The Story of the Great Restoration Revival

by Gordon Lindsay

INSTALLMENT IV

Thus far we have related God's revelation of the present revival to Dr. Charles S. Price, Brother William Branham's part in the early days of the revival, the birth of *The Voice of Healing*, the story of William Freeman, and our missionary trip to Mexico. This month we continue the story with the rise of such men as Richard Vinyard and Velmer Gardner.

IMMEDIATELY upon returning to the States from the Mexican trip, I received some correspondence from Wilbur Ogilvie, who asked me to be with him in two campaigns, the first being at Watertown, South Dakota, with former Chaplain Grant Wacker. Brother Ogilvie was having some fine miracles in his meetings, especially with the deaf and the blind. I joined him in Watertown, and could we have stayed longer in that city we, no doubt, would have had capacity audiences.

From Watertown we went to Mishawaka, Indiana. It was there we met Lester Sumrall, pastor at South Bend, who was doing a spectacular work in that city. Brother Sumrall attended the services quite often and showed a warm interest in the deliverance ministry. He is known as a practical man and interested only in things that work. Not long after he introduced the deliverance ministry to the Philippines, where he built a great church. His methods in Manila were to result in a revolution in certain phases of missionary work. His contention was that instead of limiting missionary work more or less to the people in the villages, or among the poor only, we must establish powerful revival centers in the large cities and work out from them. That this method would do the job was dramatically proved in Manila. Today there is a great revival center there with a financial investment equivalent to hundreds of thousands of dollars. The Sunday School attendance in that church, including the outstations, is now about four thousand.

THE CALLING OF KEY MEN TO THE DELIVERANCE MINISTRY

It was becoming more and more evident to us that God's hand was being laid upon key men, each with a unique ministry and with particular gifts, all contributing to an unfolding pattern of apostolic ministry. It is our belief and always has been since we have been a Christian, that before Jesus comes, the church must have all the gifts of the Spirit in operation.

Reading, Pa.

Not long after this I met T. L. Osborn who, as we have noted, came into the deliverance ministry as the result of the Portland meeting. I observed that he had a bold faith and an exceptional ability to build people's faith upon the Word of God. However, he had no tent equipment and at that time was comparatively unknown. We agreed to work together in a campaign in Reading, Pennsylvania. This meeting made history in that area. People came from hundreds of miles. Many thousands attended the night services as well as the afternoon meetings. A number of ministers received a new vision of evangelism through miracles in this meeting and soon after launched out into the deliverance ministry. Enough funds were raised in the campaign to pufchase the tent that had been used for the meetings. From that time on this evangelist had large audiences wherever he went in America. Overseas, however, proved to be the theater of his greatest accomplishments. In Camaguey, Cuba, and Guatemala City, the areas were shaken by the mighty miracles that took place.

Richard Vinyard

By this time results from the campaigns of the past two or three years were coming into view. Ministers who had been hungering for a real supernatural ministry were launching out one by one into the deliverance ministry. One of these was Richard Vinyard, who had been a pastor in Kansas City. Since then and for the past eight years now he has been holding large healing campaigns and ministering at conventions and camp meetings in various states. Not only have his results been outstanding but he has had unusual success in building good-will among the pastors and churches wherever he goes. For two years he has served as administrator at *The Voice of Healing*, and his assistance has been invaluable.

In the following paragraphs he tells briefly how he came into the ministry of deliverance:

"At that time I heard of Reverend William Branham. I was shocked at the statements made about him, and staggered at the thought of seeing anything like it, yet I had such a burning desire to see for myself. I was invited to cooperate with one of his meetings — his first visit to Kansas City. Needless to say, I was glad to be invited.

"When I saw the power of God so marvelously manifested through his life, I said to myself, 'I have always believed this is the way it should be and that this is God's plan.'

"I then cried out to God to forgive me of my shortcomings and to heal my body of *(Continued on Page 19)*

DO YOU BELIEVE IN ANGELS? Or do you relegate the doctrine of eschatology to the trash barrel of superstitious imagination? If you are interested, you will be surprised to learn that there is a real shortage of current material on the subject. You can search through dozens of religious magazines without finding a single article on angels. However, God's Bible fills in this need. From Genesis to Revelation, we read the remarkable story of angels.

A DEFINITION

The word angel comes from a Greek word, "angelos," which means "a messenger." The Bible definition is in Hebrews 1:14: "Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?"

A minister is one who ministers, or one who gives something. The angels are ministering spirits.

A spirit is a personality without corporeality. Angels are working spirits, messenger spirits, sent forth to minister to them who shall be the heirs of eternal redemption.

You may argue that today we live in a world that is materialistic and scientific; that this generation just does not believe in the supernatural which includes angels. However, the modern world is getting closer to the mystic all the time. Scientists can't understand most of the things they are working with and don't even claim to be able to understand them. They are working closer to unseen powers than they ever have in the history of the world. So, in keeping with the times, why shouldn't the church work closer to the unseen powers! Men forfeit tremendous blessings of God through materialistic unbelief.

TWO WORLDS

These created beings called angels live in two realms. They live in the supernatural domain with God and yet can live in the human realm. They are spirits, yet at times are granted corporeality and can be seen with human eyes, and felt with human hands. They are people of two worlds! Heb. 13:2.

These messengers, or ministers of God deal with men, with demons, with nations, and with principalities. They are invested with great knowledge and wisdom far greater than any human who ever lived and with greater strength than any human power. The angels, being celestial creatures, do not have sex. They are neither male nor female, and the Bible declares that in our immortal state, Christians will be as the angels. Mark 12:25, Luke 20:36.

ANGELS CAN'T DO

The Bible says there is one thing these heavenly creatures cannot do. They cannot enter into joys and privileges of salvation. The word of God says they desire to look into this redemption story, but it is a closed door to them (IPeter 1:12). They cannot know the glorious transformations of redemption or comprehend the mystery of salvation. It is forbidden territory. God's angels have never sinned. They are innocence like Adam was before the fall in the Garden of Eden.

GABRIEL AND MICHAEL

Another interesting fact is that though angels are innumerable, there are only two angels in the Bible mentioned by name. Heb. 12:22.

1. Gabriel is a mighty arch-angel. Daniel 8:16; 9:21, and Luke 1:19 and 26.

2. Michael is another great angel. Daniel 10:13; 10:21; 12:1; Jude, verse 9.

We believe all angels have names and, no doubt, we will enjoy knowing the names of angels when we get to Heaven.

ANGELS' ATTITUDE TOWARD REPENTANT SINNERS

One of the ministries of angels is to rejoice when people are saved. Luke 15:10, "Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth." As before stated, angels are not permitted to look into the story of redemption. When Christian multitudes sing "Hallelujah to the Lamb" they'll have to stand aside for they have never known redemption. Yet, when one person accepts Christ on earth, the angels rejoice. It is a good thing to keep the angels shouting!

Evangelist R. W. Culpepper standing with interpreter, Rev. Safu in Kobe, Japan. Brother Culpepper is on a 90-day itinerary in "Winning the Nations" campaigns.

THE CHILEAN CRUSADE

A few weeks ago we had opportunity to meet with Sam Todd, who had just returned from Chile. He showed us some of the photographs of the great campaigns held in the main cities of Chile, which gave indication of the extent of the awakening in that country. The main Sunday magazine of Chile carried a detailed report of the campaign and miracles, including reports of several of the outstanding miracles and pictures of the audiences. All in all the article was very favorable. Perhaps the greatest indication of the success of the campaign is the fact that Argentina is now giving a call, and our Brother Todd is now holding a meeting in Buenos Aires.

ISRAEL

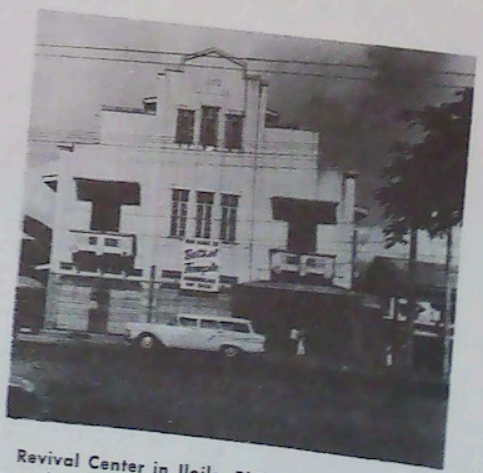
By the time you read this the Sumralls will be in Israel. The burden of this Bible land is heavy on our heart. Surrounding this little nation are hostile forces that are determined to wipe it out. The recent union of Syria and Egypt is an ominous sign. Israel is resting upon the strength of her arms, but this will be insufficient to save her. There is no true protection outside of Christ. Israel's only hope is to accept her Messiah, even the Lord Jesus. Therefore, we must move forward on a comprehensive Israeli project. Brother Sumrall is taking funds to this country to renovate some buildings in Jerusalem for gospel work. Then he will set in motion a Messianic literature program. We ask our world prayer band to pray daily for this most important project.

EVANGELISTIC CENTER IN COLOMBIA

Harry Bartel of Bogota writes: "Your gift from the Crusade funds is so appreciated that I must tell you that since we were able to come out from under that load, the people here are taking even better hope of conditions and are beginning to give directly for building the first plant of the new Evangelistic Center. The Lord is good. They now have nearly enough to buy the block machine to get started making the blocks. We are drawing up plans for the back part of the lot, which will extend the present building and still serve in the permanent plans as the first beginning of the Evangelistic Center." We have just received word that another donor is giving generously to the Colombian work. At last this needy field is receiving a new impetus for mass revival. Incidentally, several other Latin American projects have been accepted, and further reports on these will be made soon.

