

God's Power is Mightily Manifested

By GORDON LINDSAY

It has been my privilege to have spent the summer with Evangelist Morris Cerullo in a series of "world-wide revivals." These campaigns are giving definite evidence of a new surge of revival. Each succeeding campaign has increased in glory and power—with greater miracles of deliverance and manifestations of divine power being witnessed in each service.

After the Roanoke meeting, with people standing at 7:00 p.m., it became evident that a larger tent was necessary. So in Dallas one was secured which is over two hundred feet in length. Since then on many occasions all seats in the tent have been taken, with people standing.

No great advertising campaign has been used to draw the crowds. The first night audiences have usually been of modest size. Yet in most cases the attendance has doubled or tripled within a few days. Reliance has been placed strongly upon the demonstration of the supernatural to build the services.

Manifestation of the Miraculous

Although we have seen miracles of healing, almost without number during past years we do not believe we have ever witnessed a wider range of miracles than in the present services. These include the instant healing of short legs, the complete disappearance of ruptures or hernia, the melting of cataracts on the eyes, as well as instant deliverance of blind eyes and deaf ears.

There has been at times in past years a tendency to slight the demonstration of healing miracles but this has not been the case in these meetings. Brother Cerullo has on occasion called up committees of ministers and laymen to investigate cases to find out if the rupture or hernia had really disappeared, and to state publicly what has happened. In each case they have reported that the miracle had indeed taken place.

It would be impossible even to at-

tempt a list of outstanding deliverances. In Gary, Indiana, a Baptist lady who had a brace on her neck for nearly two years, the result of an auto accident, was instantly healed and came back night after night to witness her healing. Goiters, tumors, and other visible afflictions disappeared in a moment. A Catholic man when asked what he thought of the miracles taking place, replied, "It makes me know there really is a God."

St. Louis, Michigan

The meetings closed in Gary on a night in which there was a great storm. Despite this the tent was filled to the last chair even while the storm was on. When the rain subsided sufficiently, hundreds of others crowded in and stood during the preaching service.

From Gary, the party went to St. Louis, Michigan. It looked like a mistake had been made in going there, for we found the town's population was only 4,000—only slightly larger than the capacity of the tent! The nearest large city was 35 miles away. Nor was the attendance on the first night reassuring. However, news of the meetings soon spread, and by Sunday the tent was comfortably filled and the size of the audience continued to increase through the remainder of the campaign. Perhaps one

of the greatest miracles is the speed in which the attendance increases—ten days is a very short time for a meeting to gather such momentum. It seems evident that if these meetings could go a little longer they would reach unusual proportions. In St. Louis, many miracles took place. One was the healing of the cataracts of a Seventh Day Adventist lady. The cataracts on her eyes melted off, and she returned night after night to praise God, bringing her Adventist friends with her.

Mass Miracles

Last October God spoke to Brother Cerullo in a special way about a new ministry that was coming. Speaking in an audible voice, the Lord said, "You are going to see people healed by the hundreds in a moment of time, for the hour has come for the mass healing and the mass miracle." When Brother Cerullo related this incident to me, I said, "Yes, I believe that the time has come for the mass miracle. But if we have mass miracles, we must demonstrate that the miracles are really taking place. It is not enough to pray a mass prayer and dismiss the audience. We must demonstrate it if it is taking place." In St. Louis and other cities we saw this demonstration! Not only did many people testify to healing, but outstanding miracles instantly took place as well. One man took off his ear phone and cried, "I can hear! I can hear!" A blind girl suddenly cried out, "I can see! I can see!"

It is evident that the time of mass healing is here. An evangelist can only pray for a limited number of people effectively, and often people are disappointed. But when faith rises so that many can be healed in a moment, that problem is solved.

Holy Ghost Meetings

Every attempt was made to see that the campaign includes a well-rounded ministry and that no important phase of the gospel is neglected. The Sunday after-

the Indiana and Michigan Revivals

noon at the close of each meeting is given over to a Holy Ghost rally. After a powerful message of faith from Brother Cerullo, people are called forward into a special section to receive the Baptism. In each such service large numbers are filled with the Holy Ghost.

And the salvation invitations? These are by no means slighted. Night after night scores of people come forward in answer to a straight salvation call. Sometimes an altar call is given on the first night. Always there has been a good number responding. On occasions the altar call response may reach two or three hundred people.

The World Vision

Last, but not least is the world vision that Brother Cerullo brings to the people. It has been my task from night to night to instruct the people in brief talks about

CHAIRMAN'S REPORT OF THE GARY, INDIANA CAMPAIGN

By ANTHONY VIGNA

The blessing of the World Wide Revivals in the Calumet Area (with the tent pitched in Gary, Indiana) with Rev. Morris Cerullo as the evangelist, cannot be told in a few words.

We are happy to report that this was the greatest meeting that has come to the area in my eleven years of experience here. Thousands of people attended the meetings and hundreds were saved. Many miracles were performed. The blind were made to see instantaneously. Deaf ears were unstopped. Short limbs were lengthened. Ruptures were healed and braces removed and left as a testimony of the miracle-working power of God.

One of the many outstanding miracles was that of a woman who wore a brace on her neck for several years. Before she was prayed for she felt the mighty power of God. After prayer she removed the brace and could move her head in every way. While doing so she shouted, "I can see. I can see." Brother Cerullo asked, "What did you say?" She said, "I was blind in my left eye and now can see." This woman returned to all the meetings after that and testified to her healing.

Many were also healed in the mass healing service.

On Sunday afternoon, at a service set aside for receiving the Holy Spirit, many came forward and many received the experience of the Baptism with speaking in tongues, for which we thank the Lord.

The closing night of the meeting the power of God was so greatly manifested that with no urging whatever there were about three hundred people who came forward to receive the Lord as their Saviour.

