## CHAIRMAN GIVES GLOWING REPORT OF THE ELEVEN-DAY MEETING IN MOLINE

by George W. Clark

Not one of the ten cooperating churches will ever be the same after the tremendous experience of the World Wide Revival Campaign that swept the Quint-City area.

For ten glorious days these cities rocked under the im-

pact of the powerful preaching of Evangelist Morris Cerullo, Rev. Gordon Lindsay and Rev. Ralph Bender.

The crowds became so great that all newspaper articles and publicity had to be stopped after the first three days. Sven Bjork, the Swedish singer, ministered in song every night under a sweet anointing of the Spirit which greatly blessed all.

I have been in many of the great healing meetings of yesteryear and today, but I have never seen anything that rivaled these great meetings.

Under the ministry of Evangelist Morris Cerullo, we saw hundreds slain by the power of God. Hundreds answered the altar calls for salvation and scores received the Baptism of the Holy Spirit. Blind eyes were opened, deaf ears unstopped, short limbs grew before the eyes of the people, hernias closed and were healed and all manner of sickness was healed by the power of God.

The one thing that stands out above all was the miracle of the finances. By the first Sunday we were assured of the budget that was so little for a meeting of this gigantic proportion, and no prolonged appeal for money was made in the service but just a regular offering was taken. Brother Morris Cerullo stands out in our minds as God's Man of the Hour.

## TESTIMONIES OF MIRACLES IN WORLD-WIDE REVIVALS

### Deaf Ear Opened

I am writing you in regard to the meeting that was held in Calvary Temple, March 20, 1958. As you were praying for the sick I was in line with my friend waiting to be prayed for. I had an awful pain in my

left ear until I could not stand the pain for three days and nights. I have also been deaf in my left ear for the past six years. I was healed instantly and heard out of my ears for the first time in six years.

# "JESHUA-HAMASHIAH" The Philosopher? or Mashiah? by Morris Cerullo

## INTRODUCTION

THE English version of the Old Testament was translated directly from the original Hebrew in which it was written. Later Greek became the cultural language of the Jews. And important translation of the Hebrew Old Testament was made into the Greek language. This was called the Septuagint, because the translation was made by seventy scholarly Hebrews. This Greek translation or version of the Old Testament was widely used by the Jews at the time the New Testament was written.

The Greek word for Messiah or Mashiah (anointed) is *Christos*, and is translated Christ. The Greek for Jehoshua or Jeshua is *Iesous*, and is translated Jesus, which means "Jehovah saves." Hence the Hebrew name for Jesus Christ is really *Jeshua-Hamashiah*. This leads us to the name of this message, *Jeshua-Hamashiah*, Jesus Christ the philosopher? or the Mashiah, the anointed one, the hope of Israel.

Let us consider intelligently, Old Testament prophecies of the Messiah, and in consideration of these passages if Christ (who two thousand years ago laid claim to being the Messiah, the promised one of Israel) came as prophesied, lived and died as prophesied, we must then accept in our minds and hearts, the true facts of His being the true Messiah.

**1. MESSIAH LIKE ALL PEOPLE WAS TO BE THE SEED OF A WOMAN.**

Note: Contrary to popular belief, and longing of the depressed Jews of Bible days, who yearned for freedom and a mighty deliverer, this Messiah was not to drop out of heaven as a general, but was to come from the bruised seed of a woman. This is a hard fact to accept; however, if we believe the Old Testament writings, we must clear this thought uppermost, for this lays the foundation for future prophecies.

OLD TESTAMENT PROPHECY. Genesis 3:15. "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel."

NEW TESTAMENT FULFILLMENT. Gal. 4:4. "But when the fullness of the time was come, God sent forth his Son, made of a woman, made under the law."

**2. HE WAS THE PROMISED SEED OF ABRAHAM, ISAAC, AND JACOB.**

OLD TESTAMENT PROPHECY. Gen. 18:18. "Seeing that Abraham shall surely beget a great and mighty nation and all the nations of the earth shall be blessed in him?"

Gen. 17:19. "And God said, Sarah thy wife shall bear thee a son indeed; and thou shalt call his name Isaac: and I will establish my covenant with him for an everlasting covenant, and with his seed after him."

Num. 24:17. "I shall see him, but not now; I shall behold him, but not nigh: there shall come a star out of Jacob, and a Sceptre shall rise out of Israel. . ."

NEW TESTAMENT FULFILLMENT. Acts 3:25. "Ye are the children of the prophets, and of the covenant which God made with our fathers, saying unto Abraham, And in thy seed shall all the kindreds of the earth be blessed."

Matt. 1:2. "Abraham begat Isaac; and Isaac begat Jacob; and Jacob begat Judas and his brethren. . ."

Luke 3:34. "Which was the son of Jacob, which was the son of Isaac, which was the son of Abraham, which was the son of Thara, which was the son of Nachor. . ."

# ISRAEL'S 10th ANNIVERSARY

by Lester Sumrall

**T**HE REPUBLIC of Israel is now celebrating its 10th anniversary. This miracle nation has experienced ten of the most ominous years of tragic, yet victorious history.

The new nation of Israel was born May 14, 1948, amid a holocaust of blood, sweat and tears; blood of its bravest young men flowing for freedom; sweat of demanding toil and exacting privation; tears of the persecuted pilgrims returning home after centuries of ghettos, pogroms, banishments and decimations. Without contradiction, it's the most amazing story in human annals.

## ANNIVERSARY IN ISRAEL

Each year since the formation of the state, the people of Israel rejoice for one more year of survival. At this anniversary time, they rejoice because of a "controlled" peace. Her Arab neighbors are so busy quarrelling with themselves it has given her time for relaxation. This year one of her chief joys is that her population has reached two million! She also rejoices in that thousands of the Diaspora are making pilgrimage to Israel. Most of them for the first time.

## JERUSALEM, THE CENTER OF FESTIVE ACTIVITIES

Each year, the anniversary activities are centered in a different city of Israel. Last year the city of Tel Aviv was chosen to be the center of the anniversary programs. This year the honors are bestowed upon Jerusalem, the capital city and the Biblical city of the great King.

## A CITY TRANSFORMED

This is my fifth visit to Jerusalem since 1950. It has only been a year since our family lived here. We are simply amazed to see the transformation that has taken place in one year. More than ever the capital city of Israel can be called "the new Jerusalem."

As we approached Jerusalem by car, we saw that the highway leading into the city had been considerably widened and lined with full-grown transplanted olive trees! Great welcome signs had been erected featuring the twelve tribes of Israel and modern emblems of Israel. On the main streets of the city new fluorescent lighting had been installed giving a new brilliance to the streets at night. The government buildings, usually very difficult to identify or locate, are flag bedecked and flood-lighted. Entirely new buildings have been erected and badly bombed buildings have been repaired and occupied. A new spirit is in Jerusalem and the rest of the country. The Sinai war is mostly forgotten, business is booming, thousands of tourists are filling the hotels—Jerusalem is witnessing the greatest prosperity in two thousand years!

## SHELL OIL COMPANY LEAVES ISRAEL

One of the struggles of the new state has been keeping foreign business in Israel. Many companies have been obliged to leave Israel because of Arab political pressure. These companies, mostly of British and American origin, are given a choice by the Arabs of either leaving the entire group of Arab countries or leaving Israel. Of course, Israel being the smaller market, they leave Israel. No oil company that has investments in Arabian oil can drill in Israel. For that reason, the large oil corporations are not working here. Under pressure the Shell Oil Company has just sold all of its filling stations in Israel. They were purchased by Mr. Isaac Wolfson, an English Jew and renamed Paaz "gold", Oil and Trading. Another example of this boycott is that no airline which comes to Israel can continue on to any of the Arab countries. Israel is an island in an Arab sea with a lot of ill wind blowing.