OUR DAILY RADIO NETWORK IN CENTRAL AMERICA

Paul Finkenbinder writes from El Salvador and says: "I am so completely convinced that radio in Latin America, with its constancy and its long unobstructed reach, is the present day's best means of evangelization that I would not for once think of going home and not continuing to make use of the ether waves. In radio there is no respect of class or color or creed or prejudice and on its wings rides the gospel into the hearts that otherwise would be eternally closed to its balm and life. I wish that you could read the letters of regret written by people whose only hope in life rested in the pagan ritualisms of a dead religion. I regret the years that I have lost in which I could have been availing myself of the ether waves, and I regret, too, the fact that because of lack of funds we cannot now broadcast over 100 stations throughout Latin America. My prayer is that God may give America a glimpse of the tremendous potentialities of DAILY MASS EVANGELISM BY RADIO. Please pray for our program, 'VOZ EVANGELICA.'"



Revival Center in Iloilo, Philippines. Down payment has just been sent by Winning the Nations Crusade to secure building in area where great revival has struck.

Brother Finkenbinder and his family will be coming home for a well-earned furlough, but he is making all arrangements for the radio program to continue even in his absence. If more of our friends would pledge for radio programs in Latin America, we can extend this program to 100 stations in the near future.

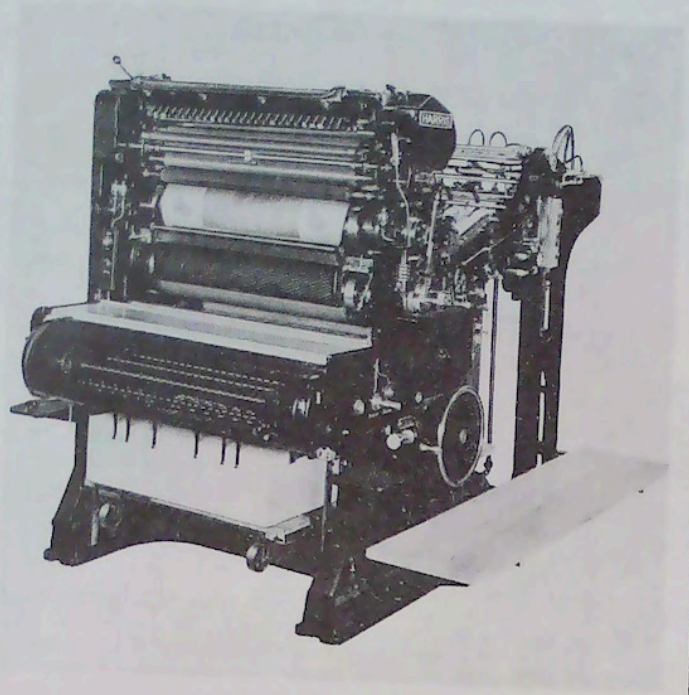
THE DALLAS DELIVERANCE SCHOOL, JUNE 6-15

Periodically we learn of blessings that attend the ministry of those who attended our first deliverance school here in Dallas, Texas, during May, 1957. One of the students, Howard Anderson, recently ministered in Nicaragua, and was one of the main speakers at a conference where 400 pastors, delegates, and guests gathered. Forty or more received the Baptism in the Holy Spirit. After a message on healing, many testified to instantaneous deliverance, a number were saved, so that there truly were miracles of deliverance from sin and from sickness.

Brother M. R. Searles was another of the students who completed the deliverance course in Dallas. He writes of a wonderful revival meeting in a Baptist church in Illinois and then he says: "I recently got out my tape recordings of the Dallas deliverance school. I listened to the lesson on praying to change things and the difference in believing God for a straight miracle or to just receive healing and the illustration of the woman who passed the cancer after becoming very sick. A portion of that lesson was so good that I took my recorder to the church and played part of the messages in one of the services. As I hear Brother Raymond Richey and Brother Richard Vinyard and others again on the tape, something really stirs within me, and I praise God with weeping and rejoicing.

Remember, we are planning another deliverance school with a series of seminars during our mid-year meeting, June 6-15, here in Dallas. If your ministry needs a renewed faith, we invite you to come to this course, which will be on the free-will offering plan this time. This school is an important link in our Winning the Nations Crusade. It is open to ministers and laymen, so don't miss this opportunity of waiting upon God and learning the great truths of His Word.

WHAT GOD HAS DONE FOR US



1. The big press that you helped us buy delivers as many as 100,000 book pages per hour (full size).
2. This press has run up to 3,500 sixteen-page magazines per hour (full size).
3. This press has been running until the wee hours of the night.
4. We have sent many tons of religious literature overseas.
5. Many of the people in other countries can't send money out of the country.
6. They can secure plenty of Communist literature free of charge. They are crying for Full Gospel literature. When they receive it they read it until it is worn out.
7. Other religious groups are sending their literature to them. The Bible says that the "Gospel of the Kingdom" (The Gospel of healing the sick and casting out devils) shall be published into all nations and then the end will come (Mark 13:10, Matt. 9:35).

WHAT WE CAN DO FOR GOD

1. We must do more while we yet have time, to fill the many calls we have. We must have TWO presses going every day.
2. By faith in God we have ordered a $15,000 press.
3. There are two ways you can help us pay for God's property.
   A. You can send us a donation on this big press.
   B. You can make us an annuity loan, and draw as much interest as Uncle Sam pays you.

Dear Editors:

I want my money to win souls for God.

☐ Please accept my donation on the new press of $_____.

☐ I enclose $100 donation on the new press. I understand that you will send me 100 Full Gospel Books, assorted titles, assorted sizes, and my name will be put on the Memorial Plaque.

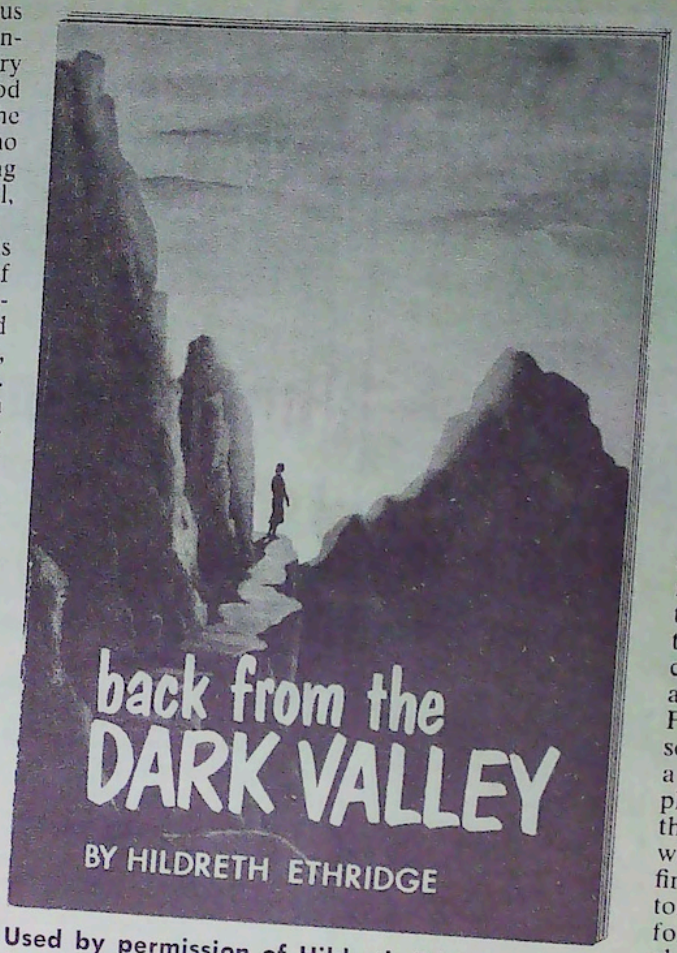
ONE OF THE MOST marvelous statements in the Bible concerning our Lord's earthly ministry is found in Acts 10:38: "How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil, for God was with Him."

This verse has been a glorious reality in my life since the hour of my deliverance from a severe mental illness which had been induced by years of strenuous work, worry, and a general feeling of insecurity. It was an illness which lasted ten months, one which caused experienced psychiatrists to say, "There is nothing to be done for her."

Although the Scriptures do not indicate that there is any possibility of a child of God becoming demon-possessed, there is ample evidence that our adversary is allowed to oppress us. But, praise God, there is still healing for all Christians from such Satanic oppression through the Name of Jesus!

As I look back now, I can see the circumstances which accumulated steadily and then pushed me finally down into the dark valley of mental collapse.

Entering the ministry at an early age, I began to travel across the country in evangelistic work. For years I preached without much rest and my body became exhausted. As my physical exhaustion grew more severe, I began to be gripped by endless fears, anxieties and doubts. I worried about where I would go when I became too old to preach. Thoughts of sickness plagued my mind. I was afraid of cancer and other dread diseases. I had stomach trouble for years. I had headaches for several days at a time and my head felt as though a tight band were around it. Worst of all, the devil would come to bring false accusations against me and dominate me with feelings of horrible condemnation.



Used by permission of Hildreth Ethridge. Taken from the booklet, *Back from the Dark Valley*, published by The Gospel Publishing House, Springfield, Missouri.

THE ATTACK OF SATAN

In 1949 I returned to Tulsa from the east coast. I had been suffering from nervous headaches caused from struggling over decisions which I believed had to be made. I was wondering what the future held for me. As I came home, I realized that my nerves were at a high peak of tension. The years of ceaseless effort had weakened my body more than I realized. When I reached my home in Tulsa, I was suffering from such violent headaches that I was unable to pray very long at any one time because of the physical pain involved.

I didn't know, when I was praying, that I would soon be walking through the "valley of the shadow of death." Little did I realize that I was soon to face the powers of another world, fight demon forces, and have days of "hell on earth."

Ministers came to my home and prayed for me and I often found temporary relief, only to feel again an even more constricting cranial pressure. Horrible darkness began to envelop my spirit. Doubts came, too, and I wondered, "Oh, God are you hearing my prayers?" Because I did not immediately obtain relief, the evil one suggested: "You are not right with God. If you were, you would be healed right now."

During the summer of 1949 there were many nights in which I did not sleep; I lost all hunger. Many times my mother watched me roll and toss in bed, the tears coursing down my cheeks. Again Satan came and said, "If you had faith in God you would be healed; but you don't have faith, so you are lost. God has not answered your prayers and you are a lost soul." I was so weak that I was unable to ward off those Satanic attacks and soon I felt the loss of the presence of God.

