God's Mighty Hand on Mid-Year Voice of Healing Convention

by Mrs. Gordon Lindsay

FROM thirty states and six foreign countries, there poured a host of laymen, ministers, evangelists, and missionaries into Dallas for the Mid-Year TVH Convention which in the words of one minister who had been in Pentecost for 50 years, was "the greatest thing I've been in yet."

On Friday, June 15th, the big five-pole tent was all in readiness for the opening service. The large audience had just been singing joyfully for a few minutes when without warning, a terrific rain storm hit the area, and the poles inside of the tent began to dance about crazily, as the ropes gave away. Suddenly, it became apparent to the people that this was a master stroke of the enemy to attempt to destroy the tent and disrupt the Convention. With one accord everyone began to call on God. The testimony of one woman, without doubt, was what actually took place. "During the height of the storm, I opened my eyes and looked up as I was praying. To my surprise and delight, I saw a huge hand—the Hand of God—covering the tent. I knew then that all was well and that the tent would weather the storm." And so it did, coming through without any harm, though the Dallas papers carried front-page articles telling of the damage done, the next morning.

Sam Todd

That night, Sam Todd, who has just come back from tremendous revivals in Chile and Argentina, preached what many felt was his greatest message on "Deliverance or Captivity" (Amos 6:1, 7.) He said that today the Christian world, as a whole, is at ease, but unless every father and mother delivers his family, they will go to hell, and often drag the parents with them; for verse seven says that they will be taken captive

INSTALLMENT V

(This is the 5th in a series of articles telling the story of the great deliverance revival. This month we relate events involving the raising up of a number of outstanding deliverance evangelists.)

Morris Cerullo

THE STORY of the conversion of Morris Cerullo, the Jewish evangelist, is one of the most dramatic of our time. Brought up in a Jewish orphanage, it was at the age of fourteen that the plan of God began to unfold in his life. God led a precious Christian woman to the orphanage and revealed to her that God wanted this little Jewish lad for His own. And that God would use him to bring a multitude of souls into His kingdom. At first he fiercely resented her attention, but she was so persistent and kind that he could not altogether disregard her. So the Spirit of God was strangely dealing with him. One day she gave him a New Testament. Afraid to be caught reading it, he pulled the covers over his head at night and read it with the aid of a flashlight in his bedroom.

Ultimately the matter was discovered. The lady was immediately discharged from the orphanage. Suffice it to say: after Mrs. Kerr's discharge this little Jewish boy went through many trials. Through a divine miracle of God (that we will tell in a later issue) God brought him out of the orthodox orphanage.

But what could he do now that he had escaped? Where could he go? His only friend in the world was this woman who had given him the New Testament. Of course he did not have the least idea where she lived. Standing on the street corner in Clifton, New Jersey, on a cold winter night, the hail and rain beating in his face—where could he go? To whom could he turn? He remembered how they prayed in the synagogue, lifting up their hands. So on that street corner is desperation he lifted up his little hands to God, a 14½ year old boy, longing for reality, and prayed, "Dear God, if there is such a person as Jesus up there in heaven, then please dear God let him be with me right now." Now comes the dramatic part of the story. As he prayed that simple prayer, suddenly this little Jewish boy felt the presence of God come around him. All fear left, and at that moment two angels appeared, one on his right side and one on his left side. Then he began walking with the angels by his side. Down the sidewalk he went, up and down curbs, singing a song the angels put on his lips, and feeling the presence of the angels on either side holding his hands. And the strangest thing of all was that during all that long walk of nearly three miles, never once did he open his eyes! It was a supernatural walk with angels.

Where were the angels taking him? He did not know, but being overjoyed with their presence he just continued walking

and singing. Then he stopped, and just as quickly as the angels had come, they left him. He began to tremble with fear and cried out within himself, "Oh please God, don't leave me."

We will let Brother Cerullo tell what happened then: "Then I opened my eyes. I found I was in Passiac, New Jersey, on the same Main Street. I had walked for two and a half to three miles. I was standing in front of a theatre called the Montauk Theatre. There, under the lights, your mind will never imagine what I saw. Standing in the rain under an umbrella, for several hours, at an arm's length distance away from me, was none other than Mrs. Kerr, the woman who had brought me the message of Jesus Christ in the orphanage. The only soul I knew in the world, and God led me right to her. Oh, beloved; praise God! Only a few hours before I was cold, lonely, hungry, in despair, and shortly after meeting Mrs. Kerr I was in a warm Christian home with dry clothes and a warm meal under my belt."

We cannot tell in detail of the subsequent experiences of this little Jewish boy. Suffice it to say that God had a great work for him to do. Like Paul of old he was caught up into the third heaven into the very presence of God. He was also given a vision of hell and the cries of the lost. After that he received a commission to preach the gospel, to win the unsaved to Christ, and heal the sick!

It was this young man who attended our meeting in Manhattan Center in New York City. And there he saw the ministry of the supernatural in action. It was there that a fresh vision came to him of the great plan that God had for his life. From that hour his ministry began to take a new direction. His campaigns soon were growing in size. The gifts of the Spirit began operating in his ministry. Mighty miracles occurred.

Then in the Fall of 1957, God revealed his plan to this young Jewish evangelist in a special way. Early on an October morning, God awoke him and said, "Son, this is the hour, now is the time when I shall move by My Spirit." He then showed him what his part was to be in the WINNING THE NATIONS CRUSADE. How that he must throw everything he had into the work. How that he must recruit multitudes to pray, and to give, to make it possible the reaching of the untouched millions all over the world.

At the time of this writing we have already witnessed the rapid unfolding of this divine commission. For the past number

TO THE FAITH THAT REACHES OUT

"Be of good comfort;
thy faith hath
made thee whole."
--Matt. 9:22

THE
CHRIST

YOUR FAITH IS POWER

IF I WERE to walk down your city streets and stop one thousand people to ask them the question, "Do you believe in GOD?" nine hundred and ninety-nine of the one thousand would respond in the affirmative. Some, however, would refer to God as that "Higher Power." Some would say He is that "Power Beyond the Blue," and point to the sky. Others would just say He is That Something up there that made us all, and they would leave it go at that. But that is NOT ENOUGH! The Scriptures declare that it is not enough to just believe that God is. We must not insult His intelligence, His living reality. He not only IS, but HE is a rewarder of them that diligently SEEK HIM.

The Power of Faith in God

The greatest power in the whole world is the power of faith in God. Faith can open the blind eyes. Faith in God can unstop the deaf ears! Faith can cause the cripples to run and jump and leap for joy. Faith in God can even RAISE THE DEAD. THERE IS NO POWER LIKE THE POWER OF A MAN OR A WOMAN, OR OF A BOY OR GIRL'S OWN PERSONAL FAITH IN ALMIGHTY GOD!

What Is Faith

But what is Faith? I have heard preachers declare it is an indefinable something, an inexplicable substance, and let it go at that. However, anything so wonderful as this power must have a basis of explanation, for this is God's way. First let us openly declare that we do not deal in mysticism, spiritualism, christian science, etc. We reckon only the POWER OF GOD. There is nothing mystical about Divine Healing. This is not a matter of saying to one's self, I am healed, I am healed, over and over again until you convince yourself you are healed. This IS NOT MIND OVER MATTER. This IS DIVINE HEALING BY THE POWER OF GOD THROUGH FAITH IN THAT POWER.

What then is the way of Faith? I will tell you! Jesus said, "I am the way, the truth and the life." Consequently, Jesus is the way of Faith. To receive Him in all His fullness and His quickening power you must bring every part of your being

to a place where you can say a God inspired, "Amen" to the whole will of God.

Faith Versus Unbelief

Two thousand years ago God spoke through an angel to a little woman by the name of Elizabeth. The angel said, "Thou shalt bear a child." Her husband, the Scripture declares, did not believe the words of the Angel. So the angel replied saying, "Because thou believest not thou shalt be dumb." And he was dumb until his son, John the Baptist, was born into the world. . . God spoke through another angel to another woman. This woman's name was Mary. The Angel said, "Mary, can you hear me?" She said, "Yes, Lord, I can hear you." "Mary, thou shalt conceive and bare a child. Thou shalt not be afraid, for this thing which shall be done in you shall be done by the Holy Spirit of God. Thou shalt call his name Immanuel for He shall save His people from their sins." Mary didn't know how this was going to happen, she was only espoused to Joseph. But she cried unto the Angel, "Be it unto me even as thou has spoken it." In Mary's heart was that inward amen to the will of God for her heart and life.

This leads me to an important note. You cannot receive anything if you waver. "Let him that wavereth think not that he shall receive anything from the Lord!" An important feature in praying with steadfast faith, is to have a complete knowledge of the will of God in the matter.

The Lady Who Thought It Was the Will of God to Be Sick

About five years ago I was up in the state of Wisconsin for revival meetings. It was while I was in the DuPont Club Auditorium a certain woman came into the healing line. She was last in the line and one look in her face told the story that she had been one of thousands that we see in our campaigns that are going through the struggle of faith, trying ever so hard to believe. I reached out my hand for her healing card. When I did she drew back and said, "I don't have any healing card." I answered, "Then what are you doing in this healing line, do you

There Is No Power Like the Power of Faith

"Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear. By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh. By faith Enoch was translated that he should not see death; and was not found, because God has translated him: for before his translation he had this testimony, that he pleased God. But without faith it is impossible to please Him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." Heb. 11:1-6.

WINNING THE NATIONS CRUSADE

THIS IS THE HOUR TO PRAY FOR FINLAND

As this article is written we received an airmail letter from Richard Vinyard who has begun a series of campaigns in Finland. In this land, as the result of previous meetings held by Voice of Healing evangelists, the people have opened up to the Full Gospel message. When we met with the world religious leaders something over a year ago, they confirmed the fact that the Lutheran Church in Finland had accepted Divine healing! Both William Branham and Tommy Hicks held very successful campaigns there.

