the meetings were the showing of the pictures of the great Cuban Revival in which Brother Nicholson had a great part, and the night he gave his personal testimony of God's grace and leading in his life. He also told us how God witnessed in his life as to the part he would play in supernatural ministry to the needy.

We thank God for sending Brother Nicholson this way and heartily recommend him to any pastor interested in having a church that operates like a church in the Book of Acts. He can return to us for a meeting at any time he feels the Lord's bidding.

WOMAN HEALED OF HEADACHES

THE Evangelist, Jimmie Nicholson, was led to Oceana, West Virginia, to the Freewill Baptist Church and began a series of healing services.

I was there the first night. I am a Christian woman, but never had I seen a meeting go on like that meeting. I saw, with my own eyes, people healed that night and God revealed through that man what was wrong with those people and he told them.

I was moved to go up that night, for I was sick in body, but I lacked faith and doubted that man's experience a little, and didn't go. That night and the next day this stayed on my mind. I decided the second night, before I left home, that I would go up that night to see if he could tell me what was wrong with me. I sat in my seat until after a lot of people had been healed, but wanted to be the first one to go up. Then I prayed a prayer in my heart and asked God to give me faith and to reveal to me if he was a man of God, in a way that I would know that it was real. I left my seat willing to walk by faith. I started down the aisle, still wondering if he would tell me what was wrong with me and the power of God fell on me and I didn't hear a thing he said.

The blessing that I got that night I would never be able to put into words and when he touched me I know I was healed of headaches caused every day from high blood pressure. Thank God my head hasn't hurt me since that night. I'm determined to live for the Lord and walk by faith.

BIBLE DAYS REVIVAL conducted by Evangelist FERDIE C. JAY

Evangelist Ferdie C. Jay

CHELAN, WASHINGTON

THE Chelan Assembly of God church has recently experienced a great BIBLE DAYS REVIVAL conducted by Evangelist Ferdie C. Jay of Wenatchee, Wash.

The people of this area were thrilled with the well balanced, Bible-centered, anointed ministry of Brother Jay as he preached the full Gospel. A number were saved and filled with the Holy Spirit, and many that were oppressed by sickness and fears were set free. We are still rejoicing

and reaping benefits from the campaign.

We have invited Brother Jay to return to Chelan for another BIBLE DAYS REVIVAL as the Lord leads him. We can sincerely recommend Evangelist Ferdie C. Jay. His well balanced ministry will be a great boost to any church and pastor.

May the Lord continue to use Brother Jay in even a greater way with the message of deliverance.

SEDRO WOOLLEY, WASHINGTON

During the recent BIBLE DAYS REVIVAL conducted by Evangelist Ferdie C. Jay in Bethel Tabernacle here in Sedro Woolley, we saw the Lord move in OLD TIME Pentecostal power. This meeting is considered by the church to be one of the best evangelistic efforts ever conducted in this church. The attendance held up exceptionally well for the four weeks of meetings, and many victories were won for God.

Many answered the call for salvation, reclaiming, or for the baptism in the Holy Spirit for the first time. A deacon and his

wife from the Lutheran church received the Pentecostal experience, as well as many others, as the power of God leaped the barriers of denominationalism. Several testified to being healed of various ailments while sitting in their seats listening to the Word as well as those that came in the prayer line.

Brother Jay brought positive faith-building messages from the Word of God each night, which proved to be a blessing and an inspiration to the church.

We are thankful to the Lord for this BIBLE DAYS REVIVAL and appreciated the ministry of our Brother Jay in our midst.

BALTIMORE STIRRED BY CULPEPPER CAMPAIGN

AS I sit down to write this report of the R. W. Culpepper Salvation Healing Revival in Baltimore and begin to think of the many wonderful things that happened, I wonder where to begin, how to condense and how to finish, in telling of the good things which God has done for us.