Finally, with the horrible fear that I would never come out alive, it was agreed that I should be taken to the hospital. I was afraid to die and yet did not desire to live. My mother stood by me, and, as I kissed her good-bye, I said, "Mother, the devil is taking me to hell." There are no words to express what I experienced as I came in contact with that other world of darkness.

SHOCK TREATMENTS

At the hospital I went through a series of electrical shock treatments, but did not improve. During those days I experienced the tortures of a lost soul. I heard the cries of other souls that were lost, and my voice mingled with theirs. From the top of my head to the soles of my feet, my body felt like a consuming fire. Nurses would place ice packs on my head, but these did not cool me. I was never without a sensation of a terrific fire burning within my body. My tongue was parched, and I begged for water. The nurses gave me glassful after glassful, but never did it quench my thirst.

In that hospital room I was continually approached by demon powers. I can tell you from personal experience that the world of evil spirits is a real one. Each afternoon after five o'clock, I experienced the presence of forces from that world. It is impossible to find words to describe the horrible creatures which came to me, playing weird instruments. They laughed in glee as they stood to torment me. I would stop my ears and cry, "I am lost! I am lost! I am lost!" My efforts to escape from the presence of these demons were in vain. For weeks my eyes never closed in sleep. The strongest sedatives were effective for a short time only. The days seemed like an eternity.

Because I had lost all contact with material things, I had no desire to live. In my body there was no feeling. I could stick myself with needles and feel nothing. People meant less than nothing to me. There was no appreciation in my mind for my dearest friends. Even my dear mother meant nothing to me. I was like a dead person, and yet I was alive, tortured by the thought that I was lost and severed from the presence of God.

My body had wasted away until I appeared as a skeleton. I was suffering from such severe malnutrition that if anyone pressed a finger into my flesh it left a deep indentation. The blue faded away from my eyes until they were a milky color, and the pupils never dilated. I never smiled, and seldom talked. Usually I wrote on a piece of paper what I wanted to say. When the nurses dropped Murine into my eyes, I never blinked, for my reflexes were virtually non-existent.

THE POWER OF PRAYER

One of the miraculous aspects of my illness was that I retained my memory throughout the entire experience. Many people in such a condition have a complete blackout after the electrical shock treatments, and part of their life is left a complete blank. But I believe God had a purpose in allowing me to retain my memory so that I might tell my experience

WILL THIS PRESENT HEALING REVIVAL TAPER OFF?

by Velmer Gardner

Velmer Gardner
2128 Glendale
Springfield, Mo.

TVH CONVENTION
Dallas, Texas
June 6-15

Many sincere Christians are asking this question today. My answer, backed by God's Word, is very emphatic: THIS PRESENT HEALING REVIVAL WILL NOT TAPER OFF — BUT UP.

God started the Church on the Day of Pentecost with a mighty deluge of Miracle Power. God has kept the church down through the centuries by this same Miracle Working Power. And God is going to take the church triumphantly (not defeated) from this world by this same Miracle Working Power.

Joel 2:28: "It shall come to pass in the last days saith the Lord, I shall pour out my spirit on all flesh." When God pours out His Spirit, miracles of healing are going to take place.

Some critics say this present revival is not that, that Joel meant. If this that we have isn't that, that Joel meant, what is this that we have? And where is that? If this that we have isn't that, that Joel meant: why don't they have that, instead of this dead religion they've got? And if this that we have now isn't that, that Joel meant — I'll keep this that I have now, until they produce that.

I know the Bible says there will be a great falling away. lukewarmness, denying the power of God, etc. This is being fulfilled, but so is Joel 2:28. Some people are still hungry for God.

I have traveled as an evangelist for 18 years in every state in America, crossing the continent 54 times. Never have I seen such a hunger for God. Some of our campaigns a few years ago lasted 14 weeks. But now God is moving even greater than then. We are having the largest crowds we've ever had. Nearly every building is packed. People are still coming for hundreds of miles to be prayed for. More people are getting saved, healed and filled with the Holy Ghost now than I have ever had before in my ministry.

Nearly all the evangelists with a proven ministry of deliverance are having the same results.

I realize many churches and pastors are rejecting this revival. But, thank God, hundreds more are accepting it. Scores of fine denominational pastors and churches are accepting the revival now and many of them are more Pentecostal than some of the PLENTY CROSSED churches.

I do not know all of the future, but I KNOW ONE THING: *The world has not yet seen what great things God is going to do.* If I compromise, God will depart from me. If your church, denomination, organization or pastor compromises, God will depart from them. But some preachers and groups are going to stay true to God, and God is going to pour His Spirit and Power on them as never before in the history of the church.

God is going to stretch forth His hand with miracles of healing that will let this modernistic, communistic, atheistic, legalistic world know that the God of Elijah still lives today.

PASTOR'S REPORT

EL PASO, TEXAS, First Assembly. Evangelist Velmer Gardner of Springfield, Mo., recently concluded a two-week revival reported by everyone to be the most outstanding revival in the Assembly and this area. Seventy-four persons accepted Christ, many were healed by the laying on of hands and faith in Christ. Several were filled with the Holy Spirit. Brother Gardner ministered under the anointing of the Holy Spirit as I have never seen an evangelist minister. The budget of $2,000.00 was raised the first week and $1,000.00 cash received for foreign missions. The church is enthused to continue to press on in evangelism.

I developed a heart condition in 1953. I grew steadily weaker until I could walk only a short distance without stopping to rest. About a year ago I had a heart attack. After that my limbs began to swell and I lost my appetite.

But, praise our God, deliverance finally came one Sunday afternoon when Brother James Dunn prayed for me. I am now completely healed and able to do my work.

I had since 1943. In March, 1957, at the Pittsburgh Revival Center, Brother James Dunn called me out of the audience and prayed for me. I just relaxed and seemed to float away. This was the first time I had been slain by the power of God.

JAMES DUNN SAYS

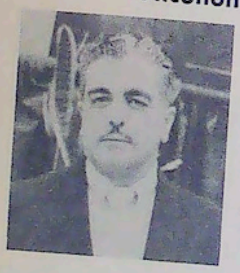
As you have noticed by the caption of this page, *DO HEALINGS LAST?* my heart is rejoicing as I write this, for I am able to say that they do.

We have just finished another great revival in the city of Pittsburgh, Pa., where God, night after night, for three wonderful weeks, saved, sanctified, filled with the Holy Ghost, and healed many hundreds of people. The great Pittsburgh Revival Center was filled night after night in spite of the weather.

As I had conducted a revival in this great center just one year prior to this meeting, I felt impressed of God to ask for those who had been healed in my first revival in March, 1957. Many came forth to testify of the diseases and oppressions, etc., that they had been delivered from. On this page, as space permits, you will find testimonies, to the Glory of God, of those that were healed here last year. In the great meeting in 1957 there were some 1,400 saved by the blood of Jesus Christ.

I covet your prayers in these perilous times that God may make me a stronger vessel, and that I may be used of God in a greater way. I would also like to invite your attention to my new address as shown in my revival schedule. Until next month, may God richly bless you and yours.

Alcoholic Delivered



I had been an alcoholic for twenty-three years until Rev. James Dunn prayed for me. When I was prayed for the "disease" left me, and a year has passed since then and I am still delivered.

Richard Vinyard Conducts Very Successful Campaign in Toronto, Canada

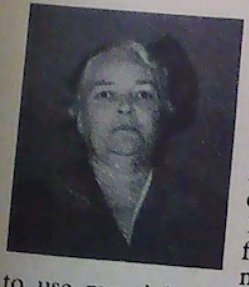
CAMPAIGN SCHEDULE FOR
RICHARD VINYARD
Rocky Mount, Missouri
FINLAND — JUNE and JULY

REPORT
By Pastor W. G. McPherson

We began special revival meetings with Brother Richard Vinyard on Wednesday, March 5. From the very opening service through the entire campaign the Lord blessed in a gracious way. Night after night we saw God's power manifested in a wonderful way. People were brought closer to God through the healing of the sick and the moving of the Holy Ghost upon the altar service. We of the Evangel Temple all feel that Brother Vinyard gave us a very splendid deliverance revival. His intense preaching proved more than a blessing to all who heard him. Souls were saved and believers were filled with the Holy Ghost night after night. We give God praise and thanks for what has been accomplished during the past few weeks. Brother Vinyard is well thought of here in Evangel Temple, Toronto, Canada. His many Canadian friends all will be praying for him as he continues on in his great work in seeking to stir and awaken God's people to the great truth that "God is" and that He is ever able and willing to heal the sick and save the lost.

We of Toronto can testify that the Lord confirmed His word with signs following. We saw in these meetings many folk delivered instantly of their sickness and disease. Many experienced healing of their affliction the moment Brother Vinyard laid his hands upon them and prayed the prayer of faith. We give God all the glory and thank Him for His faithful servant, Brother Vinyard.

Testimony of Mrs. J. D. Dennick

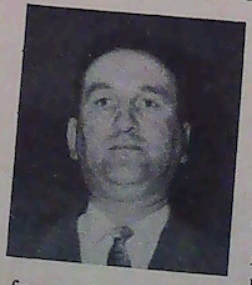


I do praise God for sending our Brother Vinyard to Toronto at this time. God performed a miracle in my body. On Saturday evening, March 15, a very peculiar feeling came over me. I was not able to use my right foot, and my limb was growing numb. My foot felt much larger than normal, and when I walked I would lift my feet higher than normal. I felt light and had no feeling. After prayer, I improved enough to go to church.

On Sunday evening I was sitting in the balcony when this trouble struck me again. I could not stand on my feet or walk. The lower part of my body was helpless. I was like this from the beginning to the close of the service. After the meeting was dismissed my pastor and Brother Vinyard prayed, and I was able to stand and walk. I am completely healed.

MRS. J. D. DINNICK

Healed of Chronic Eczema



For twenty years I was afflicted with chronic eczema. Medical and surgical doctoring was all in vain. Brother Vinyard, during his revival in Evangel Temple, called out my trouble, and said that if I would come forward the Lord would heal me. When Brother Vinyard laid his hand on me the Lord completely healed me.