The New "Solomon's Temple" in Israel—the seat of the Chief Rabbinate of Israel. Inset: Israel's New Postage Stamp. For significance see text.

## ISRAEL'S NEW POSTAGE STAMP

Almost every phase of Israel's life is a reflection of its ancient history. This certainly can be seen in the publishing of its stamps. Commemorating her tenth anniversary, the government issued a new stamp. This stamp bears a spiritual significance. In the center it has the national emblem that Israel has chosen—the Biblical golden lampstand with its seven lamps. In ancient times, these lights in the tabernacle and later in the temple never go out. Above the candlestick is a branch of an olive tree in full bloom. There are ten leaves on this branch representing the ten years of Israel's independence. In Romans, Chapter eleven, verse seventeen, the apostle Paul said that the natural olive branch was broken off because of unbelief and that the wild olive branch, or Gentiles, were grafted into eternal life. Verse 23, says that if the Jews abide not yet in unbelief that God will graft them in again. Could it be that Israel is becoming conscious of her spiritual rebirth and will soon be divinely grafted back to the spiritual inheritance promised to her through Abraham? Romans eleven, twenty-five warns the Gentile nations that Israel's blindness to her spiritual possessions will only be until the fullness of the Gentiles. To many world observers the fullness of the times of the Gentiles can

(Continued on Page 17)

(The falling away of the Jews from covenant promise and their restoration to divine blessing is one of the cardinal truths of New Testament teaching. For centuries the Church has looked for signs of a move among the Jewish people—signs that the scales that have long blinded them would fall from their eyes, and that they should recognize and accept their Messiah, the Lord Jesus Christ. With that event it has also been anticipated that the restored Jew, filled with joy and enthusiasm in his new-found Messiah, should lend a dynamic new force to world evangelism. We are convinced that this long-looked-for development is now at hand. The conversion and call to the ministry of Morris Cerullo, while a young Jewish lad is a stirring chapter in present day evangelism. We believe his ministry presages new and startling events involving the people of the nation, Israel. The story of his conversion and God's subsequent dealing with him is a thrilling one, and should be of vital interest to Israel which we believe is on the eve of a great national awakening.)

## From Jewish Orphanage to the Christian Pulpit

**W**HILE yet a small lad, Morris Cerullo, his brother and sisters experienced one of the saddest events that ever falls the lot of any child—the loss of a mother. The death of the one that was nearest to them seemed to bring the end to everything. To make matters worse the father was a habitual drinker and had little interest in his family.

The devil, knowing God's plan for the young boy's life, soon began dealing high for his soul. Of events that took place at this time we quote the words of Brother Cerullo:

"I was too young to remember much about the first orphanage to which we were sent. But how well I remember the foster home in Teaneck, New Jersey, to which I was sent with my brothers and sisters. Here Satan's work began to harden the heart of a five-year-old boy. It may not seem possible, but he was capitalizing on my calamities. Soon I became known as a 'problem child,' and was in trouble constantly."

But the harsh discipline inflicted, instead of having a beneficial effect, only hardened the youth and brought him into a state of chronic rebellion.

At length he determined to run away. Eluding the teachers he slipped away down to the railroad tracks in his plan to escape from the school. The alarm sounded, however, and soon police were on his track. In a short time he was apprehended and brought back. A shoe was taken to him and he was given a thorough trouncing. Then he was sent to his room without supper. The punishment, however, had little effect, only making him more bitter. Silently he cursed the world and planned for revenge. It was plain to see that Satan was bidding high for his soul.

### A PLAN TO TAKE HIS OWN LIFE

Then one night while in bed and overwhelmed with a feeling of discouragement, he made a decision to take his own life. Just a boy eight years old, but ready to commit suicide! Rising from bed he walked over to a window, intending to jump out on the cement sidewalk below. But at the very instant when he was ready to leap, a strange sensation came over him. It was, as he later would recognize, the presence of God. The next moment he found himself quietly going back to his room. He did not understand what had happened then, but later he was to realize that it was God that had intervened.

### GOD SENDS A CHRISTIAN WOMAN TO THE ORPHANAGE

Even at that time God was working out future plans for the young boy. As has been often said, "God works in mysterious ways His wonders to perform." A young Christian woman, Mrs. Ethel Kerr, had felt a call to work among the Jews. Looking at a newspaper one day, she saw an ad for

employment: "Daughters of Miriam Orphanage Old People's Home: Practical Nurse wanted." After prayer the Lord assured her that this was the place He wanted her to go. Yet for several months she could not understand why God had sent her there. Then it was that her attention was providentially directed to the young lad of our story, Morris Cerullo.

She talked with the boy whenever the opportunity afforded and showed him many little kindnesses. But at first he did not respond to her at all. His heart had become bitter and he was suspicious of everybody. But she was not discouraged and continued to be friendly with the lad. When opportunity afforded she talked to him about the great heroes of faith in the Old Testament. Finally, she gave him a New Testament.

Little by little his heart had become softened. He felt an urge to read the little book that had been given to him. But he knew that if he were caught with it in his possession it would result in dire consequences. So with the aid of a little pen-flashlight, he read the book at night under the covers of his bed. Never before had he read anything so wonderful. Later she gave him a religious magazine. But alas, one day when a nurse inspected the lockers, there was the magazine! She ran with it to the superintendent. That official, after taking one look, instantly guessed who was responsible for bringing it into the orphanage. Mrs. Kerr was called to the office and immediately discharged.

### CRISIS IN THE ORPHANAGE

Morris was called also and was told that what he had been reading was trash, and that he must never read it again. He was also informed that the woman who had given it to him had been dismissed and he would never see her again. With that the young boy replied: "Sir, I don't understand what it is that I have read, all I know is that it is real, yes it is real!" And with that he broke down and cried as he had never done before.

After Mrs. Kerr's dismissal a great loneliness came over him. The trials and testings that he was experiencing were almost too great to bear. Time after time he was punished by the superintendent. Yet this was partly compensated by the fact that he had come in touch with something that he knew was real.

Then one day after he had been severely punished again, he said to the superintendent, "I have not fought back all this time, but if you lay hands on me once again I shall walk out that front door and you are not going to stop me." He started walking down the hallway with that official following him. Then he started to the street. Strange as it may seem, not a finger was raised to stop him.

# When Saints and Mountains Meet

by Sylvia F. Iverson

From the Book

Releasing the Power Within

## Helping You Find the Power

ONE'S attitude at the beginning of an undertaking is the most important factor in determining success in the project. The negative thinker is licked *before* he even starts!

Everyone admires a spirited person. Knowing the man who has "no push" gains very little.

The spirited person **WILL PERSEVERE**, and there's power in perseverance! *Where there IS a WILL, there IS a WAY!*

No doubt, as a child, the words, "I can't," were very much a part of your vocabulary. You probably answered mother's request many times with those words of defeat—"I can't!" Being the wise person mother was, she would answer back, "I can't NEVER DID ANYTHING!" Just as much as those were words of defeat to you as a child, so those SAME words defeat you today, as a Christian. And yet, what a big part they play in the Christian vocabulary today!

The *I CAN'T* attitude locks the power, the ability, and the victory, inside the Christian. The glory of the Christian is lying dormant because of those words of defeat. The **MOMENT** you say *I CAN'T* do a thing, that **VERY** moment you become defeated, because you are brought under its negative power and you become limited.