This group of workers: Brother Cerullo, Brother Lindsay, and Brother Bender, with Brother Bjork make a marvelous team under God. They are truly spearheading revival because of the anointing that is so marked upon their ministry in everything they do.

We can truthfully say that God has moved in and about this area in so marked a degree that the efforts of this meeting will be felt for months to come. All of our churches will be strengthened because of it. Any effort that was put forth, and the expenses incurred, were small in comparison to the great amount of good that has come to us.

We trust that our Brother Cerullo and his co-workers will be used mightily wherever they go in the salvation of the lost and demonstration of the power of God.

Taking the Nations for Christ

by Lester Sumrall

A FEW YEARS AGO it would have sounded preposterous to make a statement, "taking a nation for Christ."

With the blasting, blistering eruption of the atomic bomb, a new world was born. A world of great events, a world of urgency, and the church must fit its future progress into that pattern.

THE VISION

Since 1934, I have labored for Christ in what we call mission fields. Eighty-seven of these lands we have visited to carry out the Great Commission of Christ. Upon witnessing the binding powers of heathenism, the subtle wickedness of demonology, the world advances of ruthless Communism, there has been a deep urge in my heart to *take nations for Christ!* Former missionary tactics and procedures may not fit into the pattern of this atomic age. It may take mass moves to challenge the forces of the Devil in far off lands.

THE PATTERN

When the Lord spoke to my heart in my bedroom in South Bend, Indiana, and asked me to go to Manila to build an evangelistic center, He promised "I will do more for you than I ever have before." At first I wanted to laugh because I thought God had done great things for me. We had just completed building a large church auditorium and had one of the finest congregations and Sunday Schools in the Mid-West.

Seeking and looking for greater things from God, we obeyed and our family moved to Manila. Through a series of miraculous events which include: The Valdez revival, the healing of Clarita Villanueva, the showing of the Oral Roberts' film "Venture into Faith," the Clifton Erickson revival, the erection of beautiful Bethel Temple, and the Oral Roberts' campaign, we became conscious that it was possible to take a nation for Christ.

After building Bethel Temple in Manila and upon my return to South Bend, I could see the Philippines in better perspective—as I could see all mission fields. Deep within my heart was divine urgency to make a further step in taking a nation for Christ.

At that time, I approached Brother Gordon Lindsay of the "Voice of Healing" and explained the plan. Brother Lindsay was willing to sponsor the type of campaign which I advocated. After corresponding with some of the workers in the Philippines, they did not feel it was the time for this.

Lester Sumrall

This year, we spoke to Brother Lindsay and Morris Cerullo about the same proposition. They were willing to sponsor such a campaign. Upon contacting Brothers Cawston and Candelaria in Manila they felt the time was right for this great move of God.

THE PLAN

We will invite to Manila the outstanding national ministers of all denominations to a Bible conference and revival campaign. We will financially assist them in coming to the convention. Also we will help supply food and lodging while at the convention. We will urge and assist missionaries of all faiths to attend the convention in Manila.

From America, men whom God has blessed with special ministries will be invited to participate. Brother W. Grant has been invited to be the morning speaker. He will teach exclusively about the Holy Spirit and the gifts of the Spirit.

At the conclusion of the morning services, we will pray for the people to be filled with the Spirit. We are expecting many hundreds of people to receive a Holy Ghost infilling in the services.

In the afternoon, there will be teaching about divine healing. Brother Gordon Lindsay and I will take these services. We will teach the Bible principles of divine healing and their place in the church today. Then special prayer will be offered for the Holy Spirit to use those present in the ministry of deliverance.

The evening services will be in the Sunken Gardens at Roxas Park, in front of the City Hall downtown Manila. It is the most strategic location in the nation for such a campaign. Brother Morris Cerullo has been invited to speak in the great evangelistic service. We are believing God for thousands of souls and great miracles of healing in these services.

Besides these ministries, there will be an extensive tract handbill and magazine distribution before and after the campaign. The World-wide Revival will print a special edition of the Philippines of 50,000 copies. Also there will be a daily radio program on one of the powerful commercial stations in Manila which can reach the nation.

We discovered in our campaigns in Manila, that of the two million people who live there, many of them are from the provinces. When a great evangelistic campaign takes place in Manila, representatives visit the city from all over the nation. I am inviting Brother Erickson to Manila. (Continued on Page 1)

Revival center built by Brother Sumrall following the Erickson and Valdez campaigns.

The land of the Garden of Eden, the Tower of Babel and the Kingdom of Babylon comes back into prophecy again. The following article shows the prophetic significance of the recent revolution in this Biblical land.

JULY 14, 1958, spelled revolution in Iraq, the land where world history began. This event came as a startling surprise to most of the world. Of all the Arab countries in the Near East, Iraq has

been generally considered the most stable. Its regime has been consistently friendly to America and opposed to Communism. Iraq was a signer of the Baghdad Pact—a pact that was formed to withstand Communist advance into the Mideast.

Iraq was the one Arab nation upon which the West was certain they could depend. No one looked for trouble there. Yet a few revolutionaries—two men in particular — with moral support from Nasser, plotted and overthrew the regime in a night.

A year ago, Nasser announced the formation of the United Arab Republic, a merger of Egypt with Syria. At once he began a propaganda campaign to get the other Arab countries to follow suit. The Kings of Iraq and Jordan, which were opposed to Nasser's dictatorial policies, answered his demand by forming a united Arab kingdom of their own. Nasser considered this action a direct personal affront. The government radio at Cairo under Nasser's direct control encouraged the assassination of the kings of Jordan and Iraq. His agents intensified their fifth column work in these countries. In Jordan their intrigues were uncovered and balked — at least for the time. Revolutionaries in Iraq were more successful in concealing their plotting. At a favorable moment they struck. The king and other high officials were murdered in cold blood. In a matter of hours the assassins controlled the radio, occu-

pled the Iraq military bases and airfields. Thus, Iraq which had seemed so firmly in the camp of the West, like a house of cards toppled overnight into Nasser's orbit. The first thing the world knew was that the new regime was communicating with and receiving the congratulations of Nasser. The Iraq-Jordan merger for all practical purposes was dead.