THOMAS L. MERCER

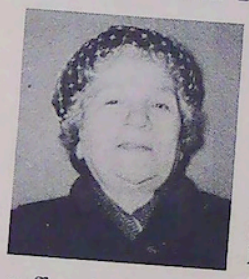
Healed of Skin Discoloration and Backache



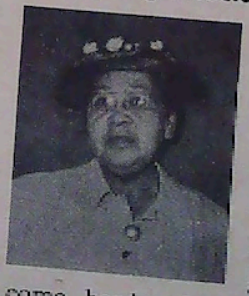
For almost a year I had been troubled with a discoloration of the skin. It was very pronounced around the ankles. Also, I had what appeared to be lumps growing on various parts of my body. Along with this, I suffered with severe backache.

While in this condition I began attending special services conducted by Evangelist Richard Vinyard in Evangel Temple, Toronto. One night, as the evangelist prepared to pray for the sick, God gave him a Word of Knowledge, and this is what he said, "There is someone here who suffers very much with backache, which makes it difficult to get out of bed in the mornings."

I went forward and Brother Vinyard prayed the prayer of faith, and God confirmed His word. I give God all the glory and thank Him for his servant, Brother Vinyard. My backache is gone and my skin has cleared up.

MRS. FLORENCE KERMACK

Crippling Effects of Arthritis Cured



On his first trip to Toronto, Brother Vinyard prayed for me and the Lord healed me of arthritis with which I had been afflicted for several years. The disease was gone, but my ligaments and joints had become hardened, and I still could not walk. During his recent revival here in Toronto, Brother Vinyard came to my seat, took me by the arm, and prayed for me. I was able to walk right there.

Evang. Sam Todd

Some 5,000 gathered to hear Sam Todd in Santiago.

EVEN THE MOST INDIFFERENT ARE ASTONISHED

Newspaper clipping from the Santiago weekly, VEA.

The above is one of the headlines from a full-page report and pictures in *VEA*, a popular weekly pictorial newspaper published in Santiago, Chile. This Spanish-language paper gave the very favorable coverage of the Sam Todd meetings in Santiago. We are indebted to Edith Andresen for the translation into English. In the next few paragraphs we use the newspaper headlines and quote from its columns.

THE PARK IS FILLED WITH MIRACLES

In spite of the cool nights, the seats facing the "Parque Cousino" are completely filled with people. No less than five thousand are gathered to hear the words of the North American evangelist, Sam Todd, who arrived in our country following the steps of Erickson, Osborn, and Oswald Smith, who preceded him in these evangelistic campaigns. There are believers of every denomination: Pentecostals, Salvation Army, Methodists, Baptists, Presbyterians, Missionary Alliance, etc., who have come from the four winds of the great city of Santiago, some even bringing their sick in cartwheels, buggies pushed by hand, and wheel chairs.

WOMAN CRIPPLED FOR THIRTEEN YEARS

We had an opportunity to verify various remarkable cases on Saturday night in that place. Some of them being very impressive because of the dramatic form in which they arrived, making almost superhuman efforts; like in the case of 62-year-old Julia Toro, from the "Pino Bajor," who was brought by a kind neighbor in a cartwheel. She is blind and has been crippled for thirteen years. She lives alone, and no one cares for her. We saw her as she prayed in almost desperate gestures, following closely the preaching of the tall evangelist, Sam Todd, with real moving faith. It was a heart-warming sight, as when in the midst of the exclamation . . . Hallelujah! . . . Praise the Lord! . . . Have your way, Lord! . . . the little Grandma asked to be helped to her feet. As the prayer continued and in the midst of a general climax, the crippled woman stood up and slowly began to walk to the astonishment and tears of all who witnessed the almost incredible scene.

OTHER INCREDIBLE CASES

There were many other equally real and impressive cases that night, like the one of Senora Wilde Merino of 2419 Sierra Bella, who for ten years had been deaf in one ear. Thanks to the help, prayer, and power of Evangelist Sam Todd, she was able to hear the whole sermon with her deaf ear.

Marisa is a twelve-year-old girl, blond hair, and delicate features, deaf and mute since birth, who lives at 2186 Martinez de Rosas. On that Saturday night she was taken to the place where Sam Todd preached and she was able to hear and respond to the question of the evangelist.

Fernando Lorca of 1644 Teniente Yavar, also deaf since birth, who had previously become Evangelical, came to the park to receive prayer and healing through Rev. Todd. He confessed publicly that after prayer he was able to hear.

Elba Millan Canelas, 45 years old, married and mother of two children, whose husband is also crippled, was brought to the park in a wheel chair. Her left arm and legs being completely paralyzed for five years, she had been given up by the doctors, as her paralysis was connected with the spine. We saw her arrive at 8 o'clock and at 10 o'clock while Sam Todd was still praying for the sick, she walked up to the platform crying and exclaiming, "Hallelujah! I thank thee, Lord! Thank you, Lord!"

Mercedes Sanchez, a 79-year-old evangelical lady of Colo Colo, Conchali, was also brought to the park by her [illegible] cartwheel. As Brother Todd prayed for the blind, she felt healing come into her eyes. "I can see lights!" she screamed. "It's been twenty years since I've seen lights. Hallelujah! Thank you, Lord!"

Gilberto Munoz, a 25-year-old young man of 3711 Cabildo, with whom life has been hard and unjust, was brought by his Evangelical friends to the Parque Cousino to hear the preaching and to be prayed for. He was both blind and crippled. He made confession of his paralysis having disappeared.

Hortensia Sandoval of 6005 Cauquenes, near Plaza Garin, attends the Evangelical Church of Jotabeche. For five years she had seen absolutely nothing. When the evangelist prayed for the blind, she saw a great light that touched her eyes, and after that she was able to see.

Another little man who assists regularly in the church of 1806 San Salvador, was also healed Saturday night. We watched as he made superhuman efforts when the pastor prayed for the crippled. Two brothers helped him to his feet, a thing that he had not done for a long time, and to the surprise and astonishment of those who witnessed the case, he started to walk on his own, slowly at first, until he gained complete control of a normal walk.

From the above newspaper report it will be noticed that there was no healing line. While Evangelist Todd prayed for the sick, each one was to reach out for his healing and believe God for deliverance, and later on those who received healing were given an opportunity to come to the platform and testify.

GREATER SANTIAGO REVIVAL

The Santiago campaign chairman, Victor Pavez, a Presbyterian minister in the city, writes as follows: "Every service saw multitudes of precious souls confessing sins, repenting, and confessing Christ as Saviour and Lord. On the last night of these meetings, more than 10,000 people testified to having received Christ. The total response for the two weeks was more than 43,000. Of course, in such meetings we must remember that there are many who are included night after night in the altar calls. Only Christ can reveal at the judgment how many will reach heaven from these meetings. We wish you could have stood night after night with us on the platform and heard the great audiences as they sang the campaign theme chorus, 'There Is Power in the Blood.' Conservative estimates placed the closing crowd at 20,000 or more.

"Words are too weak when one tries to describe the healing services. Our hearts and [illegible] thrilled as

ing reality for us in our time. The openheartedness and responsiveness of the people brought the mighty power of the Holy Spirit into action. It was truly a Pentecostal visitation.

"On the last night when those who were deaf in one or both ears (not poor hearing) were prayed for, there was such a warmth of the presence of God that came over the audience. Brother Todd asked all who had raised their hands that they were deaf in one ear to tightly close the good ear. Then he told them that if they could hear with the deaf ear to raise their hands. Hands went up all over the audience. When they had finished testifying, 52 had declared that one deaf ear had been opened and 18 testified to being healed from total deafness. People born deaf received their hearing. Others deaf for as long as 52 years received their hearing. One lady more than 60 years of age, born deaf and mute, was able to hear and speak immediately after prayer. To God be all the glory.

"Time and space will not permit us to give all the cases. More than 200 in the meetings testified to being healed from partial or total deafness and scores of cases of blindness, paralysis, and practically every kind of affliction found relief and healing through the mighty healing power of God.

"The city of Santiago has been stirred. Our hearts join with the words repeated nearly every night by the evangelist, 'This is not the work of man, neither the power of man, but the manifestation of the mighty resurrection power of Jesus Christ.' Already our churches are enjoying increased attendance and our congregations are inspired with a new visitation of Pentecost that will be felt for many days to come. The great crowd on the last night gave a shouting ovation to Brother Todd and his interpreter, Rev. John Andresen, who was so mightily anointed and used to convey the messages to the people, who want them to return to our city soon." — Victor Pavez.

GOD'S WAY OF SOLVING MAN'S PROBLEMS

Dr. Pedro Zottele, pastor of the First Methodist Church in Santiago and President of the Evangelical Council of Chile, writes as follows:

"Permit me to present to you some observations concerning the spiritual outlook in Chile at this hour, particularly after these blessed weeks with Evangelist Sam Todd.

"Although Chile has for centuries been Catholic in religion, there is a sharp swing from this position. The people are asking in religion, politics, and otherwise, for a practical, workable way of life. They want a religion that can solve the problems of life. At this moment a large portion of our people are open for the Evangelical message, if that message is strong, positive and practical. A mere theory holds little interest for the man in the street. At this hour of Chilean history, we have the greatest opportunity of this generation to reap a harvest of souls for the Kingdom of God. However, our message must offer, in a powerful and positive manner, God's way for solving man's problems.

"We have seen a practical application of this message in the Sam Todd campaigns in Chile. Without a great deal of promotion or sensational advertising, Evangelist Todd came to Chile under the sponsorship of the Evangelical Council of Churches of Chile (Concilio Evangelico de Chile). The reaction to these campaigns may be best reflected from the reports we are receiving here at Council Headquarters."

CONCEPCION

The pastor of the Presbyterian Church, and President of the Evangelical Pastors Association of that city writes: "This meeting has been a powerful influence under God to bring to us a strong, active, warm, fellowship among the pastors of our city. Further, it has made real the power of God to deliver men. We have discovered this is the power we must have."