*Two little men stood looking at a hill;  
One was named Can't and one was named Will.*

*Can't said, "I never in the world can climb this hill."*

*So there he is at the bottom of it still!*

*Will said, "I'll get to the top because I will!"*

*And there he is now at the top of the hill!*

*Two little men are living by the hill;  
At the bottom is Can't, at the top is Will.*

*Selected*

Change your way of thinking! Christians have followed the "old pattern" so long, that of faithless negative thinking, which always brings a negative result.

We give you Moffat's translation of Proverbs 6:2-3, "IF you have snared YOURSELF with your OWN words, and trapped yourself by promises, then DO this, my son, **RELEASE YOURSELF**

... "Change your way of thinking and you will change your words. Change your words and you will change your actions.

As Christians we lustily sing, "Onward Christian Soldiers" while in the proper "spiritual" atmosphere in the church, but when out of the spiritual atmosphere, and we are called to face the enemy alone, and our natural senses would tell us how impossible the thing is, we forget all about the soldier part, and talk negative because it **LOOKS** negative.

We **LET** it become easy for Satan to rob us and retake the spiritual ground we gained. He tries to hinder our progress in the Lord, and then when we do progress, he would "try" to regain the ground we have won.

As the armies of two countries at war meet in battle, and one gains a certain territory of vast importance, the losing army will try to regain it again. So it is with Satan, when he loses you in ANY manner, he is there to "try" to regain that which he lost. But **WE** are the Victors **IF** we will **STAND** our ground! We are on to Satan's tricks because God's Word warns us we need not be ignorant of Satan's devices!

An important battle **MOST** Christians need to fight and win, is the battle of their own emotions. Our emotions will tell us one thing, and God's Word says another. In depending upon our **FEELINGS**, we forget our feelings, and in turn depend upon our **MOODS**! All these: emotions, feelings, moods, natural reasoning, are **ALL** contrary to God's Word.

You cannot **FEEL** and **THINK** defeat and receive **VICTORY**!

## When Saints and Mountains Meet

When two objects come together **ONE** has to give. When a child of God comes face to face with a spiritual mountain, it should be the mountain that gives, **NOT** the child of God. **HOW MANY** mountains have given way to you?

There are two attitudes one may take when he comes up against a seeming impossibility... the **NEGATIVE** or the **POSITIVE** attitude.

The negative Christian considers the size of the mountain and gives up without a struggle. But the positive Christian looks at the mountain of impossibility

AND LOOKS AT THE SIZE OF HIS GOD! He stakes his **ALL** on the words, "ALL THINGS are possible to him that believeth." Then, **NOT** disregarding the tremendous size of the mountain, **BUT IN THE FACE OF ITS GREATNESS**, he says, "I **WILL** conquer you through the power of my God!" For him the scripture is a reality and workable. "WE are more than conquerors through Him that loved us." (Romans 8:37.)

Faith with a firm grip on God, coupled with a positive stand never concerns itself with the interval between the time prayer was made, and its answer. It lives in God's **TODAY! NOW** is the day of salvation (*Deliverance*).

A mountain is a *challenge* to the positive Christian. He **KNOWS** God meant what He said, "With God **ALL** things are possible" (Matt. 19:26). And because he takes such a positive stand against that mountain, God commences to work on his behalf. The mountain is removed, because the Christian believed his God for it.

As a child I had a vivid imagination. I told one "fancied" story in such graphic detail, during my first school year, that to my childish mind it became **REAL**. As a child I could spend pleasant hours alone with my imagination. I would imagine great conquests, times the whole world was at my feet! How real it would be. Then there were times the storm of life would star me in a pathetic role. As I grew older I gave up the pastime of "dreaming." However, since discovering this wonderful **POSITIVE** walk of faith, I have found the imagination could play a very important part and become a spiritual asset to me.

The night before our son, Neil, was to leave with the armed forces for Korea, during the height of the Korean warfare, I was on my knees before God; not begging God to keep Neil home, but the one thing I desired was to make a **REAL COMMITTAL** of him to God. I did not beg, as I had already learned to take God at His Word. In previous years when wanting to make a committal of something to God I would say, "I leave it at the altar," only to worry about it later when circumstances looked negative. I did not want that kind of committal. It was to be a *perfect* committal—permanent, without any more worry, not even a moment of anxiety. I struggled for a while with my own unbelief. There was no use in my asking God until I could fully **BELIEVE** Him for it.

About 2:30 this particular morning that old imagination again leaped into being. In my mind's eye I saw God standing with outstretched arms. I pictured myself lovingly picking up our boy and placing him in the gentle hands of our Heavenly Father. God so very tenderly closed His hands around Neil, and I had the thrill of knowing that he was truly in God's loving care, and "though a thousand should fall at Neil's side and 10,000 at his right hand" ... it would

not come nigh him.

How much better it was for him to be in God's hands than in mine. Think of what God could do for him in times of danger that I could not do. He could just close His hands and Neil would be tucked SAFELY inside where nothing could harm him. Such divine protection would not have been possible had I insisted upon holding onto him myself, for God cannot take anything into His hands that we refuse to give to Him.

From that time there was never a moment of worry, nor was there an anxious prayer for God to protect our boy. Why should I take him back by worrying about his welfare? If I had taken him out of God's hands, then I would have had something to worry about.

My mind was filled with a positive picture of Neil's protection. It was made so real to me that it caused me to talk positively about him, KNOWING that he would return, KNOWING that everything was all right. My prayer for Neil was turned to praise to our wonderful Lord who was so beautifully protecting and keeping him.

Neil spent many months right on the front lines. During that time I was POSITIVE about God's promise, regardless of negative circumstances. At times the outlook was very dark, but God had said: "Thou shalt be far from oppression: for thou shalt not fear: and from terror: FOR IT SHALL NOT COME NEAR THEE" (Isaiah 54:14). Many times in the midst of extreme danger God DID close His hands around Neil, protecting him from all harm.

When letters were delayed for any length of time, Satan was right there to suggest the worst, but I refused to let him even whisper a negative thought. My mind was continually filled and crowded to capacity with POSITIVE THINKING, so negative thoughts could not find room to enter.

As a result, faith was kept high; God was glorified; and my mountain was removed.

"IF ye have faith as a grain of mustard seed," the Word of God declares, "ye shall say unto this mountain, Remove hence to yonder place; and IT SHALL REMOVE" (St. Matthew 17:20). Some go no farther than just to look at the vast difference between a mountain and a grain of mustard seed; they believe what their natural eyes see and are already whipped. But POSITIVE men and women of faith "LOOK NOT AT THE THINGS WHICH ARE SEEN, BUT AT THE THINGS WHICH ARE NOT SEEN: FOR THE THINGS WHICH ARE SEEN ARE TEMPORAL; BUT THE THINGS WHICH ARE NOT SEEN ARE ETERNAL" (2 Cor. 4:18).

The positive believer refuses to look at the mountain and SEES, BY FAITH, THE GOD THAT REMOVES MOUNTAINS! While he knows that there is a great difference between a mountain and

a mustard seed, he knows it takes faith only the size of a mustard seed to remove mountains. IT TAKES ONLY FAITH. Let us reverse that statement, "It takes . . . faith," and without changing its meaning call it "THE FAITH THAT TAKES." "The faith that takes" is potent in the hands of a positive believer. He makes that faith go to work for him. That is why God gives His children faith. He intends for them to put faith to work, and conquer, not ONE, BUT EVERY MOUNTAIN that becomes an obstacle to them. The NEGATIVE believer never removes even a molehill, but the POSITIVE believer never knows a mountain too great which THE FAITH THAT TAKES will not remove from his path.

Let your imagination go to work for you. Visualize the picture of YOUR mountain. Keep a POSITIVE light on that picture, and watch the mountain melt as snow does before the sun.

