IT MAKES A BIG DIFFERENCE

"Be not afraid, only believe"

— Mark 5:36

The Defeat of Fear

by David Nunn

FEAR is one of the mightiest weapons that the devil uses against God's people, and every man needs a proper understanding of God's method of deliverance from this harassment.

The Scriptures declare that perfect love casteth out fear, and also informs us that fear hath torment. Satan uses this instrument on all men. Christians have been defeated in their lives as a result of fear. I am not speaking of fear in the sense of reverence, but of apprehension, anxiety, etc. The fear that is reverence, or proper respect—we all need. To be afraid of real danger is right and healthy, for it causes us to be careful; but this tormenting fear that blinds and binds, is hatched in Hell. Its father is doubt, and its mother is sin consciousness. It limits a man with great abilities; takes godly people and causes them to hide away their talents and do nothing, for fear of doing something wrong, or making a mistake. I have seen great minds bound in silence, and it was nothing but fear of what people would think of them.

Satan tells this kind of person, "People will think you are 'showing off,'" or he will accuse them of having too much ego, and tell them that they just want a place of eminence and therefore should humbly keep quiet in order to develop a finer quality in their spirit.

There is a **DEMON OF FEAR** as well as human fear. Job had a fear of things that would come upon him; this is faith in reverse, and his fear materialized, and I cannot help but think that this helped break the "hedge" down from around Job.

I know a man similar to Job who has thousands of dollars in the bank, but constantly complains that one day he will lose it all, and will end up in the "poor house." This attitude of fear robs him of all the benefits or joy of the Christian life, the security he has worked so hard to build, and has made him a spiritual pauper.

A man phoned me one day, while I was in a campaign in his city, and informed me that he was afraid to get out of his house, and that the devil had told him that if he left the house he would kill someone. He was afraid to drive. I immediately told him to get out of his house, get his car out and come to the meeting and he would defeat the devil. Finally, I persuaded him to come and he was delivered. His first step to freedom was when he took a positive act against this tormenting fear. If we want God to give us deliverance, we will have to accept what He has already done and begin to believe that we are what God declares us to be.

Fear robs us of our joy and peace, yet God declares He gives us joy at midnight. Also that "The chastisement of our peace is upon Him." Christ actually suffered for our peace, it is part of our inheritance. Most Christians understand that Christ has saved them, and that God can do everything, but they do not have a proper understanding of what we are to do in order to have the joy, peace and victory Christ has brought.

The great reason fear has taken hold on so many of God's people and defeated

them is because they do not understand the Christian confession; that is, what we as Christians should confess about ourselves. I have found that this is the greatest instrument for defeating Satan, fears, sicknesses, poverty, weakness and failures. The Greek word rendered "confession" in the New Testament means, acknowledgment, or saying the same thing. It is in reality saying what God says about any situation—sickness, sin or any other problem, including fear.

May I illustrate: A lady in Fresno, California, had arthritis and could not open her hand. For fifteen years she had been thus. She had been prayed for many times by the leading men in the healing ministry, but alas she was not healed. I had prayed for her as well, and she had not accepted her healing. She wanted a miracle, but she did not have miracle faith. I challenged her to begin to confess that she was what God declared her to be. For the Scriptures declare, "Himself took our infirmities and bare our sickness . . . and by His stripes we are healed." I asked her to believe in her heart while confessing with her mouth the Lord Jesus as her healer, on the basis of these statements from God's word. She began daily to confess that "With His stripes we are healed" and "They shall lay hands on the sick and they shall recover." And every day she thanked the Lord that she would be better because He was daily making her better. After five days of confessing that she was being made what God declared her to be, God made her

whole. She stood to her feet and opened her hands in the services, and told what I had instructed her to do, and how God had healed her.

This truth of word consciousness can bring us out of the darkness of sin consciousness and develop in us a righteous consciousness which every child of God should have. This is the secret to deliverance. Thousands of God's children have developed a sin consciousness in their lives, when they should know that Christ has been made unto them righteousness, sanctification and redemption.

Most fears are unfounded and therefore every fear should be analyzed to see if there is a basis for being afraid, and if not, then to intelligently attack this through the Word of God until perfect freedom from it has been won.

I have had a great battle personally over the fear of flying, although I had flown in the last war. Due to a certain incident in the war, I had not flown since without fear. Then I decided I must conquer this fear which is not a reasonable fear at all in the light of statistics. I did not win the battle by staying on the ground, but rather by flying, and God gave me scriptures to steady me.

Fear is not a laughing matter. It is very great to the one going through it. They need understanding and help, and should receive it. Faith is an active force in our lives. When we use our faith, we begin to break the chains of fear and walk into the beautiful valley of peace.