But what of Iraq? What relation does this modern-day country have to Bible history? What significance does it hold in the future fulfillment of prophecy? What is the significance of this nation falling into the Moscow-Cairo Axis?

IRAQ, LAND OF THE GARDEN OF EDEN

Iraq is a land where great events have happened suddenly. It embraces the territory of the Tigris and Euphrates Rivers where the Garden of Eden was located. In Eden, the drama occurred that turned the earth in a day from a Paradise to a fallen planet. It was there that Satan played his master stroke. By tempting Adam and Eve and inciting their disobedience to God, he was successful in bringing about their fall, as well as that of all their descendants. Iraq is indeed the land where history began.

IRAQ, THE LAND OF THE TOWER OF BABEL

It was in this country also that the Tower of Babel was built. This act of impiety, the attempt to build a tower that would reach to heaven, resulted in the confounding of the tongues of the builders and their dispersal abroad over the face of the earth.

IRAQ, THE LAND OF BABYLON

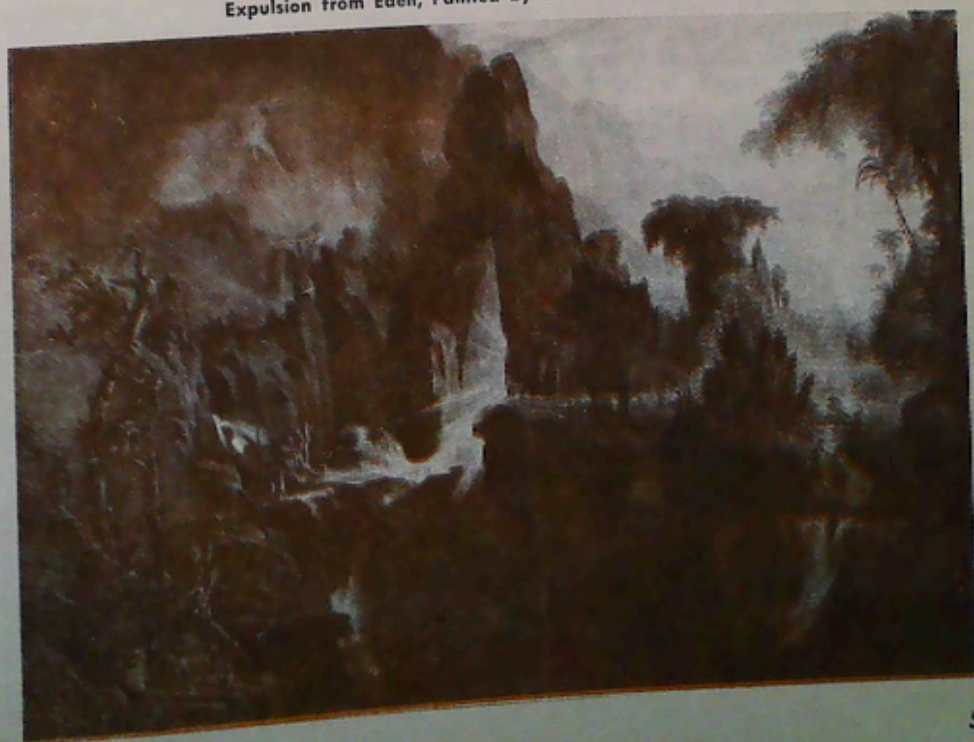

Perhaps the most important circumstance regarding Iraq's prophetic significance, however, is that this nation is the geographical successor to Babylon the Great of Bible days. That Babylon that

WINNING THE NATIONS CRUSADE

World Wide Revivals Continue to Gather Momentum

As this issue goes to press, the summer has just come to a close. It has been a season marked by great response to the WORLD-WIDE REVIVALS campaigns. Thousands have been saved, healed and filled with the Holy Spirit. Moreover, in each campaign the vision of reaching a lost world has been warmly received by the audience.

In the past few years great cities in many lands have been stirred by the deliverance campaigns. Now it is apparent that the hour has come to reach whole nations for Christ. By the time this issue has reached our readers, Brother Sumrall will have returned from the Philippines where he has been setting up Project Philippines—a project designed to reach the whole nation for Christ. (This is explained elsewhere in this issue.) We call upon our world prayer band to join with us in a real covenant of prayer for this undertaking which is unprecedented in scope and vision.

The Finland Undertaking is Glorious Success

Finland is a country that has experienced great sorrows. In one generation three wars have ravaged it. Nevertheless this nation has responded notably to the supernatural gospel. Finland is not a heathen nation, but it long has been known as a country where the gospel has had widespread acceptance. This country, hearing about the great deliverance revivals in America (and some of our associates have been there before), sent a call to our office to send a man there to minister the gospel in its fullness. Brother Vinyard has proved to be the man for the hour and the place. Tens of thousands of people attended the campaigns—one held nearly as far north as the Arctic Circle, Kuopio. The miracles of healings that took place nightly stirred the people mightily and the response to the altar calls went as high as 4,400 in one night. According to all reports from that country the impact upon the people was unprecedented. Those who helped finance this trip will be happy to learn of eminent success.