Gradually after each mountain experience you will find that the positive stand will grow easier. Even though the mountains seemingly get greater, so will your Father's power. Their tremendous size will matter little when you come up

against them, for you have what it takes to remove them—the positive attitude. You will look back after a few years and it will surprise you how many mountains you have mastered.

TEXT: 1 Cor. 14:40. "Let all things be done decently and in order."

IT HAS been my privilege for more than ten years to travel as an evangelist all over the United States and some 22 foreign countries of the world, and I have observed one thing, that everywhere where the Gospel is preached, people are hungry for God, and if only given an opportunity, will express that hunger. We are living in the days of mass revival. I have seen thousands stirred in mass revivals, and with the vast population of the world that is unreached for God, surely it is time for the Church to wake up and help bring about world wide revival. I realize that this is somewhat controversial, and is even offensive to those who have sat down in their easy chairs and reduced themselves to a nominal church program with seemingly little concern for the multitudes that are dying, and are in need of Christ.

I was greatly impressed by a short article written by Mark A. Matthews and printed in one of the Assembly of God publications, which read:

"There is but one department in the work of the church and that is evangelism. All other departments are by-products and are subordinate. The Church's first business, her constant business, her indispensable business is the evangelization of the world. As souls are saved, they should be indoctrinated, organized, supervised, directed, and made to become self-supporting personal evangelists in order that the work may be perpetuated."

New Testament evangelism and the type of revival that is stirring the world today is a revival of the supernatural where miracles, signs, and wonders are wrought in the name of Jesus Christ, our wonderful Lord. Yes, my friends,

### World Wide Revival Is God's Order for Today

My text says, "Let all things be done decently and in order." There are so many people today who read this portion of God's Word and then drop off into a deep silence, both in their testimony and in their lives. As the Holy Spirit directed Paul to write these words, "Let all things be done decently and in order," I am sure he had no idea to quench the Spirit or of putting the Church to sleep, but rather that all should be edified by the action of the Church.

In the next few minutes I should like to show you from God's Word some of the things in this last day of revival that are in order with God. That the Church was begun on the day

of Pentecost can hardly be refuted, and I believe that in the first Pentecostal sermon that the Apostle Peter preached, he gave a list of things that are first in order with God. In Acts 2:38 it says: "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."

### The First Thing That's in Order in Any Revival Is Repentance

There can be no revival without repentance. Not a card signed, or a handshake, but old fashioned Bible repentance for men and women turned from their sins with godly sorrow to walk in the paths of righteousness. Someone has said that repentance means a change of mind, and that is correct. When one repents, he changes his mind about sin, about God, about his associations, the places he goes, and the things he does. A man who is trying to get to Heaven without repentance is like a blind man in a dark cellar hunting for a black cat that is not there.

Someone else has said that repentance means to do an about face, and that is true. It means to turn your back on sin and turn your face toward Jesus and never look back over your shoulder again. While these are good definitions of repentance, I feel that Isaiah gave a Scriptural definition of repentance in the first chapter of Isaiah, verses 16 through 19:

"Wash you, make you clean; put away the evil of your doings from before mine eyes; cease to do evil;

"Learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow.

"Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.

"If ye be willing and obedient, ye shall eat the good of the land."

The term "cease to do evil" in the 16th verse means to STOP IT. Don't do it anymore. That is repentance. Yes, my friends, an old fashioned Heaven-sent revival of repentance is in order with God.

### It Is in Order to Be Baptized in Water

I am afraid far too many people treat the subject of water baptism too lightly. While some people over-stress water baptism until it has become a substitute for real conversion in

many places, this does not give us the privilege or excuse to treat the commandment of Jesus lightly, for in Matthew 28:19, 20, Jesus gave a commandment just as positive as any other commandment in the Bible.

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

"Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always even unto the end of the world."

Someone asked me if I thought they could go to Heaven if they were not baptized in water. My reply was that if they had known the commandment of the Lord to be baptized in water and had wilfully refused to obey Him, I doubted very seriously if I would see them in Heaven. Jesus Christ Himself gave the command and set the example by having John baptize Him by immersion in the River Jordan. It is in order to be baptized.

### It Is in Order to Be Baptized in the Holy Ghost

The Prophet Joel spoke of the baptism of the Holy Ghost 800 years before Christ—in Joel 2:28.

"And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions."

The Prophet Isaiah spoke of the baptism of the Holy Ghost 700 years before Christ, in Isaiah 28:11:

"For with stammering lips and another tongue will he speak to this people."

John spoke of the baptism of the Holy Ghost in Matthew 3:11:

"I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy Ghost, and with fire."

Jesus Himself spoke of the baptism of the Holy Ghost in John 16: 7:

"Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you."

All of these, and many more Scriptures, confirm the fact that it is God's Bible order for men and women to be baptized with the Holy Ghost. Most nominal Christians today would stay with me this far in my message, but I regret to say that many fail to go on and receive the Baptism of the Holy Ghost the Bible Way.

### It Is in Order to Speak in Other Tongues When You Receive the Baptism of the Holy Ghost

Here many have stopped short and have accepted less than God's best for

their lives. On the day of Pentecost when the Holy Ghost was outpoured, they spoke with other tongues as the Spirit of God gave them utterance, and Peter stood up in their midst and said, "This is that which was spoken of by the Prophet Joel." He said this after they had spoken with other tongues. Some of my nominal Christian friends have said, "That was just on the Day of Pentecost," but my friends, eight years after Pentecost, down at Cornelius' house, they spake with other tongues. The account is given in Acts 10:44-47:

"While Peter yet spake these words, the Holy Ghost fell on all them which heard the word.

"And they of the circumcision which believed were astonished, as many as came with Peter, because that on the Gentiles also was poured out the gift of the Holy Ghost.

"For they heard them speak with tongues, and magnify God. Then answered Peter,

"Can any man forbid water, that these should not be baptized, which have received the Holy Ghost as well as we?"

At Ephesus 23 years after Pentecost, they spake with other tongues when they received the Baptism of the Holy Ghost. Acts 19:6:

"And when Paul had laid his hands upon them, the Holy Ghost came on them; and they spake with tongues, and prophesied."

The Apostle Paul said in 1 Corinthians 14:18: "I thank my God I speak with tongues more than ye all." Yes, my friends, it is in order to speak with other tongues when you receive the Baptism of the Holy Ghost.

Now get hold of your seats, some of you—I am going to surprise you by telling you that the power of God is not in speaking with other tongues, and I would like to illustrate what I mean. Rev. David Walker and I were walking down the street and I spoke to Brother Walker and said, "I need a haircut." But since I was a stranger in your city, I didn't know where the barbershop was. So we began to look up and down the streets as we walked. Soon I saw a red and white barber pole turning around and around, and I knew that was the place where I could get my hair cut. You see, that great big red and white barber pole that looked like a big piece of peppermint candy turning around and around was an indicator and a sign that a barbershop was there. I could have stood outside by the barber pole until my hair grew down to my ankles and I never would have received a hair cut, for the barber pole had no power to cut my hair. However, it told me that there was someone on the inside who had the equipment, the knowledge, and the ability to cut my hair. So it is with speaking in other tongues. Even though speaking with other tongues is not the power of God, it is a sign, an indicator, that there is One on the inside who has all power,

Praise the Lord! That's the reason Jesus said, "You shall receive power after the Holy Ghost is come upon you." That's the reason Paul said, "I thank God that I speak with tongues more than you all." He knew that it was a sign and an outward evidence of the inward dwelling of the Holy Ghost, Praise God! Yes, it is in order to speak with other tongues.

### It Is in Order to Pray For the Sick

Mark 16:17: "And these signs shall follow them that believe . . . they shall lay hands on the sick and they shall recover."