I am convinced that when a man understands that what God has declared about him is real, and begins to confess that he is what God has declared him to be, that here will be the dawn of a new day in his life, and that a new power and zest will fill his soul, and his timidity and self consciousness will be swallowed up in a mighty wave of God's glory that will bathe his soul with power, and a new sense or dominion over the devil will come to him that will make him more than a conqueror through Christ.

God says, "Now are we the sons of God," and that we have overcome "him" (the devil), because, "Greater is He that is within us, than he that is in the world." Dare we confess this? The Word says, "The chastisement of our peace was upon Him." Dare we confess this? Jesus said, "I give you power over all the power of the enemy," then should we not confess that we have this power over the devil, and that God always causes us to triumph in Him? Our bold confession is that Christ is our righteousness, our health, our sanctification and deliverance and that He has given His angels charge over us to keep us in all our ways. My confession is that **GOD IS WITH ME**. Did not Jesus say, "I will never leave thee. . ."? **HE IS IN ME**. As the Scripture says, "Christ in You. . .," and "He that is in you is greater than he that is in the world." And that **GOD IS FOR ME**. "If God be for us, who can be against us?" Thank God, "He hath not

given us the spirit of fear, but of love and of power and of a sound mind." He has delivered me and yet shall deliver me and preserve me unto His Eternal Kingdom.

Yes, we are more than conquerors through Him. God says He is above us, under us, before us, and behind us. We are surrounded in God, and the Bible declares, "The angels of the Lord encamp around about us to deliver us." "The Lord is the strength of my life, of whom shall I be afraid?" Yes, God is the answer to our fears, when we believe we are what He has already made us, and make our confession His word, then this word of God will produce faith, sustain faith and perfect our faith. Will you today, beginning right now, make the word of God your confession until you possess all the power and deliverance that you have need of? If you will do this, this will be the greatest day of your life, for you will embark upon the sea of God's deliverance!

The Fate

PERHAPS the greatest living proof of the authenticity of the Bible and prophecy is the Jew. His very existence as an independent nation today is an amazing miracle. For while other peoples dispersed from their homelands have usually disappeared from history, the Jew, scattered and persecuted as no other people, has refused to be absorbed, and he has always retained his distinctive identity and nationality. Such a miracle was necessary, of course, for the fulfillment of prophecy.

ISRAEL — GOD'S CHOSEN NATION (Gen. 12)

Without doubt Israel is the key to prophecy, and around its destiny unfolds God's plan for the nations. About 2,000 years before Christ, God called out a man by the name of Abraham and told him that he was to become a father of many nations. But especially, there was to come from him a great nation—Israel. God said:

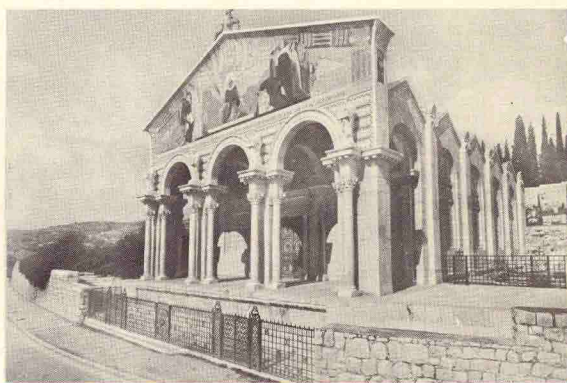

"And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed." (Gen. 12:3)

And thus it proved to be. The nations which have blessed Israel have been blessed. And those that have cursed Israel have been cursed. Today the world spotlight is upon Israel, returned to her homeland. Some nations are plotting her destruction, while others have stood by and have been her friends. Today, after experiencing national rebirth, Israel has a population of some two million, not counting other nationals. Her remarkable return to her homeland, her reclamation of the land from swamp and desert, her growth in industry, agriculture and commerce, her restoration as an independent nation after 2,500 years, has all been a marvel, unique in history.

