## Paul Finkenbinder Tells of Great Campaign in San Salvador

### Many Thousands Converted in the Harry Hampel Campaign

Paul Finkenbinder

San Salvador is again the seat of a great visitation from God. At the writing of this report we are beginning the seventh week of a great, mass, citywide Evangelistic and Divine Healing Campaign with Rev. Harry Hampel and Martin Baxter. This Campaign is held in a rented lot where the thousands must stand to hear the message. The average attendance is at least 3000 with over 8000 on the peak nights of the week and the crowd is still growing. We are seeing, never less than 50 and sometimes 300 make their decision for Christ every night. These are definite professions of faith which are demonstrated not only with a raising of hands but also by stepping forward to the altar, repeating the sinners' prayer and signing a decision card. To date over 4500 have made their decision for Christ. (A decision card tally is much more attractive than an estimation of the number who raise their hands for salvation which is no doubt many times this number. Editor's note)

We are more than pleased with Brother Hampel's ministry. His messages are faith building and every Christian, including missionaries, and new converts have felt a definite strengthening in his soul, in every service.

### CATARACTS SEEN TO VANISH

Along with the altar call for salvation, another highlight of the service is the mass prayer for the sick. Hundreds have been healed of all types of diseases. Several have come through the testimony line testifying that they had cataracts on their eyes but when we examined them there was no sign of a cataract. In one case we saw the cataract moving from his eye as he testified.

Among the eye healing is my own little seven year old daughter. Her right eye has been crossed for several years and

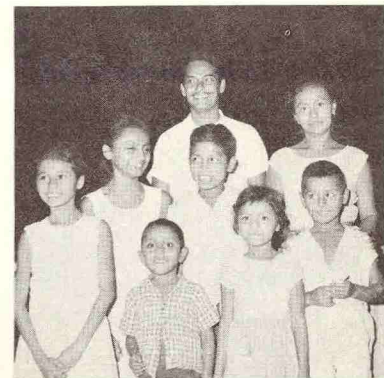

she has worn corrective glasses for almost two years. To our disheartenment her eye has continually grown worse to the point of necessitating our securing stronger glasses for her. She could not be without her glasses even a half hour without sensing severe itching and burning and even pain in the eye. That was the case until five weeks ago when she believed God for healing in the mass prayer that Brother Hampel prayed. Her eye has not bothered her one moment since and the eye nerves are strengthening more every day. It is unusual to see her eye crossed now. To God be the glory!

Many deaf people have received their healing. I remember so vividly the little boy of six, who had been a deaf mute from birth, upon hearing for the first time, jabbered incessantly before the microphone in a soul felt praise which for about five minutes electrified the congregation. Space does not permit us to tell you the full story of the many who have left their crutches, of the tumors and hernias healed and of the many other infirmities that God has wiped away.

A special feature of the campaign are the Holy Ghost day meetings. These are conducted by Rev. Martin Baxter. Every day, except Sunday, Brother Baxter brings stirring messages with encouragement to seek for the baptism of the Holy

Spirit. These meetings are the strengthening of the new converts. Some 400 have already received their baptism, with the evidence of speaking in new tongues.

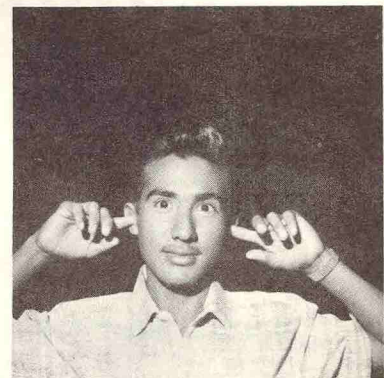

I cannot conclude this without expressing my gratitude to Brother Hampel and Brother Baxter, not only for their willingness to conduct this campaign, but also for taking upon themselves the burden of our work, and for their spirit of co-operation with our local program. We thank God for permitting them to come our way.

Four hundred had received the baptism of the Holy Ghost by the end of February. Here is a happy family.

### THE VOICE OF HEALING RETURNS TO RADIO IN AMERICA

We are happy to announce that THE VOICE OF HEALING is returning to the air in America. Sometime ago we were on a national broadcast that was reaching many of the metropolitan areas of America. The program, however, was not daily but on Sunday afternoon which was not exactly what we wanted.

Moreover, at that time we were desirous of initiating a daily radio broadcast in Latin America where there was little gospel broadcasted, and also we wanted to build a printing plant where we could publish millions of faith books. We, therefore, made a decision that we would suspend our radio operations in America for the time being until we could build the publishing plant and institute the overseas radio program. Now both of these things have become realities. Our printing plant is indeed printing millions of faith books and other faith literature and we have been able with Paul Finkenbinder and others, to initiate and support a Latin-American broadcast. Brother Paul has done such a good work that with increasing backing coming from various sources he is now on 14 daily programs in Central and South America and one television program.

We are now planning to go on a number of stations as soon as proper time and arrangements can be made. In the meantime we have already secured a choice time over station KSKY in the Dallas-Fort Worth area. It is at 8 A.M. each weekday morning, 660 on your dial. Evangelist David Nunn will do the main speaking, while Gordon Lindsay will be the announcer and bring important news of THE WINNING THE NATIONS CRUSADE. Pray for this broadcast. We especially need your help at this time to bring the message of THE WINNING THE NATIONS CRUSADE before the American people.

### WE MUST COMPLETE THIS SAN SALVADOR CENTER AT ONCE

Plans are being made to complete the Evangelistic Center in San Salvador, shown above. When filled it holds over 2,000. We understand that Paul Finkenbinder will also make headquarters here from which he will continue to broadcast to cities all over Central and South America. He now has fourteen daily stations and one television program.

The recent revival carried on by Harry Hampel, resulting in many thousands of conversions, makes imperative the need for completing this center at once. The brethren in San Salvador have just contacted The Winning the Nations Crusade about assistance for immediately financing this evangelistic tabernacle! We are asking our friends to stand with us in these important ventures of faith, which are reaching nations for God!

## A Plan FOR Action

From The New Course "Praying To Change The World"  
by Gordon Lindsay

**WE NOW HAVE** finished a course of over 20 lessons on the ministry of prayer — a ministry which can change the world in which you live. We have seen how men of faith, of past ages, praying against great odds, were able to reverse the order of nature, alter the destiny of nations, rebuke the power of death, and indeed change the very world of their time. The Book of Hebrews, 11th chapter, speaks of these great men of faith.

"Who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouth of lions, quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens. Women received their dead raised to life again: and others were tortured, not accepting deliverance; that they might obtain a better resurrection." (Heb. 11:33-35)

Now what we have learned is inspiring, but it will only help us as we put it into action. All that has been written in these lessons is to the purpose that you might learn how to pray to change the world in which you live. Let us now note the steps that we must take to achieve this result.

### 1. INITIATE A REGULAR PRAYER HOUR

The first thing to do is to establish a regular personal prayer hour, as believers did in the Early Church. Admittedly, we are living in a very complicated age, and there are a thousand extra hindrances today to keep us from maintaining the regularity of this hour. However, it is a true saying that we will always do the thing we want to do the most. If, therefore, we are convinced that the greatest return to us, both spiritually and materially, comes through making prayer a business in our life, then we will allow nothing to deter us from this purpose.

The Early Church had a regular hour for prayer. If we are going to have the success that they had, we cannot get along with less. (Acts 3:1) The ideal hour is in the early morning when our minds are clear and we have been renewed by a night of rest from the petty things that daily beat against us. However, because of the many responsibilities of a modern

age, it is not always possible to have our prayer hour at that time. In the above verse (Acts 3:1) we note that the apostolic church had theirs at the ninth hour, which is three o'clock in the afternoon, our time.