James 5:15 says: . . . "the prayer of faith shall save the sick and the Lord shall raise him up . . ."

The revival that is stirring the world today is the revival of the super-natural where blind eyes can be opened, deaf ears can be unstopped, and where the lame can leap, and every manner of sickness and disease can be healed. This is God's order for our time. I could spend hours of time telling you the many miracles and healings that God has performed in our campaigns all around the world, but it is sufficient to say that we are living in a day when God is pouring out His Spirit and healing the sick just as the Bible declares He will do!

Yes, my friends, it is in order to pray for the sick, and we are living in a day when God is confirming His Word with signs following. World wide revival is in order with God and "when this Gospel of the Kingdom shall be preached in all the world for a witness unto all nations, then shall the end come. (Matthew 24: 14.)

Shall we all pray that every laborer shall hasten to the fields that are white unto harvest, that we might speedily bring the message of deliverance to those millions who have not yet heard and who are waiting for someone to bring them God's message of power and peace. . . Amen.

# SECOND GREAT REVIVAL IN WASHINGTON, D. C. ATTRACTS PEOPLE FROM SEVERAL STATES AS SIGNS AND WONDERS FOLLOW THE MINISTRY OF JAMES DUNN

REPORT BY JOHN L. MEARES, PASTOR  
NATIONAL EVANGELISTIC CENTER

John L. Meares

God has honored the National Evangelistic Center with many mighty manifestations of His power and glory. Some of the long to be remembered services have been conducted here while Brother James Dunn has been the evangelist. We are now in the fourth week of revival and God is pouring out His Spirit with marvelous manifestations of His grace and glory. There have been many wonderful testimonies of healing, such as children declared whole by the doctors who previously had diagnosed their cases as incurable—such as leukemia and rheumatic heart, etc. In some of these cases the nurse who attended the patient has come and testified of the miraculous healing power of God. This is a

reconfirmation of God's Word that "Jesus Christ, is the same yesterday, today and forever."

The many testimonies of healing would cause any reverent soul to stand before God in awe and praise. However, beyond this is the mighty miracle power of the redeeming grace of Jesus Christ that transforms a sinner into a saint. At this writing over 2000 people have streamed down the aisles to confess their sins to God and confess Jesus Christ as their Saviour or to rededicate their lives to God. These are the miracles of divine grace that causes the angelic choir to sing in the presence of God for sinners saved.

We greatly appreciate the anointing of God that rests upon Brother Dunn, that has given him a truly unusual message for God and His Kingdom.

## Healed of Multiple Sclerosis

In 1947 the doctors said I had an incurable case of multiple sclerosis, and that only God could heal me. I was in a hospital two years—in a wheel chair part of that time.

One night Brother Dunn picked me out of the audience and prayed for me. I was slain under the power of the Spirit, and I know I was healed, instantly. I have been sleeping without a pain every night since.

Edna Tolson

## Delivered from Asthma

While Brother Dunn was holding a revival at the National Evangelistic Center in Washington, D. C., I attended his meeting, and one night he selected me out of the congregation to be prayed for. He told me my trouble, which was asthma. I had suffered with asthma constantly for two and one-half years. There were many

nights that I could not sleep, and when I did sleep I had to sleep on three or four pillows. I was unable to do housework of any kind, and had to go to the doctor often for medicine and "shots."

When Brother Dunn prayed for me I was slain under the Power, and healed completely. Thank God for His healing power.

Patricia Rhone

## Healed of Bad Heart and Diseased Ear

I thank and praise the Lord for healing me of heart trouble, nervousness and a very bad ear condition with which I had been troubled for five long years.

I also was saved and filled with the Holy Ghost.

Miss Mildred Bailey

## Delivered from High Blood Pressure

When Brother Dunn prayed for me I was healed of high blood pressure, which was usually 210/100 and sometimes 260/100. Now it is down to normal.

Mrs. Ethel Snoddy

## Symptoms of Cancer—Healed

Before Brother Dunn prayed for me I suffered with pains in my side and stomach, and blood would come out of my breast. When Brother Dunn prayed for me, it was as if a ball of fire burst all over me, and I was healed, instantly.

## JAMES DUNN SAYS—

Christ surely blessed here in a mighty way, in the great revival He gave us at the National Evangelistic Center in Washington, D. C. There were around 2,500 people who came and surrendered their lives completely to Jesus Christ in less than four weeks. Many were filled with the Holy Ghost and healed of every kind of disease.

The building was packed to overflowing Monday through Sunday of each week, with God meeting with His people each night with signs and miracles. I am still rejoicing over the success of this great campaign, and I know that you who read this will rejoice with me.

I would like to call your attention to the meeting beginning September 3, 1958, at the Pittsburgh Revival Center, Pittsburgh, Pa. I am inviting you to come and be with us in these great services, and also in September we are starting a great city-wide meeting in New York City. See the October issue for full information concerning this meeting. Until next month, may God bless you real good.

## David Nunn Revival Great Blessing in Greenville, Miss.

### WHAT THE PASTORS SAY Report by Rev. Douglas Stone, Pastor First Assembly of God Church

The David Nunn Revival in Greenville, Mississippi, was a good success. The people of this area were greatly blessed by the dynamic ministry of Brother Nunn. His messages were really inspiring and faith building in the hearts of the people. One of the greatest services was one Saturday night which was Holy Ghost rally night. We saw ninety per cent of all who came without baptism filled and speaking with other tongues as the Spirit gave utterance. Praise God!

Sick people were healed, cancerous tumors, healed, diseases of all kind were healed by the mighty power of God. This meeting certainly has touched the hearts of people of this area and Brother Nunn's ministry will long be remembered. Over two hundred answered the call for salvation and for this we give God praise and honor. We thank God for sending Brother Nunn to our city.

Rev. Douglas Stone, Pastor  
First Assembly of God Church  
Greenville, Mississippi

### Report by Rev. Jack Watkins, Pastor East Greenville Church of God

The David Nunn revival has meant more to Greenville than could be expressed. It has meant much to me spiritually, and to everyone who attended. I was thrilled as I saw many pray through to old-time salvation, and filled with the Holy Ghost. We appreciate Brother Nunn's ministry, and feel that God is blessing and honoring it. Not only has God saved and healed, but unity and cooperation is prevalent between the churches as it has never been before. Thank God for what He has done.

### TESTIMONIES FROM THE GREENVILLE MEETING

#### Broken Back Healed

I thank God for healing me here in Bro. David Nunn's revival. I slipped and fell on the concrete drive and broke a bone in my back. I went to the Dr. and he x-rayed me and confined me to bed for four weeks and then I could sit up in a chair for two or three weeks. He said if I didn't stay off my feet, the bone would not heal back properly. But the Lord healed me the second night of Bro. Nunn's meeting. I was also healed of slipped and ruptured disc. I had to wear a back brace to be able to do my house work. Now I can do all my house work without my brace. I'm giving God the glory and honor forever.

Mrs. Dot Jones  
Greenville, Miss.

#### Baby Healed of Asthma

I want to thank God for healing my baby of asthma. He was 6 months old and had had it all his life. He had been in the hospital twice and the doctor had told us that he would never get any milk that would agree with him. Monday night, June 9, Brother Nunn prayed for him and God instantly healed him. Since then he can take any kind of milk and is gaining weight steadily.

Tuesday night, June 24, my husband was reclaimed and that same night my other little boy was healed of flat feet. Saturday night, June 28, I was filled with the Holy Ghost, praise the Lord.

Where our home was filled with confusion it is now sweet harmony. We thank God for sending Brother Nunn to Greenville, Mississippi.