Colombia

Some time ago, we mentioned that we felt the time had come for a special effort in Colombia, a country in South America that has suffered bitter persecution from the state church. That while there had been some very commendable work done in that country, yet the great weakness in these efforts has been the lack of

a strong work in the capital city, Bogota. There has been no strong Full Gospel church in the city to contact the government or present the case of the evangelicals. Harry Bartel, realizing this, has put forth a great effort to initiate just such a work. He appealed to THE WINNING THE NATIONS CRUSADE to give assistance in the financing of an evangelistic center in Bogota. This we have done through the kind assistance of some of our friends. They will be glad to know of the progress that is being made, and that their gifts are having a substantial part in evangelizing that nation. Below is a recent letter from Harry Bartel:

"Dear Brethren Lindsay and du Plessis:

"We acknowledge with very grateful hearts the faithful monthly check sent on payment of our building here. When we think of how much has been accomplished here because of your help, we are more than thankful. The church has been able to start a new work and great hopes are for beginning three others now. They would not have been able to do this without being relieved of that burden.

"We do not know who or what persons are actually responsible for the money sent but we believe that if they knew just how much we are able to do through their help, perhaps they might, as the Lord permits, continue helping beyond the time set. We know that all is in God's hands and we will be praying Him to lead very definitely.

"We are looking into the possibility of a radio program since the government has changed. Hopes are high to begin, perhaps in several months. A manager of one station here likes the gospel and gives us hopes, Praise the Lord. Would request your prayers because should this be realized, it would be one of the greatest outlets ever for the gospel here.

"The church is beginning to turn some money back into the revolving fund as they help start new works. We see such definite progress in their missionary vision outside of Bogota since they have been relieved of the burden you folks have so wonderfully taken on.

"Again, God's richest blessings upon you. Our work is growing fast and God will be praised, Hallelujah! . . . Harry K. Bartel."

Nicaragua

Reports have just reached us that a church cooperating with the Crusade has just sent assistance for three building projects in Nicaragua, where we now have a daily radio program. Last year when we stopped in Managua, we saw

not only the need there but the remarkable opportunity for expansion in that land. We financed one small church, and now three more churches are being built there. Incidentally, a fine evangelistic center in Managua has been nearly completed under the direction of Russell Kensing. We will have further information on the Nicaraguan project soon.

The Jewish Edition

You have, no doubt, received your Jewish edition of WORLD-WIDE REVIVAL. Response thus far to this edition has been very gratifying. We ask our readers and friends to cooperate with us in giving this issue wide circulation among the Jews. You may obtain copies for 5 cents each in bundles of twenty or more. However, they are available for free distribution as the Lord provides. Note: We plan to print some of these articles in Hebrew for distribution in the Holy Land. Two tracts have already been printed and distributed there.

We might also mention that Brother Sumrall and Brother Erickson have planned to hold a campaign in Israel in the near future. We do not know what the response to this may be. If there should be even modest success in this venture, would be of tremendous significance—clear indication that the time has come for reaching Jews in numbers. Pray, please pray for this important venture. "Pray for the peace of Jerusalem"

Great tent campaign conducted by Richard Vinyard in Finland. Up to 4,000 responded to a single altar call.

WINNING A NATION FOR CHRIST

"... His disciples prayed him, saying, Master, eat. But he said unto them, I have meat to eat that ye know not of. Therefore said the disciples one to another, Hath any man brought him ought to eat? Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work. Say not ye, There are yet four months and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields, for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal." John 4:31-36

The Great Commission Congress, which will convene in Manila, Philippine Islands, January 22, 1959, is the direct answer to the words of Christ as He spoke to His disciples. In the midst of a phenomenal revival which has spread across America and has now gone to the uttermost cities of the world during the past ten years, comes a new cry! We have been very grateful to see the hand of God leading during this mass revival. With the shaping of world events fulfilling last-day prophecies comes the scripture with this cry, "Behold, in the last days I will do a quick work and I will cut it short in righteousness."

This leads us to the Great Commission Congress and taking a nation for Christ. During the past years of evangelization in this great revival we have only thought of winning a city or saving so many souls during a mass meeting. However, now comes the possibility and the staggering potentiality of not just winning a city or stirring an area, but sweeping an entire nation for the Lord Jesus Christ.

I have just received a letter from Lester Sumrall, who has been in the Philippines setting this meeting into motion. He writes: "I believe the greatest enthusiasm I have ever seen is in the hearts of these people. We believe God will give you the greatest revivals here in history!"

In other places in this magazine appears articles concerning our plans in the Philippines. Very shortly you will be receiving a letter outlining the details. At this moment we are asking for a great army of prayer warriors to ascend to heaven their petitions in behalf of this latest venture of faith for Christ.

NEWS BRIEFS

by David J. du Plessis

EVANGELIST ROTHWELL VISITS AKRON, OHIO

Pastor G. Jerry Bacher, 340 West Market Street, Akron, Ohio, writes: "It was indeed a blessing to have Evangelist C. H. Rothwell with us in the Akron Revival Center, May 29-June 8. Faith was

instilled in many hearts by his anointed ministry. Many were delivered from sin, sickness, and disease. A lady who had a serious condition in her leg was healed instantly. Another sister was healed of a lump in her breast. We especially appreciate the emphasis that Brother Rothwell placed on the importance of the Baptism of the Holy Ghost and fire. Our people were not only helped physically, but were quickened spiritually. We are looking forward with great anticipation to a return visit from our brother."

THE DE GRADO CAMPAIGN IN MARINETTE, WISCONSIN

Pastor M. E. Hayes writes: "We have recently been visited by God during a three and one-half week salvation healing campaign with Evangelist and Sister Joseph DeGrado of Los Angeles. The meetings

were conducted in the Assembly of God Church, but people came from all over the area and from many denominations. The ministry in song of the DeGrado family was greatly enjoyed and his ministry was powerfully anointed. In a Sunday service a lady who had suffered a double rupture for twenty-seven long years was completely and instantly healed. Many souls were saved. Fifteen received the Baptism in the Holy Spirit. Some of them had been seekers for many years. Others were just new converts. Space will not permit to tell of the deaf ears that were unstopped, ruptures that disappeared, arthritic and

heart conditions that were healed instantly. We certainly appreciate the presentation of the Full Gospel of salvation, healing, and the Baptism in the Holy Spirit and we can wholeheartedly recommend the DeGrado family to other churches."