We must face the facts: If we are going to get the best out of life and fulfill our destiny — a destiny appointed in the perfect will of God, we are going to find the time, yea we are going to make time, for our daily prayer hour.

This hour must be observed with a relentless determination. We must keep at it day by day, without intermission, until prayer becomes as much a part of our life as breathing. This was the secret of Christ's ministry. And even now the Lord in His glorified body, sitting at the right hand of the Father, continues this all-important ministry of intercession.

"Wherefore he is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them." (Heb. 7:25)

Christ desiring to impress upon us the importance of ceaseless prayer, devoted two of His parables to the end that men ought always to pray and not to faint." (Luke 18:1-8; see also Luke 11:5-10.) From these we see that we must ever pray and not faint over the difficulties.

Rules 1: *Resolve to have a regular hour of prayer each day, and under no circumstances deviate from this resolution. If for any reason your prayer hour is interrupted, take it up again when the interruption is over.*

### 2. DEDICATE YOURSELF TO THE ABSOLUTE WILL OF GOD

Jesus taught us to pray, "Thy will be done on earth as is done in heaven." And John 5:14 declares: "And this is the confidence that we have him, that if we ask anything according to his will he heareth us." Our whole prayer life must be oriented to the will of God. Before man in Eden chose to disobey God, all things moved in the orbit of God's perfect will. Sin brought the disturbance, the misery, the sorrow, the suffering, the hell on earth. Only through prayer we are able to restore God's plan to our lives. God has a master plan for every man, created in His image. The greatest moment in any believer's life is when he discovers God's real purpose for him and he yields himself to it.

"Forgive me for not writing to express my appreciation before, but these lessons are a wonderful blessing to me and obviously a gift from the Lord. I feel that they have come at just the right time and God is leading me on to a fuller, richer life in His service, to which these lessons have contributed in no little measure."

# SATAN'S COUNTER-ATTACKS

## or Goliath's Brother

by Harold Horton

**F**AITH IN THE LORD JESUS will defeat every returning attack of some old ailment. The enemy cunningly imitates symptoms. Faith will overcome these deceptive symptoms. Here is a word that I trust by grace will help those who are suffering renewed challenges from a former healed sickness. That same faith in Jesus that was victorious in our original healing is still victorious as we use it. Jesus who is the Author of our faith is also the Sustainer of continued faith as we take our steady stand by Him in His Word. *Faith is for ever victorious.*

### SATAN'S COUNTER-ATTACKS

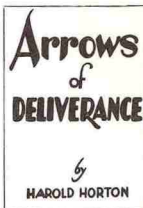

Counter attacks are an established procedure in warfare. Everybody acknowledges this. Yet many who have been healed by the Lord are surprised and sometimes shaken when the foe counter attacks their bodies with the old ailment. When in wartime the United Nations gained a victory, the enemy organized a fierce counter attack in his endeavor to recover lost ground. So in the spiritual warfare. When we are healed by the Lord we cannot be certain that this is always the end of the conflict. The enemy may still bitterly seek to sweep us back into the old fear and defeat. His wiles are subtle and his methods treacherous.

Have you been healed magnificently by the living Jesus, through faith and the prayers of the saints? This is glorious victory. But have you been fiercely counter attacked since, and has the old sickness seemed once more to have fastened itself upon you with obstinate hold? All is well as we keep faith operative. The same faith through which we were delivered will keep us delivered, or repeat deliverance if we have given way a little before the strategy of the enemy. *Only believe*—is still the unailing principle of glorious victory. Let us cheer and fortify ourselves in every attack by the unailing Word of God.

### VICTORY OVER GOLIATH

Enemy counter attacks are a prominent part of revelation in God's Word. Look at David once more. Though David in his youth valiantly overcame Goliath, the boastful giant of Gath and all his mighty horde, he fought this same malignant foe, the Philistines, all through his long life. But he was triumphant in every fierce conflict. Never was he defeated while he was faithfully serving the Lord and believing His Word. In I Samuel 17:50, 51 we read that "David prevailed over the Philistine . . . and smote the Philistine and slew him . . . And when the Philistines saw their champion was

### A WORD FROM HAROLD HORTON

We have just received a letter from Harold Horton, prominent writer in England on the gifts of the Spirit and faith. He has just published a delightful new book entitled, "Arrows of Deliverance", from which the present article was taken. Written by a recognized authority in his field, we recommend this book as one which will build and stimulate your faith. It can be obtained from our office for 50c.

my will again lift his defeated head if we will give him any leeway. But the Word assures us that Christ has given us "power over all the power of the enemy." "Nothing shall by any means hurt you"—if we stand in Calvary's victory. "Resist the devil and he will flee from you." We must not parley with him. We must resist him when he meets us. As we continue to resist him he will give up the fight and leave us victorious on the field.

In later life David learned a new way to deal with his enemies. He no longer fought them—he ran through troops. He ignored them. He would not even recognize their presence. When he came to a seemingly insurmountable barrier, a towering wall of opposition, he did not seek for human means to climb over it. He leapt over walls—and ran through troops. The fight is won long ago at Calvary. The counter attacks are also all won long ago by the same Mighty Victor. Let us stand in that victory. Neither the foe nor his repeated attacks can withstand Faith in that finished work.

The Land of Canaan belonged to the people of the Lord before they entered it. Enter now your Promised Land of Deliverance and Health and Victory. The enemy in Canaan was defeated before God's people encountered them. They had not even to fight them. They were to sweep them out triumphantly before them. If the enemy failed to withdraw before the triumphant end of the Israelites, it was either through fear or unbelief. The land was theirs. All they had to do was to claim it and set their feet on it. The Land of Health and Victory is ours now. All we have to do is to claim it in face of every challenge. To set our feet on it and make it ours. It is ours in any case. Why not make it yours by faith now! This minute!

# ISRAEL ON THE MARCH

100,000 Messianic Booklets Being Distributed from Village to Village

On the front page of this issue is a photograph of Paul Kopp standing beside 100,000 Messianic booklets which the WINNING THE NATIONS had printed in Jerusalem. They are being distributed by several of our missionaries and workers in Israel under the direction of Paul Kopp and his wife.

We have received many letters from the Koppes telling of how God has performed miracles under their ministry in Israel. While there has been some mission work done in the larger cities, no one that we know of has gone from city to city praying for the sick and distributing Messianic literature. Yet that was the way Jesus said to do it. He commanded His disciples to go preach, saying "The Kingdom of heaven is at hand. Heal the sick, cleanse the lepers, cast out devils." And showing that His command is still in effect today, He added this significant statement, "Ye shall not have gone over the cities of Israel till the Son of Man be come." This indicates that even if we work fast, we will hardly get the job done before Christ returns.

It requires a supernatural ministry to reach the Jews. Mission stations in Jerusalem are not the answer, since they are attended by only a few. Only as men who have faith to pray for the sick, go from village to village, and the Jews actually see the power of God in action, are they ready to receive Jesus as Messiah. As our workers go to the villages, they are getting results. The Israel work is one of the most important tasks of the church. And at this moment when the neighboring nations are again fomenting trouble on Israel's borders and there is talk of mobilization for war, this is a specially opportune time to reach these people. We are asking our prayer band to pray as never before for the effort now being put forth in Israel. As God says, "Pray for the peace of Jerusalem; they that love thee shall prosper."