Mrs. H. S. DEARMAN, Jr.  
Greenville, Miss.

### Healed of Growth in Throat

In 1956 a growth began to grow in my throat which doctors thought was a goiter, but later told me it was a tumor which in time could and would turn into a cancer, and that I would soon have to have it cut out.

I was prayed for many times, and could not get my healing. I then began to have severe headaches, and could not rest at night. I would go to church and while singing, I could taste blood in my mouth. Then Brother David Nunn came to Greenville, and on June 8 I went through his prayer line, and was healed of the cancerous tumor and the headaches.

After prayer, God showed Brother Nunn that I had trouble with my back, and I was instantly healed of this also.  
Mrs. Gladys King  
Greenville, Miss.

### Stiff Leg Healed

I was healed of a sore throat and a stiff knee in the David Nunn revival in Greenville. After prayer I was able to bend the knee better, and can now walk down stairs without taking each step with the same leg.

### Conclusion:

### WHEN WAS THE MESSIAH TO COME?

According to the prophet, Daniel, the Messiah was to come before the destruction of the second temple at Jerusalem. Here is the prediction:

### DANIEL'S PROPHECY

Messiah shall be cut off, but not for himself . . . and the people of the prince that shall come shall destroy the city and the sanctuary. Dan. 9:26.

Messiah came, and was "cut off" as foretold; soon afterward "the city" of Jerusalem, and "the sanctuary" of the Temple, were destroyed by "the people of the prince," Titus and his Roman legions, in A.D. 70, precisely as predicted long centuries before by Daniel the prophet.

ACTS 10:43: "TO HIM GIVE ALL THE PROPHETS WITNESS."

THAT THROUGH HIS NAME WHOSOEVER BELIEVETH IN HIM SHALL RECEIVE REMISSION OF SINS."

For two thousand years, men, nations, and kingdoms have tried to disprove the claims of Jeshua-Hemishiah, "Jesus Christ." to the Messiahship he proved. It has stood every test; been tried in the fire of life and bitter conflicts. Yet no other individual or power has affected the whole of humanity and civilization as this person, for you see he was more than just the philosopher; he was the Messiah.

Of course, it is to be noted, that these are only some of many Old Testament prophecies of the Messiah, that are clearly fulfilled in "Jesus," Christ. With these I add a few words of my own: take your Old Testament and search the Scriptures, for in them you will find life, and your MESSIAH. It is my sincere prayer that after genuine consideration of the afore mentioned you will receive this Jeshua-Hamishiah, Jesus Christ, as your hope, redeemer, and Messiah.

## OLD TESTAMENT PROPHECIES YET TO BE FULFILLED

### 1. MESSIAH IS TO COME IN THE CLOUDS OF GLORY.

**OLD TESTAMENT PROPHECY.** Dan. 7:13, 14. "I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they brought him near before him, And there was given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him: his dominion, which shall not pass away, and his kingdom that which shall not be destroyed."

**NEW TESTAMENT PARALLEL.** Matt. 24:30. "And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the

clouds of heaven with power and great glory."

Note: Matt. 25:31, 26:24.

### 2. MESSIAH IS TO SIT ON THE THRONE OF DAVID.

**OLD TESTAMENT PROPHECY.** Isa. 9:6, 7. "For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The Everlasting Father, The Prince of Peace. Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice, from henceforth even for ever. The zeal of the Lord of hosts will perform this."

**NEW TESTAMENT PARALLEL:** Luke 1:32, 33. "He shall be great, and shall be called the Son of the Highest: and the Lord God shall give unto him the throne of his father David: And he shall reign over the house of Jacob forever; and of his kingdom there shall be no end."

### 3. MESSIAH IS TO REIGN OVER ALL THE EARTH.

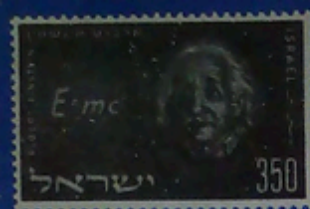

**OLD TESTAMENT PROPHECY.** Psa. 72:8-11. "He shall have dominion also from sea to sea, and from the river unto the ends of the earth. Yea, all kings shall fall down before him: all nations shall serve him."

**NEW TESTAMENT PARALLEL:** Phil. 2:9-11. "Wherefore God also hath highly exalted him, and given him a name which is above every name: that at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

Hebrews 1:8. "But unto the Son he saith, Thy throne, O God, is for ever and ever: a sceptre of righteousness is the sceptre of thy kingdom."

Two members of the Gordon Lindsay party, who visited the Holy Land, on the road from Bethsaida to Capernaum. Woods in the distance mark the location of the ruined synagogue. In the days of Jesus, flourishing cities existed on these slopes. Erosion has practically covered the last vestige of the ruins. The disappearance of these cities is one more proof that the words of Jesus never fail. (Matt. 11:20-24.)

## Prophetic Destiny Seen in the Stamps of Israel

by Gordon Lindsay

(In a previous Israel edition, we carried an article entitled "Israel's Prophetic Destiny Revealed in Her Postage Stamps." Since that article was written a number of other significant stamps have been issued (including some of Egypt.) The story of these is told in the following article.)

ONE of the greatest prophetic developments of our time is the discovery of a method to split the atom, thus making possible the development of the A and H-bombs — weapons of such dreadful magnitude that it now lies within the power of nations to practically annihilate one another, thus fulfilling the words of Jesus that at the end of the age, war would become so destructive that "except those days be shortened there shall no flesh be saved." (Matthew 24:22.)

As always, the Jews play an important part in the unfolding of prophecy. Yet it is a remarkable fact that the Jews, a comparatively small segment of the human race, were the central figures in the drama that made the atomic bomb possible. Fermi, an Italian Jew, discovered chain reaction. Lise Mietner, a Jewess, explained the phenomenon of chain reaction, thus revealing the possibility of the making of an A-bomb. Robert Oppenheimer directed the development of the atomic bomb in the Manhattan project. Edward Teller was the father of the hydrogen bomb. All of these were Jews. But standing above all these was the late Albert Einstein, the world's most noted Jew, and prophet of the atomic bomb. It was he who predicted the terrible power in the atom by his famous formula,  $E=MC^2$ . It was he who appealed to President Roosevelt and persuaded him to embark on the Manhattan project from which were produced the bombs which were dropped on Hiroshima and Nagasaki. After Einstein's death, the nation, Israel, issued a commemorative stamp (7) showing the face of Einstein and the epochal formula,  $E=MC^2$ .

### EGYPT, ANCIENT ENEMY OF ISRAEL (Stamp 4)

But before we note other Israel stamps let us consider a few of Egypt's recent issues, for by these, she too, is unwittingly revealing her plans and prophetic destiny. One stamp shows an airplane flying over the pyramids. The plane reminds us of the present, while the pyramids recall the past—of the days when Pharaoh held Israel under cruel taskmasters. Now once again Egypt, the traditional enemy of the Hebrew nation, is determined if possible to destroy her.

### THE GREAT PYRAMID (Stamp 2)

Many people believe that the Great Pyramid is alluded to in Isaiah 19:19-20:

"In that day shall there be an altar to the Lord in the midst of the land of Egypt, and a pillar at the border thereof to the Lord. And it shall be for a sign and for a witness unto the Lord of hosts in the land of Egypt: for they shall cry unto the Lord because of the oppressors, and he shall send them a saviour, and a great one, and he shall deliver them."

The "altar" and "Pillar" is said to be "in the midst" of the land of Egypt and "on the border thereof," a rather paradoxical geographical description. However, strange as it may seem, the Great Pyramid does stand at just such a location—it is at the center of the Egyptian quadrant (see any map of Egypt) and on the border of the Lybian Desert.