EVANGELIST KRONBERG MINISTERS WASHINGTON, INDIANA

Rev. Bob Potter writes: "Night after night our hearts were thrilled as the message of faith was delivered under the anointing of the Holy Spirit. As the meetings continued faith increased and people began to lay

hold of the promises of God. Healings became the order of the day. Reconciliation was the norm of every heart. Sinners began to come to Christ. We thank God for sending Brother Kronberg our way."

EVANGELIST BOB HERALD MINISTERS IN THE WEST INDIES

Recently Evangelist Bob Herald with his family and some friends, traveled into the primitive parts of the island of Jamaica where no cars could be taken because there are no roads in the mountains. Capacity

crowds attended the services, which usually commenced at 5:00 in the morning. The evangelist writes that these services were among the most powerful and most spiritual that he had witnessed in many years. The largest of his meetings was held at a town called Ewarton, where more than 3,000 gathered for one service and this would be about 75 per cent of the population. Night after night capacity crowds stood for hours to hear the evangelist and to receive salvation and healing under his ministry. It is considered that several hundred found the Lord in these meetings.

A PIONEER PASSES

While ministering in Germany, Rev. G. Herbert Schmidt went home to be with the Lord on May 19, 1958. He is survived by his two daughters, Mrs. Ruth Barkley and Carin. Mrs. Barkley, with her husband and child, was in Germany at the time of her father's death. For many years Brother Schmidt had pioneered the Pentecostal message in Eastern Europe and he is known as the father of many churches of which some are now behind the Iron Curtain.

HERMAN WALTERS LEAVES FOR AUSTRALIA

After 26 years in the ministry preaching the message of deliverance, Rev. Herman Walters, who had pastored for the past 15 years in San Jose, California, felt the call of God to advance to Australia, where he says, "There is a needy field and people are most receptive to the Word of God once they hear the Bible truths." Early in 1958 Brother Walters campaigned in Australia with pronounced success. Invitations to return to that land came soon after. The spiritual hunger of the people had so impressed him that he felt led to resign his pulpit in San Jose and to prepare to follow the call of God with his wife and children to Australia. Let us pray that God will provide for all his needs and give him a great ministry in that great country "down under."

AN EXTRAORDINARY ACHIEVEMENT

The Assemblies of God in Britain is the only evangelical movement in that country that has been able to maintain regularly a gospel program on a commercial station. Radio Luxembourg is perhaps one of the best known commercial stations throughout the world and although the Assemblies of God is one of the smaller evangelical parties in Great Britain, her operations now are known in every city, town, and village.

In the periodical, BRITISH WEEKLY, Mr. B. G. Cooper mentions, "Revivaltime" as a regular Pentecostal program with an audience of 570,000 listeners on Tuesday nights. This is 1.4 per cent of the population of Great Britain and Ireland. Actually, this means that they have a bigger listening public than the B.B.C. for her Sunday morning religious broadcasts. The speaker for the British Revivaltime is Rev. J. Nelson Parr of Manchester.

TREMENDOUS REVIVAL IN BRAZIL

In the Norwegian Pentecostal magazine, KORSETS SEIER, of April, 1958, Missionary Aldor Petterson reports that the Lord has raised up a native preacher who has great spiritual gifts. He fasted and prayed and read the Word of God for thirteen days, and then the Spirit of the Lord overshadowed him and he became a mighty vessel in the hand of God. A number of cities have been shaken by

PERSONAL PROBLEMS

by W. V. Grant

1. There will be people come up to the judgment and tell the Lord that they have cast out devils in His Name and done many wonderful works in His Name and then the Lord will turn them away. Does this mean the Full Gospel people of our day who claim to cast out devils?

To say that these people were ever saved is to take their word for it instead of the statement that the Lord made. Jesus said that He never knew them. (Matt. 7:23.) They had never been saved. They had never been filled with the Holy Ghost. They had never been born again. No doubt they are the group of people who build beautiful churches, claim to get people converted and saved from sin and the devil. They claim to have changed people's lives. They use the wonderful name of Jesus, but their names are not on the Book of Life. They are members of some church. They have used the name of Jesus with their mouth. (Matt. 15:8.) They have put His name in front of their great structures and temples, but they are yet unconverted.

To say that they have cast out devils is to take their word for it instead of what Jesus said. Jesus says Satan cannot cast out Satan. (Matt. 12:26.) He says that a house divided against itself

cannot stand. No fountain can send forth sweet water and bitter. A corrupt tree cannot bear good fruit. Satan absolutely will not come out unless a power stronger than he comes in and binds the strong man and casts Him out. The only power stronger than Satan's is the power of God. A man without God cannot cast out Satan. Satan does not cast out Satan. (Luke 11:22.)

2. One man tells me that the spiritual gifts are resident in the believer; another says they are resident in the Holy Ghost; a third man says they are resident in the Church. Which one is right?

All three men are right. First: The spiritual gifts are in the Spirit. They are given by the Holy Spirit. The Holy Spirit divides them to every man as He wills. There are no spiritual gifts apart from the Spirit. All nine gifts are in the Holy Ghost. Second: The Holy Ghost dwells in us. Our body is the temple of the Holy Ghost (or Holy Spirit). (1 Cor. 6:19.) The Holy Ghost comes in us to abide forever. (John 14:17.) Our body becomes the tabernacle for the Spirit. Third: The Church is a group of Spirit filled believers. We are the Church. The Church is not an or-

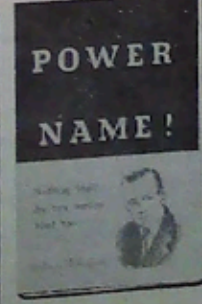

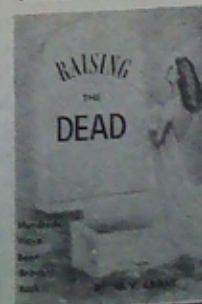

ganization, but an organism. We are members of the body of Christ. The Church is not creeds, rituals, or doctrines. The Church is not a meeting-house, but a building not made with hands. Each of the Spirit-filled believers is a stone in that building.