ISRAEL IN PROPHECY

This brings us to the question as to why this nation, which was so specially chosen of God, has suffered age-long dispersion among the nations and has endured so many heart-breaking persecutions and tribulations. The answer is found in Deuteronomy 28, where God speaks of the blessing that He was to bestow upon Israel if she were obedient. He also speaks of the judgments that would come upon the people if it were otherwise. Moses sums this up by saying, "Ye shall be plucked from off the land whither thou goest to possess it. And the Lord shall scatter thee among all people from one end of earth even unto the other . . . and among these nations thou shalt find no ease. . ." (Deut. 28:63-65)

This prophecy found fulfillment in the Babylonian captivity, which lasted for 70 years, but it was not the only fulfillment. The great prophet, Daniel, who was of the Babylonian captivity, became deeply exercised as to the future of his people, and he set himself to a time of prayer and fasting. "I set my face unto the Lord God, to seek by prayer and supplications, with fasting, and sackcloth and ashes." (Dan. 9:3). He had seen by the Prophet Jeremiah that seventy years was to be the length of the captivity and that these years being about finished, it was time for his people to return. David also wanted to know what would happen to them after they returned. It was during this time of waiting before the Lord that God gave him the remarkable prophecy of the Seventy Weeks. Not only would the Jews return and rebuild the city of Jerusalem, but God gave him some remarkable information about the coming of the long-awaited Messiah! (Dan. 9.)

Gethsemane (Jerusalem) Basilica of Agony

EXACT TIME OF MESSIAH'S COMING FORETOLD!

Many had been the speculations among the Jews as to when the Messiah would come, but here in one of the most amazing prophecies of all times, the very time of His Coming was foretold! Also, that the Messiah would be "cut off," and afterwards the city of Jerusalem would be destroyed and desolations would come. When did the prophecy say the Messiah would come, and be "cut off"? The answer was that "from the going forth of the commandment to restore and to build Jerusalem unto Messiah the Prince shall be seven weeks and threescore two weeks." (Dan. 9:25).

Now if these "weeks" were of ordinary days, all the prophecy would have to take place in a little over a year, which of course, would be quite impossible. A "week", prophetically, is seven years and is so reckoned in Genesis 29:27. So 69 "weeks" would be 483 years. While secular chronology of those times is not exact, all chronologists agree that the restoration of Jerusalem took place about 500 years before Christ. And here the Prophet Daniel, whose book is believed by Jews and Christians alike, tells us that about 500 years later, the Messiah would come and He would be "cut off" (put to death)! *Here is perfect proof for the Jew that Jesus Christ, who came at that very time and fulfilled the prophecy, was the Messiah!*

Notice how many other things that Christ fulfilled in the Old Testament prophecies. The Messiah was to be born in Bethlehem (Micah 5:2), of which Jesus was. He was to be born of a virgin (Isa. 7:14), of which Jesus was. Read Isaiah 53, and see how completely it fits the sufferings of the Messiah, which were perfectly fulfilled in Jesus.

Daniel also said that after the Messiah would be "cut off," the city of Jerusalem would be destroyed and "desolations" determined. This, as we know, took place in A.D. 70, when the armies of Titus took the city, putting many of the inhabitants to the sword, and taking others into captivity.

Today many Jews are beginning to see that Jesus was indeed the Messiah, and they are grieved to think that He was not accepted when He first came. However, there is something that can give them comfort. When the brethren of Joseph (who was a type of the Messiah), who had rejected him and sold him into slavery in Egypt, came to Joseph pleading for him

of Israel

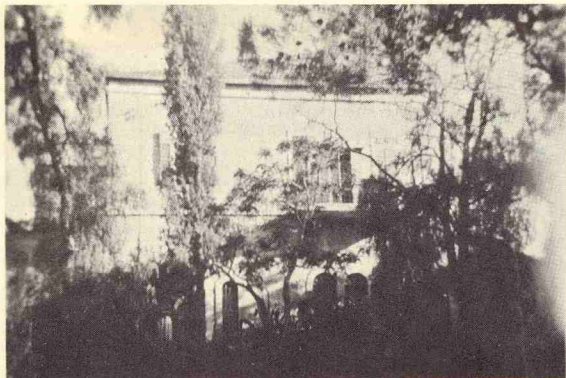

By GORDON LINDSAY

to forgive them for their act, their brother burst into tears and said, "Fear not; for am I in the place of God? But as for you, you thought evil against me; *but God meant it unto good*, to bring to pass as it is this day, to save much people alive." So as the day draws near for Israel to weep over Him that they pierced (Zech. 12:10-14), they will be told to dry their tears, for God has meant it for good, that both Israel and Gentile might be saved through His great redemption!

ISRAEL TO BE RESTORED

That Israel was to be restored to her homeland is spoken of again and again in the prophets.

"For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land. . . And ye shall dwell in the land that I gave to your fathers; and ye shall be my people, and I will be your God. And the desolate land shall be tilled, whereas it lay desolate in the sight of all that passed by. . . And they shall say, This land that was desolate is become like the garden of Eden; and the waste and desolate and ruined cities are become fenced and are inhabited." (Ezek. 36: 24, 28, 34, 35).

The Voice of Healing headquarters in Jerusalem located next to the American consulate.