## Morris Cerullo Writes of Great Victory in Haiti

From the first night (in Port au Prince) we started with 15,000 people. The second night 20,000. By Sunday the crowds went up to 30,000. Even when it stormed, 12,000 people stood in the rain. Although this may be said to be the stronghold of Satan, I have never seen a deeper work of the Holy Spirit anywhere. Some 130,000 responded to the altar calls in 13 nights.

I had a session with the president of Haiti a few days ago, and prayed for him. It was wonderful. Each night senators, business men and judges fill the platform. I have never seen an impact like this—a nation being stirred from center to cir-

cumference.

Brother Cerullo went on to say that the only sad thing was that since plans for the meeting had come so suddenly, there was no place to put the thousands of converts. He said that as never before the need was for large evangelistic centers to take care of those who are brought to Christ in the revivals.

We would like to mention that the full Gospel Business Men cooperated with Brother Cerullo in this campaign.

## NEWS FLASHES!

**THE SAM TODD RALLIES FOR KOREA.** Sam Todd is beginning a series of special rallies to be held all over the nation between now and the first of June, in interest of the revival center in Korea. We have received word that the property in the heart of the city has now been secured for this project.

**JOSEPH DEGRADO GOES TO HONDURAS.** Another phase of the Latin-American invasion is now underway in Honduras. Evangelist Joseph De Grado has left for an extended campaign in San Pedro Sula in the northern part of that country. Our "gospel invasion" plans call for the building of an evangelistic center in that important northern city.

**DAVID NUNN IN CAMPAIGN IN GUATEMALA.** Brother Nunn is in the midst of a campaign in Guatemala City. Word has been received that the printing equipment we sent has been received. The brethren in Guatemala are planning to put on a great literature program in connection with the revival.

## BIBLES FOR ISRAEL

by R. L. Davis

R. L. Davis

While standing in one of the many refugee camps in West Berlin where more than two million people have escaped from behind the Iron Curtain, we had the opportunity of giving New Testaments to many of them. They were very grateful to receive the Word of the Lord and some were quite surprised that we were giving them something.

I was visiting in Rome where I talked with Brother Piraino, the District Secretary of the Assemblies of God, who showed me their printing plant and their plan to sow their country down with Gospel literature. Truly my heart was stirred with the tremendous need and possibilities in Italy.

The farther east I travelled, I saw the great hunger of the peoples of the world, for just a piece of paper to read. I realized how they prized a piece of reading material but had such a little to read. I wished for just a pamphlet to hand to the people in their own language but found myself unable to speak their language and had nothing to give them to read. However, the Communists have certainly taken advantage of this hunger and have provided Communistic literature.

I came home with a great burden to do something to reach the masses for God, "For the Gospel of this kingdom must be published in all the world for a witness and then shall the end come."

With this burden the Great Commission Crusade was organized with the purpose of helping to meet the need.

Since then we have printed 100,000 gospel tracts in Berlin, Germany. We have contributed to the publication of 22 million pieces of literature that have been distributed in Italy.

Plas of help for literature have come from all over the world. We have provided more than half million pieces of literature consisting of tracts, gospels, and New Testaments in the Dominican Republic. Writes Missionary Wayne Turnbull, "The natives took these pieces and enthusiastically passed them out and came back begging for more. They consider this dynamite in their hands for God."

We are told that no fewer than five people read every piece of literature distributed on the mission field. Since the printed page always says the same thing every time it is read and cannot be argued with, it provides one of the

greatest weapons and reaches the people in the most economical way. For example, \$10.00 will print about 5,000 gospel messages.

While visiting the TVH office and Brother Lindsay, I learned of an imminent need for Bibles in Israel. Brother Kopp is going from village to village in personal witnessing but has no Bibles to leave with those who want them.

Now, I feel that the Lord would have us provide these Bibles which will cost about \$1.00 apiece.

Our many friends who have been so kind in helping provide literature elsewhere will, I know, be in prayer and stand with us in this great new venture.—BIBLES FOR ISRAEL.

**A CALL TO OUR PRAYER BAND.** A few days ago we were looking over the many thousands of names of those enrolled in our World Prayer Band. We are depending upon you that pray to share the burden with us in these important crusades that are being carried on in many parts of the world.

## GOOD NEWS FROM MOMBASA!

On the next two pages Brother Mattsson Boze tells the thrilling story of what has happened in the country of Kenya. It is an epic in missions. Since receiving his letter we have received correspondence from Brother Milburn J. Sickler who informs us of the marvelous news about their securing land in the heart of the city of Mombasa at a fraction of its real value. It is a great miracle in answer to prayer. He writes:

"I received your cable Sunday morning which you sent on the 20th. It certainly was a thrilling moment when I read your cable! I wish you could have seen and heard the congregation as they reacted to this wonderful news when I told them during the Sunday morning service! The service was held in our open air campaign which we have conducted for two weeks on the lot which we have purchased. This Sunday morning was a special meeting because it was the last that Brother Mattsson and Brother Weston could be with us, and the one in which the students were to receive their certificates for the course. We praised the Lord for a long time and had a wonderful time of shouting and victory."

## IMPORTANT ANNOUNCEMENT

The Winning the Nations Crusade is unique in that it works on a cooperative basis with many groups which have a vision of world evangelism. While the crusade does assume complete financial responsibility of certain projects (as the Manila Campaign) in general its design is cooperative. In all cases the evangelist is encouraged to raise as much as he can on the field and personal supporters should continue their regular giving. Although overseas mass evangelism is revolutionizing missionary work, its cost is inevitably heavy. The evangelist, beside his fare, has regular home expenses to maintain. Moreover of vital importance is the building of shelters and churches to take care of the converts. The purpose of the Winning the Nations Crusade is to share, not to completely underwrite, responsibility of reaching the nations through mass evangelism.

How can a nation be reached for God in a short time? The following article shows that the help of many in the body of Christ is required. We are happy that the WINNING THE NATIONS CRUSADE has had a part. Brother Mattsson Boze relates the unfolding and development of this project on the East Coast of Africa, under the leading of the Holy Spirit.

Left to right: Rev. I. Q. Spencer, Mattsson Boze and Charles Weston.

**T**HIS COMES TO YOU from Mombasa and the Third Year Evangelists' Training School. There are 210 young men in the school. The Lord has blessed and we are rejoicing in Him for all of His wonderful grace and mercy. Besides the missionaries, whom I will introduce later, Rev. Charles Weston, Pastor Bethel Church, San Francisco and Rev. Carlton Spencer, President Elim Missionary Assemblies, Lima, New York, are here. Both of the brethren are made a great blessing.

#### 6000 BAPTIZED IN WATER

God has done great things here. Within the last two years, since our first Bible Course, more than 6,000 people have been baptized in water. Most of these people are new converts, through the ministry of these evangelists, many coming right from heathenism. Many of them have also been delivered from diseases of different kinds and evil spirits have been cast out of many. The great majority of them are now filled with the Holy Spirit.

How did this work begin? How has it developed and how has it in such a short time become such a great work? Many times we are asked why there was such wonderful victory in the Early Christian Church. It was not because of one single factor, but there were many factors working together. So it is with the work of the Kingdom of God today. It is good to recognize the *different* ministries in the work of the Kingdom.

Thinking of the Kingdom of God here in East Africa and everywhere for that matter, I would like to, first of all, acknowledge all the faithful missionary work that has been done. Wherever you go you meet wonderful results from the missionaries' work. When I say missionaries, I do not mean only our own Full-gospel missionaries, but all the missionaries who have laid down a faithful

and unselfish work throughout the years. They have been sowing and we are reaping. We must be thankful for this.