When we began the campaign in our church auditorium, little did we realize that interest and attendance would increase and we would have to rent one of the largest theaters in our city. But, it did happen. The most impressive thing to me of the entire campaign was the tremendous response made by the unsaved. Certainly, hundreds found Christ real to their hearts in this meeting. Of course, as the healing line was formed and people were prayed for, we saw many outstanding healings, and I am happy to report also that four months later people are still testifying in our services of definite deliverance they received in the revival. We are looking forward to the time that Evangelist R. W. Culpepper shall return to Baltimore for another campaign.

PASTOR WEAVER REPORTS ON FRESNO, CALIF., CAMPAIGN

The R. W. Culpepper Evangelistic Party conducted a three weeks' campaign at Calvary Tabernacle, Fresno, Calif., which proved to be a great blessing to the church. The music of the party was outstanding and we thank God for the good results. Souls were saved, believers baptized in the Holy Spirit and many outstanding healings were wrought during the campaign. Brother Culpepper's preaching was mightily anointed by the Lord and his messages will long be remembered by our people. Many miracles of healings were evidenced as he prayed for the sick and afflicted at every service.

Brother R. C. Aderholt's faith-building messages in the Faith Clinic conducted every night just before the regular service contributed greatly in making the meetings a success.

HEALED OF ASTHMA

I want to praise the Lord for having healed me of asthma in your meeting in Elmira, N. Y. I had been suffering for 16 years and for the last year and a half I had to take two shots a day to ward off attacks. The doctors said that I would have to take shots the rest of my life. But praise God, when you prayed for me God healed me and I have not had to take any shots since.

HEALED OF INJURIES SUSTAINED IN AUTO ACCIDENT

I attended your meeting in Elmira, N. Y., and when you prayed for me God miraculously healed me. I was in a car accident four months previous to your meeting where I broke my right arm and my right leg and had a terrible injury. My leg was left stiff and swollen and the doctor said it was possible that my leg could never be used at all. But praise God, when you prayed for me the swelling left in 15 minutes and the cords in the back of my leg had loosened up, and I am able to walk.

I had been in the hospital five weeks and walked on crutches nine weeks and had three different hip-length casts on my leg for 60 days. But praise God, since you prayed for me I am able to walk for the first time.

Dear Bros. Lindsay and W. V. Grant:

Before writing you for a healing cloth I was very sick with a heart attack and was not able to be up or to do my work. Then I had two strokes and was left very weak. When I received the healing cloth I followed your instructions. I began to get better at once. I am up and doing my work now. Before I was healed I could not sleep at night for the pain in my body, but now the pain is gone and I sleep all night. Praise God.

Pastors Recommend Evangelist A. H. Watkins

FROM PASTOR G. K. REES

We have just been privileged to have Evangelist A. H. Watkins in a two-weeks' revival. His Spirit-anointed ministry certainly proved a blessing to our church. We saw real miracles of healing and an outpouring of the Holy Ghost. Especially helpful to the church were messages on Bible holiness and how to receive the Holy Ghost. I can heartily recommend this young man's ministry to anyone who is desiring a lasting revival for his church. Never have I been able to work in greater harmony with any Evangelist to come to our church.

NATIVES FOLLOW ORDER OF EARLY CHURCH! MIRACLES—DEMONS CAST OUT—PERSECUTION

By Evangelist T. L. Osborn

DUE to the limited space available on this page, we are omitting pictures this month in order to give you a wider report of what is being accomplished through the ministry of native preachers being assisted while they pioneer new works among the unreached.

At the time of this writing, over 400 pioneer native missionaries are receiving this help regularly, raising our monthly obligation to more than \$7,500.00, an average of about \$18.50 per native each month. The following reports, which are typical of hundreds of others, indicate that these dollars are being invested in tremendously productive channels. We are making possible the advance of the Gospel to neglected areas of over 60 foreign countries.

You will notice that names of natives, countries, areas and supervisors are omitted since great persecution is being waged against these native preachers in different parts of the world.