Jesus Himself, who wept over Jerusalem and foresaw its desolations, its occupation by the Gentiles, also foresaw that when the times of the Gentiles be completed, the dispersion would end. "And they shall fall by the edge of the sword, and shall be led away captive into all nations; and Jerusalem shall be trodden down of the Gentiles *until the times of the Gentiles be fulfilled*" (Luke 21:24).

In the year 622 A.D., the religion of Islam sprung up and soon after, Jerusalem fell into its hands. For a time it appeared that the whole world was going to come under the sway of the Moslem. But this was not to be. The advance of the Crescent was eventually checked at the battle of Tours.

Today, in wonderful fulfillment of prophecy, much of the land of Palestine is back in the hands of Israel again. God showed Daniel many things about this, but we have space only to mention one curious and interesting statement in his prophecies:

"Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days" (Dan. 12:12)

Here Daniel spoke of blessing that would come after "1335 days", or prophetic years. Now the Mohammedan regime was in existence exactly 1335 Mohammedan years, when General Allenby took Jerusalem in 1917! The last coins that they minted had this date—1335—upon them!

Moreover, 1917, was the year that Lord Balfour made the famous declaration of British policy that Israel was to be homeland of the Jews. Balfour, writing to Lord Rothschild, said, "His majesty's government views with favor the establishment in Palestine of a national home for the Jewish people, and will use their best endeavors to facilitate the achievement of this object. . ." Do you know why Arthur Balfour, Lloyd George, Winston Churchill, General Smuts, and other British statesmen, were persuaded to draw up this declaration? Because they were Bible lovers who had been brought up to believe in the return of the Jews to Palestine as a Messianic move of God.

This event of the return of God's people to Palestine, according to the Scriptures, was to take place just before the Second Return of the Messiah.

The Old and New Testaments both speak of the Messiah and His sufferings. Both speak of His Second return in glory. (See Isa. 53 and Matt. 24-25). In Matthew 25:6, the Messiah is referred to as a bridegroom who, at the *midnight hour* comes to claim His bride. "And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him."

THE WORLD'S ELEVENTH HOUR

With the midnight hour of world history and the return of the Messiah so close at hand, it is evident that we are now in the eleventh hour of world events. In this connection there is an amazing coincidence of numbers that cannot be accidental, and, it is remarkably associated with the capture of Jerusalem from the Turks—an event that was necessary to bring Palestine back into the hands of the Jews. Just consider this:

On the the *eleventh* day of December, 1917, General Allenby entered Jerusalem.

Eleven months later the armistice, or the end of World War I, occurred, which took place at

The *eleventh* hour of the *eleventh* day of the

eleventh month of the year, November 11, 1918.

Also the armistice with Turkey was signed on October 31, 1918. So therefore, although the war had raged for four years, it was exactly *eleven* days after the Holy Land had been wrested from the Turk that the war came to an abrupt stop—the purpose of God being fulfilled! All these *eleven*s coinciding as they did, must surely speak that the world had then entered the Eleventh hour of its history and that the return of the Bridegroom and Israel's Messiah at the midnight hour, was very close at hand.

Jesus is indeed the Messiah. Now is the time, Jewish friend, to prepare your heart for Him. Now is the time for all Israel to prepare and be ready for the greatest event of her history—her acceptance of the Messiah!

THERE IS YET TROUBLE AHEAD

The same Old Testament Scriptures which speak of the restoration of Israel to her homeland, also speak of a time of trouble ahead. Jeremiah refers to the day of Jacob's trouble. "Alas, for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it." (Jer. 30:7). Ezekiel 37-38, are two great chapters revealing events in Israel's destiny. First we are shown in a parable how

October 1959

Dear Friend:

As you read the great challenge of the Korean Project on the following pages, you will realize that the Lord has chosen Evangelist Sam Todd for this great Winning the Nations Crusade.

Sam Todd's ministry has earned for him the confidence and love of President Syngman Rhee and his family, as well as the esteem and cooperation of the leading evangelical ministers and churches.

In his first Korean Campaigns, more than 50,000 souls responded to Todd's gospel invitations.

In the past few weeks he has sent \$7,500.00 worth of warm clothing to needy Koreans facing another cold bleak winter. Besides this, he has just sent over fifty thousand dollars worth of emergency relief supplies to Korea. This salvation and Healing ministry is thus being supplemented by the practical demonstration of the spirit of the Good Samaritan.

Now the hour has come when Sam Todd must return to Korea and establish a large full gospel evangelistic center in Seoul, the capital. It will have adequate facilities for major campaigns, for daily school training for children, and a Bible Training Program for native ministers. This mighty citadel of Christian Faith in Action will stand as a bulwark against the nearby communist world. It will be a tower of strength for all Christians in Korea.