Now as a result of a call from Finland to our Winning the Nations Crusade office, Richard Vinyard has gone to minister in that land and follow up this great moving of the Spirit.

He writes: "Things started out very good with 2,000 present on the first night. . . . Many came to be saved on the first altar call . . . several deaf came to be healed . . . were amazed that they could hear . . . my interpreter and I are getting along great . . . people need teaching but they are responding wonderfully. . . . The Lord gave me a sign on the way over. We were flying above the clouds and all of a sudden a bow appeared. . . . The Lord spoke to me and said 'as I gave Noah a promise so I will give my promise to you.'"

Pray for Finland now!

DALLAS CONVENTION

Elsewhere in this issue is the report of the Dallas Mid-Year Voice of Healing Convention. One of the purposes of the convention was to mobilize men and women to pray and support the Winning the Nations Crusade. At one end of the tent was a display of some 75 photographs showing the great audiences attending the deliverance campaigns, and the revival tabernacles that were being built to take care of the converts. We thank God for the many people who have enlisted in this cause to pray daily and to give regularly for mass revival.

Oak Cliff Assembly of God, which has just raised \$1,600 for the down payment for the Iloilo project. Why doesn't your church sponsor a revival tabernacle? In these days while revival is moving through the world, here is perhaps the greatest opportunity to invest in a great missionary project which will be a permanent memorial to your church.

OAK CLIFF ASSEMBLY OF GOD HELPS WITH DOWN PAYMENT ON ILOILO PROJECT

Recently among many other requests, we received a call of a great need at Iloilo, Philippines, where a powerful revival has struck. A large building became available which could be used as a tabernacle. However, a fairly large sum was needed to complete the amount needed as a down payment. The missionary society which sponsored this work was unable to raise this money and sent us an S.O.S. In order to not lose the project we borrowed the money at once from another fund and sent the payment. Then a church in Dallas, the Oak Cliff Assembly of God, pastored by H. C. Noah, invited us to present this need in their church. This we did Sunday night following the Dallas Convention. As Morris Cerullo spoke and told the need at the close of the service, the entire sum was given or pledged within a few minutes time! Note: Why not other churches in America sponsor a tabernacle or church building in a foreign land?

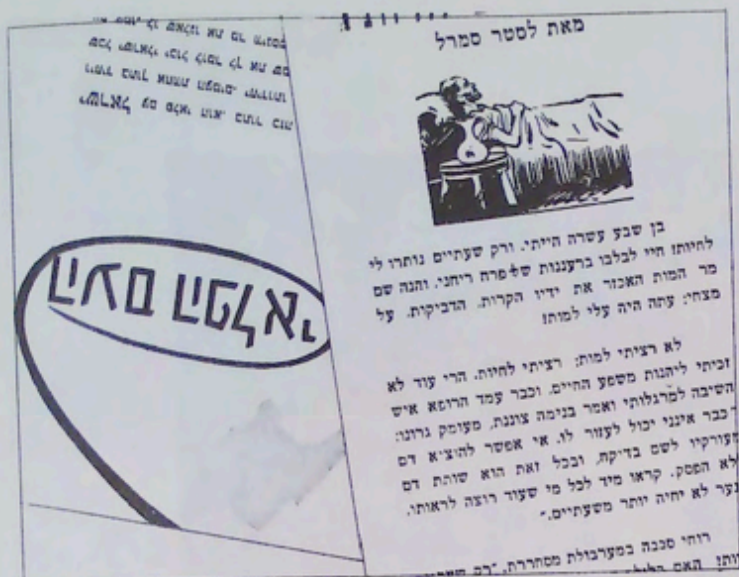

THE ISRAEL PROJECT

One of the very greatest missionary and prayer responsibilities of the Winning the Nations Crusade is that of the people of Israel. This is the hour when God said He would turn again to His ancient people. (Luke 21:29-31.) "Blindness in part is happened to Israel until the fullness of the gentiles be come in." (Read Rom. 11:13-29.)

It is true that previous efforts in Israel have not borne much fruit. Yet God has His hour. Already the Lord is calling out Jews and making mighty evangelists out of them. A notable example is our Brother Morris Cerullo, whose ministry is now one of the most powerful on the field today.

Brother Lester Sumrall has just returned from Israel and we shall meet with him shortly. In previous issues of the mag-

azine we have discussed plans for reaching Israel with the gospel. We have seen the failure of attempts to get the Jews into the church, and we believe that God has another plan—the bringing of a distinctly Messianic message to the Jews. This program involves the careful preparation of tracts and small booklets for distribution throughout Israel. (See photo of two tracts just prepared by Lester Sumrall.)

RAPHAEL (1483-1520)

HEAR YE HIM!

by William Branham

"And after six days Jesus taketh Peter, James, and John his brother, and bringeth them up into a high mountain apart, and was transfigured before them: and his face did shine as the sun, and his raiment was white as the light. And behold, there appeared unto them Moses and Elias talking with him. Then answered Peter, and said unto Jesus, Lord, it is good for us to be here: if thou wilt, let us make here three tabernacles; one for thee, and one for Moses, and one for Elias. While he yet spake, behold, a bright cloud overshadowed them: and behold a voice out of the cloud, which said, This is my beloved Son, in whom I am well pleased; hear ye him." Matt. 17:1-5.

I WISH to take as a text for my sermon tonight the words—"HEAR YE HIM." Here on the Mount of Transfiguration Christ revealed Himself in His glory to three men, Peter, James and John. Christ will meet any honest heart. No matter how insignificant you may seem to be, your soul is worth ten thousand worlds. Sometime ago some friends and I, while in Tennessee, were going through an art building. We were looking at a hundred and fifty pound synthetic man. We found out what a man was really worth. They showed us that the chemicals in your body are worth about 84 cents. That's not very much is it? Just about enough whitewash to sprinkle a hen's nest—a little bit of calcium and a few other chemicals—that's what the value of your body is.

One of our party said to another, "John, we are not worth much are we?" But I laid my hands on their shoulders and stood between them and said, "That is true, we are not worth much in this body, but the body has a soul worth ten thousand worlds." But oh, how we take care of this 84 cents! We give it the best clothes, feed it with the best of food, put a ten dollar hat on it. But the soul within it we let go and never notice or take care of it.

Returning to our Scripture we find that Jesus chose three disciples to accompany him to the Mount of Transfiguration. "In the mouth of two or three witnesses let every word be estab-

Jesus

Son of God

Son of Man

by David Nunn

We have a tremendous study on the mystery of our Lord Jesus Christ. Many are saying one thing, while others declare the opposite. This message is not an argument, but some blessed truths for all of us to thrill over and enjoy. The Scriptures reveal Christ as God—they also reveal Him as human.

As God

The devils were the first to recognize Him after He began His ministry, and many of them cried out, "Thou Son of God" or "I know thee, the Holy One of God." His miracles testified that He was the son of God. "The works that I do in my Father's name, they bear witness of me." John 10:25. Jesus declared He was the son of God: "Say ye of Him, whom the Father hath sanctified and sent into the world, 'thou blasphemeth;' because I said I am the Son of God." As the Son of God He did works that no man had ever done. The Scriptures are in complete agreement on the fact of His deity. "For in Him dwelleth all the fulness of the Godhead bodily." Col. 2:9. "And without controversy, great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory." 1 Timothy 3:16.

Yes, Jesus was very God, yet He is recorded

As Man

"And being found in fashion as a man, He humbled Himself, and became obedient unto death, even the death of the cross." Phil. 2:8. This marvelous plan is too great for the finite minds, but we know: "For there is one God, and one mediator between God and men, the man Christ Jesus." 1 Timothy 2:5. Then Romans 8:3 opens up the mystery and explains the purpose. "For what the Law could not do, in that it was weak through the flesh, God, sending His own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh." Praise be unto God, the whole purpose then was to deliver us from the law that bound us and condemned us.

The Scripture shows that Jesus was

"tempted in all points like as we," yet He was without sin, therefore He is able to succor us who come unto God by Him, seeing that He ever liveth to make intercession for us. He is touched by the feelings of our infirmities. How could that be? Because God became a man and was tempted in all points like as we are. I believe it implies that God never knew from the point of temptation the feelings of His masterpiece, man, until the incarnation. Jesus was God, yet He was also man.

Please follow me now as I set forth the revelation of what Christ has become for us—what he accomplished at Calvary. He came to be

The Perfect Sacrifice for Sin

Man everywhere is offering sacrifices for their sins—the heathen of darkest Africa, India and the islands of the seas. The Aztec Indians of Mexico at one time offered young virgins each year to their idol gods, to appease their wrath. Others have thrown their children to crocodiles, but none of this avails, for they are not acceptable. They only add sin unto sin. John the Baptist cleared the picture and made known the Lord Jesus by his classical introduction, "Behold the Lamb of God which taketh away the sins of the world." He is revealed as our

Ransom and Redeemer

"Who gave himself a ransom for all..." 1 Tim. 2:6. Again in Matt. 20:28: "...the Son of Man come not to be ministered unto, but to minister and to give His life a ransom for many." "In whom we have the redemption through His blood, even the forgiveness of our sins." Eph. 1:7.