As you all know, the work here in Mombasa is a Full-gospel work. Mombasa is the principal port city of East Africa on the Indian Ocean, with a population close to 150,000.

As far as Pentecostal work is concerned, the coast province of Kenya had none at all before 1953. A coast-line of 400 miles without a Full Gospel Church! One can say that from Nairobi down to the coast, which is approximately 300 miles, there was no Full Gospel work of any kind. It is strongly a Mohammedan country; there is much heathenism and devil worship. The darkness is very heavy but the Lord has blessed so that Church after Church has been opened and thousands have been gloriously converted. In fact about 100 new churches and preaching points have been opened up in the coast province the last two years by these young evangelists.

Between 1953-58 the work on the coast was promoted only in the city of Mombasa. It was a building up of the local church which was destined to be the center of this great work of evangelization.

Then in 1958, everything was ready for the big attack on the strongholds of darkness. This was by no means a plan constructed by men, but by the MASTER-BUILDER, God Himself.

The Full Gospel pioneer missionaries in Mombasa are Rev. and Mrs. M. J.

Sickler. They are working with the Elim Missionary Assemblies, Lima, N. Y. Elim has begun a wonderful work here in Kenya, but only the last few years in the coast province. They started up-country in Kenya, in 1941 but did not work on the coast before the latter part of 1953. Their work up-country, which means between Nairobi and Lake Victoria, has doubled in size the last two years, since our school started. Here in Kenya I have worked mainly with them. The majority of Elim's missionaries are laboring up-country, where also their grade schools are located. They have seen great victories and many of the evangelists in the school are from there. They have co-operated fully since these courses started.

Up-country there are several other good works, both Pentecostal and non-Pentecostal. The biggest Pentecostal work is the Canadian Pentecostal Assemblies, which is the oldest. They have laid down a wonderful work and are very highly esteemed.

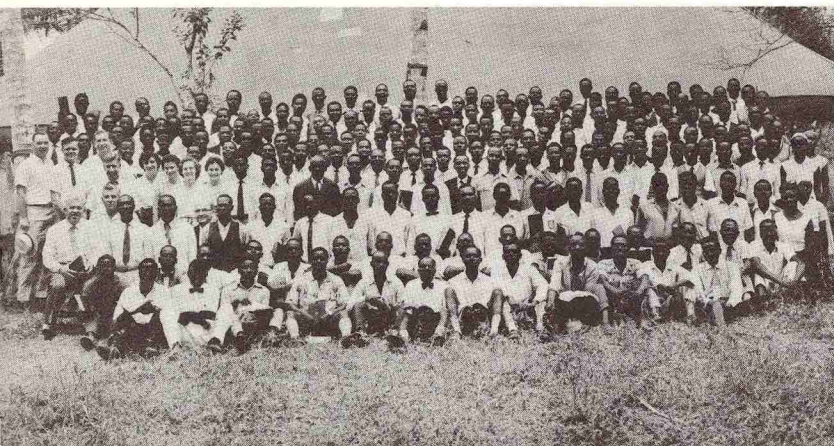

#### HOW DID THE WORK IN MOMBASA BEGIN?

In 1950-51 I began to pray that I should be permitted to preach to those who had never heard the Gospel. I was sitting in my office in Chicago one night, and God impressed on me that He would do a work in Mombasa. I had no idea where Mombasa was, and I was not at all acquainted with Kenya. But the Lord surely had spoken and I knew it. It would take too long a time in this article

to tell the details in God's guidance. However, I learned that the Elim people were working in Kenya. I wrote to Rev. Carlton Spencer and told him that God had laid Mombasa on my heart. He made a copy of my letter and sent it to Bro. Sickler, who was then working up-country. The very same day that he received this letter, he also received a letter from some friends in Mombasa. They had a missionary rest home down here and asked the Sicklers to take charge of it as they were going to England. Notice that both these letters came to Brother and Sister Sickler on the very same day. Then they felt it was God speaking, moved down here, and began a work the last half of 1953.

In early 1954 the Lord sent Rev. I. Q. Spencer and Rev. Paul Stutzman to Mombasa. They were a great blessing.

In the Spring of 1955, Pastor Clair Hutchins and myself came to Mombasa for a campaign. We had the biggest Christian campaign ever held in this city. God blessed our humble efforts, people found the Lord Jesus, and also many were healed. It was my plan to go back to Mombasa, as I felt it was wide open. However, being the Pastor of the Philadelphia Church, Chicago, I could not be away so much. I then introduced Mombasa to Rev. T. L. Osborn. Brother and Sister Osborn came here early 1957 and had a most tremendous campaign. God did great things, saving souls, healing the sick and giving divine calls to young men to go out in the deliverance

ministry. One can say that it was the very thing that put Mombasa and East Africa on fire. Later he assisted in the support of many of the national preachers. The Revival continued under the leadership of Brother and Sister Sickler and Brother and Sister Hugh Layzell. Great results came out of this wonderful campaign.

### EVANGELISTS' TRAINING CENTER

God laid it upon my heart to conduct Bible courses for the new converts having a call from God. I came here in the early part of 1958 and conducted the first Bible course for about 50 young men. At the same time we also conducted a large out-door campaign. Pastor Charles Weston and Pastor Clair Hutchins were with me at that time. We had a most wonderful time, and God worked in a glorious way. All these young men were sent out in the field. They had great results and came back and reported glorious victories. In 1959, I conducted the second Bible school here. At that time I came alone from the U. S. The missionaries here, Brothers Bud Sickler, Hugh Layzell and Walter Olsen of Kenya Faith Mission, helped me in teaching. I paid all the expenses for both of these schools. In other words, I have taken full responsibility for the Bible courses here. It has been my calling.

These Bible courses have played a major part in the present revival. In 1958 there were 50 students. In 1959 there were 130, and this year we have 210. In these schools we drill these young

**THE WINNING THE NATIONS CRUSADE** cooperates in the Mombasa Project by sending \$17,000 toward a lot and property in the building of a revival center.

Brother Mattsson Boze includes a story in his article of how the WINNING THE NATIONS CRUSADE has cooperated in this project, in which many have contributed. Because of the lack of space we have omitted this. We may add, however, that the CRUSADE has, at the present date, sent approximately \$17,000 toward the lot and building. The whole story of the Mombasa Project is a good example of how all the members of the body of Christ, working together, can get a great job done.

men in the fundamentals of the Word of God. They know their Savior and they know the fundamentals of the Word of God. True, they are not professors, but they don't need to be professors to win souls for the Lord Jesus Christ. They come back to school year after year. These schools have done something to them. They all speak the same thing. They believe the same things, and they have the same approach, which is Jesus Christ and Him Crucified and risen! The results are astounding.

I have taken full financial responsibility again for this 1960 school. However, Pastor Weston has paid his own fare from the U. S. A. this time, which has been a tremendous help. He also, from his good heart, has done his best to help in the finances of the school.

### ROCK CHURCH, N.Y.C. GIVES BIKES

These young servants of God needed transportation. We stood up in a class in 1958, lifted our hands and asked God to give us bikes. They were sorely needed, but we had no idea where they would come from. God spoke to the heart of Rev. Charles Weston. When he went back to America he spoke in the Rock Church, N.Y.C., on the invitation of its Pastor, Rev. John Vick. God touched the heart of Brother Vick and the Rock Church. They gave bicycles to all the evangelists in 1958. God again spoke to Pastor Vick and Rock Church and they supplied bikes for all the 1959 evangelists. They have already given more than one hundred new, wonderful bicycles, of the very best, to these evangelists. Without this transportation, the work could not possibly have prospered as it has. It has been a big "GO" in fulfilling the command "Go . . . and preach the Gospel to every creature."