God confirmed that the time is right now by leading two persons to each make large gifts to prepare the project. Another twenty thousand dollars is needed in the next few weeks to launch this great project in Seoul, Korea.

Will you prayerfully ask God for guidance as you write to the Voice of Healing today. Mark your envelope—"Korea Project." You will receive by return mail the gift book below, "Johnny Lee, Korea's Living Martyr." He is Sam Todd's associate in this ministry.

Whether you send ten dollars, a hundred, or a thousand, please rush your letter to our Dallas office at the earliest day possible. God bless you.

Yours for Korea's Millions,

Gordon Lindsay

WINNING THE NATIONS CRUSADE

THE COMING LATIN-AMERICAN GOSPEL INVASION

When this issued reaches our readers, I will be in South America, making preparations for the Latin-American "gospel invasion" next winter. Some half a dozen or more, major cities are involved in this venture, and it will probably be the largest project yet attempted by THE WINNING THE NATIONS CRUSADE. Evangelists participating according to present plans will include David Nunn, R. W. Culpepper, Harry Hampel, Morris Cerullo, Joseph De Grado, Sam Todd, Richard Jeffery and probably several others. Our purpose in the present trip is to set up plans for these campaigns.

THE KOREAN OPERATION

Of supreme importance at the present moment are the plans for the Korean project, which you will read about on the following pages of the magazine. Brother Todd's success in reaching not only the other denominational groups, but also the leaders of the Korean nation including Syngman Rhee (his son visited the Todd home a few months ago while in the U.S.), makes it imperative that we follow up the visitation with a great evangelistic center in the heart of Seoul. Unfortunately property is very high in the large cities of these countries. (It is important to be near the center of a city where all the buses can reach it.) Only the generous giving on the part of American Christians makes these projects possible. Their importance however, justifies the cost, for a strong center in a great city of a country becomes a base for a powerful offensive to reach the whole nation for Christ. Experience has found that the conventional chapels in the small villages are not the present answer to evangelizing Asian nations.

THE TOKYO CRUSADE

We just received word from Hal Herman that the Tokyo Crusade is ready to begin. This is the first union evangelistic attempt to reach this most populated city in the world. Hal Herman who has had great success in these efforts, we believe is the man for this job. We are glad that THE WINNING THE NATIONS CRUSADE participates in the Tokyo crusade in supplying the full gospel literature for the campaign. Some 50,000 Japanese Voice of Healing magazines, carrying the message of salvation and healing in a three-color edition will go into the homes all over the area where the campaign is held.

ISRAEL CRUSADE

Developments are moving rapidly in Israel. Translation work is completed into the Hebrew and the work of distribution of this literature throughout the nation is about ready to begin. Also the first edition of the Israel Messianic magazine will have been printed.

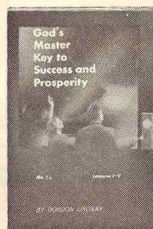

The new Israel film, ISRAEL ON THE MARCH is finished and will be ready for showing. Watch for the date when it will be shown in your area. Brother and Sister Paul Kopp, who will assist in the Israel project will soon be leaving for Israel. Word also reaches us that the Jerusalem prayer band under Dorothy Sheets is faithfully continuing their work, and God is giving them souls.

STUTTGART, GERMANY

Elsewhere in this issue is the story of the Stuttgart campaign conducted by R. W. Culpepper. We spoke one night at this campaign, and had opportunity to observe the extensive effect that this campaign was having on the city. We just received word from Sister Gassner thanking us for the fine results of the Culpepper campaign.

READ LETTER
ON PAGE 6

Why are most of the people who are healed Pentecostal people?

I believe there are a great deal more people healed who belong to other groups than there are Pentecostals. They have simple faith. It seems that they can accept it easier than many Pentecostals.

In Bible times Jesus found that foreigners and strangers had faith for healing quicker than many of His own people. In speaking of the Centurion at Capernaum Jesus said that he had faith greater than any of His people, (Matt. 8:10). Jesus marveled!

We have been made to marvel when we saw people from many different denominations come and receive healing, while some of our own people had been sick for years!

In the presence of the Centurion Jesus said, "... many shall come from the east and west, and shall sit down with Abraham, and Isaac, and Jacob, in the kingdom of heaven. But the children of the kingdom shall be cast out into utter darkness. . ."

Speaking to a Gentile woman Jesus said, "O woman, great is thy faith." (Matt. 15:28). I don't find where He said that to His own. But he said, "O ye of little faith," to one group of disciples.