In the book of Job we find a number of great statements on the redemption of man. One great statement was made by Elihu when he spoke to Job and said, "I have found a ransom." Praise God, I too can say, "I have found a ransom." I have been redeemed from the power of Satan, turned from darkness to light—from the power of Satan unto God. Man does not like it, but he needs a redeemer, an advocate, a representative before God, for he cannot enter God's presence with

sins. They rather enjoy saying, "I am a pretty good fellow," or "I am just as good as you are." They only make one mistake: there is only one kind of righteousness in Heaven—God's righteousness. There will never be any other kind of righteousness allowed there. Human righteousness is not enough. Man was born in sin, and shapen in iniquity. Job 11:12 declares, "Vain man would be wise though man is born like a wild ass's colt." Just as that poor animal was born under the sentence of death, and needed a redeemer, every man is born in the same manner, he needs a redeemer, an acceptable sacrifice that will save him. Thank God, I can tell you it has been made. Jesus Christ has redeemed the whole human family by the offering of Himself offered through the Eternal Spirit, that He might purge our conscience from dead works, and that we might be enabled to acceptably serve the true and living God. I do not have enough space to enlarge upon all I desire to, so I will close with the last truth that Christ is our

Substitute

A man wrote me some time ago and sent me a book entitled "The Myth of Substitution," and endeavored to show that Christ was not man's substitute. I wish to proclaim to all that the Scripture is clear that Christ is our substitute. "He that knew no sin, became sin for us that we might be made the righteousness of God through Him." This is substitution. The doctrine of the vicarious sufferings of Jesus is not sympathy with the sinner, but substitution for the sinner. "He tasted death for every man." This is substitution. Listen to what Isaiah declares, "He was wounded for our transgressions. He was bruised for our iniquities, the chastisement of our peace was upon Him, and with His stripes we are healed." The whole purpose is revealed; Perfect Righteousness became sin, that sinful man could become righteous. Jesus had no sin until He took our sins; He had no sickness until He took our infirmities and bore our sickness. He that was rich became poor that He might make us rich. "Jesus paid it all. All to Him I owe. Sin has left a crimson stain. He washed me white as snow." Yes, there is a fountain opened in the House of David for sin and uncleanness. There is a balm in Gilead—there is a physician there. The problem of sin has been settled. The only problem now is the sinner. You can come unto God by Him, and be delivered from your sins, habits, and receive the life and nature of God. Will you come to God now. "Just as I am without one plea, but that thy blood was shed for me, and that Thou biddest me come to Thee, oh, Lamb of God, I come." Will you come to Him, for He said, "He that cometh to me I will in no wise cast out." Again, "If we confess our sins before Him, He is faithful, and just to forgive us and to cleanse us from all unrighteousness."

WORLD-WIDE NEWS BRIEFS

by David J. du Plessis

Evangelist Charles H. Rothwell

Reports that come to our office prove that the ministry of Evangelist Rothwell is greatly appreciated by pastors and people.

Rev. John W. Sullivan, pastor of the Full Gospel Tabernacle, Middletown, Ohio, writes: "We greatly enjoyed and appreciated the fine humble, but powerful ministry of our brother Charles H. Rothwell. In him we saw a faith that 'staggers not at the promises of God' and a humility that is God given. During his meetings backsliders were reclaimed and the church strengthened as he firmly presented the truth of the Word. Deaf ears were unstopped and a new measure of faith was quickened in the hearts of God's people. God bless Brother Rothwell."

Rev. Charlie Pennington, pastor of Dryden Road Pentecostal Church, Dayton, Ohio, writes: "We have been blessed and helped in a wonderful way during the two-weeks revival with Brother Rothwell. The Spirit of the Lord was present in every meeting saving souls and filling hungry hearts with His glory. The healing power of God was present. One sister testified that she had suffered for years with arthritis, but was instantly delivered by the power of God as Brother Rothwell prayed for her. We were encouraged and inspired as the Holy Spirit manifested a number of His gifts and spoke to the people in prophecy. We are sure any church will be helped and blessed by the ministry of Evangelist Rothwell."

Evangelist James Cromwell Mightily Used of God

Space will not permit us to publish complete details of some of the wonderful healings recently reported under the ministry of Evangelist Cromwell.

Mrs. Harold Veit, Rt. 2, Box 49, Visalia, California, writes that two of her children were born blind in one eye. The little girl's eyes were so badly crossed that the doctors advised surgery, but the

operation did not restore sight. During the revival meetings of Evangelist Cromwell, he prayed for both of them and they could see. Praise God for His wonderful healing power, because only the Lord could heal and give sight to an eye that was born blind. Recently the doctors tested the eyes of the little girl and found she had 20-20 vision in both eyes. Little Margie is a very happy girl. Stanley can see very well with his glasses.

Pastor B. I. Wilkerson of the Assembly of God Church at Farmersville, California, confirms this healing and writes that during the meetings held by Evangelist Cromwell, about 100 souls were saved and many were filled with the Holy Spirit. Apart from the blind eyes that were restored, cancers were vomited up, demons were cast out, and many other miracles happened. Praise the Lord.

A Time-Tested Healing From B. D. Bennett Campaign

"While working for a dairy during September, 1955, my legs were crushed and broken between the bumpers of two trucks. The doctors put casts on both my legs almost up to my hips, and for four months I had

to wear these casts. I was a sinner at the time and while I was in the hospital, the Lord dealt with me as I prayed every night. During December my wife and oldest son and daughter got saved. When I came out of the hospital they took me to church in a wheelchair. Then one night while I was lying in bed the Lord saved my soul and He also saved my youngest son. Then I began to walk on crutches and in this state attended the revival meetings of Evangelist B. D. Bennett at the Yuma Assembly of God in Arizona during February, 1956. Brother Bennett laid hands on me and prayed for my legs and I walked out of church without the crutches and have never had to use them again. As a result, my whole family was saved. I praise the Lord for His wonderful love and mercy."

Miracle In Kronberg Revival

On May 11th, 1958 on a Sunday night, Bro. Kronberg called for the prayer line. I went up after some consideration and as I stood before him, Bro. Kronberg by the Spirit of God, told me I had a cancerous growth in the sore spot of my stomach. After he had prayed for me he told me I would feel awfully sick for 3 or 4 days until I passed the growth. On Tuesday I had pains in my body which lasted until 3 A.M. Thursday. I awoke at that early hour very sick at my stomach and went to the bath room and after a half hour of vomiting the cancerous growth passed from my body. I went back to bed and at 8:00 A.M. got up and examined the growth and called in the neighbors and showed them what God had healed me of. I brought the growth to church in a jar and showed it to the pastor and to the whole church. I praise and thank God for His healing power.

Nankivell Revival in Clinton, Iowa

Pastor C. E. Thompson writes: "At last we found an evangelist with a healing ministry who dared to come to Clinton, Iowa. Sister Louise Nankivell answered a great spiritual challenge and God honored her faith with a real Holy Ghost revival. For nine days our tabernacle in Clinton was packed with sick and spiritually hungry people. From night to night they poured in from distances of 50 to 100 miles, and sat spellbound, listening to the simple gospel message from the lips of God's humble servant. Our people felt that this was God's hour for them. The results of the meeting cover a broad area, but Clinton has received its share of healings and the church is on a much higher plane spiritually."

Testimonies from Richard Vinyard's Meetings

Affliction Discerned and Healed

I was invited by a friend to attend the meetings of Brother Richard Vinyard. We were there on the first night, and I was so richly blessed that I attended every service after that. On the third night I received a "touch" from the Lord as I sat in my seat, praying for a friend. The next night I did not intend to go into the prayer line for I believed in my heart that God would heal me completely. However, Brother Vinyard said that the Lord had revealed my condition to him, and that if I would come forward, God would heal me. I went forward as asked, and was healed. Two days later I was baptized with the Holy Ghost.

Healed of Stomach Trouble of Eight Years Duration

I was troubled with my stomach for eight years. I could not eat anything that caused acid. Thank God when Brother Vinyard prayed for me I was healed. I also had rheumatism in my legs, and had difficulty hearing with my right ear.

Feels Like a New Person

I had suffered with an inward goiter for several years. It didn't show much on the outside, but was growing larger on the inside. I was prayed for several times, but nothing happened. At last I got to the place where I could hardly breathe. Also for five years I had suffered from an internal disorder, and my back ached so I could not sleep at night, or turn in bed. This had gone on so long that I had just about given up hope of ever being well again.

I have been saved since 1939, working for the Lord, teaching a Sunday School class, and doing the best I could. Many times I would have to ask the Lord to give me strength to go to church. Since Brother Vinyard prayed for me I have felt like a new person.

Mrs. James Roberts

Cancer on Nose Healed

I had a cancer on my nose which had been growing for about two and one-half years. It was very painful and covered the left lower side of my nose. For several months I had gone to doctors for radium treatments, but these treatments

failed to destroy the cancer. My doctor advised me to have an operation to remove the left side of my nose and a portion of my face. Instead, I turned to God.

One Sunday morning I felt impressed to ask Brother Vinyard to pray for me. Now two and one-half years later, there remains only a very small scar, hardly noticeable.

Mrs. H. R. Canover

Healed of Severe Back Ailment

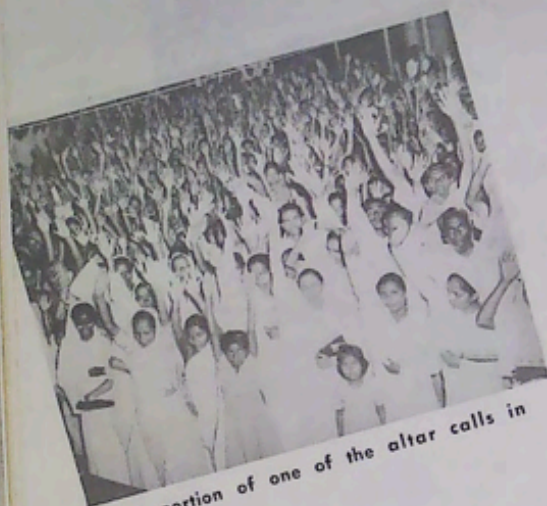

I had an accident during my first year in high school which left my back very weak. This caused the lower three vertebrae to slip out of place on the average of once every three months, causing me much pain.