This prophecy also indicates that as the day of the Lord draws near, unprecedented trouble is to come upon Egypt, until in desperation the people cry unto God for help; at which time the Lord will send them a Saviour whom we know is none other than the Lord Jesus Christ.

### AMBITIONS OF EGYPT (Stamp 3)

The ambitions of Egypt are clearly shown on stamp issued about the time of her attack upon Israel, when the latter in 1948, proclaimed her independence. Note the darkened area of the map which shows Egypt occupying a large part of Africa, the Land of Israel, Jordan, Iraq, Arabia, Syria, Lebanon and even part of Syria, Lebanon and even part of Turkey. Actually the stamp commemorated the reign of Mohammed Aly, who in the days of Napoleon seized and occupied for a short time, all of this territory. He was a cruel and merciless tyrant and was restrained in his criminal career only by the combined intervention of the powers of Europe. His kingdom was soon broken up and he died in disgrace as well as with a demented mind. The tragic end of Mohammed Aly should be a warning to Nasser, Egypt's present ambitious ruler.

### INDEPENDENCE OF ISRAEL (Stamp 4)

When therefore King Farouk, in 1948, saw that Israel was about to proclaim her independence, he sent his armies north in concert with other Arab nations to drive Israel into the sea. (Note on the stamp how the column turns toward the sea.) But what happened? Egypt and the other Arab nations were turned back in humiliating defeat. Instead of driving Israel into the sea (as an ancient pharaoh also once thought to do), they were forced to witness Israel occupying additional land and making good her independence. Not long after this debacle King Farouk of Egypt was deposed by his army and forced to flee for his life.

### ARAB TERRITORY OR ISRAEL TERRITORY?

The chief conspirator in the intrigue to depose the king was an army officer named Nasser. Driven by a relentless ambition he dreams of a great united Arab empire. His soldiers battled and harassed the Jews in endless border skirmishes until finally a full-scale war broke out in October, 1956. At that time Egypt issued a stamp showing Gaza to be Arab territory. But in seven days of fighting, Nasser's armies were ignominiously driven from the peninsula. (Although later the U.N. allowed them to return.)

Certainly Nasser is wrong in his contention that Gaza is Arab territory. God gave to Abraham and his seed all the land even to the River of Egypt—the Nile. That means that Israel will be the one in the future to occupy the land of Gaza, and not Egypt.

### UNITED ARAB NATION (Stamp 5)

But Nasser is driven by an unquenchable lust for power. His dream of empire has now resulted in uniting Egypt with Syria leaving Israel squeezed in between. His latest act was to foment trouble in Iraq, so that King Feisal was overthrown. At the moment the fate of Jordan and Lebanon hang in the balance. Nasser hopes to build a great Arab em-

pire that will sooner or later, include also the territory that the Jews are now occupying. Bible prophecy shows that his dream will never be realized.

### GOD HOLDS THE NATIONS IN HIS HANDS (Stamp 6)

Yet it is neither Egypt nor Israel that decides the world's destinies. God holds the nations in the hollow of His hand, as shown on the Israel stamp—God will decide the matter Himself. He has given certain promises and He will fulfill them. God has an hour of reckoning with all nations, including Israel. The Jewish people should now hearken, should listen for the voice of their God and accept their Messiah. Until they do this, more sorrow and trouble is in store for them.

"Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it." (Jeremiah 30:7.)

### THE 70TH JUBILEE (Stamp 7)

Another stamp that Israel has released has the number 70 symbolically superimposed on a background of agricultural prosperity — as might appropriately depict the millenium. What did the artist have in mind when he inscribed this Bible number of 70? Did he have in mind the 70th Jubilee? While secular chronology is not exact, it is not far off, and we know approximately the year the 70th Jubilee will begin. Actually Seventy Jubilees of 49 years each (the 50th year follows the cycle) from Israel's entering of Canaan under Joshua bring us to the very time we are living in! Does this stamp unwittingly point to the 70th Jubilee which will usher in Israel's golden age?

### JERUSALEM, CAPITAL OF THE WORLD (Stamp 8)

When that hour comes Jerusalem will become the capital of the world, and all nations will flow into it.

"And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem." (Isaiah 2:2-3.)

Is it not significant that the artist has produced a stamp which shows a great highway leading up to the city of Jerusalem? In that day even the Arab neighbors will be at peace with Israel and all shall come up to that city to worship the king.

Airplanes will fly the people from afar and ships that ply the ocean will bring multitudes to Jerusalem to see the glory

of the Lord. The recent maritime stamps (Number 9) issued by Israel bespeak of its navy past and present.

Thus do we see many of the old prophecies are being reflected in Israel's and Egypt's postage stamps. God grant that His ancient people now facing their greatest crisis shall turn speedily to their Messiah even the Lord Jesus Christ.

### FROM JEWISH ORPHANAGE TO CHRISTIAN PULPIT

(Continued from Page 8)

Suddenly he found himself standing on a street curb in the midst of a pouring rain. Lightning was flashing and thunder was crashing all around him. And there he was, a boy of fourteen, without a penny in his pocket, with only the clothes he was wearing with him, and no where to go. What was he to do now? A deep fear clutched his heart. Then he walked on toward main street. And there while standing on a curb, for the first time in his life, he lifted his voice to God in prayer. "Dear God, if there is such a person as Jesus up there in the heavens, then let Him be with me now."

### ANGELS COME IN ANSWER TO PRAYER!

Then something happened! It seemed that the very presence of God came round about him. And then at that moment two angels took him by either hand and led him down the street! That little Jewish boy began to sing. He did not know any songs, so it must have been the song of angels. Anyway he went walking and singing up and down curbs for a distance of nearly three miles—and all the way his eyes were tightly closed! Then suddenly even as they had come, the angels left him. A cry within him went up to God. "Oh Lord, don't leave me now." Then he opened his eyes and there he was in Passaic, just in front of the Montauk Theater. He blinked his eyes, for he could hardly believe what he saw. Just a few feet away was Mrs. Kerr standing with an umbrella over her head! She had been there several hours. God had told her to come there and wait. She was the only person in the whole world that he knew and God had led him right to her.

### HIS FIRST CHRISTIAN SERVICE

A few days after the young Jewish lad left the orphanage, he was taken to a Full Gospel Church in Patterson, New Jersey. The service understandably was quite novel to him. He knew scarcely anything about Christian worship. His friends who had brought him, of course, were quite anxious that nothing would happen that would turn him against the message that they had been trying to bring him. The people of the church had been praying for him for some time, and when they saw him come into the service they were sure God was answering prayer. A general call to prayer was given at the close of the Sunday morning meeting, and

after a moment of hesitation, he decided to go forward with many others to spend a moment in prayer.

At first he prayed looking through his fingers. The Bible says to watch and pray, though at that moment he was doing more watching than praying. The thorough teaching he had received in the Old Testament, was a help to him now. He remembered reading that people of those days lifted their hands and praised God. When Morris saw these people worshipping and praising the Lord, he knew they had something real.

### BAPTISM OF THE HOLY GHOST

That night he returned to church again, and this time he was to receive a mighty experience from God. Again he went to the altar, and it was not long before the Spirit of God began to move upon him. It seemed a hand was laid upon his head and suddenly at the same time something surged through his body. Falling prostrate on the floor, all he could do was to let the praises of God well out of his being. In ten minutes he was speaking in a heavenly language! *It might be well to note that this young boy knew nothing of the baptism of the Holy Ghost and speaking in other tongues, and yet God was enduing him with His power.*

Arriving home that night, he was unable to sleep. All he could do was pray. The other members of the household where he was staying, realized that God was doing something unusual and they too engaged in prayer. And all night long the presence of God was strangely manifest in that home. Then as morning drew nigh the Lord manifested Himself in a way that showed He was to have his hand upon the life of this orphan boy in a very unique way. This young lad who two days before had never attended a Christian service began to give forth messages in prophecy under the mighty anointing of the Holy Ghost!