Another pastor from Concepcion writes: "The great Plaza Condell was the scene of wonderful things when thousands and thousands of people were gathered to hear the gospel of full deliverance; hundreds came forward every night to accept Christ and hundreds sought deliverance from their sicknesses. God worked wonderfully and performed miracles before our eyes. The messages were inspiring, dynamic, and penetrating. The results were seen immediately. Large crowds were seeking God and were being helped. All kinds of sicknesses were healed. Blind eyes were opened, deaf ears heard anew, paralytics were healed. Some came to the platform where they moved arms and legs to show what the Lord had done for them — sure evidence that just as yesterday of Bible days, so He is today. Just as John said, so we can assure you and say: 'That which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled' (I John 1:1), we are able to tell you and testify that the Lord is the same today."

A PASTOR FROM LOTA WRITES:

"I have been in this city 30 years, but I have never seen anything equal to the five days of the Sam Todd meetings. This city has never had such crowds for religious gatherings. The police blocked off three streets and let the people gather by many thousands for the services. The Gospel was preached in the demonstration and power of God. Before our eyes, the blind received sight, the deaf heard, the deaf-mutes heard and spoke, the paralytics rose and walked and, greatest of all, thousands came to Christ for forgiveness of sins. A fierce hunger for God's fullness came into the hearts of pastors and people alike."

We could fill pages with further reports and testimonies, but we trust the foregoing will inspire our friends to realize that God is moving by His Spirit throughout the world. Let us once again draw your attention to the fact that Evangelist Todd had no healing lines in Chile. It is not possible to have healing lines when you have such large multitudes to pray for. It was noticed that as the meetings continued and the faith of the people increased because of what they had seen and heard, the number of healings and the miraculous healings of impossible cases increased.

Evangelist Todd returned from Chile only to set his affairs in order and to get his family and return to Argentina, where he is in a great campaign, April 14 to May 14, in the Atlanta Stadium in Buenos Aires. Watch the pages of this magazine for reports of the Argentina meetings.

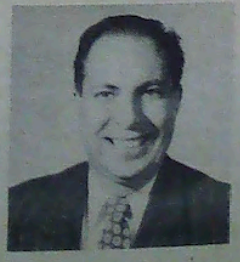
WILLIAM BRANHAM IN SHENANDOAH VALLEY, VIRGINIA

Pastor W. Wilson of the Full Gospel Church, Greenville, Virginia, writes as follows: "This Shenandoah Valley of Virginia has experienced one of the greatest spiritual moves we have yet seen. All were blessed, many came to Christ, and many were healed during the meetings of Evangelist William Branham, March 12-16, in the Armory, Harrisonburg, Virginia. Hundreds had to be turned away from the Armory for lack of space. From the very first night the place was filled with a reverent, expectant and happy crowd of people. Brother Branham preached with exceptional anointing. Personally, I felt this was one of the very best Branham meetings that I have ever been in.

"Pastors and churches from this neighborhood cooperated in a wonderful way. Seventy-five to one hundred preachers were on the platform each night and many of them came from quite a distance. The spirit among the ministers was one of love and prayer and a keen desire to do something for God. We have never been in a meeting quite like this. We look forward to the time and opportunity when Brother Branham can come and have a much longer meeting in a large tent."

EVANGELIST MASTRO IN TOCCOA, GEORGIA



The pastor of Faith Memorial Church, Toccoa, Georgia, Rev. G.C. McCurry, writes: "We had a wonderful revival under the ministry of Evangelist Michael Mastro, a man mightily used of God. Not only was our church blessed and benefited, but our brother's ministry was a blessing to the whole town of Toccoa. All greatly enjoyed his anointed and powerful messages, and the manifestations of the Spirit in his meetings. In every meeting souls came to the Lord and miracles were performed. We look forward to having Brother Mastro with us again in the near future."

EVANGELIST ROTHWELL IN DANVILLE, ILLINOIS

Pastor James A. Boren of the Pentecostal Church of God in Danville, Illinois, writes as follows: "Words cannot express how much this church enjoyed the ministry of Evangelist Charles H. Rothwell. God met with us from the very first service. A young girl came to the opening meeting suffering from a crooked limb and curvature of the spine, but as she knelt in prayer the Lord touched her and she was made straight instantly. Today this girl walks as easily as anyone. There were other healings in the meetings. One lady who had been bedfast with cancer managed to come to the service and she was made whole. Several were filled with the Holy Spirit and others found the Lord as their Saviour."

PASTORS, MISSIONARIES AND BUSINESS MEN

FORM UNITED FRONT IN R. W. CULPEPPER CAMPAIGN IN HONG KONG

God Our Father, Who is kind and loving to all the people upon the earth, sends in due time His messenger to bless the land of need. Hong Kong, a city of nearly three million souls, has had a great visitation of God with Evangelist R. W. Culpepper and party who have shoned a perfect spirit of co-operation with the churches, missionaries, and Full Gospel Businessmen's Fellowship here in Hong Kong. The Lord mightily used Rev. Culpepper and team while they were here in Hong Kong.

The campaign which was conducted in the Southern Playground Stadium was packed with people listening to the Full Gospel Message of power. Every night hundreds of the audience answered the altar call confessiong their acceptance of Christ as their Saviour.

The Full Gospel Businessmen's Fellowship, International Hong Kong Chapter offered their services to help Rev. Culpepper in his ministry in Hong Kong, together with all the Full Gospel ministers and missionaries of the Colony.

Rev. Culpepper has shown the people of Hong Kong what faith can do. Many sick and afflicted were healed, which was visibly evident to the audience as also by their testimonies from the platform.

One woman came after prayer for her son with X-Rays in her hand showing how her son had been afflicted with T.B. of the bone. The doctor had told her that her son was incurable, but after prayer he was taken to the Queen Mary Hospital, and, after examination he was declared cured. Many blind saw, deaf heard, and a number of deaf and dumb received their healing.

Never before has Hong Kong seen an evangelist work harder for the Lord in mass meetings in so smooth and harmonious a manner as they ministered to the almost endless line of sick, afflicted, and needy people.

As Rev. Culpepper and his team continues on, the people of Hong Kong pledge their prayer for them and trust they can come again to Hong Kong.

KRONBERG REVIVAL STIRS FOSTORIA, OHIO, AREA

Beginning March 14, the greatest revival in many years took place in Fostoria, Ohio. Scores of people were saved, healed, reclaimed and baptized in the Holy Spirit. Evangelist W. W. Kronberg of Lake Ariel, Pa., demonstrated a faith in God and in His Word that was actually electrifying. We saw people healed of every type of disease and affliction, including growths, arthritis, cancer, deafness, blindness and other infirmities too numerous to mention.

On Friday, March 28, two remarkable miracles took place before the people. A woman stone deaf in her left ear and extremely hard of hearing in her right ear, was prayed for. Following prayer, she could hear very well from her totally deaf ear, repeating numerous words after the evangelist. Another woman, who walked with a metal crutch, walked without her crutch after Brother Kronberg rebuked the spirit of infirmity.

Many nights the gift of the Word of Knowledge operated through our Brother Kronberg, revealing numerous afflictions to the people, as well as also revealing their spiritual needs. This was verified repeatedly.

In addition, the "slain of the Lord" were without number. On Wednesday, March 26, some 40 to 45 were "slain" by the power of God. This was so overpowering that a tremendous, holy awe and presence gripped my heart while I walked among this Holy company, worshiping the altogether beautiful Christ.

On Saturday, April 5, a Mrs. E. C. Woodward of Findlay, Ohio, came to be prayed for. Her right ear was stone deaf for 38 years. After prayer, in a moment of time, she could hear everything Brother Kronberg said to her. Certainly I can truthfully verify that "Bible days were here again."

Hundreds of visitors came to the meetings. The news of the healings and miracles spread for miles around Fostoria. — Rev. Joseph Ferrante, *Pastor*, Assembly of God Church, Fostoria, Ohio.

REPORT

By Rev. Carl Johnson, Pastor Assembly of God Church Hammond, Ind.

Our folks were thrilled with the anointed preaching from God's Word. The theme of every heart was, "It's Real, It's Real." God moved in the salvation of souls, healing of the sick, filling of the believer and refilling of the saints. A little girl, blind in one eye from birth, was instantly healed as Brother Kronberg prayed for her. I personally appreciated the fine spirit of cooperation of the evangelist plus the fasting, prayer, determination and love for souls expressed. Trust to have you again in the near future, Brother Kronberg.

Lump Disappears

I attended the revival meeting held by Evang. Walter Kronberg at the Assembly of God Church in Fostoria, Ohio. I had been suffering for quite some time with sinus and I also had a very sore lump under my chin for about two months. Just before Rev. Kronberg prayed for me, I felt as though I wanted to vomit it up. After Rev. Kronberg prayed for me, I felt my chin for the lump and it was gone. I want to thank God for His miraculous healing power and my complete deliverance.

Delivered From Demon Oppression

When I was 16 years of age the thought of killing was placed in my mind with a great fear. I was saved at the age of 21, but always had trouble along the line of oppression, fearing doing such a thing. The Lord gave me victory over it to a great extent from time to time. About six months ago, at the age of 52, in May, the enemy attacked me very severely and I was sorely oppressed to the near point of a mental collapse, until Brother Kronberg laid hands on me and rebuked the oppression. This great deliverance came during Brother Kronberg's revival in Fostoria, Ohio. All praise to Jesus' wonderful Name.

Totally Deaf Ear Healed

I want to praise God for healing my ear which was totally deaf for 38 years. I can now hear perfectly again since Brother Kronberg prayed for me on April 5, 1958, at a service in Fostoria, Ohio.

Nervous Condition Healed

When I came to the meeting the first night, I was suffering intensely with headaches, a backache, also a case of extreme nervousness. When you called for the people who wanted healing, I went forward, believing that God would heal me. As I stood before you, you told me I had pinched nerves and a slipped vertebrae. You laid your hand on me and prayed. I was slain under God's power and was healed. I haven't taken any medicine since, even though I had been taking three different kinds of medicine three times a day plus a shot each week for my nerves. I truly thank God and give Him all the Glory and praise for healing me.