The night Brother Vinyard prayed for me my back was so painful I could hardly sit still. After Brother Vinyard prayed for me, I returned to my seat, and as I did it felt like a knife went through my back, and the vertebrae were returned to normal. I have had no symptoms of this back trouble since.

BOMBAY REVIVAL WITH R. W. CULPEPPER AND PARTY IS ACCOMPANIED BY MIGHTY DELUGE OF HOLY GHOST POWER

A portion of one of the altar calls in Bombay.

BOMBAY, INDIA: It was a glad day when we met Evangelist R. W. Culpepper, David Walker and party at the Santacruz airport in Bombay. We had great expectation for a great revival and our eyes have seen more than we expected:

The first night of the campaign in the large Hume Memorial Auditorium about 1700 came to see what would happen. Rev. Culpepper preached with power—many were saved. In the first prayer line an uncontrollable woman possessed of the devil was brought by four men. Rev. Culpepper laid his hands on her, cast the devil out and she was immediately delivered and set free.

Praise the Lord for such power in Jesus name! Rev. David Walker, whom we called Little David, assisted Rev. Culpepper. His testimony of being healed of blindness when he was five and of being brought back to life after a boat accident when he was sixteen, after being given up as dead, brought great faith to the hearts of the people. As he and Rev. Culpepper prayed for the sick (there were so many after the first night that

they had two prayer lines) many crippled were healed and threw away their sticks and crutches. One woman was carried on a stretcher by four men, she was on her death bed and so weak she could not speak. After she was prayed for she was made completely well. People with asthma, stomach trouble and many diseases were cured in Jesus' name.

Each night the crowd grew greater—2500 second night, then 4,000 and 5,000 until the people began to come at four in the afternoon. People by the hundreds were sitting on the floor. The doors and windows were filled with people standing and many outside that could not get in. There were so many that answered the altar call that it was difficult to keep count of the converts, due to the mass of people that crowded every inch of space. They brought the sick and afflicted on cots, by ambulance, and many were carried by neighbors or friends. The lame walked, the deaf heard, the blind saw. People came from as far as 300 miles to attend the meetings. Rev. Culpepper and Brother David became drenched by perspiration as they prayed on and on for the needy people.

It was very difficult to escort them from the meeting because of the great crowd that surrounded them. Yet they were never impatient with the people.

As we went to the airport to see these beloved brethren in Christ depart, many people also were there. We felt much sorrow as they departed from us, because they loved us and showed their love and we love them.

We are all praying for the day when Rev. Culpepper and his party can return again to Bombay. The multitude of people that found God and were healed and delivered in the meetings will always be grateful that Brother Culpepper and party came to India.

R. W. CULPEPPER REPORTS

The readers of World-Wide Revival will remember the reports of our meeting in Hawaii, Japan and Hong Kong. After a generous farewell from the large group that saw us off from the airport in Hong Kong, we flew to Singapore, where we were met by Missionaries Caviness and Baker and a fine Chinese brother by the name of Loke. We were taken to the home of Missionary Baker where we stayed with he and his wife and three children. The hotels were all filled with refugees and others fleeing from Java, Sumatra and Indonesia, due to the political uprising and trouble in that area.

Our meetings in Singapore were conducted in the Elim Church, a small church on the back of a beautiful lot on one of the main thoroughfares of the city. The missionaries have a vision of building a large tabernacle on the front part of the lot at the earliest possible date. The church auditorium was packed each service and God confirmed His word by saving many and healing the sick in Singapore.

From Singapore we went to Bangkok, Thailand, a small country of 24 million people with 300 thousand Buddhist priests and 20 thousand shrines. Rev. Boon Mark Gittisarn met us here and our meetings were conducted in the large new church that Brother L. D. Hall and Brother Don Price built with the help of the Winning the Nations Crusade. God gave us great favor here. A good number were saved and healed. One of the highlights of our meetings in Bangkok was Holy Ghost night, when God filled a good number with the Holy Ghost. This was outstanding since perhaps only about 80 people had received the Baptism of the Holy Ghost up till our meetings there.

From Bangkok we flew to Calcutta, India, where we were met by Pastor Peter and a Mr. C. T. Thomas, who works for the Indian government in the department of Anthropology. They escorted us to our hotel where we had time to change and quickly rush to the meetings which were conducted in the large Methodist Church in Calcutta which we rented. God poured His Spirit out in a marvelous way in this city of 7 million where one million sleep on the streets every night, having no home, family or place to go. In addition to those who were saved and

er Campaign orium, Bombay, India

healed in our campaign in Calcutta, we had the privilege of giving to the poor in a small measure, since there were multiplied thousands that were caught in the grip of poverty and it was impossible to help them all even though we would have loved to have given to each and every one of them. Day after day the burning gats of India were busy disposing of the dead. The need is so great in India and the laborers are so few.

From Calcutta, we flew to New Delhi where our meetings were conducted under a large Indian-style tent, namely fancy Indian canvas stretched on bamboo poles to keep the burning heat out. Pastor M. K. Chacko was chairman of our campaign, and did a wonderful job in helping to make the campaign a success. Time would fail me to tell of the many wonderful miracles and the throngs of people that crowded under the canvas and as far out as we could see, as we ministered God's word and saw that word confirmed. The meetings seemingly could have gone on forever. Brother Chacko and the delegation pleaded with me as we left New Delhi to give them a date when we could return again.

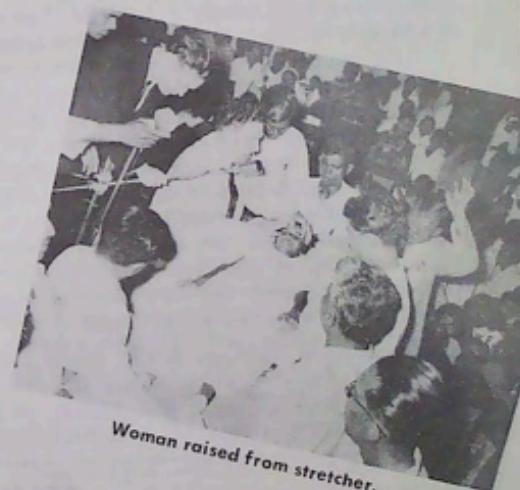

Our last meeting in India was conducted in Bombay in the large Hume Memorial Auditorium with Rev. Jacob Ghodke, head of the local committee, who had so wonderfully taken care of the advance arrangements. The great mass of Bombay's suffering and needy packed the large auditorium until every seat was filled and people by the 100's were sitting on the floor Indian-style and many were standing in the doorways and even out into the streets. Eternity alone will reveal how many of the thousands that

responded to our call for salvation may have never found God had it not been for our friends and the Winning the Nations Crusade who made it possible for us to minister to these needy souls of India. When it came time for our departure from Bombay there was a large group of people at the airport with flowers and small boxes of Indian bon-bons or sweets. Some of them wept as we were forced to leave them. Their last words were, "Please, when will you come again?" We shall not soon forget India, and trust that you will join us in praying that God will send laborers and bring a mighty revival in this land of almost 400 million people with only a small fraction of them knowing anything about our wonderful Lord.

Our last campaign before returning to America was conducted in Berlin, Germany, just a few hundred yards from the Iron Curtain in the large auditorium known as the Berlin Revival Center where Rev. Ben Kummerfeld is the very capable and Godly director. I shall not take space here to give you a lengthy report of the Berlin campaign since Brother Kummerfeld's report follows. Now that we have arrived back in America, we feel that we will never be the same again and trust that you will pray with us that God shall help us to reach the greatest possible number of those that are lost and dying without Christ before it is everlastingly too late.

"... And the Lord Worked With Them:"

Of all the meetings we have had in the Berlin Evangelistic Center, the meeting with Brother Culpepper will be long remembered because of the tremendous

Woman raised from stretcher.

anointing of the Holy Spirit evidenced by the number who were saved, healed and received the Baptism of the Holy Spirit.

The German friends welcomed Brother Culpepper with open arms. Brother Bulson Chang of Hong Kong had spoken so highly of Brother Culpepper's meetings, and all that Brother Chang had said was true and more too. We here in Berlin

MIGHTY SIGNS AND MIRACLES SEEN IN NEW YORK CITY MEETING AS JAMES DUNN MINISTERS

Rev. James Dunn

Rev. Thea F. Jones

JAMES DUNN NEW YORK CAMPAIGN

Special report from Rev. Thea F. Jones

One of the most fertile fields of evangelism has been the world's largest and most important city—New York. Two years ago we began an evangelistic campaign in downtown Manhattan, which grew into an evangelistic center now located in the Queens. This fast growing center was host recently to Rev. James R. Dunn, Voice of Healing evangelist. Almost immediately we grew short on space but plentiful in heavenly fire, because God sent a mighty downpouring of His Spirit through this wonderful man of God. Night after night it seemed the very atmosphere was charged with Holy Ghost power. People were slain by the power of God! Hundreds fell under the anointing of Brother Dunn as God performed healing on their bodies, also filling many with the Holy Ghost.

This revival sight evidently made the devil mad, because immediately the critics came, looked upon the scene, and began to scorn. However, a tremendous

victory was won over them. After a few nights it seemed every person in the building was in one accord, heart and soul in this move of God. Several hundred souls came to Christ in less than three weeks. Only God has the count of miracles, healings and deliverances wrought among the great throngs packing the theatre.