It is very plain that the gifts are in the Holy Ghost, the Holy Ghost is in the Church, but we are the Church.

3. We find in the Bible that by one Spirit we are all baptised into one body. Some people say that means you are not in the Church until you receive the Baptism of the Holy Ghost. Others say that it means that you receive the Holy Ghost when you are saved. Which one is right?

Neither group is right. In studying the Bible we see that the baptism of the Holy Ghost is a different experience from being saved, or conversion. You cannot receive the Holy Ghost until after you are saved. (Eph. 1:13.) (Mark 16:16-17.) The disciples had their names written in heaven before they received the Baptism of the Holy Ghost. They had great joy. Unclean spirits came out of the Samaritans. They believed and were baptised. After that, Peter and John came down, laid hands on them, and they received the Holy Ghost. (Acts 8.)

The Holy Spirit baptises us into Jesus at conversion. (1 Cor. 12:13.) The Minister baptises us into water. (Matt. 3:11.) Jesus baptises us into the Holy Ghost. (Matt. 3:11.)

TAKING THE NATIONS FOR CHRIST

(Continued from Page 4)

revival, people came by boat, airplane, and bus to the meetings.

THE NATIONAL OUTREACH

In the capital city, we will have reached tens of thousands of people. There will be many observers there including some of our finest pastors and evangelists from America. From here we will launch out into the other great cities of the Philippines, with teams of workers. By this means, in six or eight weeks, an entire nation will have the opportunity of hearing the Full Gospel.

THE LOCAL LEVEL

This entire plan is unselfish. All the Americans who go to this meeting will pay their own fares and also pay for their keep while in Manila. The expenses of bringing the workers from other islands and cities will be paid with American dollars from the missionary funds of World-Wide Revival.

In every service there will be an offering taken and the people will be urged to give largely and we are hoping that from this one campaign, enough money will be raised to build a new Temple in Manila and this church will be a memorial to this crusade. In years to come this crusade will be remembered not only by the souls that were saved and healed and baptized, but a memorial of steel and stone which will continue as a lighthouse until Jesus comes.

We feel that in this way, we are effectively reaching for the ultimate in world missions by not only bringing the people to the truth of the full gospel, but giving them a place to worship so the full gospel can be maintained on the local level.

We believe that it is now time to reach nations for Christ. Will you pray for the success of this great venture?

IRAQ AND SYRIA IN PROPHECY

(Continued from Page 5)

has become a very symbol of all that is corrupt and evil. The history of Babylon from the time of the building of the Tower of Babel on down through the centuries has been marked by perpetual apostasy and rebellion against God.

Before God judged Babylon, He allowed her first a period of Seventy years in which to punish the nations round about her. Her king, Nebuchadnezzar, sent his armies into the land of Israel, where they burned the city of Jerusalem and took the inhabitants into captivity. Afterwards, God judged Babylon. The account of Belshazzar and his lords impossibly feasting in his palace and profaning the vessels of the house of God is a familiar Bible story. In the midst of that debauchery, there appeared a Hand which wrote on the walls the words, "Thou art weighed in the balances and

found wanting." That night the king was slain and Babylon fell; not unlike the present case of the kingdom of Iraq, in which the king was also slain and the kingdom passed to the hands of others.

Isaiah, the Prophet, living more than a hundred years before Belshazzar saw the Fall of Babylon in prophetic vision.

"And Babylon, the glory of kingdoms, the beauty of the Chaldees' excellency, shall be as when God overthrew Sodom and Gomorrah. It shall never be inhabited, neither shall it be dwelt in from generation to generation: neither shall the Arabian pitch tent there; neither shall the shepherds make their fold there. But wild beasts of the desert shall lie there; and their houses shall be full of doleful creatures, and owls shall dwell there, and satyrs shall dance there. And the wild beasts of the islands shall cry in their desolate houses, and dragons in their pleasant palaces: and her time is near to come, and her days shall not be prolonged." Isaiah 13:19-22.

True to this prophecy, Babylon, the city has never been rebuilt. It stands as a heap, the wild beasts of the desert only inhabiting it from generation to generation.

Although ancient Babylon, the city, was to fall never to rise again, it appears that Iraq, its last-day successor, is to figure in developments at the end of the age. In fact, the context definitely associates it with events of the end-time, in which judgments that will fall on all nations will include also this country.

"Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the Lord of hosts, and in the day of his fierce anger." Isa. 13:13.

Notice also that the king of Babylon was considered such an important figure that in the context of the following chapter he is spoken of as a type of Satan.

"How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit. They that see thee shall narrowly look upon thee, and consider thee, saying, is this the man that made the earth to tremble, that did shake kingdoms." Isa. 14:12-16.

From these Scriptures we see that Iraq, as the historic and geographical successor of Babylon, evidently has an important place in prophecy. That its pro-west government should fall and in its place a new regime should arise that has a sympathy and affinity with Communism.

SYRIA IN PROPHECY

To understand the full significance of Iraq's defection into Nasser's camp, we

must take note of the recent merger of Egypt with Syria into the New United Arab Republic, which brings the Bible picture, for Syria also plays an important part in the prophetic indelible events.

To begin with, it is a notable fact that Syria's capital, Damascus, is the oldest existing city in the world as far as available records are concerned. That city was in existence back in Abraham's day. (Gen. 14:15.) For a time Syria was one of the dominant nations of the ancient world. As far back as history records it has been Israel's traditional enemy. For many centuries, however, Syria has been a tributary nation, subject first to this power and to that one. After the breakup of the Ottoman Empire, it was mandated by the League of Nations to Syria. After World War II, its rising nationalism forced France to give Syria her independence.