## ARE HEALING TESTIMONIES EVER VERIFIED BY DOCTORS' STATEMENTS?

I had pus in the bones of my legs for about twenty-four years. Some friends had the same trouble and died. After I was prayed for the doctor examined me and said that I did have the trouble, but it was gone!

I try not to double back and hold a revival in the same places very much, but we have just finished a revival in Vidor, Texas where we have been before in five series. At least three people testified that they had been healed in our former services. Each of them had gone back to their doctor who could not find the old trouble. They gave unsolicited testimonies.

One was a baby I remembered so well. It had a hole in its heart. The doctors said that it could not live; if it did it would be a spastic baby. After we prayed for it the doctor examined it and declared that the hole was gone! He was amazed!

Another was a testimony of a man, who could not breathe without an oxygen tank with him at all time. After prayer he went back to his doctor for an examination. The doctor was so amazed that he could not say anything for five minutes. He wrote a letter saying that the man could go back to work. After five years he is still free from the old trouble.

An Assembly of God pastor's wife was dying with cancer. The doctors said that she could not live. After prayer she went back and had the doctor examine her. He could not find the cancer!

These three testimonies came in our last meeting without us asking for them. About one month ago we were in El Paso in a meeting. A service boy came for prayer. Three vertebrae were replaced in his neck. He was happy. Then suddenly I felt God healing something else in his body. "I am not sure, but I believe it's blood pressure," I said. "Do you not have low blood pressure?" He said that he did not know. I felt that God had healed him.

The next night this man returned and told that he went

## Grant's Faith Clinic

back and checked his records and found that he did have low blood pressure. He was examined again and it was gone! It is on the government record. He had the low blood pressure before prayer. He did not have it after prayer.

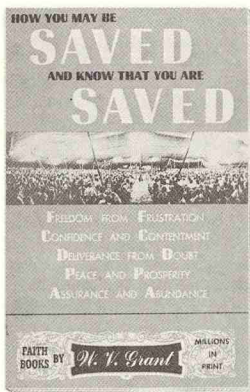

In the third chapter of Acts we see a record of a doctor's statement. Doctor Luke examined a man and said that he did not have any strength in his ankle bones. After Peter ministered healing to the man Doctor Luke said that he received strength in his ankle bones and began to leap and walk. In chapter fourteen a man was healed also. Doctor Luke said he had never walked. Then he said, after the man was healed, that he could walk! It was Paul and Peter who ministered healing to these cripples by God's power, and not Luke with his medicine kit.

SOMEONE OFFERED ONE THOUSAND DOLLARS FOR THE PROOF THAT SOMEONE IS HEALED. WHY DON'T YOU COLLECT IT?

Unlike Luke, who was inspired to write the Scriptures, doctors today only state the condition of the patient before and after healing. They do not swear that God did it. In the ninth chapter of the Book of John it is recorded that a blind man was healed. His parents said they knew that he was their son, that he was born blind, that he could then see, but they would not swear that God did it. They did not know who did it, but the man who was healed knew!

You testify that you are saved, that your sins are forgiven. Yet an infidel may offer you one thousand dollars to prove it by two reputable psychiatrists. The psychiatrists, if they knew you before hand, might swear that you were a changed man, but they would not swear that God did it. You would know your sins were forgiven, but the psychiatrists could not give you proof.

So the next time someone offers you a thousand dollars to prove by two physicians that you are healed, you can tell him you will give him a thousand dollars to prove by two psychiatrists that he is saved.

## New! Different! Greatest Ever! Just Off The Press! ONLY "How To Be Saved And Know That You Are Saved" 50c

MANY MINISTERS AND MEMBERS HAVE INSISTED . . . that Brother Grant publish a book on salvation, to make it simple for a confused sinner to come to Christ. He did not consent to this; but after several years of prayer and study, and practical experience on the fields, in city-wide and auditorium meetings; after making a trip to many nations, completely around the world; Brother Grant has seen the need for such a book. He felt led of the Spirit, and directed by the Lord, and anointed to publish a book that would give people the assurance of salvation. Do you want peace, contentment, assurance, confidence, and freedom? Do you know others who are full of doubts and frustrations? Then send for this book that is different. Brother Grant has written ninety-eight different titles on the Holy Ghost, Healing, and Prophecy, but here is one at last to the sinner as well as the confused Christian.

## A PLAN FOR ACTION

(Continued from Page 4)

Why are so many prayers unanswered? Why do so few have miracles happen in their lives? The answer is, these people are operating outside the perfect will of God. Therefore, we must begin our prayer life by praying, "Not my will but thine be done." We learn the will of God as we read the Bible and, as a matter of course begin our hour of prayer each day by reading a portion of the Scriptures. Yet the full plan of God for our lives is learned only as a result of much determined and persistent prayer. Yes, it is true that we must pray our way into the full knowledge of God's will for us.

Rule 2: *Make God's will absolute in your life. If His Words abide in you ye shall ask what ye will and it shall be done.* (Jn. 15:7)

### 3. PRACTICE THE PRESENCE OF GOD

Having resolved to make prayer a business in your life, and having determined the time and place of your praying, you take the next step. As you enter into prayer you learn to recognize the presence of God. Prayer is actual communion with God. When a person says that his prayer "hits the ceiling" and goes no further, he simply means that he does not believe that God is present. He is like Jacob who said, "Surely the Lord is in this place and I knew it not." (Gen. 28:16) Although Jacob was not aware of it, the Lord had been present all the time! You must recognize that the Lord is present, right where you are, to effectively pray. It was the recognition of Christ's presence when He was on earth in the flesh, that gave boldness to the needy who came to Him. His countenance radiated such kindness, such compassion and understanding, that it was easy to believe He would answer their request. Yet His presence is just as real today! "Where two or three are gathered together in my name, there am I in the midst of them." (Matt. 18:20) More than that, He abides forever, with each believer. (Jn. 14:16-23)

Rule 3: *When you enter into prayer, recognize that Christ is present. This will inspire you to pray in faith.*

### 4. BEGIN YOUR PRAYER HOUR WITH WORSHIP

Before you present your petitions to God, take time to worship Him. As the Scripture says, "Worship the Lord in the beauty of holiness." (Psa. 29:2) Many people pray, but few really worship the Lord. Here is your one opportunity to give something to God. The only thing that we can give Him which He has not first given us, is our worship. God has put Himself on record that He seeks true worshippers.