Brother Dunn's ministry is most unique in the world today. I have never met a man with such force and vitality in delivering the gospel message. It takes this type of preaching to combat the forces of evil now driving against God's Pentecostal ministers. The meeting in New York proved to me that Brother Dunn has the God-given stamina to fight against the powers of hell. I feel like we are standing on a higher level than ever before—we are ready to conquer. Thank God this is revival-time for God's deliverance preachers.

TESTIMONIES

Healed of Stomach Trouble

When I started attending Brother Dunn's meeting I was so weak I could hardly sit in the car on the way to church. I would get sick at my stomach every morning, with terrific pains in my stomach and back. Since Brother Dunn prayed for me I haven't been bothered with any of these troubles.

Mrs. Florence Mitchell

Useless Limb and Hand Restored

In 1955 I lost the use of my right hand and right leg from high blood pressure. I went to two doctors, and spent thirteen days in the hospital without benefit.

One day a friend of mine asked me to attend a healing service. I prayed for my healing for about one year. I knew God would answer my prayer. I attended Brother Dunn's meeting, and he came down the aisle, as is his custom, picking out those God directs him to pray for. He picked me out, prayed for me, and I was healed.

Thank God for His wonderful gift.

Ruth Williams

Delivered from Severe Pain

I was healed of a severe pain that started at the base of my skull and went down into my shoulders, back and chest. I did not go to a doctor, therefore I do not know what it was, although I had suffered with this condition for almost a year. When Brother Dunn prayed for me I was instantly healed.

Betty Anderson
Brooklyn, N. Y.

Healed of Low Blood Pressure

Rev. James Dunn "called me out" of the congregation and told me my trouble, which was low blood pressure. I had suffered with this for several years. It caused an awful strain in my chest area after any exertion. Also, I had digestive trouble. I know Jesus has healed me.

Martha Boone

Suffered Eight Years with Back— Now Delivered

About eight years ago my back began to give me trouble. It grew worse until many times I would pass out while on my feet. I had pain just about all the time, and many times I had to give up and go to bed. The doctor told me

I would never be the same as before, even if I had an operation.

But thank God, there is One who can help. When Brother James Dunn laid hands on me and prayed, the Lord completely healed me. The pain left and I just feel fine. My heart is full of gratitude to God.

Mrs. G. Reynolds

Demon Possessed Delivered

While sitting in Rev. James Dunn's meeting on April 12, 1958, Brother Dunn came to me and told me to go to the front to be prayed for. I went and God revealed to him that my nerves were very bad, and that I was possessed by a demon spirit.

I am now living for the Lord and whatever my Lord says, I will obey, for I know He watches over me, and that I am His child.

Grace Ninivaggio (age 12)

JAMES DUNN SAYS

God really gave us a great meeting in the city of New York, saving hundreds of souls, filling with the Holy Ghost and healing many others. The large theatre, in which we were conducting these services, was unable to take care of the crowds. So, we are going back for a city-wide meeting in September and rent a large arena for the meeting, because we believe that now is the time for a great Holy Ghost meeting in New York City. Watch my page in the September issue for full information. Until next month, may God bless you real good.

Revival with the KELLNERS

Delivered From Demon Possession

I want to praise God for my great deliverance from demon possession.

I was a great believer in Spiritism and a devoted medium of this evil power, ignorantly thinking I was serving God.

The day came when I had spasms in my right side and would foam at the mouth. During these spasms, I would black out, not knowing what transpired, until I came to again. Then these spirits began talking to me and even tried to get me to take my life.

A brother and sister took me to the Kellner Healing Revival in Valley Stream, Long Island, to be prayed for. As I stood before Sister Kellner, these evil spirits could not stand to look in her eyes, knowing she had a greater power than they. A surge of desire possessed me to hit Sister Kellner, but I was unable to do it. I began to foam at the mouth and the spirits began to control me, and talk through me, although I was unconscious of this fact. But my friends told me how they screamed at Sister Kellner, saying, "I hate you," again and again. Then Sister Kellner commanded them to hold their peace and to come out of me. They called out repeatedly, "Yes, I'm coming out." And as in the Bible, when the young man was brought to Jesus, they cried and wrested my body, trying to tare me and I fell as dead. Sister Kellner again prayed for me and I came too. I felt as light as a feather and I have been living in a different world ever since. At this time, I was also delivered from incessant cigaret smoking and alcoholism.

Two weeks later I received the baptism with the Holy Ghost. And my friends marvel and rejoice with me in the great deliverance Jesus gave me. Over a year has passed and I am still rejoicing in my great deliverance from demon possession. I am so happy in Jesus, and I want to give Him all the glory for performing this great miracle in my life.

Large Growth Dissolves After Prayer

I want to praise God for the wonderful healing He gave me at the salvation-healing revival at Glad Tidings Assembly in Tulsa, Oklahoma with the Kellners as evangelists.

I went up to be prayed for and before telling Sister Kellner my trouble, the Lord told her what it was. The Lord healed the condition and also dissolved a growth in my right side that was hard and about 7 inches long and 2½ inches wide. This growth caused me lots of distress and pressed on my ribs. I had it for 3 years. Praise God it disappeared while I was prayed for and still at the altar.

I was also called out the first night and healed of dizziness that I had had for quite some time.

To Jesus be all the praise and glory!

Blind Eye Restored

Dennis Castmore, who is 8 years old, was playing with his sister, a week before Christmas of 1957, with a pair of suspenders fastened on to the back of a chair. Then they pulled them out as far as they could

stretch them. It slipped off the chair and snapped back into his eye. It took his eye out on his cheek and cut the tract that leads to the other eye. The fluid ran out of it so bad, the doctor said he would probably be blind in that eye too. The doctor operated on the blind eye twice and said it would have to be operated on again.

We brought him to the salvation-healing revival at the First Assembly of God in Rockaway, New Jersey, on May first, 1958 and Sister Kellner prayed for him. Afterwards he was able to see out of the eye that had been blind at about 500 to 600 feet away and could tell colors at

that distance.

His parents are very happy and thank God for all that has taken place for Dennis.

Loss of Sense of Smell Discerned—Healed

As the result of a fall, when just a child, I lost my sense of smell, and for over fifty years I did not smell the aroma of food cooking, the beautiful scent of the flowers, gas escaping from the stove or anything else. I had resigned

myself to the fact that I could not smell, but there were many with worse afflictions than that.

My wife and I take care of "Calvary Faith Home," owned and run by Calvary Temple of Malden, Massachusetts, where Brother and Sister Kellner were holding special salvation-healing meetings. While at our church they stayed at this home.

On May 17th, the day before the revival began, we were about to retire, when Sister Kellner came downstairs. While we were talking she told of the manifestation she had while in her room that some one in this house had lost their sense of smell. She did not know about my affliction, for she never had met me before, but God knew.

She prayed and laid her hand on my nose and said, "Don't pray, just receive." It was just as if a syringe had been put up both nostrils. My head was cleared as I could smell the fragrance of lilacs and pansies, and everything else.

Praise God for His healing power!

Deaf Ear Opened

Two years ago I suffered with virus-pneumonia, and the fever and the strong medicine they gave me, left me deaf in my left ear and with constant pain in my neck and right side.

During the evening service at the salvation-healing revival at Calvary Temple in Malden, Massachusetts, Sister Kellner rose from her seat and called for some one that was afflicted with this condition I mentioned. I knew it was me. She described my condition so perfectly that I felt Jesus was pointing His finger at me. I arose and went forward as she wanted. She touched my ear and back of my neck and my right side and I was instantly healed. My hearing is restored, and all pain left my body.

To God be all the glory for His wonderful mercy to me.

Evangelist Harry A. de Vries holds in his hands the complete 7½ pound public address system which is so effective in reaching the crowds anywhere.

Standing on a station wagon, Evangelist de Vries scatters tracts to the impatient crowd of Africans who would not wait to receive them one by one. Not a tract reached the ground.

Some of the bicycles that Evangelist de Vries was able to give the African preachers in Nigeria on his recent visit. With these bicycles preachers can reach thousands instead of hundreds when they have to travel by foot through the jungles.

EVANGELIST HARRY A. DE VRIES spends himself in seeking to aid missions by supplying much-needed equipment for

Modern Missionary Methods

by David J. du Plessis

Wars and rumors of wars are shaking the nations. Governments are toppling. Traditions are changing. Humanity has become a seething mass. The challenge is tremendous. Someone must come to the rescue. Christ is the answer. Evangelization of the nations by national workers is imperative.

Evangelist DeVries received no call to become a missionary, but he became greatly burdened with missionary needs and particularly the needs of national workers. He knew he could not go for the great projects that require large sums, but that he could very well help to secure articles of equipment with which so much can be done for so little. He decided to heed the call and go to the mission fields to see what can be done to widen and perpetuate revivals everywhere.

On the Field

He first took a trip to the Caribbean and Central America with some of the Lord's money in his pocketbook. In Cuba public address systems were needed to reach the masses that were stirred by mighty Pentecostal revivals. He was able to provide eleven of these to help in the establishment of new assemblies. A station wagon and other equipment was supplied for the work. Twelve bicycles and a motorcycle, as well as portable light plants and P.A. systems helped to speed the revival in Guatemala. A chapel and a literature campaign were financed in El Salvador. Even a mule for mountain trail evangelism was needed in Costa Rica. Gospels and tracts by the thousands helped the revival in Panama.

Ever Increasing Needs

When Brother DeVries was led of God to enter South America, he found the

same needs there. He continued to specialize in taking care of smaller projects. Tracts and Gospels for Peru, Chile, and Argentina. More bicycles and P.A. systems were obtained by his efforts. He visited Uruguay and Brazil where he helped to provide a large tent to evangelize new areas. He passed through several Caribbean islands again and gave help everywhere by taking care of needs on the field.