From certain countries supervisors have written in detail of scourings, beatings and of such awful persecution against the native preachers that the readers would weep. We have been requested not to publish these details lest the Voice of Healing fall into the hands of contentious persons provoking greater persecution, or providing evidence which would cause the missionaries to be expelled, the native preachers to be jailed, and their works to be closed. (The personal sponsors of these particular natives, however, are informed in detail about these things.)

Missionary supervisors from various countries of the world have recently written as follows concerning different natives:

Natives Cast Out Demons

"During the past two months, there have been a number of cases of demon-possession delivered. A woman came to the meeting really possessed, who rolled on the floor. The demons spoke out refusing to leave without an offering. When Brother _____ commanded the spirit to leave her, she was delivered, and has been baptized and attends his meeting regularly. Another woman in a village was so possessed that she knocked herself against the floor until she had great open sores on her shoulders and spine. Upon being called to pray, Brother _____ cast the demons out in Jesus' Name, and she was restored. Still another demon-possessed woman in the village of _____ was healed when Brother _____ prayed for her. Since her deliverance, her husband has also received Christ."

"Brother _____ has been going from house to house in his area, preaching. He prayed for an insane man who suffered three years. The evil spirit left him and he is now serving the Lord. He will soon

build a church there. They are preparing the building materials."

Miracles Confirm Native Ministries

"Brother _____ now has a growing Sunday School of over fifty. Several have been baptized. A sick man who suffered over two years was healed. Another who was deaf was healed. A chapel will soon be built."

"Under the ministry of Brother _____, several have been baptized. Numerous wonderful healings take place. He is reaching four large localities. An army officer was converted after being healed of T.B. What a joy to see these sinful low people repent and turn to God."

"Brother _____ has just moved into a new district. People thronged to hear him preach. Recently, as he returned to his hut, he noticed the Chief, town elders and neighbors sitting in little groups around his compound. Perturbed, he entered his yard and there lying on the ground was his mother. She had fallen, struck down by a demon which she had seen. After a hemorrhage, she seemed paralyzed. All were waiting for the signal to start digging the grave. Brother _____ looked at her and began to sing, then commanded, 'In the Name of Jesus, arise!' She arose and has been planting her field. The villagers exclaimed: 'We thought you came here with just another religion, but now we see it is a Road that gives life! It is a true Way!'"

Primitive Persecution

"Brother _____ was stopped by Catholic influence in one village, but he thanks God for this help with which he can continue. Most people here are sick and have sought help from all kinds of witch-doctors and as a result are possessed with evil spirits. Brother _____ prays for them boldly and many receive complete deliverance. During mornings, he visits villages, and daily many come out into the open to accept Christ. They get saved and healed. One new believer walked 40 miles to tell her relatives what Christ did for her. She was wonderfully saved and healed from a bleeding breast after 12 years of great suffering. Her people received her testimony and asked for the Evangelist to come. He has gone and many accepted Christ and are being healed. The wife of a wealthy man had spent much on doctors, suffering with rheumatism for years. She was completely healed through the power of Jesus' Name."

"Brother _____ is in the _____ region. He has recently been beaten terribly by the authorities for preaching. He has been threatened further if he continues to preach. Of course he is carrying on..."

"Brother _____ is preaching throughout a large area of over 70,000 people in

villages along the river. He was recently beaten severely and told not to pray any more. Each time the whip struck, the official demanded that he give up his faith..." etc.

"Several of the workers are carrying on where we would never be allowed to work. Communication is poor, and dangers are great. As often as possible, we get word from them. Some of the workers bring word out when they can. Some of them cannot write, but they have the fire of God in their souls and we know they are doing a great work penetrating these dark regions."

"Brother _____ was opening a new work in the _____ region, but was beaten by the authorities and if the local official can lay his hands on him, he will do more. This is a very sincere, upright and earnest worker and has proven his ministry. For the present he has had to go to another area and is opening a new work there."