Other remarkable experiences were to come to this young lad, but of these we will mention only one—the heavenly vision he received at the age of fifteen.

### THE HEAVENLY VISION

Morris at this time still knew little about the supernatural manifestations of God for he had just been out of the orphanage six months. One evening while he was in prayer at the church he suddenly felt the hand of God upon his forehead. Immediately he fell to the floor and was lost in the presence of God. After lying there for some time a vision began to unfold—slowly at first, one scene at a time. At the beginning he seemed to be looking up into a vast arch of blue sky. Then suddenly before him, appeared thousands of people, sitting in even rows. And there seated in the front row, he saw himself! Then the scene changed and before that great sea of humanity, appeared the Godhead—a fiery flame of brightness and glory. As he looked upon this awe-inspiring scene

he began to tremble, as likewise did the multitude of others that were there.

### THE VISION OF HELL

Then from that brightness of glory, a ray of light came directly to where he was sitting and struck his body. Involuntarily, he was drawn forward until he was standing within an arm's length of the Bright Light. Then suddenly the Light receded a small distance and below he saw two footprints that made, as it were, an opening in the sky. Through that opening he beheld to his amazement, far below, the flames of hell! And in those flames he could see a multitude of lost souls. His heart burned with compassion for that multitude. What he saw and heard at that moment was to change the course of his life.

Then as he stepped forward into those footprints he found that they were exactly his own size! He understood! He was to be the hedge! He was to stand in the gap! His life would make the difference between thousands of souls falling into the pit and thousands walking through the gates of glory.

Until that moment no word had been spoken. But now a voice said; "My son, arise, shine, for thy light has come, and the glory of the Lord is risen upon thee. Thou shalt not be afraid for thou shalt not stand in thine own strength, neither shalt thou stand in thine own place, but thou shalt stand in the place that I have made for thee and My strength shall uphold and guard thee."

In the last scene the glorious presence of God began to shoot rays of bright light and glory all over the heads of that sea of humanity. Then the last words that God spoke were these: "When thou shalt see My Glory in the midst of My people know then that I am in the midst of thee to bless thee as thou dost min-

ister to My people."

It was a vision no human could possibly forget. And since that time God has moved to fulfill it. At once this young Jewish boy began to preach the message of Christ. First in church meetings, then larger campaigns, and now the great tent meetings where great audiences gather from night to night to hear the message that this man of God, now no longer a boy but a seasoned evangelist, preaches with deep earnestness and power. These meetings carry such an impact that people coming into the service for the first time often find themselves irresistibly marching forward when the altar call is given.

### THE VISION OF WORLD-WIDE REVIVAL

Last October, God spoke again to Morris Cerullo. Early in the morning the Lord awoke him and began to talk to him and to reveal to him the world picture. God showed that He was going to heal through mass healing, that He would save through mass revival. From that early morning visitation, God gave Brother Cerullo a new burden for the souls of a lost world including especially His own people, Israel, for it is high time that the Jews receive the message of Christ. From that time things have been moving forward at an accelerating pace.

Last March, with his associate, Ralph Bender, Morris Cerullo joined with Gordon Lindsay in a series of "world-wide revivals" that are reaching tens of thousands of people in America. These campaigns are definitely marked by the ministry of miracles. From night to night miracles are in great evidence. Many of the healings are of a creative nature such as the lengthening of a short leg, the melting of cataract on the eyes, the instant vanishing of ruptures, tu-

mors, and cancers, etc. People are coming from many states to witness these great miracles and to receive deliverance. Brother Cerullo is also enlisting these people in the great Winning the Nations Crusade. Those who hear him agree that God is bringing the office of the prophet back to the church. Truly God has raised up one who is not only reaching the Gentiles, but who will also bring the message of deliverance to his own people, the Jews, and show them that Jesus Christ is none other than their long-looked-for Messiah.

## TESTIMONIES

Oh, how I give Jesus the praise and I love Him with all of my heart.

Mrs. Elizabeth Hicks

## Vertebrae in Place After Prayer

For one and one-half years, my spine has been slightly curved, and my vertebrae would not stay in place. I had x-rays made, and had chiropractic treatments, without success. Brother Cerullo called me out

of the audience, and told me that I could not stoop without pain, which was true. I was healed that night, and three days later I went back to my doctor. He found my vertebrae in place for the first time, and I was free of pain. I then told the doctor how the Lord had healed me.

## Cataracts Dissolve After Prayer

I had cataracts on both eyes for the past three years. When Brother Morris Cerullo prayed for me, they completely dissolved. I also had back trouble, and that disappeared. Jesus did it all!

Mary Dortch  
Rock Island, Ill.

## Healed of Asthma

For several years I have been plagued with asthma. I have had many shots and taken many pills—about nine a day. After suffering for years, I was healed in the Moline, Illinois, tent meeting held by Morris Cerullo. I can now run up and down stairs without any ill effects in my breathing, and even the excessive rains have not brought it back. Praise Jesus for His wonderful healing power.

Mrs. Harlan D. Helsel  
East Moline, Ill.

## Broken Fingers Healed

About ten days ago, I fell and broke two fingers. When I went to the doctor he set and bandaged them. Three days ago Brother Cerullo prayed for me, and I could hardly wait to get home to take the bandages off. When I did, I found my fingers completely healed, and I can move them normally, without any pain whatsoever. Then too, I had ulcers of the stomach, for which I was hospitalized three times. I can now eat anything, as the ulcers are gone. Thirdly, I had a spot on my eye, which was very annoying. God also removed that instantly. Praise His wonderful name!

Mary Way  
East Moline, Ill.

## Delivered From Pain Caused By Accident

Ten years ago, I had a fall which resulted in a hip and back injury. This shut off my blood, which caused poor blood circulation, which in turn brought pain in my legs, varicose veins, and affected my nerves. Since Brother Cerullo prayed for me, I have had no pain, and I'm perfectly healed.

## DEDICATION OF NEW TEMPLE:

Hechal Shlomo, taken from the Bible as Solomon's Temple, and by others as Solomon's Palace, is the great religious center which has been dedicated during the tenth anniversary celebrations.

There are mixed emotions about the erection of this great stone edifice, which has a commanding view of the new and Old City. Some poor people murmuringly inquired why they could not have more of the necessities of life. But this building was no hardship for them because it was built by contributions, mostly from Mr. Isaac Wolfson, an English Jew. Other Jews are afraid that this supreme religious center will give the Rabbinate too much political and legal power.

Hechal Shlomo, which was thirty-five years in planning, is seven stories high and elegantly finished with Galilee marble, Tiberias tile, English oak and lovely mosaics. The pompous dedication service, attended by religious and political celebrities, was boycotted by two religious groups, Agudat Yisral and Poalei Agudat Yisral. Their reasons being that the new temple under the control of the Mizrahi Party had taken complete control of the center and was planning to turn it into a cultural center which would publish edits for the entire world. The Prime Minister, Mr. Ben-Gurion, was not present but had a special message read trusting that the affairs of the religious center would not conflict with those of the state.

It is most interesting that the Jews reckon their history by their temples. They say, this or that event was during the time of first or second temple. Prophecy teaches us that during the time of

the great tribulation, the Jew will have a temple in Jerusalem and that the anti-christ will establish his throne of power in it. This all reveals to us the signs of the times!