The Orient Calls

Soon he learned that the missionaries in the Orient needed equipment for well-trained national workers. Bicycles and other things were supplied in Hawaii, the Philippines, and Hong Kong. Tape recorders, P.A. systems, and motorcycles, as well as bicycles, were purchased for the revival in Formosa and Japan. Altogether, this one man Faith Missionary Service, with the help of his wife, has raised close to \$30,000 for missionary equipment.

Some Discoveries

Among the many articles that can be useful to national workers, he has discovered that there are two that help to produce better results than most others. Give a national worker a bicycle that costs about \$60 on the average, and a P.A. system that can now be purchased for \$80 in the States, and costs about \$100 delivered on the mission field. A native worker equipped with these can get around to the towns and villages and gather multitudes everywhere to preach the gospel in a shorter time and with less effort than ever before.

Portable P. A. System

The 7½ pound, battery operated, transistor public address system, is one of the most wonderful and useful articles

that we have seen in a long time. Anyone can easily address one thousand or more persons in the open air. On a bicycle or automobile, you can travel along the highways and by-ways and call the people to a meeting. It is operated by very small batteries that are obtainable everywhere. It is definitely one of the most useful articles in the equipment of any missionary or national worker. Brother DeVries feels he could distribute 1,000 of these in the fields that he has already visited.

Africa Calls

A few months ago our brother felt a real call to visit the African fields. God opened the way and provided the means once again in Ghana, Nigeria, South Africa, and Kenya. He was able to supply the funds for P.A. systems, bicycles, and even for a building. He distributed tracts with the aid of the portable loudspeaker. The hunger for the printed word among the African people is insatiable. He found them most impatient everywhere to get a hold of anything that is printed.

A Great Need

Evangelist DeVries assures us that hundreds of bicycles and P.A. systems are desperately needed right now to take care of many appeals that come to him. Our Brother is cooperating with us for **WINNING THE NATIONS CRUSADE** and we invite our readers to sponsor these projects and designate their gifts of \$60 for a bicycle or \$100 for a P.A. system. Mail your contribution to **WINNING THE NATIONS CRUSADE**, Box 8615, Dallas 16, Texas.

A Deliverance Ministry

Evangelist DeVries is not only a traveler who attempts to take care of the material needs for missions, but he has

of weeks we have witnessed the crowds gather, we have seen mighty miracles, some even of a creative nature. We have seen hundreds respond to altar calls. And we have had many enlist in the WINNING THE NATIONS CRUSADE, and thus became a partner in the army of the Lord which must reach the nations for Christ in our generation.

W. V. Grant

No man has been a greater blessing to THE VOICE OF HEALING, than the well-known evangelist, W. V. Grant, also a writer and a man beloved of many. Yet, when we first heard of him, we had no idea of the scope his ministry was to have, nor of his future association with THE VOICE OF HEALING.

During one of our early meetings at Life Tabernacle, in Shreveport, this young man was pastor in Southern Louisiana. Brother Grant in his life story tells in his unique style how he came to attend the meeting:

"One day I heard that several of my members and some neighbors were going to Shreveport, Louisiana, to a 'healer.' I will admit that something within me rebelled against the thought. One of them gave me a magazine called, THE VOICE OF HEALING which was published in Shreveport. As I read this magazine I saw no one claimed to be a 'HEALER.' I changed my mind and told them I believed I would go along with them. I felt impressed of the Lord to carry others who needed healing.

"There I saw Brother and Sister Gordon Lindsay, Brother Hall, and a girl's trio for my first time. I was amazed as I saw the results that took place in that 'healing campaign.' It seemed like Bible Days were here again. The only fault I could find was they were doing many times as much as I was. Then when I saw the group of people who responded to the altar-call my heart cried out, 'That is just what the world needs today!' People were there from far and near. I stepped to the phone and told my wife I would not be home as early as I had planned. I stayed longer and closely observed everything that happened, and realized that it was what my heart had always cried out for.

"I returned home happy because my members received marvelous healings. It would have been easy for me to have gotten up and preached against 'healers' the next Sunday morning. I am so glad I went to Shreveport instead and found it to be just what I had been trying to do, but on a much larger scale. It is better to get a hundred souls saved than one.

"From that day the desire to stay there and toil for weeks to get two or three saved left me. I decided that I would stay in my room and pray two hours each morning and two hours each afternoon."

From that time on Evangelist W. V. Grant began to experience a very fruitful

ministry. Also during those days God showed him about his coming association with THE VOICE OF HEALING. He says, "One night the Lord gave me a vision about my future association with THE VOICE OF HEALING, even giving me their new address which they now have. Nobody knew about it then as far as I know."

Shortly after this Brother Grant launched out in great tent meetings in which as many as a thousand received the Baptism of the Holy Ghost during a single campaign. Various gifts of the Spirit were manifest in great power. And thousands were saved.

One development quite unforeseen at the time was the writing ministry of our Brother Grant. His books have since gone out by the tens of thousands all over the world and have played an important part in teaching people concerning the Scriptural use of these gifts in this present great restoration revival. No Full Gospel writer so far as we know has published as many titles as he.

Had Brother Grant's strength held up, his meetings would no doubt have grown in size comparable to that of any minister living. However, the long hours he ministered night after night and month after month, at length made it necessary for him to somewhat curtail his public ministry.

At that time he moved to Dallas and became director of our printing and publications. Since then he has written scores of books as well as publishing and printing multiplied thousands of copies of faith books. Our printing department has become a center in America for the publication of faith literature—a very important phase of our WINNING THE NATIONS CRUSADE.

Beside carrying on this great work, Brother Grant still continues brief campaigns of a few days in various cities. Because of the great anointing on his ministry, sometimes more is accomplished during a weekend than in many lengthy revivals.

Gayle Jackson

There are many other effective evangelists whom God raised up that we might mention at this time. During the summer of 1950, we heard of some great revivals occurring in Alabama and Mississippi, that were conducted by an evangelist by the name of Gayle Jackson. We decided that we would investigate. Reports indicated that not only were thousands being saved but many hundreds were receiving the Baptism of the Holy Ghost. A trip to Elba, Alabama, showed us that the reports had not been exaggerated. God was in the midst. That night we were there well over 500 candidates presented themselves to receive the Holy Ghost. There was no way to get an accurate count, but reports of the pastors themselves indicated that the vast proportion of those people that night received.

Brother Jackson's great contribution to the revival was the emphasis that he put

upon receiving the Holy Ghost instantly. Just as people had supposed that it took a long time to get healed, so they had been taught that long periods of tarrying were usually needed to receive the Holy Ghost. The laying on of hands to receive the Baptism was hardly considered as a proper method, notwithstanding that the Scriptures strongly support this method. Consequently, people believed that unless they tarried for many days they were not apt to be filled. The report that large numbers of people were receiving instantly through the laying on of hands for a time stirred considerable opposition. But because the results were so great, and the method so obviously Scriptural, the opposition to a great extent died down.

Evangelist Jackson's ministry in New Orleans made history. There were in that Catholic city during two great campaigns literally thousands upon thousands saved and healed.

During Brother Jackson's last campaign in New Orleans, it was our privilege to be with him one night. News of the great healing revivals had reached the editorial offices of some of the large national magazines. That night LOOK magazine had sent photographers and representatives to the meeting to get a report. They stood with us a few minutes outside the tent asking questions about the healings. At that moment a young man came up that had until the year before been a total deaf mute. He had received healing in Brother Jackson's first campaign and during the year which had followed he had learned to talk quite intelligibly. The mother was there to confirm the miracle. The photographers were quite impressed not only with that remarkable evidence of healing but with many other miracles that took place during the evening. A month or two later a very favorable report appeared in LOOK magazine.

David Nunn

During the year 1952, the VOICE OF HEALING offices were moved to Dallas. In some respects Dallas is one of the Pentecostal centers of the world. Though we could be mistaken, there are probably more Full Gospel churches in this city than in any other city in the world (unless it is Los Angeles, California). Consequently, there is a good opportunity to secure Full Gospel workers for our office—one important reason for our change. A number of the nation's outstanding evangelists now hail from this city. Among those who might be mentioned who have worked with our group for a number of years is David Nunn. Although saved while comparatively young, he strayed away from the Lord and in the course of time became a confirmed alcoholic. Narrowly escaping death during the war he came back to the Lord and was delivered from the bondage of drink.

first. Unless you deliver your neighbors, they will so bind you that you will drop your head to keep from speaking to them. Unless you pastors deliver your congregations, they will put you into such bondage that you'll be afraid to preach the truth. Unless America delivers the heathen around the world, they will bring us into bondage with their A-bombs and weapons of warfare. This is the Day of Deliverance. The tent was turned into a great altar, as nearly everyone knelt to pray for a time of heart searching.

On Saturday the Deliverance School of 300 was in full swing. It was refreshing to see with what eagerness and hunger every bit of truth was quickly "eaten up" by people from all walks of life.

Richard Vinyard

Richard Vinyard, with a consuming passion for the people of Finland, to whom he was to fly in less than a week's time for nation-wide deliverance campaigns, preached on Saturday night from (Zechariah 4:6), "Not by might, nor by power, but by my spirit, saith the Lord of hosts." Revival comes not because we want it, nor because we need it, but because we get in tune with God. We have church picnics, Sunday School picnics, father and son banquets, mother and daughter banquets, young people's picnics, and banquets, missionary dinners, and about all the church thinks of today is eating. I wish the church would junk its social program and go to fasting and prayer. Too many are trying to sneak in under the bars. It's time we began paying the price. Before you can get the results in the flesh (your healing), you've got to get it in the spiritual. Again the Word penetrated as people made themselves ready to receive from God.