Reaching New Frontiers

"Brother _____ is an old warrior. He came down to our home-base not so long ago. He was not feeling well and thought he was going Home to Glory. But a week later, we had news that he had gone a thousand miles north on his bicycle, to a needy area and is preaching there, opening a new work."

"Brother _____ walks nine miles to the interior where, hidden in cane fields are countless families growing up in entire ignorance of the Gospel. His new work among these people is so fruitful that they hope to build a palm-thatched chapel to worship in very soon."

"Brother _____ is working in a sugar mill town. Souls are being saved as they hear the Gospel for the first time from lips aflame with the Holy Ghost. This is an entirely new area. He is visiting from house to house, opening branch Sunday Schools in six areas."

"Brother _____ is doing the work of a circuit-rider preacher, attending to six country preaching points. He has organized a church in one of the points which he calls his headquarters where his wife and family stays. He is fearless in praying for the sick and casting out devils. Every one of these centers is infested with spiritist influence, but he is reporting victory in spite of opposition. Idols and images are being torn down as the light of the Gospel not only changes their hearts but their house-walls from which the saints and images are being noticeably removed."

The Expanding Challenge

Scores of new applications are being approved, additional works are becoming indigenous, and reports from the supervisors of over 400 natives are coming to us almost every month now. Truly, this presents an ever-increasing challenge.

ciated with it are from many organizations and some are not members of any. THE VOICE OF HEALING recognizes the principle of the one Body of Christ. It cannot, however, be responsible for endorsing everything that is done by this or that evangelist, or is taught by this or that organization. This should be understood. There always has and there always will be those individuals and churches whose ethics fall short of the New Testament standard. There will always be those (until Jesus comes) who will be led away by novel schemes or enticed by personal ambition. Were we to wait however until the Church was perfect, the time would never come for a practical forward move for united action of the spirit-filled church. We should remind ourselves that the modern church is working rapidly for unity; the Catholic church has attained unity within its ranks; and if the spirit-filled churches do not act in unity, they may find that the adversary will take advantage of their divisions to scatter them.

We call these things to the readers attention because THE VOICE OF HEALING has in the past and will in the future continue to recognize ministers and evangelists from many groups and organizations. But *one evangelist is not responsible for another's actions. One organization is not responsible for another organization's faults. Each must stand or fall on the basis of its own merits.*

WORLD PRAYER BAND

The time has come that we make a special appeal for our world prayer band to join with us in a prayer crusade for projects of national scope. In these crusades which will involve country after country, we are going to ask our prayer band to follow developments closely. When a nation is being "invaded" we are going to ask each one to unite their prayers and faith with us for a mighty advance of the Kingdom of God in that nation. We must not think that miracles alone are sufficient to evangelize a nation. We must back up these crusade efforts with a mighty organized effort of prayer.

Your continued offerings for this great crusade will enable us to develop our plans in these coming nation-wide efforts to get the Gospel to the World.

THE NEXT ANNUAL TVH CONVENTION AT DALLAS, NOVEMBER 8-11

We also wish to make the announcement that the next annual Voice of Healing Convention will be in the Fair Park Auditorium, Dallas, Texas, November 8-11.

THE PROMISE IS SURE

(Continued from page 8)

Forget about feelings, but look only at God's word. Confess this word, meditate on these truths. Jesus said, "If you confess me before men I will confess you before the Father." Mt. 10:32. When you confess that "with His stripes we are healed," Jesus turns to the Father and confesses that you are healed by the stripes He suffered for our healing. Make your bold declaration that you are what God says you are. Martin Luther in a poem wrote — and I believe it fits well here — how to receive and keep healing

from God.

Feelings come and feelings go,
But feelings are deceiving,
I'll place my faith on the word, of God,
Nought else is worth believing.