"But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in

truth: for the Father seeketh such to worship him." (John 4:23)

Worship and praise produces an atmosphere conducive to prayer. Praise puts the enemy to flight, and makes it easy to pray. When Judah worshipped and praised the Lord, it was not necessary for them to fight their battle. The enemy began to smite one another, and a destruction from the Lord came upon them. (II Chron. 20:21-25)

Rule 4: *Begin your prayer with worship and praise. This will produce an atmosphere conducive to prayer, and, will put the enemy to flight.*

### 5. BRING ALL YOUR PROBLEMS BEFORE GOD

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God." (Phil. 4:6)

There is a shrewd enemy who observes all our movements, our comings in and our goings out. Satan is constantly on the alert for those who might do real damage to his kingdom. Therefore any believer who truly seeks to do the will of God, will immediately find himself a peculiar target for his attacks. This enemy is unseen but he is very real, and he may get in some very telling blows, unless proper safeguards have been set up.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." (Eph. 6:12)

We should read the whole passage that follows, down including the 18th verse. Here we are told that we war not against flesh and blood but against the powers of darkness. If, however, we take unto us the special weapons provided for this warfare, we shall ward off all the attacks of Satan. We need not be anxious nor troubled nor apprehensive. Not if we bring everything that pertains to our daily life to the Lord and commit them into his hands. The affairs of our home, our family, our children, our business, in fact each burden which in any way involves us, should be faithfully brought to the Lord and definitely left with Him. Divine Providence will thus be brought to bear upon every detail of our life. And then will come to pass God's promise that "all things work together for good with them who love the Lord and are the called according to his purpose." (Rom. 8:28)

Why should we not put everything of our lives into the hands of God and trust Him? We all know that death is certain, and that one moment after death we shall be absolutely dependent upon God's goodness, His faithfulness and eternal power. At that hour we will have to rest in God and say like Christ on the cross, "Father, into thy hands I com-

mend my Spirit." This being true, why should we not, while we live, implicitly trust in God's providence?

Rule No. 5: *We should make one eternal consecration to God and then every day commit ourselves completely in His hands, even as we must eventually do at the moment of death.*

### 6. PRAY FOR GOD'S KINGDOM TO COME

God has invited us to ask Him to meet our own needs, but we must not confine our praying to our own little sphere of interest. This has been the most deplorable failing of the Christian Church: That people limit their prayers to their immediate selfish interests and do not enlarge their horizons to the world vision. We must share the burden of a lost world. We must join our prayers with the whole church militant, in a mighty effort to move heaven on behalf of the heathen.

In our WINNING THE NATIONS CRUSADE we have undertaken heavy responsibilities. We are attempting to assist in the whole mission field, without thought of profit or building a missionary organization of our own. We believe that as we help the whole church, we will help ourselves. The Crusade is a work reaching out into the whole world — the sending forth of men of faith in Mass deliverance campaigns, and the building of centers and shelters to take care of the converts. It is a crusade designed to take advantage of the peculiar movings of the Spirit of God, wherever they may occur at any given moment. In no other sphere of missionary work are the prayers of God's people more urgently needed and nowhere else can prayer have a greater reward. Let God's people join with us in united prayer for a common cause and invade the heavenlies and take captivity captive. If we put ourselves first, in the end we shall be last. But if we place God's work first then He will put us first. As we pray for the salvation of nations, we shall at the end find our own abundant salvation.

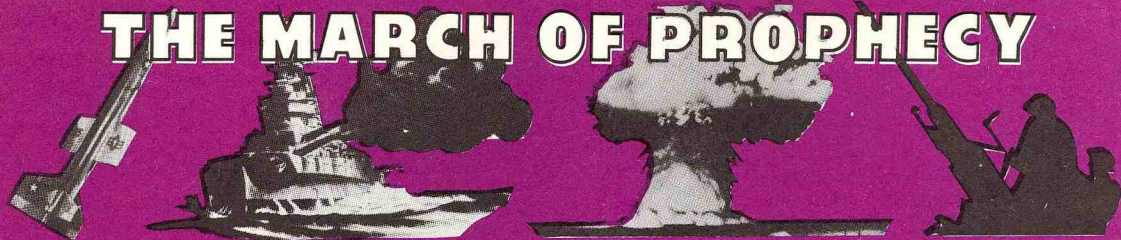

Now is the hour when the powers of darkness are making a supreme bid to destroy the human race. Let it be known that evil is determined upon the earth. The Great Red Dragon (Satan, Rev. 12) is soon to spue out his wrath upon the nations. Now is the time for each one of us to build bulwarks against the enemy. For the hour is soon coming when we shall need all the faith we can muster.

What is our hope of the Coming of the Redeemer? What of His promise to take His people out of this world? He will indeed keep His promise, but we must not forget that the Coming of Christ and the ending of the age, awaits the evangelization of the nations. "When this gospel of the kingdom is preached as a witness unto all nations and then shall the end come." For our own sake

# THE MARCH OF PROPHECY

(A feature to keep reader currently informed of world events which have unusual prophetic significance.)

## IS DE GAULLE A MAN OF DESTINY?

EUROPE was recently presented with an amazing spectacle. France has been known as the most unstable government in Europe. New premiers were overthrown in the matter of weeks, sometimes days, in non-confidence votes by the fickle French deputies. A year ago in desperation, the people of France called upon De Gaulle to take the helm. By a series of miracles he managed to restore order in the French nation.

However, Algeria exploded when De Gaulle presented his policy of self-determination to that country. In late January a powerful French rebellion opposed to the self-determination policy, developed. The soldiers were defiant and it looked like civil war for France. Notwithstanding, De Gaulle, in a startling demonstration of will, forced the soldiers in the rebellion to throw down their arms. The unbelievable happened, and the rebellion crumbled.

This remarkable drama astonished the world. De Gaulle in a certain way has caused the leaders of Europe to bow to his wishes. Even Khrushchev has approved his policy. All this shows the remarkable power that this man has been able to achieve by force of will. When De Gaulle has the atomic bomb, he will then be in position to force that will, over Europe. Here is a situation pregnant with prophetic possibilities and one to watch carefully in the coming months. The hour is at hand when one will arise who will fulfill Rev. 13:7.

"And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations."

## FRANCE HAS THE ATOMIC BOMB!

The above had just been written when the news came that France has exploded an atomic bomb in the Sahara Desert! The grandeur-hungry French nation now declares that this event has made France "a great power in every way". Russia on the other hand has declared the nuclear test as a "deplorable" thing, notwithstanding their own blustering and bullying of the nations, under threat of atomic war, has brought the world to the state of fearfulness. But now France has the atomic bomb. The Beast Power of Europe is to have the weapons which will bring fire down out of heaven. (Rev. 13:13) Now France already has them.

## THE "DARK SATELLITE"

Satellite observers were startled to discover a "silent Satellite" in a near polar orbit. After tracking it for two weeks the Navy said it could not be identified. Guesses were that it might be a Soviet "spy satellite". A television satellite in a polar orbit could observe military operations in any part of the world.

## A MISSILE DESTROYS A MISSILE

For the first time, a missile has been able to "kill" or destroy another missile. A Hawk anti-aircraft missile intercepted an honest John ballistic missile before it had gone ten miles from its launching pad. This is a remarkable new development. The army is elated over the success. However, it is possible that

Russia, which is further along in ballistic science than America, may have advanced or perfected interceptors of this type, which, if true, might greatly reduce America's deterrent power to attack.