Morris Cerullo

Morris Cerullo, believed to be the outstanding Jewish evangelist of our day, spoke on Sunday afternoon on, "It's Time for the Mass Miracle," taking for his scripture setting, (Luke 15:11-31.) Some believe Christ was, and He shall be, but they don't believe He is. Let me declare unto you Christ was not nor shall be, but He is! You've been set free by the stripes of Jesus, the prison doors are open, you can get up and be free anytime. The father said, "All that I have is thine" (Verse 31.) It's all yours. The whole thing belongs to you. Many responded for salvation, after which Brother Cerullo prayed for the sick. A number of instantaneous miracles took place, but the one that electrified the audience the most was when a woman who had a short leg lengthened two inches, began running up and down the aisles, giving praise to God!

Walter Kronberg

On Monday afternoon, Walter Kronberg held his audience spell-bound under the hot tent, as he preached from Mark 13:34. "He gave authority unto his servants." He told of an experience in his early pastoral ministry. On entering his church one night he found an insane farmer sitting up in the pulpit. He tried to cast the devil out of him, but the devil told him in an audible voice that he did not have the power. People were frozen in their seats for fear, but later at an opportune moment he fled the building. Failing to cast the devil out, Brother Kronberg returned home and shut himself up in his room alone with God. On the third day, God spoke to him and said, "You do have power. You do have dominion." That night he went back to the church and the insane man was there again. He commanded the devil to come out. Instantly the man was delivered and today he is on the deacon board and is the treasurer of that church.

William Branham

On Monday night, William Branham, a man sent from God, preached to a full tent, taking as his text, Revelation 3:20, "Behold I stand at the door and knock." Many of those who heard Brother Branham speak for the next five nights felt he preached his masterpiece on this night. A little girl was found crying after King George V had passed by. Her teacher asked, "Didn't you wave your flag?" "Yes." "Didn't you shout 'Hail to the king'?" "Yes." "Didn't you see the king?" "Yes." "Then why are you crying?" "I'm so small, the king didn't see me." But you don't have to be in Who's Who to be seen of the King. The King of Glory stands at your door knocking. People, when they invite Christ in, let Him into the first door, but their hearts are full of secret little doors.

Brother Branham Ministering to the Sick

On Tuesday night, many extra chairs were rented, but still it was impossible to seat everyone. Several hundred stood around the sides of the tent as Brother Branham spoke. Morris Cerullo gave the altar call and Richard Vinyard prayed for the sick. Never had we seen so many instant miracles take place in Brother Vinyard's meetings. The people were carried away by the high tide of the service, especially when they saw and heard a woman stone blind, receive her sight, and say over the microphone to her daughter standing beside her, "You look so different. You look so much older." "I am older, Mother. You've been blind for ten years!" Some shouted, some wept as they heard her speak.

Harry Hampel

Harry Hampel, the converted Catholic whose books, "My Deliverance from the Heresies of Rome" and "How to Win Catholics to Christ" are having a world-wide sale, spoke with real dynamic on, "Fear and Its Relationship to Divine Healing," Mark 4:35-41. Fear has been traced by eminent physicians to be the cause of much sickness, and one leading doctor went so far as to say that 8 out of every 10 people who go to an operating table, do so because of fear. According to your fears, so be it unto you. A middle-aged lady was dying of cancer. Her husband said that all her life she had feared she would die of cancer, and she was now so low, he could hardly move her. Brother Hampel prayed for her and she was healed. But her relatives had already come from far and near for her funeral and they didn't want to have to make the trip twice, so they insisted she be examined. She was, and found to be absolutely healed! Praise God! Fear shall not have dominion over you.

Arthur Locke

Arthur Locke spoke next. This oil man, who became an alcoholic and dope fiend, arrested 200 times in Houston, never fails to thrill an audience when he tells of Christ, the Mighty One. Locke says that for him it was not Alcoholic Anonymous, but Christ The Deliverer!

On Thursday morning, about 300 from the Deliverance School were taken through the Voice of Healing offices and Printing Plant on a tour. Many expressed surprise at the size of the buildings and of the great work being carried on around the world through these offices.

Harry DeVries

Friday morning, Harry DeVries, who had just returned from Africa in time for the Convention, spoke from Hab. 2:2, "Write the vision, and make it plain upon the tables, that he may run that readeth it." God said, "Occupy till I come," not until you get tired. Sometimes we think when we get tired, we've done enough. Not so. It's "Till I Come!"

Brother DeVries said that in all Nigeria, you can't rent or buy a P.A. system, but by means of a 7½ pound portable P.A. system, he was able to speak to thousands. There are 120 gold mines in a radius of 80 miles in Nigeria. These miners live in camps of from 4,000 to 8,000. They can only work for from one year to 18 months, then they must go home and rest and repair their lungs. They are open to the gospel. When Nicholas Bhengu, the great African deliverance evangelist, saw the little

RESTORATION REVIVAL (Continued from Page 17)

Soon he received a call to preach, but saw that preaching without the signs following, brought meager results. This led to days of prayer and fasting and finally the anointing of God came. Before long this young man's ministry began attracting attention. Soon he was ministering to thousands and God has made him one of the nation's most effective evangelists.

Alton Hayes

In 1953, the Lord led us to minister with Alton Hayes for a season. In a short time our meetings were regularly reaching proportions of a thousand or more per night. Brother Hayes' ministry really had its greatest development after he had suffered a tragic head-on collision while riding in an automobile. For days he hovered between life and death. No hope that he would recover was given. Other members of the family had participated in this terrible accident. However, God performed a miracle and the whole family was healed including Alton. From the time of his healing this young man began to have a unique ministry, which included an unusual manifestation of the ministry of discernment.

And so God raised up evangelist after evangelist in the ministry of deliverance, and the fame thereof this miraculous ministry spread not only over America, but throughout the world.

YOUR FAITH IS POWER (Continued from Page 5)

want me to pray for you?" "Oh no," she replied. "But Brother Cerullo, I must speak to you, I must speak to you." I looked into her face and her face betrayed the problem of her soul. She cried, "Brother Cerullo, I am a very sick woman. I believe in the Bible, the Word of God. I have been a Christian for many years. For some time now I have been seeking God for healing. I went to so-and-so's meeting one thousand miles away, and didn't get healed. I've been prayed for by three of the leading evangelists of the nation. My pastor has prayed for me, the deacons have prayed for me, and oh, Brother Cerullo, I still am no better." I knew her problem well, she was one of thousands who struggle, hoping against hope.

Oh, groping heart, struggle no more. "It is finished," Jesus did all the struggling on the Cross! I said to the woman, "Do you want me to pray for you?" "No, Brother Cerullo," she replied. "I am not sure that I want you to pray for me. I need you to help me. I'm desperate. Since I have been prayed for by so many people and I have not been healed, I have come to the conclusion that it is not the will of God for me to be healed, but that it is the will of God for me to be sick. This is a trial of my faith." As I started to turn away from her she cried

out, "Where are you going?" I said, "Sister dear, there is nothing that I can do for you! As long as you believe it is God's will for you to be sick there is nothing that I can do for you." But she said, "I am not sure that is what I believe."

Now her conflict began to unfold like so many others. Not really knowing, not really believing anything definite or positive but just groping. I said, "Well, I must be honest with you." "Oh," she replied, "I want you to do that." "When was the last time you were to the doctor's office?" (Let me say right here I do not believe in quack faith healers . . . we who really know God's power are thankful for all the advances of medical science, and for the good the doctors have done. However, great faith recognizes that the power over sickness, disease, and infirmity lies not in a surgeon's knife or a doctor's case or in the hands of any mortal man but in the power of Almighty God!) "Oh, the doctor's office," she replied, "I was there Tuesday." "And the time before that?" "The Tuesday before that I was at the doctor's office." "And the time before that?" "The Tuesday before that I was at the doctor's office."

"And the time before that?" "The Tuesday before that I was at the doctor's office." I sounded like a broken record. I asked, "Do you go every other Tuesday?" "Well, I've been so sick Brother Cerullo that for the past six months I have been going every other Tuesday."

Now I know this may sound a little harsh, but I looked at the woman and said, "Sister, you are one of the biggest hypocrites I have seen in a long time." Well, talk about explosions, it sounded like one right there. "I'm not a hypocrite," she said. "I attend church and do this and the other thing—" I said, "Sister, you asked me to be honest." "But why a hypocrite, Brother Cerullo?" "All right let me tell you, here you stand and tell me it is not the will of God for you to be well after prayer from the leading evangelists, your pastor, your deacons. You have come to the conclusion that it is not the will of God for you to be well, but it is God's will for you to be sick. If it is the will of the Lord for you to be sick, and after prayer you feel this is so, what in the world are you doing at the doctor's office, trying to get rid of the will of God."

rious countries, yet here is one great hindrance that hampers their ministry in reaching these people—lack of transportation and means of preaching effectively to large gatherings of people. Obviously we cannot supply automobiles and sound systems to thousands of natives. However, there is a simple solution—the bicycle, and the portable P. A. system, which has just been perfected. No gasoline is needed for the former, neither is a power line needed for the portable P.A. The latter runs for 100 hours of constant use on a few dry cell batteries and will reach an audience of several thousand! The cost of a portable P.A. is remarkably low! Brother DeVries is now busy raising funds for this equipment which will be channeled through the Winning the Nations Crusade. Another important work for which to pray and give.