The Scriptures cannot be broken and He says, "With his stripes we are healed." Therefore, when ye pray, believe ye receive and you shall receive. For he that believeth shall never be ashamed. Step into God's plan and step out on God's promise and deliverance is yours, through Jesus Christ our Lord.

treated me and taped me up and of course I was still wearing my belt. The next day the same thing occurred, the bone appearing to be out of place. I went back to the doctor; he treated me again and taped me very tight and warned me not to bend over and to sit only on a hard chair. I could do no work and had to put heat to my back for two minutes every hour.

On January 11, Brother Erickson prayed for me and instantly God healed me. I removed my belt and tape — I do not need them now. I stopped taking my medicine, of which some was dope, for pain. I have no pain whatsoever, and can do my housework and walk.

I went back to my doctor and he said I was all right after examining me and dismissed me.

manner, and their able, anointed ministry, the Jays quickly won our hearts and the hearts of the visitors who came night after night.

The attendance at the meeting was very good and the response most gratifying. A goodly number of people sought the Lord for salvation or restoration, and a number testified to having received healing for their bodies. An elderly man who had not been inside a church for 18 years until just before the Jays came, was gloriously saved. He is going on with the Lord and continues to come to church regularly.

We greatly appreciated Brother Jay's well rounded, uplifting preaching ministry. He has a powerful, appealing message to the unsaved, a message of faith and hope for the sick, and a practical message to the church that is winsome and yet of real help and benefit.

We have extended an invitation to the Jays to return for a second campaign at the earliest date in the will of God. On one of the closing nights of the meeting we received a special offering toward the purchase of a new tent that Brother Jay desires to secure. We are trusting that it will some day be possible for Brother Jay to return to St. Paul for a tent meeting.

LETTERS TO THE EDITOR

(Continued from page 17)

God gave me a wonderful vision of the healing work of Christ. I was spending a day in fasting and prayer when right in my living room I saw Jesus being taken into a court yard and lashed by Roman soldiers. Then God spoke this text to me: "With his stripes we are healed." I had always been taught it was spiritual healing until God gave me that vision. Since then I have been praying that God would lead me into a full gospel ministry.

I have retained my Baptist connections because I felt that perhaps God could use me to reach people who are resisting this later day revival. I am heart and soul at one with the work of the Voice of Healing. Several years ago about the same time as the above vision God gave me the wonderful experience of the Baptism of the Spirit.

So far we have not had to refuse a single application due to lack of funds. We are doing everything possible in our campaigns to see that we can continue to meet this expanding challenge. TVH readers who have sacrificed to share in this all-important Crusade have made possible the continual growth of this effort, even while we were occupied in our overseas campaigns. We are believing that this shall continue to be the case as you continue your faithfulness to our brethren, these under-privileged native preachers of other lands.

FRANK FORTUNATO REPORT

Rev. Frank Fortunato of Philadelphia, Pa., was with us at the Central French Pentecostal Church of Montreal, Canada, from October 26 to November 7, 1954. Each night our brother gave forth the Word of God with a passion and fervor such as we have never seen surpassed or even equalled. The anointing of the Spirit upon the speaker was evident and resulted in much blessing being communicated to the hearers, this despite the fact that the messages had to be interpreted.

We are thankful to God for some remarkable healings which He wrought during these meetings and for the real spiritual uplift which the church received as a result of Brother Fortunato's ministry. We were sorry that he could not stay longer and hope that he may soon return for another campaign in this stronghold of Romanism.

WHEN GOD CAME INTO MY ROOM

(Continued from page 4)

derful Force, and when I did it left. Then I realized I had made a mistake in drawing back.