One of Syria's first acts after achieving independence was to join with the other Arab countries in an attack on the newly formed Israel nation. This proved to be an ill-starred venture and the entire Arab confederation instead of carrying out their avowed objective were ignominiously defeated. Since that event ten years ago, the Arabs have licked their wounds and thirsted for revenge. In the meantime Syria, not content with waiting, has strengthened its position by seeking and obtaining assistance from Russia. And so again Syria, as in Biblical days, has attained importance as an active enemy of Israel.

The recent merger of Syria with Egypt is of unusual prophetic significance. Egypt as a poverty stricken nation of itself has no vital prophetic significance. But Syria has. Syria, on the other hand, has at the present hour produced no figure of importance that could in the foreseeable future exercise a great influence on world events. Nasser, however, as leader and symbol of Arab ambitions has already achieved a prominence that no other Arab has for a thousand years. Therefore, the merger that places Nasser as the head, not of Egypt but also of Syria is an event of transcendent importance.

Nasser, as a fanatical and ambitious leader, entertains a mad dream of an empire which will include 40 million Arabs. He is willing to resort to any means to achieve this ambition. Through plotting and intrigue, through his inflammatory radio broadcasts, through carrying the favor of Red Russia, Nasser has succeeded in not only greatly strengthening his own position but also to an alarming extent has succeeded in rallying the sympathies of a large segment of the Arab world to his cause. His activities must be accounted responsible for precipitating the recent bloody revolution in Iraq. Elsewhere in other Arab countries his agents are fomenting disturbances and trouble to the avowed end of bringing

the whole Arab world into his orbit. Radio Cairo today openly advocates the assassination of the Jordan king, Hussein.

Nasser and Syria, backed by Red Russia, have produced a combination that prophetically portends events of world-shaking importance. The fall of oil-rich Iraq, geographical successor to Babylon the Great, into this camp lends ominous meaning to the developing picture. In Arabia lie two-thirds of the proven oil deposits of the world. Russia's control of these would tip the balance of world power sharply her way. Hence the strong reaction of Britain and America to the fall of Iraq into the orbit of Nasser and Communism.

PROPHETIC SIGNIFICANCE OF SYRIA

As we have mentioned, Syria as the traditional enemy of Israel now is again looking menacingly south toward that new state now only ten years old. Under the dominance of Nasser and Red Russia it appears that Syria is ready to fulfill her end-time role in prophecy. To understand what this is let us turn to the Eighth chapter of Daniel, which peculiarly associates Syria with the Beast power of the End time.

In this prophecy we are first told of the rise of the great ancient Gentile power—the Grecian or Macedonian Empire of Alexander the Great. We are informed that when this ruler reached the zenith of his power he would be “broken.” Out of his kingdom would then emerge four lesser kingdoms. History tells us that this is exactly what came to pass. One of those four kingdoms was Syria. Out of that kingdom, the prophecy adds, was to emerge a notorious character who would persecute Israel with unprecedented ferocity. History records that this vile person was Antiochus Epiphanes, one of the most despicable characters on record—a king who carried on a merciless war of rapine and murder against the people of God. It was these Syrian wars that brought rise to the valiant exploits of the Macabees. Antiochus' campaigns of terror are still reckoned by the Jews as one of the blackest periods in the history of this nation. This fiend carried on his blasphemous conduct against Israel and its religion to the point of sacrificing a sow upon the altar of the Holy Temple. Antiochus of Syria, so clearly fulfilled the prophecies of Daniel 8, that there has always been a practical unanimity among prophetic students that he was the one so described. In fact, Antiochus' loathsome conduct has secured for himself the unenviable reputation as a very antichrist.

Antiochus could not be more than a type of the antichrist because the prophecy indicates the rise of a more powerful and if possible an even more wicked personage than he, whose activities are clearly identified to occur at the endtime. The prophet, Daniel, continuing his explanation, reveals that out of this kingdom (of Syria) would come forth a “lit-

tle horn” that would “wax exceeding great toward the south and toward the east and toward the pleasant land.” “And it waxed great even to the host of heaven; and it cast down some of the host and of the stars to the ground, and stamped on them.” Daniel 8:9-10. Further description is given in verses 22-25, where we are told of a number of things concerning this “little horn.”

1. He should arise in the latter time of their kingdom.
2. He should be a king of fierce countenance.
3. He should understand dark sentences.
4. His power shall be mighty but not by his own power.
5. He shall destroy wonderfully and shall prosper.
6. He shall destroy the mighty and holy people.
7. He shall cause craft to prosper.
8. He shall magnify himself.
9. He shall stand up against the prince of princes.
10. He shall be broken without hand.

COULD THIS “LITTLE HORN” BE NASSER?

Who is this personage? Could it possibly be this Nasser who is now the head of Syria from whence the little horn is to come? Let us be cautious. We cannot say he is the one. All we can say at the present moment is that it is within the realms of possibility that he is the prophetic character alluded to. There is the possibility that he is but a forerunner.

Nasser is certainly an important character to watch in the unfolding of the prophetic picture. He is the present head of Syria. He is threatening through his machinations and intrigue to pull the entire Arab world away from the west and into the Communist orbit. His appearance is actually of “fierce countenance.” He has come on the scene at the very time when the fulfillment of the great prophecies of the end-time must take place.