GOD SPEAKS TO HIS PEOPLE OF REVIVAL COMING

On the front cover of this issue is a photograph of several of the brethren who were visiting in Brother Lindsay's office. Among them is Brother Cerullo and Brother Branham. Brother Branham mentioned that God showed him that his most powerful ministry lay just ahead. And that he was going to spend his time waiting on God during the next few months. Brother Cerullo also told how God has spoken to him last October of the great mass revival in which he would have a special ministry. There is no doubt that a great visitation is coming upon the world—the last great revival, the restoration revival, spoken of in Joel 2. We must be ready for it!

THE LITERATURE PROGRAM—R. L. DAVIS

At the Dallas Convention a new and larger tent was secured for our World-Wide Revivals campaigns which is well over 200 feet long. The other tent which is somewhat smaller but still a large tent, will be used by R. L. Davis who has been associated as director of our World-Wide Revivals.

THE VOICE OF HEALING, BOX 8658, DALLAS 16, TEXAS

HEAR YE HIM

(Continued from Page 8)

lished." When God is about to do something, He always brings His witnesses. These three men were called to witness this event—to witness Jesus revealing His glory on earth. There were three witnesses from Heaven: Jesus, Moses and Elijah. There were three witnesses from earth: Peter, James and John.

Now that a great supernatural event was taking place, Peter like the rest of us, got all excited. He said, "Lord, let us make here three tabernacles. We will make one for all those who believe in the Law, who were under Moses, and we shall build one for Elijah, the prophet of judgment. And the greatest one will be for thee, my Lord." Oh, it looked good to Peter—but isn't that man's thinking? As Peter's words fell from his lips a voice out of the cloud spoke and said, "This is my beloved son, hear ye him." Oh, I am glad this voice spoke just then. My friends, how could you keep the Law? No man is justified by the Law, no flesh can be saved by the Law. The Law has no salvation, it has no power.

How could Peter do such a thing? Build a denomination and call it the law, for law worshippers. And he also wanted to build a tabernacle for Elijah, who represented the justice of God. Oh, we do not want justice! We want mercy not justice! Elijah was the stern prophet of God's justice. God gave him a commission to pronounce judgment. He called fire down out of heaven, he forbade rain and there was no rain. God knew we couldn't stand His justice—we need mercy. O thank God for the Voice that spoke and said, "Hear ye Him, hear My Son."

What Moses could not do, what Elijah could not do, Jesus could. God wanted to bless His children. He couldn't do it under the law, neither could He do it under judgment. But He came and through the love of His Son Jesus Christ, He did all things for our sakes. So it is no longer law, it is no longer justice—it is Christ.

Today we hear everything but Him. We listen to our church and organizations. But hear Him! He is the great King! He is the great Physician. Hear Him! If you have a cancer and are going to die, look to Him and hear Him. "I am the Lord who healeth all thy diseases." When you sin and transgress against the Law, can't you hear Him plead? He took all our sins away. When Law and Justice fail, hear Him!

The Transfiguration speaks of Christ and His suffering on the cross, of the One who suffered for His people. But it also speaks of His resurrection, it speaks of His coming glory. And that hour is about at hand.

Friends, God is about to do something. I have noticed that when God is about to do something, people feel it. I remember over in Finland I had been up on a mountain, and as I started down with about 30 other missionaries I said, "I feel strange—something is about to hap-

pen." And they said to me, "What could it be, Brother Branham?" and I said, "I don't know, but it seems that the presence of His Holy Being is very near." Our party made its way down the mountain, and the nearer we got to the bottom of the mountain the more conscious I became of that peculiar feeling. Soon we came upon a large crowd that had gathered to one side of the highway. We stopped and made inquiry—an accident had just occurred, and a little boy was lying there dead. We were told that two little boys had been hit by a car—the other little boy who was nearly dead was being rushed to the hospital.

I started walking away from the scene and I felt so strange—it seemed that I'd seen the face of the dead boy somewhere before—then something happened. I turned to look at him again, and I knew then that he was the boy I'd seen in a vision two years before. Now God always keeps His Word, and surely before these people I could speak "Thus saith the Lord." I put my hand over the boy's little broken body. His heart was stopped, and it had been for several minutes. Blood had dried on his face and little body. Within minutes life returned to his body and he was on his feet running about. What was it? It was the presence of God that I'd sensed up on the mountain, making me to know something was about to happen. And it happened! Amen.

In this day in which we are living the true believer can say in his heart that truly something is about to happen! We know it. I believe it is the calling out of the church of the living God to separate it from the unbelievers. God is calling us out with His great hand of mercy, but He will speak to the unbelievers with a great hand of judgment. I say to you within the sound of my voice that the innocent shall not suffer with the guilty. Something is about to happen, friends!

I never will forget when I started out years ago, a voice spoke to me and I heard Him. I will not start another denomination or organization—I will serve Him and Him only. Your labels that you tack on yourselves mean nothing—God wants a man from his heart to live for Him. Let your Lord keep you. He will.

I've never forgotten the time a man said to me, "Well, Brother Branham, when you lost your wife and baby did you still keep your religion?" I said to him, "No, it kept me." He turned to me again and said, "Your dad is gone, your wife is gone, your brother is gone, and your baby. What is your opinion of Him now?" I said, "He is more than life to me, I love Him with all that is within me."

The Transfiguration also spoke of suffering. Christ suffered, and if God's people suffer with Him, they shall reign with Him. My darkest hour, true, was when I stood by my dying baby, Sharon Rose. I had been a minister about six years. I reached over the crib and said, "Sharon, Daddy is here. Do you know me?" In

her suffering, her eyes had crossed. I felt my heart grip. I dropped to my knees calling on God, I said, "Heavenly Father, what have I done to deserve this? Will you spare my baby? God, if I have wronged anyone I will right it if it takes my life. Let my baby live." And I thought of my wife in the morgue—the night before she had died. As I prayed it seemed like a veil descended and cut off my view from God altogether. I knew now she was gone, God was going to take her. At that instant Satan came to me and said, "Will you serve Him now, after this? Your loved ones all taken from you—and now will you serve Him? You are a minister and He does this to you after all your faithfulness." And my friend, let me tell you tonight, that was the cruellest temptation I had ever had. But oh, every son that cometh to God must be tried and chastened, and soon I was alone—all alone. I turned to my dead girl, I laid my hand on her head and said, "Sharon, some day I will come to you," and I raised my head and said to God, "If you slay me I will love you dear Lord, and I will trust you. I love you, Lord." Then I felt His peace calling to my heart and I sank to the floor and wept in His presence.

Oh brother, genuine love can take its stand in the face of death every time, and say, "I am the resurrection, and the life." Nothing can surpass the love of God. Oh, hear ye Him. He knows how to fill you with His love. I would have been gone a long time ago, but oh, His love, how can I forsake it, how can I forsake His love? And His people, how could I forsake them? Oh Lord, help me to always hear You. And my friends here tonight, let me leave these words with you—HEAR YE HIM. . .

CULPEPPER REPORT

(Continued from Page 13)

wish to give a hearty thank you to the friends in the U.S.A. and Winning the Nations Crusade who made it possible for Brother Culpepper and his team to come to Germany. The singing of Brother Nick Gruick and the anointed ministry of Brother David Walker were a great contribution to the campaign.

One woman who had a blind eye for more than 24 years received sight instantly. A deaf man could hear Brother Culpepper speak in a normal voice all across the large auditorium after prayer. The audience was thrilled as a lame man left his crutches and walked up and down the aisles praising God. The Lord worked with them and confirmed His word through signs and wonders. Many miracles of healing did the Lord grant to the dear people here through the ministry of Brother Culpepper and his team. Forty percent of those attending the meeting came from the Communist zone of Germany through the Iron Curtain to see God manifest His mighty power. I have been here in Berlin since 1952, within a few hundred yards of the Iron Curtain and I wish to express my personal gratitude to the Winning the Nations

Crusade for their part in spreading world-wide revival.

Many friends of Brother Culpepper and his team herein Berlin along with myself wish to ask our Christian friends in America to please pray that it will be possible for Brother Culpepper to come back real soon for another campaign.

Pentecostal Assemblies of Canada

Nearly 500 delegates to the Twenty-first Biennial Conference of the Pentecostal Assemblies of Canada, held in Vancouver, B. C., during May, re-elected W. E. McAlister as General Superintendent, C. M. Wartman as General Secretary-Treasurer, and G. R. Upton as Missions Secretary. A new post of National Secretary of Bible Colleges and Home Missionary Work was created by the Conference. Tom Johnston, President of British Columbia Bible Institute was named to this office. The Pentecostal Assemblies of Canada are to be hosts to the World Conference of Pentecostal Churches in Toronto, Ontario, September 14-21, 1958.

Evangelist Harold Hermann in Indonesia

After conducting very successful campaigns in the Philippines, Formosa, Japan, Korea, and other Far Eastern countries, Harold Hermann now plans to spend three months in Indonesia beginning his meetings on the 15th of June. Indonesia is one of the most responsive countries in the world to the Pentecostal testimony. There probably are more Spirit-filled people in Indonesia than in any other single country outside the United States. Special prayer is requested for Brother Hermann and Brother Harold Carlblom, who will travel with him and act as interpreter.

a proven deliverance ministry. God has used him in marvelous ways in the many mission fields that he has visited. He has preached to large crowds everywhere. In Africa a leper was listening to his message when he decided to pray for the sick multitude all at the same time. The leper prayed fervently. Then when Brother DeVries invited those who were instantly healed to come and testify, this poor man came forward, leaping for joy because his stiff limbs were loosened and he waved his arms to show he was completely delivered. Many others in this meeting testified to a healing touch from God and there was a real shout in the camp. We suggest that youth societies,