Mrs. W. C. Adkerson

Bad Sores Healed

I thank God for healing my arm, as a bad sore had started on my arm and a couple of spots on my hands. I had Brother Kronberg pray for me and in a short time they were healed and were gone. I thank God for answer to prayer and also thank Brother Kronberg for helping us to understand God's Word more clearly in many ways. Praise God, our Saviour is the same yesterday, today and forever.

Mrs. Bertha Goon
Risingsun, Ohio

Nerves Healed

I wish to acknowledge the healing power of the Lord! Having suffered from a nervous condition over a period of years, a complete and instant relief was received when Brother Kronberg prayed for me in the revival at Fostoria.

REID UNION REVIVALS STIR ENTIRE AREAS

Bloomsburg, Penn. Weeknight crowd, which was typical of the great capacity audiences, which jammed the great Reid Revival Tent. Pastors called this meeting one of the greatest outpourings of Pentecostal Power they had witnessed.

Albert and Tommy Reid — Two men of faith who have preached to capacity crowds in theatres, auditoriums, and their great revival tent, in cities across America.

Report by **REVEREND M. DAVID BOWEN**
Chairman of Reid Revival
Pastor, Riverside Assembly of God Church
Riverside, Pennsylvania

DANVILLE-BLOOMSBURG, Pa., Area: Reverend Albert and Tommy Reid recently concluded an area-wide union salvation-healing revival here in their new tent.

We have sponsored quite a number of union meetings in our area, but this revival proved to be one of the greatest outpourings of the Holy Spirit this area HAS EVER SEEN. Night after night, God swept down upon us with showers and floods of blessings. Folks were getting saved, healed, and filled all at once!

Hundeds of folk responded to the altar call for salvation, and at least seventy-five received the Baptism of the Holy Spirit during the closing week alone!

As God moved upon us, many healings were wrought. Many nights it seemed that everyone in the prayer line received healing from the Lord. One lady returned to her doctor only to find that God had completely healed her of diabetes. Another passed a tumor on the third day after prayer.

The humble and genuinely sincere spirit of the evangelists and the rich and glorious anointing from above upon their ministry certainly blessed this whole area. The co-operating churches have all received new converts as a result of these meetings, and the Revival Spirit continues.

Brother Allan Swift, one of America's great Bible teachers, summed up the meeting by saying — "You are having more than a union revival, you are having an old-time camp meeting!!"

Brilliant Yale Minds Receive Pentecostal Experience

One of the greatest miracles I have ever witnessed is this experience with some of America's most brilliant young scholars. The Reid Revival in New Haven, Conn., was their first real acquaintance with Pentecost. At first it was curiosity which brought them to the services, but upon attending a week of the Revival, each of them took a definite interest in the experience itself. Before very many days had passed, at least five of these young men had received the glorious upper-room experience, proof again that Christ still speaks to the rich as well as to the lowest peasant, and the intellectual as well as the common man!

Woman No Longer Needs Brace or Traction After Prayer

On June 27, 1954, I had surgery on my hip. They removed my right hip joint and replaced same with metal ball and pin into my upper limb. However, my condition did not improve, and I was forced to wear a hip brace, and lay with my leg in traction.

When Brother Al and Tommy Reid were in Shreveport conducting a union tent revival, I heard of the wonderful things God was doing. After having fasted and prayed all day, I went to the meeting, confident that God was going to heal me.

Brother Reid called me out of the audience. He discerned I had a great need, and reassured me that God would heal me if I would come to the platform.

As he and Tommy prayed for me, I instantly felt the power of God go through my body. I am walking better, and do not need the brace or traction. Praise God!

Physician States Disappearance of Cataracts a Miracle!

I started wearing glasses when I was but a girl in school, and during the last few years my eyes grew progressively worse, with a condition of cataracts and a growth behind the eyes. The specialist stated that I was losing my eyesight and going blind. They went on to say there was nothing they could do for my condition.

One year ago, during the revival which Albert and Tommy Reid were conducting, I went to be prayed for, and when they laid hands on me, all of the haze instantly disappeared from before my eyes!

When my cousin saw me, I was doing fine needlework without my glasses, and her husband exclaimed, "You are a wonder," and I answered, "Not I, but Jesus!"

After my healing, I again visited Dr. Reider of New Haven. The nurse looked at me and said, "What has happened to you?" Then she got real excited and exclaimed, "Did you go to another Doctor? Did anyone give you medicine?" "No," I said, "I went to Doctor Jesus!"

Dr. Reider said my eyes were perfectly healed, and that my vision was normal! Praise the Lord for His healing Power!

THE STORY OF THE GREAT RESTORATION REVIVAL

(Continued from Page 4)

other afflictions. God healed me! Praise His Name Forever!

"The thing that stirred me most was on Sunday morning when I was visiting the departments of my Sunday School and overheard my teen-age boys talking of Brother Branham's ministry and I stopped, where they could not see me, and I listened to learn what impression the meetings were making on my boys.

"After much praise of Brother Branham and his work, one of the boys said, 'I believe Brother Vinyard can do the same! Isn't he God's servant, too?'

"That cut my heart. I could no longer stand on the sideline and listen. I went in among them to face their feelings. One of them challenged me with the words, 'Why don't you do these things? Don't you believe in Christ, too?'

"I made a confession that day that was hard to make but honest. 'I was not where I should be with God,' was the only answer I could find. On one side I faced the Word; on the other side, lives which I was to influence. I asked them to pray for me, as I intended to meet the conditions. One of my boys said, 'I know you will make it.' He had confidence in me.

"I was deep in thought and concern for days after.

"Two months passed with seeming fruitlessness and I again became restless and dissatisfied with my ministry, feeling that I was a complete failure.

"In June of that year, God awakened me one morning at four o'clock and began to speak to me. He told me He had seen the longing of my heart all those years and that, from that day on, He would give me a ministry of healing, and, wherever I should go, people would believe when I prayed and He would heal them.

"The next Sunday morning on my way to church the Lord told me to tell my people what had happened. That morning I preached on healing and told my congregation what the Lord had revealed to me. I then prayed for the sick and many were healed by His power. From that day on, God began to move in my life."

Velmer Gardner

Another evangelist whom God has used in an unusual way for a number of years is Velmer Gardner. Unlike some evangelists, when this deliverance ministry began to develop, instead of complaining that it was overshadowing his ministry, he went on his face before God for a new anointing for himself. God answered his prayer and during the subsequent years he has had outstanding campaigns which have brought salvation and healing to thousands. His personal testimony follows:

"A short time prior to this great experience with God, the news came to me that Dr. Price and Wigglesworth had both suddenly been called to Heaven. I went down in the basement of the church and cried my heart out. I thought of all the sick, twisted, deformed, broken bodies. And then I thought of how few men were praying for the sick and had a compassion for the suffering. I cried until it seemed I couldn't stop. Both of these men had been such a help to me. I cried, 'Oh, God, why did you take them? The world is filled with sickness and disease. The world needs the faith of Wigglesworth and the preaching of Price, but now they're dead and their message gone.'

"In brokenhearted despair I lay before God on the cold basement floor. Then like a mighty flame of fire, God's Spirit began to burn within my soul. I knew that I was in the presence of the One that walked into the fiery furnace. I knew that the God that sent fire on Carmel had seen my tears. His spirit spoke to me and said, 'It is true, Price my servant is dead; Wigglesworth my servant is dead. But the God of Price and Wigglesworth still lives. And if you will humble yourself and walk softly before me, I will be with you as I was with them.'

"At this time Gordon Lindsay invited me to his church in Ashland, Oregon, where he was pastoring. We were there nine weeks and again God moved in a great way. During our stay there, Brother Lindsay told me of the great burden on his heart for bringing the churches together in great union campaigns and the great revival he believed God was going to send the world. It was during our time in Ashland that he resigned this thriving church and organized *The Voice of Healing* magazine.

"In the providence of God, Brother Lindsay organized some great union healing campaigns in the state where I was in meetings. I postponed one of my meetings and went to a week of these healing services. I saw the scripture God burned into my soul, on *'Our Authority Over Sickness and the Devil,'* put into practice by God's humble servants. I saw what God would do if we dared to believe. I saw miracles that thrilled my soul. Immediately I began holding meetings in large auditoriums and saw God move with signs and wonders I had never seen before. People would come for hundreds of miles every day to the services. Scores were being saved. God's blessing was upon my soul. I was the happiest I ever had been in my entire ministry."

Other outstanding men of God whom we cannot enumerate at this point received a call of God during this time. Among them was a young Jewish lad that we must mention in passing. But before we do this, we must recall events leading up to it.

Brother Branham Returns to the Field

It was good news to us when we received word that William Branham had completely recovered from his nervous exhaustion. God had performed a miracle and he was now back on the field. One day I got a call from him stating that he was coming to Shreveport to see Brother Jack Moore and myself. When we met him, he told us at once that the angel of the Lord had again appeared to him, and that he was to minister in a series of campaigns in America. After that he was to go overseas. He wanted to know if we would go with him in these meetings. After some days of prayerful consideration, we felt it was the will of God and so informed him.

The Supernatural Photograph

The first meeting was arranged to be held in Houston, Texas, in the city auditorium. It later went to the Coliseum with some 8,000 attending a single service. We will not elaborate on the details of that interesting meeting, but we must relate one incident that was of unusual interest. During the campaign, a hostile clergyman took great exception to Brother Branham's ministry and challenged him to a debate. Brother Branham refused to debate, stating that God had not called him to enter into controversy but rather to preach the gospel and pray for the sick. F. F. Bosworth, who had made arrangements for the Houston meeting, however, accepted the challenge. Across the headlines of the city papers screamed the words, "A Preachers' Duel." That night some 8,000 people attended. We will not go into the details of the debate, except to say that the skeptical clergyman made a pitiful spectacle arguing that the days of miracles were past. Lying before him were all manner of sick people and cot cases. It was small comfort to them to be told that God didn't heal any more. It was soon evident that 98% of the congregation was on Brother Branham's side.