In our meetings we have seen great numbers of people from other denominations healed and filled with the Spirit. In the Philippine Islands Catholic people, some of whom had never been to a Protestant service, seemed to receive their healing much easier than our people. Deaf mutes and diseased people were healed in the audience in the day services.

Teaming thousands of Pentecostals have been healed, but it is amazing to see people healed who have not been taught about healing!

Early Christians' Experience.

Paul went amongst rank heathen and saw them healed at a word. It seemed that God used healing as a door step to salvation, to build men's faith so they could accept Jesus as their Saviour.

When Peter went to a strange country whole city's full of people were healed, which brought the people to a faith in Christ, causing them to turn to the Lord (Acts 9:35).

Philip went to other people which were not of his denomination and saw them receiving healing by the multi-

Grant's Faith Clinic

tudes (Acts 8). This caused a great revival to break out in the City of Samaria.

Paul was fighting divine healing with all his heart. In three days, even before he was in a healing meeting, he was healed of blind eyes.

Faith Comes By Hearing

God will not let His Word return void. No Word of God is without power. God will hasten His Word to perform it. Faith comes by hearing if that hearing is according to the Word of God. Faith leaves by hearing some negative reports. That is why we should make known His deeds among the people.

Blind Bartimaeus heard about divine healing and made his way to Jesus. He received his sight. Naaman heard about healing and made his way to Elisha. He was healed of leprosy.

A little Baptist lady heard about what was going on in our meeting. She asked to be brought to service. She arose from a chair in which she had been sitting more than ten years. She is still healed! It was her first time ever to be in a full gospel meeting.

In our last meeting it was noticed that the presence of God was in our midst to heal. A Baptist lady brought her teenage son, who had been a deaf mute from birth. He was perfectly healed so he could hear and speak.

A Catholic man who was a deaf mute could hear and talk after prayer.

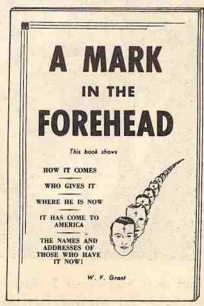

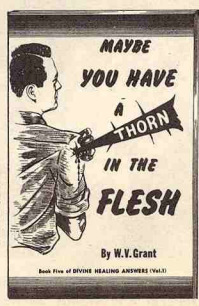

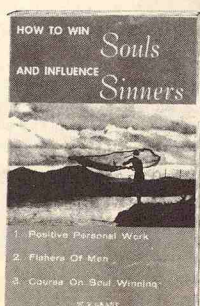

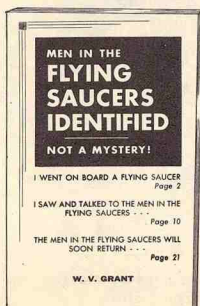

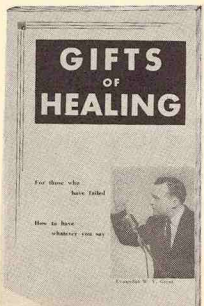

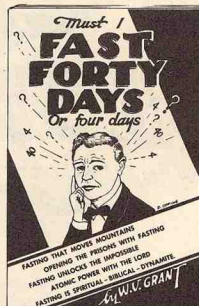

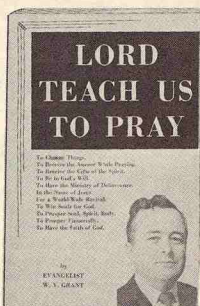

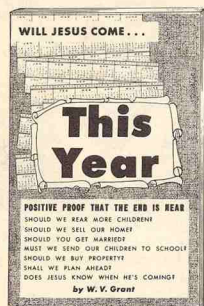

In St. John New Brunswick a teen age girl was brought from an unbelieving family. She had been a deaf mute all her life. After prayer she could hear a watch tick with either ear. She was playing the piano when I saw her last. In the same meeting another deaf mute was healed so she could hear a watch with either ear. She came back night after night and testified. She received the Holy Ghost.

An Anglican lady rose from her wheel chair and walked. A lady who was a Jehovah received a marvelous healing and received the Holy Ghost Baptism.

When you come for healing God does not look at your denomination. He looks at the attitude of your heart. It is not who you are, but who Jesus is that counts.

The eyes of the Lord are now running to and fro throughout all the earth, not just one church, to show Himself to those whose hearts are in the right attitude toward Him.

Western Germany Sees Great Visitation From God In R. W. Culpepper Crusade In Stuttgart

A part of the big congregation under the big tent in Stuttgart. Standing from right to left are Sister Culpepper, Sister Elsie, the organist, R. W. Culpepper, H. E. Tanner, interpreter, Gordon Lindsay and Pastor Paula Gassner.