## THE TRILLITON

As if the atomic and hydrogen bombs already produced by Russia, the U.S., and other countries, were not enough, planners are now working on the Trilliton, according to *Newsweek Magazine*. This bomb is equivalent to a trillion tons of TNT, big enough to wipe out life on a continent! Russia now is deterred from waging all-out war, since though she might kill 50 million Americans in a surprise attack, she could not, destroy all America's offensive power in one strike. Now, by building the hydrogen bomb large enough (and there is no limit to its potential size) a whole continent could be wiped out at one blow! However, prophecy indicates that Russia will not get that far along in her plans. "For the elect's sake these days shall be shortened." (Matt. 24:22)

## RADIO SIGNALS TO THE SUN AND BACK

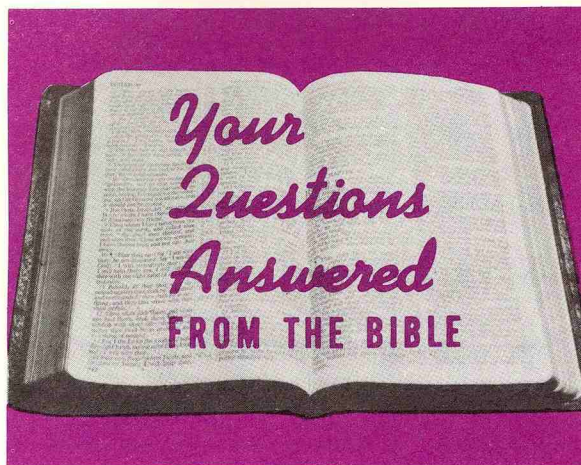

Another significant step in the conquest of space took place when scientists at the Stanford University announced that they had "bounced" signals off the sun's corona. The distance travelled was approximately 186 million miles and the time taken for the signals to travel was about 16½ minutes. It is now evident that it is possible to send a radio signal to any planet in the solar system.

It appears quite unlikely that there are any inhabitants on the planets to receive the signals, if for no other reason than the conditions there are utterly unsuitable to physical creatures similar to human beings. God prepared the earth for human habitation. However, to the best knowledge of astronomers, no such preparation has been made on the other planets. For example, on Jupiter, gravity is so powerful that it would crush a man. The atmosphere there is the deadly ammonia and methane gases. And the temperature is hundreds of degrees below zero. Stories of "little men" coming in "flying saucers" from the outer planets to save man from destruction by the atomic bomb are fantastic indeed. The event that will save the human race from self-destruction is the Second Coming of Jesus Christ!

## THE ARGENTINEAN MYSTERY

At the time of writing there has been a persistent search by the Argentinean government for mysterious submarines entering Argentine waters. Depth bombs have been dropped by the score and the submarine or submarines may have been destroyed. The whole thing appears as a "cloak and dagger mystery." It seems evident that the submarines of some nation are penetrating this area for no friendly purpose. If the Panama Canal were blown to pieces in event of an atomic attack, all shipping would have to pass around the Horn. It is of imperative importance for an enemy to carefully chart all these southern waters. World War III apparently is coming nearer, step by step.

### THE TAKING OF INSULIN

**QUESTION:** *I was prayed for, for diabetes. Should I now continue to take insulin?*

**Answer:** This question has been asked many times. We are reminded of the conversation of an evangelist with a woman who had asked him this question. He answered:

"Well, madam, that depends on whether you have diabetes or not. Now I don't take insulin."

The lady, rather surprised, replied, "Oh, sir, I didn't know you had diabetes."

"Oh no," the evangelist said, "I don't have diabetes. That's why I don't take insulin!"

The fact is, if you have diabetes and do not have faith for healing, you had better take insulin. If you quit taking it just because you were told to, or because you hope you are healed, you might experience a dangerously severe reaction. Some people fail to trust either God or the doctors.

There are cases of people who have no real faith for healing. They attend a meeting where they see miracles of deliverance take place. They may then rush into the prayer line with little consideration of what healing involves. They do not understand that their faith must be built upon God's word rather than upon an emotion or excitement of the moment. Nor do they understand that the enemy will resist them, may attempt to bring back the symptoms, and, with no knowledge of God's word they may become a victim of his onslaught. This latter could result in a reproach falling upon the ministry.

A person who has diabetes has a malfunctioning liver which is not burning up the sugar in the blood. As the sugar incidence rises, the individual may go into a coma. In extreme cases death can result. Insulin is an artificially prepared substance that removes the sugar from the blood, thus doing what the liver should but fails to do. There is no known medical cure for diabetes. Hence if faith is not positive, failure to take the insulin could have serious results. It is not a sin for a diabetic to take insulin any more than for a crippled man to walk on crutches. However, if he has faith for healing he will throw the crutches away.

We have had many wonderful testimonies of people who have been healed of diabetes. Their faith was strong and the results definite. They threw away their insulin on the basis of the confidence that was born in their soul, confidence in the truth of God's promise, and not because someone told them to give up insulin. If you have to ask what to do about it, this is an indication that you do not have the faith necessary for healing. No one but God should tell another person to throw

away insulin. The real answer has to come from the person's own spirit, rather than from an outside source.

### CONCERNING MINISTERING TO THE SICK VIA RADIO

**QUESTION:** *A minister opposing divine healing has made a violent attack against a prominent evangelist who is on television (not a Voice of Healing evangelist). He points out that the evangelist in question tells the people to put their hand on the radio or television set for a point of contact as he prays for them to be healed. This critic declares the whole thing is absurd, since, the program is on tape and the evangelist is not even in the studio when he is supposed to be praying for the sick. That the people are merely listening to a tape, and therefore the whole thing is a farce. What do you have to say concerning this charge?*

**ANSWER:** The first thing to be said is that if this critic is correct, then the entire use of radio is a farce. Many programs, religious, educational, or otherwise are taped.

The whole question is really elementary. Actually it is not the preacher who saves the sinner or who heals the sick, or casts out devils. Jesus said, "But if I cast out devils by the spirit of God . . ." (Matt. 12:28) It is the Spirit of the Lord by which the work is accomplished; the man is only an instrumentality.

From the beginning God has shown His use of means. The voice of Abraham and Moses and Daniel and the apostles still speak through the written word, the Bible. Although the Bible is a medium it has no power in itself. God's anointing on the written word it carries has all power. "For the letter killeth but the Spirit giveth life." (II Cor. 3:6) Down through the ages the Bible, though written centuries before, has exercised a great power changing the lives of men and altering the destiny of kingdoms. Magnetic tape not only carries the spoken word, but the exact inflections of the human voice. Moreover it was God who created the radio waves in the first place. Man only discovered them and learned to use them.

The critic of whom you speak is as those who criticized Jesus when they propounded catch questions concerning the resurrection. (Matt. 12:5-33) He replied saying, "Ye do err not knowing the Scriptures nor the power of God . . ." (verse 29) Certainly the God who created the universe is the God of time and space. God doesn't come and He doesn't go. When a minister preaches a sermon, he leaves the pulpit and goes his way, but the Spirit of God goes with the spoken word and it will not return void. (Isa. 55:11)

We find this truth illustrated in the ministry of the great Elisha. At the conclusion of his ministry he was buried in a tomb. Some time later another burial party was preparing to inter another dead man. But in the midst of their operations an enemy patrol hove in sight. In their haste the dead man was cast into the tomb of Elisha. When he touched the bones of the dead Elisha, there was an astonishing result. The dead man came back to life!

"And it came to pass, as they were burying a man, that, behold, they spied a band of men; and they cast the man into the sepulchre of Elisha; and when the man was let down, and touched the bones of Elisha, he revived, and stood up on his feet." (II Kings 13:21)

That the healing power of God may be active long after the man of faith is gone, is readily proven not only by this but other cases. Paul put cloths in contact with his body and sent them to distant places. When these touched sick persons, evil spirits were cast out and they were healed.

"And God wrought special miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them." (Acts 19:11-12)

## SATAN'S COUNTER-ATTACKS

(Continued from Page 5)

Faith is the victory. Faith goes on believing in spite of every returning attack. Our sins are gone at Calvary. They do not come back on us, though we may be strongly tempted to admit them once more. Resist them. Our sicknesses are also gone at Calvary. "By His stripes we are healed." Our sicknesses do not come back any more than our sins. But the enemy will tempt us to believe they are back again. Stand in victorious faith. The enemy cannot withstand that. He will have to flee before our faith and leave us in victory. Resist now, though the fight may be heavy. We are confronting a defeated foe. His power is stripped by the Victor Jesus.