Unknown to us, the hostile clergyman had made arrangements for a photographer to snap some pictures while he was on the platform. The photographer performed his task, but what happened afterward is a story that will not be forgotten in Houston, Texas, for a long time. While he was near the platform he also took a picture of Brother Branham which perhaps is one of the most astonishing of its kind that has ever been taken. For when it was developed, a halo of light appeared over his head! We give the account here of the story as it was written at the time:

"About midway in the Houston campaign, a very remarkable thing occurred that proved to be a Divine vindication of Brother Branham's ministry. A certain clergyman who opposed Divine healing, denounced the remarks of Rev. F. F. Bosworth (who spoke during many of the day services) and Brother Branham, and issued a public challenge through the newspapers, to debate with Rev. Bosworth on the subject of 'Divine Healing through the Atonement.' Rev. Bosworth felt led to accept the challenge, and the whole matter was given front-page publicity in the Houston newspapers.

"On the evening appointed as the

meeting got under way, it was quite apparent that the sympathy of the vast audience was almost entirely on the side of the visiting evangelists. Large numbers of the members of the very denomination of the opposing clergyman stood to their feet as witnesses that they believed in Divine healing and had, in fact, been healed. This sentiment became increasingly evident throughout the service.

"Now it so happened that the opposing clergyman had secured the services of Mr. James Ayers and Mr. Ted Kipperman, professional photographers, who were to take a series of pictures of him while he was speaking. Incidentally, the photographer, after taking these shots, secured a picture of Rev. Branham, who spoke briefly just before the service closed.

"When Mr. Ayers, one of the photographers, went that same night to the darkroom of his studio, he decided to develop the negatives that had been exposed. To his surprise every one of the negatives turned out to be absolutely blank with the exception of the one which had been taken of Rev. Branham. His surprise turned to amazement when he noticed that on this negative, immediately over the head of Rev. Branham, was apparently a supernatural halo of light! Mr. Ayers called the others of the studio to look at the negative; but when they did so, each was equally puzzled and no one could explain the presence of this halo.

"The following morning the photographer sent word to Rev. Branham to inform him of the strange phenomenon that had occurred in connection with the photograph he had taken the night before. Brother Branham then explained to the young man that he was not greatly surprised over the circumstances, as a number of times before similar things had happened in his ministry. For example, while at Camden, Arkansas, a photographer had snapped a picture of him and when the film was developed it was found that a strange light encircled him, which, the photographer pointed out, could not be accounted for by the lights in the building. (That picture is published in his book.) Many other such things had occurred in his ministry. The photograph taken at Houston was without a doubt the most outstanding and spectacular of these supernatural manifestations, because of the unique circumstances under which the photograph had been taken.

"The same morning that the photographer brought the news of the strange phenomenon which appeared on the photograph, the Houston newspapers carried full reports of the service on their front pages. (Of course, at this time the newspapers had heard nothing yet about the photograph.) It is interesting to note that Mr. Ayers, one of the photographers who had been secured by the opposing clergyman, himself had made skeptical remarks — which remarks were included in the reports by the newspapers. That the picture should come from this photographer makes the whole matter the more astonishing, and confirms its absolute authenticity, if indeed any more evidence were needed.

"After conferring with Rev. Branham, the writer arranged for the negative to be turned over to Mr. George Lacy, considered the greatest authority on questioned documents in that area. Mr. Lacy then submitted the negative to exhaustive scientific tests. Rev. Branham was certain that the negative was genuine but considered it wise to have absolute scientific proof of its genuineness. After a most thorough examination, Mr. Lacy gave a certified statement that every test showed that the negative was absolutely genuine, and had not been "doctored" or retouched or been given a double exposure of any kind.

After Houston we then went from city to city for a series of campaigns which finally culminated in a few night services in Manhattan Center, New York City, just before we were to go overseas in a series of Scandinavian meetings. It was at this meeting that a young Christian Jew by the name of Morris Cerullo sat in the audience. During these few days God was to deal with him in an unusual way.

THE TRUTH ABOUT ANGELS

(Continued from Page 5)

which we hear most about. Exodus 14: 19: "And the angel of God, which went before the camp of Israel, removed and went behind them, and the pillar of the cloud went from before their face, and stood behind them." That might have been the angel Michael, who is especially associated with the Jews in Scripture.

THREE HEBREW CHILDREN

When the three Hebrew children — Shadrach, Meshach, and Abednego — were thrown into King Nebuchadnezzar's specially constructed fiery furnace, which was heated seven times its normal temperature, the enraged king looked into the mighty mass of flaming hell and saw not only the three men, but a fourth man! This fourth person looking like "a son of the gods." Dan. 3:1-30. Surely the angel of the Lord was there to protect, preserve the three Hebrews and proclaim God's mighty power to a heathen king.

If a person does not believe this story, he does not believe the Bible. The Bible is the only foundation and basis for believing anything religiously and spiritually.

DANIEL AND THE DEN OF LIONS

Daniel 6:22: "My God hath sent his angel, and hath shut the lions' mouths, that they have not hurt me." This is the thrilling testimony of Daniel when he was thrown into the lions' den. Daniel said God sent *an angel* and closed up the mouths of the lions and they could not hurt him. He must have been telling the truth for when Daniel got out of the den, those lions devoured his enemies who were thrown into the den. So the angels must have gone on to Heaven as soon as Daniel got out!

AN ANGEL GOES TO JAIL

A New Testament illustration of the ministry of angels to protect God's people, is the story of the great Apostle Peter. When Peter was in prison and the king planned to kill him the following day, the angel of the Lord came to him by night and woke him up and shook off his chains. The doors of the prison opened up and Peter followed the angel outside.

The Bible says (Acts 12:7): "Behold the angel of the Lord came upon him, and a light shined in the prison: and he smote Peter on the side, and raised him up, saying, 'Arise up quickly,' and his chains fell off from his hands." Here is the way I look at the Bible. If that story is not true, then I cannot depend on any of the Bible. But if it is true, then God hasn't changed and He can do the same today!

Do you know why God was obliged to send an angel and save Peter's life? Because Jesus had already prophesied Peter's destiny. John 21:18: "When thou wast young, thou girdest thyself, and walkest whither thou wouldest: but when thou shalt be old, thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldest not." Jesus told him he was going to be a wobbly old man. Therefore, King Herod couldn't kill him for then Christ's prophecy wouldn't be true. No wonder Peter was so happy in jail. He knew he couldn't die. Jesus had already told him he was going to live to be an old man!

ANGEL ESCORTS

A further fascinating work of angels is to escort the righteous home when they die. Luke 16:22: "And it came to pass, that the beggar died, and was carried by the *angels* into Abraham's bosom: the rich man also died, and was buried." Those are the words of Jesus. This man Lazarus died and the angels transported him into Abraham's bosom, or the place of paradise.

Now, I don't believe God would have respect of persons and that Lazarus got any special attention. Therefore, when a righteous man dies the angels are his escort to his heavenly home. When you cross the river of death, you don't cross it alone. You cross it with heavenly escorts who take you home. Hallelujah!

If the angels of God escort home the righteous, it might be that the demons of Hell escort home their prey — black ugly fiends of hell escorting wicked men and women to their eternal abode. Just be sure you have the right escort and the only way to be sure is to love God now and serve Him according to the Word of God.

There are multiplied millions of church people who are not living right. They are not living holy and pure lives. They are only church people. There won't be any

BACK FROM THE DARK VALLEY

(Continued from Page 8)

and enable others to know the power of the living Christ. Through the entire period of this trying ordeal the prayers of the saints of God were ascending in my behalf and my recovery was a direct answer to those prayers.

On June 6, 1950, the nurse came into my room and directed me to go to the treatment room. I had a horrible dread of the treatments, fearing each one would be the last of me. This time I again lapsed into a coma from the treatment.

DELIVERANCE

I don't know how long the coma lasted, but I do know that it was God's hour of deliverance for me. While I lay on that table—having no mind which would function, no mental faculties, and no power to pray — the mighty breath that God breathed upon the "face of the deep" and into Adam, began to breathe on my sick nerves. Suddenly I began to pray: "My Jesus! My Jesus! My Jesus!" Then I uttered the words, "I can't!" How true this expression was! I had no inherent power to overcome my fears. There was a power opposing me that no human force could break. It was going to take a miracle, and God was ready with that miracle!

When I said, "I can't," the Holy Ghost within me began to pray through me in other tongues. The doctors and nurses became alarmed, and began to give me injections to bring me out of the coma, thinking I was beginning an adverse secondary reaction. They removed me to my room, not realizing that what they thought was a secondary reaction to the treatment was really a manifestation of Divine, miracle-working power. I don't know how long I was under sedation; but, thanks be to God, I felt life coming into my body again. I experienced a sensation similar to that which one feels after a limb has "gone to sleep" and is beginning to feel the normal circulation of the blood again.

The next day I felt as though I had come out of prison. There was a sparkle in my eye, a smile on my face. My fears were gone. My thinking faculties had returned. My anxieties had disappeared. I was hungry for the first time in ten months. When the nurse brought my food, I ate everything on the tray. I consumed bacon, eggs, toast, oatmeal and coffee, and didn't have indigestion! I got out of bed, cleaned up, dressed, and combed my hair. I felt so peaceful. It was wonderful to know that Jesus had delivered me.

At noon the nurse told me I could go to the dining hall. I asked God's blessing for the first time in ten months when I sat down at the table. I ate two trays of food. After eating, I arose and walked over to the piano in the dining room and began to play some gospel melodies. I sang, "What A Friend We Have in Jesus," "Leaning on the Everlasting Arms," and the "Lily of the Valley." How glorious to be singing songs like that after ten months of being tortured with demons and afflicted by all the powers of Hell!

When the psychiatrist heard the music and singing, he and some of the nurses left the doctors' dining room and came to the doorway of the patients' dining room to see which patient was providing the music. One of the nurses later informed me that the doctor literally jumped for joy, clapped his hands, and exclaimed, "There's the real girl!" He realized that my personality had returned and that I was a normal human being again.

Who did it? Who healed me? It was my Jesus! Drugs can't deliver a personality from satanic oppression. It takes the living Christ to do that, and He did it for me!