PASTOR PAULA GASSNER REPORTS ON STUTTGART CAMPAIGNS:

We here in Stuttgart have witnessed one of the greatest soul-saving, miracle revivals ever to come to this part of West Germany.

The meeting was a miracle meeting from the beginning. First, it was a miracle that Bro. Culpepper could even come, since his whole year's campaign schedule had already been worked out. He suddenly had a postponement of one of his meetings for the month of July and just at this time, God laid it upon our heart to invite him to Stuttgart.

We shall never forget those wonderful days under the huge tent which took a great effort of time and faith to erect. Every service was filled with God's glory and many hundreds of souls were saved during the campaign. The Sunday and Wednesday afternoon miracle meetings were marked with great power and God's anointing. People were healed of heart trouble, arthritis;

Evangelist R. W. Culpepper shown with his interpreter, H. E. Tanner.

an elderly crippled man put both crutches over his shoulder and walked away shouting. People with ulcers and stomach trouble were miraculously healed. A woman with a broken leg that would not mend was instantly healed in the meeting. Blind eyes, deaf ears; a woman bowed over with a spinal condition, and so many more were healed by the power of God as Brother Culpepper ministered to the almost endless line of sick and afflicted in every service.

In the Holy Ghost receiving service the large prayer tent was packed to capacity and each night after Rev. Culpepper would spend a few minutes of instructions and speaking on the Holy Ghost, scores of hungry

souls were filled with the Holy Spirit and spoke in other tongues as the Spirit of God gave them utterance.

It was a special added blessing to have Brother Gordon Lindsay join the campaign two days. His ministry of faith brought strength and encouragement to us all. Since the campaign is finished, in every service we see new converts and men and women whose hearts have been stirred by the anointed ministry of our dear Brother and Sister Culpepper. All of us have yearned to love these servants of God. May the blessings of the Lord rest upon them always as they continue to minister for our great Master.

THE MARCH OF PROPHECY

FIRST TEST OF THE X-15 SPACE SHIP

Man's first flight into space will be with the rocket X-15. In a matter of months it will be piloted by Scott Crossfield, to an altitude of 100 miles, well above the highest reaches of the Aurora Borealis. Up till this time, man, in his flights, has relied upon the atmosphere to support the wings of his plane. Momentum of 4,500 miles per hour will take the X-15 up into an altitude where almost, if not quite, a perfect vacuum, obtains.

Tests of the X-15 began early this summer when the rocket plane was released from the mother plane at an altitude of 38,000 feet above the Mohave desert. Tests have been proceeding satisfactorily to the present date.

Latest reports are that the Russians have sent dogs to a height of 200 miles and recovered them alive. By 1961, it is believed that either Russia or the U.S. will be able to put a man into orbit and recover him alive. America is now training seven young men for this particular purpose.

MISSILE LAUNCHING TRAINS

Realizing that the time is drawing near when an enemy may be able to launch rockets with nuclear warheads with sufficient accuracy to destroy any fixed target, a design has been developed in which launching platforms may be carried on special trains. These can roam the country, thus avoiding being a fixed target. Each train would carry three launching platforms.

ATTACK ON THE U.S.

Recently the subcommittee of Joint Congressional Committee on Atomic Energy heard the frightening details of what would happen in the case of an all-out hydrogen bomb attack on America's cities. The bold statistics were overpowering. Some 263 hydrogen bombs falling on the U.S. in one day, would carry 200 times the explosive fury that was released by the allies from the air in all of World War II! The Office of Civil and Defense Mobilization which selected the targets, computed the damage as follows:

Blast and fire would have destroyed or damaged 21 million dwellings. Within two days nearly one half the area of the U.S. would be covered with fallout. Un-

harvested crops would be unfit for consumption. Massive deposits of Strontium-90 from the fallout would make vast areas of farmland unusable for many years.

Horrible as this is, other possibilities were even more chilling. It was possible that from 50 percent of all births following this catastrophe might be defective due to injury of the genes by the radioisotopes.