### GOLIATH IS DEAD

Once more consider the inspired analogy of David's victory over all the power of the Philistines. David entered his public ministry by overcoming one mighty giant, Goliath, in the Name of Jehovah. Of him we read that "the staff of his spear was like a weaver's beam" (I Samuel 17:7). At the end of his life David was confronted with four fearful giants (I Chron. 20:4-8). As one of these monsters advanced towards him, David "waxed faint" with fear (II Samuel 21:15-17). "Goliath!" He might have thought, "Goliath again!" The same towering frame. The same boastful imprecations. The same gritted teeth. The same roaring threats. The same resounding strides. Yes—the same terrible spear—for we read of him—"whose spear staff was like a weaver's beam" (I Chron. 20:5). No wonder David was afraid. Did a doubt fill his heart as to whether Goliath was really dead? Surely, David might have inwardly reasoned—surely I slew him many years ago by faith in Jehovah! I severed his head with his own sword and carried it in triumph to King Saul. Yet there he stands before me in all his challenging arrogance. The same glaring eyes. The same poised weapon. Was I deceived when I thought I slew him? Has he risen by a Satanic miracle from the dead? Am I really saved? Am I really healed? Who has not had such doubts? No wonder fear gripped David's heart at this strange apparition.

### GOLIATH'S BROTHER

But now read in the Word: "And there was war again with the Philistines; and Elhanna . . . slew Lahmi the brother of Goliath the Gittite, whose spear staff was like a weaver's beam." Not Goliath—but Goliath's brother! The same family likeness! The same evil features! The same grimaces and gesticulations! But not Goliath. Lahmi! "He fell by the hand of David and by the hand of his servants" (verse 8). Thank God there are still pebbles in the brook—still promises in the Word. The same promises that slew Goliath long ago slay his brother now. Are you threatened by the same affliction that the Lord healed long ago? The same swellings, the same pains, the identical symptoms? Fear not. It is not Goliath. He is dead long ago. It is Lahmi, his evil brother. Sling the victorious pebble now—the Name of Jesus. The same faith that slew Goliath will slay all his evil brood. This counter attack is not the former disease come back. It is a counterfeit sham to frighten you into defeat. Do not accept it. Stand in victory. Resist the devil and he will flee from you. Take no notice of the attacks. Run through troops. Leap over walls. Place a promise in the sling of faith now, and hurl it in the name of Jesus. You are the victor in the flight. "I give you power over all the power of the enemy."

### FAITH MUST BE TESTED

Faith must be tested. But the test is not defeat. It is designed to lead to triumphant victory. "Trial is the food of faith," says the giant of faith, George Muller. A certain Brother W . . . came to my meetings in Worcester, Massachusetts, U.S.A. He had been suffering for 14 terrible years from duodenal ulcers. He was in constant pain, night and day. He could not take solid food of any sort, and even liquids caused him unbearable pain. He was like a skeleton, actually dying of starvation as well as disease. He had been to doctors, surgeons

and specialists, and had spent thousands of dollars on trial remedies, with no relief at all. Indeed, all the medical profession told him there was no remedy and no hope. He had come to the end of everything and was still suffering agonies of pain. Then he came to the meetings, and among several others came out for prayer. He told me his story. A compassion swept my being. I very simply laid my hands on his stomach, cursed that disease in the name of Jesus, and prayed the Lord to set him free. I asked brother W . . . if he believed. He said a definite yes. I sent him home in faith to eat an ordinary meal, just what anybody else was eating, and to fear nothing. He did it. The Lord instantly healed him as he thus acted his faith. That was the end of his horrible pains and his awful dieting. In the following meetings he was a new man, telling me he was now eating absolutely everything that others were eating, with no pain whatever. He was indeed a healed man. Blessed be God. I suppose it was a year afterwards I went back again to his town to preach. He came well and hearty and happy in Jesus. But this was his testimony. Three months after he was healed he was tested by a return of some of the old pains and symptoms. At first he feared the whole thing had returned to stay. Then he remembered I had told them about Goliath's Brother in one of the earlier meetings. He at once recognized this attack as an assault of imitated symptoms by the enemy, very much like the old symptoms. He did what I had told them to do in such circumstances. He ignored the feelings and appearances and went on eating and living as though such had not appeared. All was well at once when he took his stand on the Word and held on by Faith in Jesus. He had no further trouble with the old ailment but lived his normal life like any body else, happy and whole and grateful to Jesus. So the Lord slew Lahmi, Goliath's brother as He had earlier slain Goliath himself.

Are you suffering new attacks of the old enemy? It is not Goliath. It is his brother Lahmi. It is not the old disease. It is an imitated one with a family likeness. Resist it. The promise used in faith will still defeat every returning attack of the foe. Rise now in victory. The same Jesus who helped you long ago, heals you now in this new and heavy attack.. NOW! Faith goes on believing in the face of every returning attack. Faith is the victory!

## REACHING A NATION FOR GOD IN AFRICA

(Continued from Page 9)

The great results here have been won by the co-operation of many. It has developed outside conventional lines.

It started on direct, divine appointment, at the right place, in the right time. It's a marvel how the different people have listened to God's voice, from different groups and different ministries. This year the Lord spoke directly to Rev. Weston to come here. God knew how much we needed a man seasoned and able to teach the very things that our brother is so well equipped to teach and which will further promote and speed this great work of the Holy Spirit.

Lastly, the first ones in the field are the missionaries and the last ones must be the missionaries. Their valuable advice and over-sight is most needed. They are so-to-say, "the bond of perfectness."

Ultimately, if it had not been for the generosity of our home churches and all of you dear readers, who have prayed for and supported this work, how could it have been done! God bless you. We are all needed. That is the Body Ministry.

## A PLAN FOR ACTION

(Continued from Page 11)

and sake of our children, God's people must cry out mightily that the work of the church shall be completed, before apocalyptic judgment visits the earth and carries all before it.

Rule 6: *Let a definite part of our prayer hour be given to intercession for the nations, thus fulfilling Christ's command to pray "Thy kingdom come, thy will be done on earth as is done in heaven."*

### 7. LET THE SPIRIT OF GOD PRAY THROUGH YOU

We have spoken a moment ago that "all things work together for good for those who love the Lord and are called according to His purpose." This promise has the key to its fulfillment in Romans 8:26, two verses before.

"Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered."

There are times when our praying may seem to reach a dead end. The need is so great and our prayers sometimes appear to be so inadequate. Then is the time to let the Spirit pray through us. Paul says, "I will pray with the Spirit, I will pray with the understanding also." (I Cor. 14:15)—a reference to praying in the unknown tongue.

There have been times in my own experience when it seemed that my prayer was ineffective, that I was not getting the answer. I have then waited upon the Lord for the moving of His Spirit. Then suddenly as the Spirit of the Lord would come upon me, I would feel the deliverance come. Whereas my own prayer had seemed weak, the prayer offered by the Spirit became irresistible. At such times I have been amazed at the results. I have then found the truth of the promise, that with God nothing is impossible. And you, too, will find that this irresistible power is at your command—a power that can change the world you live in.

"Ask me of things to come concerning my sons, and concerning the work of my hands command me." (Isa. 45:11)

Rule 7: *Pray with the understanding, and pray with the Spirit also. When you seem to fail, the Spirit will carry your prayer through to God, and bring the answer.*