The psychiatrists soon conducted a conference about my case. When I calmly entered their presence for an interview, they watched me incredulously. My doctor said, "Your recovery is marvelous. It is marvelous indeed!"

After being dismissed from the hospital, I returned home. During the following two months I gained a total of 28 pounds.

Over five years have elapsed since this miracle of healing. God has enabled me, with Divine strength, to minister again and to bring His message of deliverance to sin-shackled souls and to the sick and oppressed. To Him be all the praise!

THE TRUTH ABOUT ANGELS

(Continued from Page 19)

angels to take them home. They will have the fiends of hell to escort them to the Devil's own place because they have not had their sins forgiven. No one will go to Heaven without first having the blood of Jesus applied to their hearts. I don't care if you belong to all the churches in the world, you still will not go to Heaven unless your sins have been washed away by the blood of Jesus.

Going to church will not save you. It is coming to Jesus that will save you. If you want the angels of Heaven to be your escort, you should start living like them! Live clean and holy and pure and love God. Keep a clean mouth, a clean heart, a clean tongue and a clean mind. Walk the right way, do the right thing, speak the right thing and love everybody.

ANGELIC MESSENGERS OF JUDGMENT

Not only do angels escort the righteous home, these messengers of God weigh out the judgments of God here in the earth. When God says there shall be judgment, his angels come down and carry it out. Matt. 13.

A moving example of this was when King Herod made an oration to the people, they shouted: "It is the voice of a god, and not of a man!" Herod accepted this personal praise. God was angry with him and in that instant the angel of the Lord smote him, and he died, eaten of worms. Acts 12:23: "And immediately the angel of the Lord smote him, because he gave not God the glory: and he was eaten of worms, and gave up the ghost."

In the Revelation it tells us the angels of God will execute the terrible judgments upon the rebellious nations.

Rev. 14:19: An angel gathered nations to war.

Rev. 16:1: Angels pour out vials of wrath.

Rev. 20:1, 2, 3: An angel binds Satan and puts him in the bottomless pit!

A TRUE STORY

That's the true story about angels. One day this world is going to become better acquainted with them. This world will come to realize the reality of the unseen as well as the seen, the invisible as well as the visible, the immaterial as well as the material. Why not believe today!

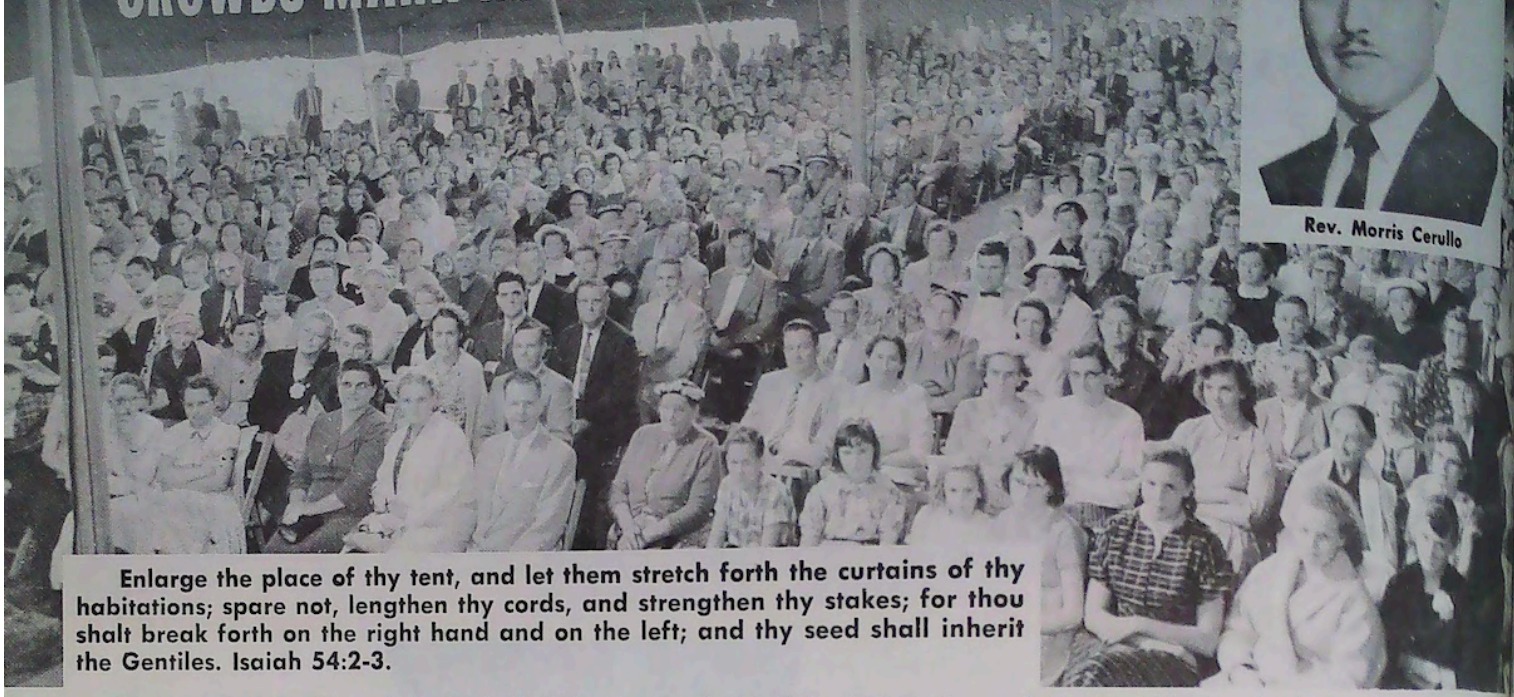
GREAT MIRACLES AND OVERFLOW CROWDS MARK ROANOKE CAMPAIGN

Rev. Morris Cerullo



Enlarge the place of thy tent, and let them stretch forth the curtains of thy habitations; spare not, lengthen thy cords, and strengthen thy stakes; for thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles. Isaiah 54:2-3.

Above photograph taken early at 7 P.M. At 7:30 approximately 4 to 5 hundred stood around the tent with many hundreds turned away. Much of the right side of the audience not included in photo.

Note: Watch for dates of future "World-Wide Revivals" in your area, and under new and larger tent which seats up to 3,000.

OVERFLOW CROWDS MARK CLOSE OF GREAT ROANOKE CAMPAIGN

May 16, marked the beginning of the Roanoke campaign—ten glorious days of Holy Ghost ministry by Evangelist Morris Cerullo and his associates, Gordon Lindsay and Ralph Bender.

From the beginning the meetings were marked by a wonderful cooperation from all the local Full Gospel ministers of that area. People came from hundreds of miles away, from many states, and churches cooperated over the entire surrounding area.

There were many outstanding healings. Testimonies of notable miracles were given of deliverance from cancer, of healing of short legs, of blindness, deafness, etc. A typical example was the healing of the brother who watched the tent. He had a serious case of hernia and for that reason he was not certain whether he could carry on his job. However he got into the healing line and a few minutes later threw away his truss. All through the campaign he testified to complete deliverance.

At the close of one service, which followed Evangelist Cerullo's presentation of the message, "Seven Steps to Healing," there was a prayer for mass healing. Many testified by the uplifted hand to deliverance in the mass prayer. One of the most striking testimonies from that service was a young lady who was afflicted with leukemia, a disease that is considered incurable by the medical profession. The following day the young lady went back to her physician and the astounded doctor after examination declared that there was not a trace of the cancer cells left!

One of the strongest features of Brother Cerullo's ministry is his appeal to the unsaved. His powerful presentation of the gospel message resulted in altar calls of 100 or 150 on a night. The invitation calls were strict salvation appeals, and the solemn faces of those who came forward showed that they were deeply in earnest.

One of the important features of the campaign was the presentation of the WINNING THE NATIONS CRUSADE. A large display section showed the work of the crusade, pictures of the great overseas campaigns and the shelters and churches that were being built. On Sat-

ROANOKE CRUSADE

by Rev. Edwin D. Herron, Secretary
Roanoke Pentecostal Fellowship

Rev. Edwin D. Herron

Packed with power and the moving of God's Spirit, the ten day's campaign of World-Wide Revivals has come to a dramatic and powerful end here at Roanoke. The closing night found the entire front of the huge tent lined with people seeking salvation.

Each of the glorious days began with the ten o'clock morning "Hour of Power," with the Rev. R. F. Bender at the helm, conducting, and those attending finding places to kneel and pour out their heart's petition to God's very Throne; the afternoon faith-building services, at 2:30, under the ministry of Rev. Gordon Lindsay, where those attending were helped to find a place to "have faith" for the miraculous, and the gigantic evening services where Evangelist Morris Cerullo, ministering under an heavy anointing, preached to an eager audience.

Comments from various ministers on the closing night were to the effect that their Sunday morning worship services were of an outstanding nature with God's presence very real. We, of Life Tabernacle, were especially blessed on our Sunday morning service, and the "revival spirit" was very prevelant among us!

This Crusade has made an impact on our Full Gospel Churches in the city of Roanoke, and the effects will be felt a long time, we feel.

(Rev.) EDWIN D. HERRON,
Secretary
Roanoke Pentecostal
Fellowship

TESTIMONIES FROM THE ROANOKE CAMPAIGN

Hernia and High Blood Pressure Healed

For two years I have had high blood pressure, which resulted in two bad heart attacks. I also had a bad hernia for which I had to wear a truss. I had had an operation, but was unable to do any kind of work. When the World-Wide Revival came to Roanoke, I heard that they needed a man to stay by the tent and keep the stakes pounded in, etc. I decided to take the job, knowing full well that in my own strength I would not be able to do the job. But I felt like now was the time to trust God.

The first two days I was very sick while at the tent, but on Sunday afternoon Brother Cerullo called me out of the audience. He prayed for me and was instantly healed. I took off my truss behind the tent curtain and my rupture had gone into place. This is the last day of the tent meeting. I have been able to do my work here and I am feeling wonderfully well and strong. God has done a miracle for me, for which I thank Him!