Estimate of destruction which would take place in some of the larger metropolitan areas is as follows:

CITY	DEAD OR DYING
New York City	6,098,000
Chicago	992,000
Los Angeles	2,834,000
Philadelphia	2,298,000
Detroit	1,413,000
Boston	2,136,000
San Francisco	1,503,000
Pittsburgh	1,256,000
Cleveland	692,000
Washington, D. C.	1,012,000
Baltimore	1,057,000
St. Louis	933,000

The only hope of survival according to the report is to build a vast network of underground shelters which reportedly would cost 20 billion dollars. All this reminds us of the words of the Prophet Isaiah:

"Enter into the rock, and hide thee in the dust, for fear of the Lord, and for the glory of his majesty. . . And they shall go up into the holes of the rocks, and into the caves of the earth, for fear of the Lord, and for the glory of his majesty, when he ariseth to shake terribly the earth." (Isa. 2:10, 19)

BRITAIN DISCOVERS A CHEAP METHOD OF MAKING ATOMIC EXPLOSIVES

A sensational discovery by British atom scientists makes it possible to produce atom explosives at a fraction of the previous cost, so announced the London Sunday Dispatch. This is considered by the British government to be "a world-shattering achievement." It would probably mean the substitution of atomic artillery and the end of conventional weapons. Previously atomic materials have been costly. Now scientists say that

adaptations of the new process could quickly make possible a fleet of atomic submarines and atomic merchant ships. Small nations will be able to build up atomic armaments.

Except God cuts it short, some day a madman such as Hitler, who gains military control of atomic explosives, will let loose a holocaust that will cause the world to realize that the warning given by Jesus in Matthew 24 was not given in vain:

"For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened." (Matt. 24:21-22)

THE ACCELERATION OF MORAL DECAY

It is said that every generation is apt to, self-righteously, see a decline in morality among the young. But the ugly facts are something that cannot be disregarded. In the year 1957, according to TIME magazine, there were 202,000 illegitimate births in America—a rise of 50 per cent in illegitimacy since 1950! This means that one person out of twenty in America is born out of wedlock.

TIME magazine suggests four reasons for the rapid increase of illegitimacy: (1) Modern psychology, which suggests that sex repression damages the personality. (2) A "live today for tomorrow we die", philosophy of the H-bomb age. (3) Broken homes, depriving adolescent boys and girls of moral guidance. (4) The alluring depiction of sex promiscuity in plays, movies, TV programs, and novels.

In Britain the adulterous practice of artificial insemination is gaining ground. One person out of every five thousand, came out of a test tube—that is he, or she, was produced by artificial insemination.

All this is the fulfillment of Paul's words in II Timothy, "Know this that in the last days perilous times shall come . . . evil men and seducers shall wax worse and worse, deceiving and being deceived." (II Timothy 3:1, 13).

THE FATE OF ISRAEL

(Continued from Page 5)

that the bones of Israel, moved upon by the Spirit of God, receive flesh, and life comes into them. They become a mighty army, thus symbolizing the national restoration of Israel.

But Israel has enemies. In Ezekiel 38, "Rosh" moves down from the "north" into the land of Israel, and there is a critical hour when destruction seems imminent. Israel, in the past decade, has fought bravely and valiantly to maintain her independence. God has blessed her with some great and notable leaders. But how shall Israel stand when this evil host moves down? The answer is, God has promised to intervene if the people turn to their Messiah.

Then it shall be as Zechariah prophesied: "Then shall the Lord go forth and fight against those nations, as when he fought in the day of battle."

Now is the time, prophetically and dispensationally, for Israel to receive her Messiah. Now is the time for them to receive the good tidings. God has promised to show His sheep of Israel who their True Shepherd is. So now is the time for the gospel to go forth, and those of Israel who receive the good tidings, must do their part, too. They also must go out in their villages and carry the news to their neighbors as Jesus told His disciples:

"But go rather to the lost sheep of the house of Israel. And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils; freely ye have received, freely give." (Matt. 10:6-8).

THE FATE OF ISRAEL

(Continued from Page 14)

There is no time to lose but we must hurry to our task, for as Jesus said, "Ye shall not have gone over the cities of Israel till the Son of Man be come." (Matt. 10:23).

Israel, you have friends. There are many that have hated you and sought your destruction. Adolph Hitler thought to destroy the Jew, but in the end he himself was destroyed. Because Hitler had power over Germany, the land which gave birth to the great Reformation, some Jews confuse Hitler with Christianity. But not so. He was never a soldier of the Cross, rather he had the swastika or the crooked cross and was a representative of Anti-christ, and an enemy of all mankind, including Germany. Arise, O Israel, and accept your Messiah, even Jesus Christ. For as you do, there is a glad day coming, and as for Israel, in that day her troubles will be forgotten forever.

WINNING THE NATIONS CRUSADE

(Continued from Page 7)

THE WORLD PRAYER GROUP

Now that the WINNING THE NATIONS crusade is becoming a major force in world evangelism, we ask our prayer warriors to be faithful in praying as never before. Comparatively large

sums are needed to build these centers for mass evangelism. The one in Seoul is going to be especially costly, while at the same time Korea ravaged by war is not able to contribute much financially. With our prayers and gifts, we are certain that God will enable us to fulfill our obligation to this generation and to the multitudes that are yet without Christ.