The next few days I began to pray as I had never prayed before and said, "Oh, God, if You'll just come back again I'm willing to do anything for You. I'm willing to give my life if it is necessary to have Your Presence in my ministry." Then in about three or four nights I was lying in the bed again and I was meditating and praising the Lord and asking Him for help and power in my life. All at once this great feeling began to come into the room again. The very room and atmosphere lighted up. There didn't seem to be any room for me there any longer, because God so completely filled the place. As I lay there I lost all movement of my body other than my eyes. The great force of God moved down across my bed and overshadowed me and I felt the strangest and most wonderful feeling. From my very fingertips it began to move into my hands and up my arms. I felt as if I were holding 220 volts in each hand and it began to surge back and forth through my body. Then and there in that room while this was taking place the old me was leaving and a new me was coming in.

From that night on my life was different. Many remarked how completely my ministry had changed. I had a positive message—a message that had fire in it. God talked to me and told me that if I would preach the message of deliverance He would heal the sick. He would heal all the diseases that came before me. He would give me the power to cast out devils. As I listened to this commission from the Lord, His power surged through me and my arm happened to touch my wife's body and it almost caused her to jump completely out of bed.

NEW POWER FOR SERVICE

This experience has never left me and when I get ready to pray for the sick a great anointing comes upon me and I feel the power of God in my hands. Sometimes many people are slain under this power. Many have had visions of the Lord and things God wants them to do. Many people with cancer, TB, neuritis, rheumatism, heart trouble and all known types of disease have been marvelously healed through the mighty power that God has given me.

It wasn't long after this that God told me to start a revival in my church, so I began to pray about it. I fasted and prayed many days before the revival started, then after it began nothing at first happened. A small crowd came out. I couldn't understand why I was seeing so little visible results. God spoke to me again, saying, "Don't close this revival; I'm going to show My great power in this meeting. I am going to show the people that I am with you. I will give you signs and wonders in your ministry that you have been asking for." I had been about ready to close the meeting, but now I got up and told the people that I was going to carry on. After the dismissal of the service and about half of the people had gone, two ladies walked up to me and said, "Brother Dunn, we want you to pray for us." I said alright. I was standing there getting ready to pray and it seemed

like a great force entered my back as if a great hand had been laid there. The next thing I knew I was praying for these ladies and they were lying on the floor. Others started toward me and God slew them under His mighty power.

The next day I went out and borrowed all the available chairs I could and brought them into the church. I filled all the aisles and the space in back of the pulpit. When people came to church that night they thought I had lost my mind because we had had plenty of room before. But I knew what God had told me He was going to do and I was getting ready for it. That was my faith.

THE REVIVAL COMES

That night God began doing things. He revealed to me the people's conditions and diseases through the mighty spirit of discernment. I found I was a different individual. God showed me things that I thought were impossible for a person to see or understand. He would show me the individual that was suffering, what they had and He would direct me to them. I would call them forward and after I had prayed for them, they would be healed of every kind of disease. Some were brought to church that hadn't walked for weeks. They left shouting the victory and praising the Lord and walking on their own feet. They came on crutches and went away carrying them on their backs. People filled up the church auditorium, they filled up the basement, they stood on the porch, on the steps and on the outside. Soon 130 had been saved and I guess there were 80 who received the Baptism of the Holy Ghost.

And now I began to preach the Gospel like I had never preached it before. I began to do the things that God wanted me to do. I knew that God had given me the tools to work with. I knew that I was getting something accomplished for the Lord. August came and I resigned my church to go into the evangelistic field because the Lord had shown me that He had given me a wider ministry.

Now God began to confirm His Word in a greater way. People that were blind for several years with cataracts were miraculously healed and people without ear drums were given new organs created by the mighty power of God. The greatest part of it all was that many souls were being saved, as many as 50 or 60 a night.

It all goes back to the time when I became dissatisfied with my lack of power. I needed God's power more than anything else in my life. I had an open heart, I wasn't critical of those men that were carrying this message of deliverance to the people. I asked God to bless them in a great way and in answer to my prayer God poured out His Spirit and blessing upon my ministry. How I thank God that back on that October night in 1953, He came to my room and gave me that great blessing. Since then I have been taking this message of deliverance to the people. God has blessed me greatly in my revivals, giving me thousands of souls and healing the sick, wherever I go.