With these considerations we can see the importance of the fall of Iraq into Nasser's camp. Babylon, too, is entering into its final phase of prophetic fulfillment. It means that the time of the end is that much nearer. It means that the time we have left to do things is that much shorter. If we are to reach the nations for Christ, the church must embark on a heroic program calculated to bring the gospel to millions of people. Only the ministry of the miraculous will reach these Mohammedans. Let us not delay, but let us move forward in God's great program, to reach the nations while there is yet time. To that program is **THE WINNING THE NATIONS CRUSADE** dedicated.

his ministry. In the campaign in Recife there gathered from 50,000 to over 80,000 in the meetings and great crowds

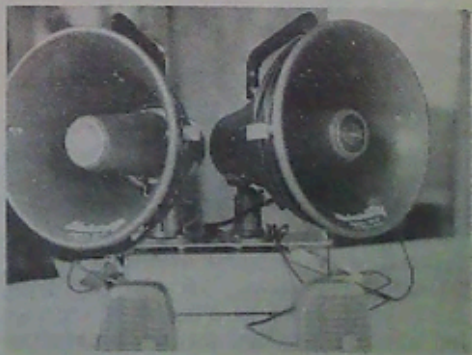

gave their lives to the Lord. It is considered that this Brazilian minister, Manoel de Melo, has already ministered to more than a million people and ten thousands have been won for the Lord. Miracles of salvation and healing are taking place in his meetings all the time.

JEWS SAVED IN SOUTH AMERICA

A new bulletin of “Million Testaments Campaigns, Inc.” reports, “In South America the eagerness of the Jews to receive New Testaments is nothing short of amazing. Our special representative has helped to conduct several street meetings a week in the Jewish districts of Buenos Aires. A car with a loudspeaker was used and hundreds of Jews attended these street meetings. Their eagerness to receive the New Testament was very remarkable. Often some hundreds of Testaments in Spanish and Hebrew and one or two other languages were given out to Jewish people who promised to read them. The latest word is that 22 Jews in the city of Buenos Aires have recently been saved through the Scriptures that have been given to them. They have now come out boldly and confessed Christ as their Saviour, and they are seeking to win others to Christ.”

the Winning the Nations Crusade. In the rear of the tent we have displayed 60 or 70 photos giving documentary evidence of the great revivals abroad that have been conducted by Voice of Healing men. On the night the Winning the Nations Crusade film is shown, Brother Cerullo gives a masterly message on the responsibility of the church to fulfill the Great Commission, and the words of Jesus Who said, "When this gospel of the kingdom is preached as a witness unto all nations then shall the end come."

The Prophetic Ministry

It is evident that God is bringing the prophetic ministry back to the church. We are conservative in this respect because of those appearing from time to time, assuming great titles but who quite lack the power of such an office. But we can truthfully say that in these meetings the prophetic office is being manifested.

As an example of the manifestation of the prophetic office, outstanding cases of discernment of people in the audience have occurred. This always has a great effect upon the people. And when the anointing rests heavily upon our brother, words will be spoken which if they were not of God, would result in embarrassing situations. However, God never fails to back up that which is spoken in the Spirit.

The New Anointing

We have closely watched Brother Cerullo's ministry during the past few months and have observed new developments in his ministry. This was especially discernible in the Moline meeting. Brother Cerullo agrees that at that time a new anointing came upon him that he never had before. An anointing which, no doubt, has a special relation to the reaching of nations. Right now plans are being made (see story elsewhere in this issue) for an invasion of the Philippines. Now is the hour, we believe, that God is preparing an army to invade the nations for Christ. We earnestly request that the people of God and especially our great world prayer band, will pray without ceasing for us.

One more thing. The meetings have been designed to build confidence among the pastors. That they have been successful in this respect is shown by the fact that the ministers in practically every area visited have unanimously voted to have the party return to their city again.

TESTIMONIES

Brace Removed and Blind Eye Healed

Several years ago I was in a car wreck that caused me to have a pinched nerve and a slipped disc for which I had to wear a brace for nearly two years. I could not turn my neck. I also had a tumor on the brain that gave me a continual head-

ache. Then too, my left eye was nearly blind, and my right eye was failing.

I heard of Evang. Morris Cerullo's meeting. I am a Baptist and had never been in a Divine Healing Campaign, but I went anyway. Brother Cerullo called me to the platform. As I stood in the presence of God, my faith increased. When he prayed for my neck, it was instantly healed. We took off the brace before the large audience, and I could move my neck normally and freely. I then noticed that my blind eye was healed. After some days have elapsed, I can read small print with that left eye, my right eye has been restored, I have had no more headaches, and my neck is well. Praise God!

Mrs. Sue Denton, Hobart, Ind.

Woman in Asylum Delivered

Brother Cerullo, you will remember praying for a Mrs. Pontious, who was brought down from the State Hospital at Traverse City. You told us to take her back to the hospital, and that they would find her well and would release her. That is exactly what happened. After examination by the staff, she was dismissed. To God be the glory!

Rev. C. G. Pontious, Lansing, Mich.

VINYARD REPORT

them to return soon."

Vilho Soininen, pastor of the Elm Church in Kuopio and host to the annual summer conference writes as follows: "People came together from all parts of our country and God gave us fine weather for all the conference days. Over 10,000 people filled the two big tents again and again. The largest tent could seat no more than 5,000 and so there was never room for all inside the tent. Many had to sit outside and listen to the inspired messages of Brother Vinyard, who preached twice each day. Usually he had healing meetings in the afternoon and great revival meetings at night. The preaching was plain and heart searching, founded upon the Scriptures. Hundreds came forward when the altar call was given. Many of those who believed in the evening were baptized in the Holy Spirit the next day. More than 100 received the Baptism in the Holy Spirit during the conference, and 116 were baptized in water.

"We saw many wonderful healings. One old man who walked with difficulty even on crutches was prayed for. He not only gave up his crutches, but he broke them in the name of Jesus and walked around in the tent, to the astonishment and joy of all.

"We thank God for these great meetings. Very very seldom have we experienced anything like this during the past years. A keen interest in spiritual things has been stirred among the residents of our city. We shall continue to pray for Brother and Sister Vinyard that God might use them as a blessing for hundreds of thousands in coming days."