THE LOST CITIES OF GALILEE

(Continued from page 5)

even to that day, 2,000 years after their destruction. The same miracles would

have brought the wicked cities of Tyre and Sidon to repentance. In these words, Jesus shows that the ministry of healing and miracles is the most powerful evangelistic force in the world, and guilty indeed are the people whom these miracles will not convince. But such were the inhabitants of the cities of Capernaum, Chorazin and Bethsaida. They, of course, had their clever explanations. "He casteth out devils by the prince of devils," said some. Others denied that any miracles actually took place. Still others were too busy with their fishing, their commerce, their shopkeeping, to be bothered.

Where are the cities of Capernaum, Chorazin, and Bethsaida today? Long have the voices of those who dwell in these once thriving towns, been stilled. The inhabitants had their opportunity and passed it by. They heard the words of Christ, warning against the day of reckoning, but they paid little heed. Thunder over the Sea of Galilee was coming, but men refused to believe it. How could this Nazarene know that these flourishing cities would be doomed? It was too ridiculous for consideration. But today they lie desolate and there is scarcely a vestige of them remaining. Not only have the people been brought down to Hades, but the very ruins of the cities have almost vanished.

WOE UNTO BETHSAIDA AND CAPERNAUM

We paused at Bethsaida on our journey to the north part of the lake. There is only a building or two at Bethsaida. We were reminded of Christ's act of giving sight to a blind man in that vicinity. He would not heal him in the city. The days of probation of Bethsaida had ended, and so He took the blind man out of the city and healed him. (Mark 8:22-26.) There is a rough road that leads out of Bethsaida to the Capernaum site. We thought that we would walk northward to the ruins of a Capernaum synagogue that had been excavated by a German expedition in 1905, and which we were informed was in existence at the time of Christ. Some claim that this is the synagogue that was built by the centurion mentioned in Luke 7:5. This is possible, although not at all certain. The original synagogue (or synagogues, as it is believed a later one was also built on this site) as revealed in the reconstruction, seemed too pretentious to be built by a centurion. We spent some little time inspecting the ruins and listening to our guide give us such information concerning its history as is known. It was thrilling to contemplate the possibility that Jesus more than once stood on this very spot and preached.

One reason why almost every vestige of these towns has disappeared, is due to the fact that they were built on mountain slopes. The processes of erosion over the period of many centuries have covered practically all the ruins. Considerable excavation has been required to partially restore the synagogue. Thoughtfully, our group trudged back to our waiting bus near the former city of Bethsaida. The words of Jesus, "Heaven and earth shall pass away, but my words shall not pass away," seemed tremendously real.

There was one more circumstance which made this prophecy of our Lord even more impressive. The city of Tiberias was built about the time that Jesus was born. It had been founded as a resort town, and resort

THE LOST CITIES OF GALILEE

(Continued from page 5)

towns do not usually have the quality of permanence that commercial centers have. If Jesus were going to predict doom against a city, wouldn't Tiberius, the new boom town be the one to prophecy against? But He never uttered a word against it! When Titus swept through the provinces of Galilee, he destroyed practically every city, but Tiberius was spared! Jesus spoke no woe against this city, although He must have passed through it several times. And it stands today. But the cities He proclaimed a judgment against, have been in ruins since 70 A.D.!

As we returned to the city of Nazareth to spend the night there, our thoughts pondered a solemn matter. If such terrible judgment were visited on these cities because they repented not, after witnessing the mighty works of Christ, what then is God's attitude toward those who reject the ministry of the supernatural today? How shall they stand at the great throne of judgment when the righteous Judge shall judge every man according as his works shall be?

THE GIFT OF THE HOLY SPIRIT

by J. E. Stiles

A book dedicated to that great group of hungry Christians who have wept before God, longing to be filled with the Holy Spirit, whose hopes have not yet been realized.
